ARKANSAS TECH UNIVERSITY
2009 UPWARD BOUND SUMMER ACADEMY
VISITATION/CHECK-OUT POLICY

UB Visitation/Check-Out Policy: Students are not allowed to have on-campus visitors (other than parents or legal guardians) during their stay in the Upward Bound Summer Academy. However, they are allowed the opportunity to earn one pass for a FREE NIGHT each week. Students earn passes by attending all classes during the day, participating in all UB activities, and having no behavior/discipline problems. FREE NIGHTS are Wednesday evenings from 5:00 p.m. until 10:00 p.m. If the student leaves campus with someone other than the parent/guardian, S/HE MUST HAVE PRIOR WRITTEN PERMISSION FROM PARENT OR GUARDIAN. If your student does not leave campus, s/he will participate in a supervised group activity.

Please list individuals you wish to grant permission to check your student out on Friday afternoons or for their Wednesday night pass. Your student will not be permitted to leave campus with anyone not listed below. Often parents give their child permission to leave campus with other UB students who drive. Please include UB students you will allow your child to leave campus with.

I hereby give permission for the individuals listed below to check out my son/daughter during the 2009 Upward Bound Summer Academy. I have read the UB Visitation Policy and support this process for allowing our friends and/or relatives to take my child off-campus during the program.
