

**Arkansas Tech University - Ozark
Curriculum Committee Meeting
June 2, 2016**

Minutes

- CALL TO ORDER The Curriculum Committee met in the Health Sciences and Wellness Building on Thursday, June 2, 2016 at 3:00 p.m. The following members were present: Tekla Barr, Josh Freeman, Stan Hatcher, Debbie McClure, Heather Nelson, Lynn Washington, Bobby Sewell, and Brenda Shoop. The following members were absent (if applicable): Erin Brickley.
- APPROVAL OF MINUTES Mr. Sewell called the meeting to order at 3:05 p.m. and asked that the minutes be approved as distributed. Motion by Tekla Barr, second by Lynn Washington to approve the minutes. Motion carried.
- OLD BUSINESS There was no old business.
- NEW BUSINESS **Cardiovascular Technology**
- Effective with the Fall 2016 semester:
In the curriculum requirements for the AAS in Cardiovascular Technology:
- Remove the requirement for CVT 2113 Hospital Policies and Patient Care
 - Reactivate and require CVT 2112 Hospital Policies and Patient Care
 - Remove the requirement for CVT 2311 Interdisciplinary Cardiac Imaging
 - Reactivate and require CVT 2312 Interdisciplinary Cardiac Imaging
- Motion by Debbie McClure, second by Josh Freeman to approve the changes requested by Cardiovascular Technology. Motion carried.
- General Technology**
- ATU-Ozark Campus would like to reconfigure the AAS in General Technology with eight different areas of concentration in Air Conditioning and Refrigeration, Applied Laboratory Technology, Automotive Service Technology, Computer Information systems, Collision Repair Technology, Cosmetic Science, Law Enforcement, and Welding Technology.
- We will remove Air Conditioning and Refrigeration, Automotive Service Technology, and Welding Technology to create three new separate AAS degrees in each of those areas and delete the options of Air Condition and Refrigeration, Automotive Service Technology, and Welding Technology from the AAS in General Technology.

These changes would be effective with the Fall 2016 term pending Board of Trustees and Arkansas Department of Higher Education approval. Since no curriculum changes are involved, students will seamlessly transition immediately into the new degrees and majors.

Motion by Lynn Washington, second by Stan Hatcher to approve the changes requested by Cardiovascular Technology. Motion carried.

ANNOUNCEMENTS There were no announcements.

ADJOURNMENT Motion by Stan Hatcher, second by Debbie McClure to adjourn the meeting. Motion carried. The meeting was adjourned at 3:32 p.m.
