Housing

Single students under 21, and with under 60 hours of college work completed, are required as space permits, to live on campus in University-owned housing units and to purchase a meal plan. This policy affects full-time (twelve hours or more, fall and spring; five hours or more, summer term) students only. Part-time students may reside in University housing with approval from the Office of Residential Life.

Rooms and apartments located on campus are reserved by students in advance of the term of residence. A \$25 application fee, payable to Arkansas Tech University, is required of applicants for campus housing.

Residence hall rooms are equipped with beds, mattresses, chairs, mirrors, and desks. Students furnish linens, bed cover and spreads, pillow, and study lamps. Custodians maintain the corridors and utility rooms, but students are responsible for the care, orderliness, and cleanliness of their rooms.

Each residence hall is supervised by a director assisted by student staff members. The Housing Office is located in Room 229 of the L.L. Doc Bryan Student Services Building.

Exemptions from student housing may be requested and will be considered on an individual basis.

Campus Residence Units

The University utilizes eight residence halls. Forty-eight apartments are available for upper-division students. The residence halls are air-conditioned and are constructed to accommodate two students per room (the new residence hall has some designed single rooms available). All rooms are equipped with cable television and local telephone service. Laundry facilities are located in each residence hall.

Brown Hall

Brown, currently an all male residence hall, is located on the west edge of campus between Tucker and Turner Halls. It currently houses 152 males within 76 double rooms. It is designed as a traditional residence hall with three floors, each with a long hallway of rooms and rest rooms conveniently located off the hallways.

Caraway Hall

Caraway, a residence hall on the National Registry of Historical Buildings, is currently an all-female hall housing 102 women. Designed in the traditional style with two students sharing a room and common bathrooms located on each floor, this hall has a tradition of academic excellence and great loyalty from its alumnae. With two spacious lounges, one on the first floor and one on the fourth floor, there is great feeling of community and camaraderie within the hall.

Jones Hall

Jones is a three-story hall which provides the women of Tech with a wonderful suite-style arrangement. While the hall has the look of the traditional, a bathroom shared by the four students divides two double rooms. The 206 residents of this hall enjoy the privacy offered by this arrangement. The rooms in Jones Hall are all computer ready with data wiring in addition to the cable and phone services provided.

Massie Hall

Massie, a two-story hall, located next to the "Doc" Bryan Student Services Building, is currently an all male hall. Designed as a traditional hall with double rooms, Massie has served the university as an all-female hall, an all-male hall, and as a faculty office building. Serving as a part of the university housing system, Massie's tradition of both academic and athletic excellence will continue again.

Paine Hall

Newly renovated, Paine Hall reopened for operation in the fall of 2001. Providing space for 216 students, Paine serves as a co-ed hall offering a unique living environment for our campus. Located on the northwest edge of campus, Paine Hall has private bathrooms within each double room. Our students have found this excellent

opportunity for increased privacy to be a true asset. Additionally, the students of Paine Hall have enjoyed the advantage of having direct Internet connections in each of their rooms.

Located on the north side of the Doc Bryan Student Services Center, Roush Hall is currently an all male hall. It provides suite style living arrangements with a bathroom that is shared by four students dividing two double rooms. The rooms in Roush Hall are computer ready with data wiring. Roush, housing 108 students, has three lounges available for students to study, play games, and socialize.

Roush Hall

Summit Hall, a five story structure, is Tech's newest residence hall. It provides Tech with 338 beds in various suite arrangements for both male and female students. Each of the five floors are accessible through a main stairwell as well as elevator access and provides students with study space as well as living areas. All rooms in this beautifully decorated hall are data wired and ready for the information highway.

Summit Hall

Turner hall is a three-story traditional residence hall offering living opportunities for nearly 200 male and female Tech students. The rooms in Turner Hall have recently been made computer ready with data wiring in addition to the cable and phone services provided.

Turner Hall

Four units with four-bedroom and two-bedroom apartments are offered to our upper-division students. Each apartment has a living room, kitchen, washer and dryer along with private bedrooms with Internet access. The residents share the common kitchen, washer and dryer, living room space and two full baths in the four-bedroom apartments. The two-bedroom units are comprised of two private bedrooms, a kitchen, washer and dryer, living room and two full baths. University Commons Apartments also have a centrally located clubhouse with a large television area, fitness equipment, rest rooms, the apartment staff office, and a full service kitchen.

To report a crime or emergency call the Department of Public Safety at 968-0222 or 911. The Department of Public Safety maintains direct radio contact with the Russellville Police Department and the Russellville Fire Department, and Tech is also served by the Pope County Ambulance Service. To reach the Department of Public Safety from off campus, dial (479) 968-0222. It is the responsibility of the Department of Public Safety to investigate and follow up on all reports of criminal activity on campus. In some cases Public Safety Officers are assisted in their investigations by the Russellville Police Department.

Department of Public Safety

The University provides a health center for use by all students. The mission of the Health and Wellness Center is to assist in the educational process of the University by modifying or removing health-related barriers to personal development and learning. It also provides educational services by serving as a health and medical resource for the University community. Most of these services are done free of charge.

Health and Wellness Center

The Center is staffed by a registered nurse and a licensed counselor Monday through Friday. They provide outpatient mental and physical health services in a strictly confidential manner and make appropriate referrals when necessary. The Center also has educational materials (i.e. brochures, books, CD's, and videos) available to the University community.

The registered nurse does physical assessments, treats minor injuries and illnesses, and provides health education to all within her scope of practice. The counselor provides brief mental health counseling for individuals, couples, and groups. The counselor also provides consultation and outreach programming on mental health concerns. You can visit the Health and Wellness Center web site at: <http://stuserv.atu.edu/hwcc/>.

Student Accident and Health Insurance

Arkansas Tech cooperates with a number of other higher educational institutions in Arkansas to make available a student group insurance policy. Students not adequately covered by an individual or family group insurance policy may purchase this policy at the beginning of any semester. Application forms are available at the Health and Wellness Center and Student Services Office. All international students are required to purchase a medical insurance plan that satisfies the requirements of the Office of International and Multicultural Student Services.

Disability Services for Students

Arkansas Tech University is committed to providing equal opportunities for higher education to academically qualified individuals who are disabled. Students with disabilities attending Tech will be integrated as completely as possible into the university community. Tech does not offer a specialized curriculum for students with disabilities nor does it assume the role of a rehabilitation center, but does assume responsibility for modifying campus facilities and procedures to accommodate individual needs where feasible.

Services arranged through the University's Disabilities Coordinator include consideration of classroom and building accessibility, planning for adequate travel time between classes, arranging for interpreters, note-taking assistance, alternative testing, and similar types of accommodations. Per individual needs, students who may require academic support are encouraged to utilize tutoring and study skills assistance available to all students through the Learning Assistance and Testing Center and within certain discipline areas.

Tech is subject to and endorses both the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973. The Disabilities Coordinator serves as the coordinator for these federal programs. The Disabilities Coordinator is located in the Office of Community Education, Dean Hall, Room 110, Arkansas Tech University, Russellville, AR 72801, and can be contacted by calling (479) 964-3230, for TDD call (479) 964-0536, or by E-mail: disabilities@mail.atu.edu. For further information regarding accommodations, documentation, and requests for services, please visit the Disability Services web site at <http://commed.atu.edu/commed/Disabilities.htm>.

Learning Assistance and Testing Center

The Learning Assistance and Testing Center (LATC) provides services which assist in the recruitment, retention, and graduation of students. The services offered to students include academic assistance and testing services.

Academic assistance services include academic counseling, arranging for tutorial services, and instruction in study skills development, taking notes, time management, and preparing for exams.

Testing services include providing registration information and materials and administering examinations such as the American College Test Assessment (ACT), Graduate Record Exam (GRE), Law School Admission Test (LSAT), Miller Analogies Test (MAT), Medical College Admissions Test (MCAT), Professional Assessments for Beginning Teachers (PRAXIS), and others. Test preparation assistance is available for many of these exams via the LATC.

Credit by examination is also a testing service. It allows an individual to earn college credit by attaining the qualifying score established by Arkansas Tech University. Examinations included in this program are Advanced College Placement (AP), College Level Examination Program (CLEP), National League for Nursing (NLN) and Arkansas Tech examinations.

The Learning Assistance and Testing Center facilities include a computer lab and a study lab/testing lab. The Center is staffed with a director and two academic counselors. Arkansas Tech University students may use these services for free (excluding tests). The Learning Assistance and Testing Center is located in suite 103 of

Bryan Hall and may be reached via phone (479) 968-0302, fax (479) 968-0375 or e-mail <LATC@mail.atu.edu>. For additional information, students may visit the center's web site at <<http://latc.atu.edu>>.

The Norman Career Services Center provides online registration for students, alumni, and employers, as well as established web links to ethical employment boards. Registrants may access and provide information through www.monstertrak.com and interviewtrak, including cover letters, resumes, materials, campus recruiting schedules, information sessions, etc. The center hosts and maintains a computerized career interest inventory, called "Discover," which may be accessed online. Services provided to **ALL** classifications of students and alumni include an extensive career library, company videos, career counseling, and resume critiquing. It also provides career workshops to classes, student groups and community organizations to ensure that Arkansas Tech University graduates are well informed, prepared for the job search, and availed of every opportunity to choose from professional alternatives. Career and part-time employment opportunities through business, industry, government, the health field and education are posted through the monstertrak web site, as well as the electronic kiosk located in the entry way of the Doc Bryan Student Services Center.

The Arkansas Tech University Norman Career Services Center hosts recruiters from non-discriminatory employing agencies who conduct a variety of interviews each semester. Current contacts are maintained with local, national, and international employers seeking career professionals from every major. Career fairs are hosted each fall and spring for all students.

Additional information concerning Career Services may be obtained by visiting their web site at <http://careers.atu.edu>, by calling (479) 968-0278, or writing to ATU, Norman Career Services Center, Doc Bryan Student Services Center, Suite 211, Russellville, AR, 72801.

Student Exchange Opportunities

Students who wish to learn more about Philippine business, society, and culture may do so through the exchange program with De La Salle University (DLSU) in Manila, Philippines. DLSU offers undergraduate and graduate degree programs in a wide variety of areas including business, computer science, and humanities. Knowledge of Tagalog is not required since all classes are conducted in English. Students may apply for a semester (including summer) or more of study. Costs include Tech tuition and fees as well as transportation and living expenses (DLSU has dormitories). More information can be obtained from the International and Multicultural Student Services Office (479) 964-0832.

Students who wish to improve their Japanese language skills and learn more about Japanese society may do so by studying for a semester or a year at Komazawa University in Tokyo. Students must have completed two years of university work in the case of undergraduates and one year of graduate work in the case of graduates prior to enrollment in this program. Applicants must have good academic standing and a minimum of two years of Japanese language instruction. Students will be admitted in the first semester beginning in April or in the fall term which begins in September. Costs include Tech tuition fees (students are exempted from Komazawa fees) as well as transportation and living expenses. More information may be obtained from the Office of International and Multicultural Student Services, Doc Bryan Student Services Center, Office 163 (phone 479-964-0832) or the Office of the Dean of Liberal and Fine Arts, Witherspoon Building 240 (phone 479-968-0274).

Students who wish to learn more about Spanish language and culture may wish to study at the University of Salamanca in Salamanca, Spain. Students who pursue this program must demonstrate a superior level of Spanish usage and must have a good academic standing. Exchange opportunities are available for a semester (including summer) or more of study. More information may be obtained from the Office of International and Multicultural Student Services, Doc Bryan Student Services Center, Office 163 (phone 479-964-0832) or the Department of Foreign Languages and International Studies, Dean Hall 116 (phone 479-964-0807).

**International and
Multicultural Student
Services**

The International and Multicultural Student Services Office provides support services designed to enrich the college experience for multicultural and international students. The office actively recruits multicultural and international students to increase the diversity of the Tech campus, provide the opportunity for cultural exchange and aid in helping all Tech students develop an appreciation for cultural differences.

The office offers a wide range of services for international students, including orientation, immigration updates, cross-cultural programming, and other support services necessary to ease the transition of international students into the U.S. culture.

Several established organizations receive support from the International and Multicultural Student Services Office. International Friends provides an opportunity for international students to share a relationship with U.S. host families through occasional meals and activities. The Association for Cultural Interaction promotes cross-cultural social and educational exchanges between international and U.S. college students. The office also currently helps coordinate events sponsored by the SGA Cultural Diversity Committee, which allows international students the opportunity to "experience" Arkansas.

The International and Multicultural Student Services Office also supports community activities which promote increased awareness of various cultures, such as Russellville's Global Fest. The office develops and sponsors programs to educate faculty, staff and students regarding an international/multicultural heritage. The office also maintains a speaker's bureau that is available for community organizations and schools.

Additional information may be obtained by telephoning (479) 964-0832, faxing (479) 880-2039, or writing to Director of International and Multicultural Student Services, Doc Bryan Student Services Center, Office 163, Arkansas Tech University, Russellville, Arkansas 72801, U.S.A.

Student Financial Aid

The primary purpose of student financial aid at Tech is to provide assistance to students who, without aid, would be unable to attend college. Financial assistance consists of scholarships, grants, loans, and part-time employment, which may be offered to students singularly or in various combinations, depending upon the degree of need. In determining the extent of a student's need, the University must consider the financial support which may be expected from the income, assets, and other resources of the parents and the student. Aid awards by the University are considered supplementary to the efforts of the student's family in assisting their children with

college expenses. All awards are administered by the Financial Aid Office in accordance with the University's equal educational opportunity policy. Application forms for all types of aid may be obtained from the Financial Aid Office in Doc Bryan Student Services Center, Office 117.

A student's cost of attendance (also called the financial aid budget) is the total of required tuition and fees and allowances for books and supplies, room and board, travel and personal expenses. Since the most recent federal regulations allow the cost of a computer to be added to the cost of attendance one time during the college career of a student, the cost of a computer and related accessories up to \$1,500 purchased no earlier than four months prior to enrollment will be added to the student's cost of attendance budget upon receipt of documentation of a computer purchase. This will be a one time adjustment with the costs being spread over the school year. No further adjustments will be made for upgrades or additional software at any time during the student's career. Other adjustments to the cost of attendance allowed by federal regulations include study-abroad programs approved for academic credit, purchase of equipment required by all students in the same course of study, and reasonable expenses incurred related to a student's disability. These adjustments may result in additional financial aid if the student was not already receiving the maximum amount of every type of aid for which they were eligible. For more information, contact the Financial Aid Office: (479) 968-0399.

Cost of Attendance

Act 1180 of 1999 prohibits postsecondary institutions from using public funds in a student aid package which exceeds the cost of attendance at that institution. Arkansas Tech follows the Arkansas Department of Higher Education regulations by reducing scholarship amounts which cause awards to exceed cost of attendance. Scholarships awarded by Tech will be reduced before other scholarships. If a student has both academic and performance scholarships from Tech, the academic scholarship will be reduced first. If a Departmental Performance Scholarship has to be reduced, the supervisor will be informed of the reduction in hours of service. In the absence of direction from a private donor, all private funds will be split equally between fall and spring semesters. For more information on the scholarship stacking policy, contact the Financial Aid Office: (479) 968-0399.

Scholarship Stacking Policy

Academic scholarships will be awarded as applications are received; therefore, students should make application at an early date since only a limited number of these scholarships are available. Students may receive only one Tech funded academic scholarship in any semester. The amount of total funds received by each student will be contingent on the Arkansas Department of Higher Education Scholarship Stacking Policy, Arkansas Act 1180 of 1999.

Academic Scholarships

Students who graduate from an Arkansas non-public non-accredited school or from a home school program must have a minimum composite ACT score of 24 and a 3.25 high school grade point average to be considered for academic scholarship.

Students who graduate from LeFlore or Sequoyah County in Oklahoma or Bowie County in Texas are considered in-state for fee purposes and are eligible to receive academic scholarships.

Original ACT reports should not be altered. Superscores or recalculated ACT scores, using subset scores from multiple exams, will not be accepted.

Academic Scholarship

Valedictorian/Salutatorian Scholarship

Out-of-State Scholarship

Transfer Scholarship

This competitive scholarship awards up to tuition per semester for four semesters to a student who has completed at least 30 for-credit hours from an Arkansas two-year public or private community or technical college with a 3.25 transfer GPA. A student must enroll in and complete 15 or more hours with a 3.25 GPA each semester to be eligible for renewal. Application deadline is June 1.

Phi Theta Kappa

Two tuition scholarships each fall semester will be given to members of Phi Theta Kappa. These transfer students must also have completed a minimum of 30 transferable hours with a minimum 3.5 grade point average to be eligible. A student must enroll in and complete 15 or more hours with a 3.25 GPA each semester to be eligible for renewal. These scholarships cover in-state tuition only. Application deadline is June 1.

Departmental Performance Scholarships

A limited number of scholarships are awarded yearly to students who show special aptitude which would be of service to the school. These students work eleven hours a week in their specific department for which they receive \$1000 credit on their account. These scholarships are renewable for seven semesters if the student is not on academic or disciplinary probation, lives in campus housing, and receives the recommendation of the department chair.

Music Performance Scholarships

The University will award, on an audition basis, a limited number of music performance scholarships for participation in major instrumental or choral organizations. The amount of the scholarship will be determined based on criteria established by the Music Department. The award will not be relinquished so long as satisfactory participation in the major music organization(s) continues and other conditions given below are met. The awards are renewable for the seven regular semesters immediately following enrollment, based on the recommendation of the Music Department chair and the student's maintaining a cumulative grade point average of 2.25 or higher. No student is eligible for the award in a semester in which he or she is on academic or disciplinary probation. Once lost, the scholarship may be regained by raising the grade point average to the required level or by removal from academic or disciplinary probation and upon recommendation of the chair of the Music Department.

Senior Service Fellowships

Fellowships in the various schools of the University are open to a limited number of outstanding advanced students. These service fellowships are awarded at the discretion of school committees when the caliber of the applicant justifies such assistance. Candidates for the fellowship must have earned 90 semester hours of credit, have a minimum grade point average of 3.00 on all work, and be enrolled in a minimum of 12 hours for the semester(s) for which the fellowship is granted. Any deviation or exception to this policy must be approved by the Office of Academic Affairs. Students who would like to be considered for a Senior Service Fellowship must make written application by April 1 to the appropriate dean.

Native American Out-of-State Waiver

Arkansas Tech University offers in-state tuition rates to Native American students in other states belonging to tribes which formerly lived in Arkansas, before relocation, and whose names are on the rolls of tribal headquarters. Tribes thus identified include the Caddo, Cherokee, Chickasaw, Choctaw, Creek (Muskogee), Delaware, Kickapoo, Osage, Quapaw, Shawnee, and Tunica. Students who qualify for in-state tuition for fee purposes may apply for freshman academic scholarship. For more information contact the Office of Admissions at (800) 582-6953.

Applications may be obtained by writing to the Admissions Office or the Financial Aid Office unless otherwise specified. Priority will be given to students who specify the Foundation scholarships for which they would like to be considered. Unless otherwise indicated, scholarship applications should be submitted to the Admissions Office by **March 15**, and will be awarded by the Student Aid Committee.

To be considered for an Arkansas Tech University Foundation scholarship where need is a determining factor, a Federal Financial Aid Application must be on file in the Financial Aid Office. Federal regulations do not permit students to receive financial aid in excess of their cost of attendance. For complete details regarding scholarship stacking regulations, contact the Financial Aid Office.

Students who receive privately funded scholarships will be responsible for writing thank you notes. Expressing appreciation to donors for their interest in and support of higher education is an important part of receiving a scholarship.

The Arkansas Tech University Foundation reserves the right to amend scholarship requirements and criteria.

Several fee and book scholarships are awarded each year to accounting majors. The scholarships are provided by contributions made to the Accounting Club by alumni of the Accounting Department. Senior accounting majors and Accounting Department faculty choose the recipients based on need, scholarship, and potential in the accounting profession. Submit applications to the chair of the Accounting Department.

The family and friends of Susan Adams have established a scholarship in her memory. The amount of the scholarship will be credited toward tuition for the recipient. Although any worthy recipient is eligible to receive the scholarship, preference in selection will be given to out-of-state students who are children of Tech graduates.

Established at the bequest of J.L. and Cora E. Adkins, annual scholarship awards are made to students pursuing a degree in Education or Fine Arts. While preference will be given to Arkansas Tech students from the Missouri counties of Dunklin, Stoddard, or New Madrid, any education or fine arts major is eligible to apply. Awards will be made each year that funds are sufficient.

This scholarship is open to entering freshmen who are enrolled in a minimum of 12 credit hours, have a minimum cumulative grade point average of 3.2 on a 4.0 scale and have earned a minimum composite ACT score of 22. In addition, applicants must have one parent who attended Arkansas Tech University. Selection will be based on a review of high school GPA, ACT composite score, extra-curricular activities and community involvement. Two letters of recommendation are required. Applications with all supporting documents must be postmarked by February 20 and received in the Alumni Office on or before March 1. Children of Tech Alumni Association Scholarship Committee members are not eligible to apply. Recipients will be chosen by the Alumni Association Scholarship Committee.

This scholarship will be awarded annually to a student who carries a minimum cumulative grade point average of 3.0 or better and is majoring in Journalism with a emphasis in Broadcasting. Preference will be given to an upper-level student and will have the opportunity of renewal the following year. The student's character, overall performance and promise in the broadcasting field as well as financial need will be considered when making this award. Applications should be made to the chair of the Department of Speech, Theater and Journalism.

**R. Lewis Urton Senior
Rehabilitation Scholarship**

An annual scholarship provided by the Arkansas Rehabilitation Association covering fees for two semesters. The scholarship is awarded to a senior major in rehabilitation science. Applications for the scholarship must be received by April 10 of each year. Students interested in applying should contact the Director of the Rehabilitation Science program. Each applicant will be interviewed by a committee made up of members of the Arkansas Rehabilitation Association.

**Academic Standards
for Students Receiving
Financial Aid Through
Federally Funded
Programs**

This policy applies to funds received through the Federal Pell Grant, the Federal Work Study, the Federal Perkins Loan, the Federal Supplemental Educational Opportunity Grant, the Federal Subsidized Stafford Loan, the Federal Unsubsidized Stafford Loan, the Federal Parent Loan for Undergraduate Students and the Arkansas Student Assistance Grant Programs.

The standards will be applied automatically and without favor or prejudice, with progress being checked at the end of each fall and spring semester.

Any appeal of this policy must be made in writing to the Financial Aid Academic Policy Appeal Committee and turned into the Financial Aid Office within thirty-days of the notification of non-compliance.

No special consideration of the effects of dropping classes will be allowed unless the Student Financial Aid Director is contacted for approval prior to dropping the course(s).

Students must meet all conditions of the policy. Noncompliance with any section will result in loss of aid.

Any student whose name appears on the institutional suspension list will not be eligible to receive aid for their next period of enrollment even if they do re-enroll with the approval of the Admissions Council.

It is the students responsibility to notify the Financial Aid Office when they are no longer on the suspension list.

A student is considered making satisfactory academic progress as a full-time student if the total credits earned (with a grade of "D" or better) are:

Number of Semesters	Minimum Hours "Earned"	Number of Semesters	Minimum Hours "Earned"
1	9	6	72
2	21	7	84
3	33	8	96
4	48	9	108
5	60	10	120

NOTE: ALL part-time students must always earn the number of hours in which they are enrolled.

Transfer Students will be assigned an "equivalent semesters attended" based on the number of hours accepted by the Registrar's Office rounded down to the nearest quarter semester. Example: A student with fifty-four transfer hours would have an "equivalent semesters attended" of 4.5 (54 divided by 12 = 4.5). **It is the student's responsibility to make sure transfer transcripts are on file with the Registrar.**

Students may use summer hours earned at Tech to fulfill the academic progress requirement. Hours earned at another institution will not meet the requirement.

A student must have received a degree by the end of ten (10) full-time semesters for a degree normally requiring four years or six or (6) full-time semesters for degrees normally requiring two years. Less than full-time semesters will be counted proportionally (see chart below). All semesters attended will be counted whether a student received financial aid during the semester or not, but allowances will be made for semesters involving required remedial course work.

Part-time enrollment Chart:

Attempted Hours	Equivalent Semesters
1-5 hrs	= .25 semester
6-8 hrs	= .50 semester
9-11 hrs	= .75 semester
12+ hrs	= 1 semester

Students who have been granted academic clemency will still have their semesters attended counted on the basis of actual attendance.

A student receiving aid may completely withdraw ONE SEMESTER ONLY and return the next semester to receive all entitled financial aid. Upon withdrawing any additional semesters while on financial aid, the student will not receive aid for their next period of enrollment even if the number of semesters attended and hours earned would allow for the receipt of financial aid funds. The next period of enrollment hours must be equivalent to the number of hours enrolled during the second withdrawal semester. (Example: If a student withdraws a second time while enrolled in 12 hours, the student would have to pay for 12 hours before becoming eligible to receive financial aid).

All students must have a minimum cumulative grade point average (GPA) of 2.00 at the end of their fourth regular (fall and spring) semester or "equivalent semester" and maintain that minimum for all remaining semesters to continue on aid. No appeal will be granted for anyone in violation of the 2.00 GPA rule. A student who falls below the

Institutional Academic Suspension

Satisfactory Academic Progress – First Undergraduate Degree

Transfer Students

Required Grade Point Average

2.00 GPA will be reinstated upon bringing the grade point average back up to 2.00. However, financial aid will not be paid retroactively for any semester lost because of this requirement.

Subsequent Undergraduate Degree OR Teacher Certification

1. Full-time students must earn an average of twelve hours per semester.
2. Students must maintain a 2.00 GPA each semester.
3. Degree or certification must be completed by the end of four regular (fall and spring semesters).

Application for Federal Student Aid

General – Students use the Free Application for Federal Student Aid and list Tech as one of the schools to receive information.

Deadline – To receive equal consideration, a student must have a complete application on file by April 15. All remaining funds will be awarded on a first-come, first-serve basis until depleted. **Note: All requested information must be returned to the Financial Aid Office by July 15 to ensure aid availability at the beginning of the fall semester.**

Federal Pell Grant

The Federal Pell Grant provides direct grants from the government to the undergraduate student for educational expenses. Since this is a grant program, the student does not have to repay the amounts received, unless the semester for which a grant is received is not completed.

Under current guidelines, only students who have never received a bachelor's degree are eligible for the Pell Grant. The university does not determine whether a student is financially eligible. The amount of the grant given to an individual student is based on a schedule provided to the university by the government. No eligible student will be denied a grant.

Federal Supplemental Educational Opportunity Grant Program

The purpose of the Supplemental Educational Opportunity Grant Program is to provide the means for a college education to qualified students of exceptional need. Each grant is awarded according to federal guidelines.

Student Employment

The University uses student employees when practicable, but students are not encouraged to work to an extent which would hinder their scholastic program.

Employment assignments are made under both the Federal College Work-Study Program and the institutional Non-Work-Study Program. To be eligible for student employment, the student must be enrolled at least half-time, successfully pass minimum load requirements, satisfy grade point requirements, maintain satisfactory employer-employee relations and have conduct and personal appearance that reflect credit to the student and the University.

Student Loans

Under the program students may borrow up to \$20,000 for undergraduate students and \$40,000 for graduate students. Annual loan limits are \$3,000 for freshmen and sophomores, \$4,000 for junior and senior students, and \$6,000 for graduates.

Federal Perkins Loans

The repayment period and the interest do not begin until six months after the student completes studies. The loan bears interest at the rate of five percent per year and repayment of principal may be extended over a ten-year period. The University approves and makes the loans and is responsible for collections. Repayment is deferred for as long as a borrower is enrolled at an institution of higher education and is carrying at least a half-time academic load. Under certain conditions, a part or all of the loan may be canceled if the student enters the teaching profession.

Federal regulations require a delayed disbursement of thirty days for all first-year, first-time undergraduate student borrowers in any Federal Family Education loan program. Additionally, all student borrowers must be enrolled in a minimum of six hours.

Federal Family Education Loans

The Federal Stafford Student Loan program authorizes loans up to \$2,625 per year for first-year undergraduates, \$3,500 for second-year undergraduates, and \$5,500 per year for undergraduates who have completed two years of undergraduate work. Graduate students may borrow up to \$8,500 for a school year. The maximum an undergraduate student may borrow is \$23,000 which is included in the \$65,500 maximum for graduate students. Under this program a student must financially qualify for the loan which is borrowed from a bank or other financial institution. The loan has a variable interest rate with a 8.25 percent cap.

Federal Stafford Student Loans

Repayment of principal and interest ordinarily begins six months after the student leaves school or ceases to be at least a halftime student. The amount of the monthly payments will be based on the total amount borrowed.

The Federal Unsubsidized Stafford Loan has the same loan limits, deferments, and interest rate as the Stafford Loan. However, the student does not have to be financially eligible for the loan and must either pay the interest while in school or have it capitalized for repayment with the loan principal. The total borrowed in regular Stafford and Unsubsidized Stafford Loans may not exceed the student's yearly maximum as shown above.

Unsubsidized Federal Stafford Loans

Parents of students who do not qualify for the Federal Stafford Loan may borrow annually the amount of the student's cost of education minus other aid for each child who is enrolled at least halftime and is a dependent undergraduate student. PLUS is limited to parents who do not have an adverse credit history, and late payments on outstanding obligations are not to be considered as having adverse credit history. The interest rate is variable with a cap of nine percent, with the borrower beginning payment within sixty days of loan disbursement. All loan checks will be written as co-payable to the parent and the educational institution.

Federal PLUS Loans

Independent students may borrow up to \$4,000 per year for the first two years of undergraduate study and \$5,000 per year thereafter with an undergraduate maximum of \$23,000. Graduate students may borrow up to \$10,000 per year with a combined undergraduate and graduate total of \$73,000. Borrowers do not have to show need but do have to apply for financial aid and may have to undergo a credit analysis. The interest rate is variable with a cap of 8.25 percent. Interest must be paid beginning sixty days after disbursement of the loan unless the lender agrees to defer it.

Additional Federal Unsubsidized Stafford Loan

Arkansas Tech has a special loan fund known as the "Mr. Tommy Memorial Student Loan Fund." This fund was established by Arkansas Tech alumni as a memorial to the late E.S. Tomlinson, for many years chair of the biology department. Supplementing lesser contributions by hundreds of former students is the Margaret McFadden Lykes, Jr., contribution. Loans from this fund are limited in amount and intended primarily for emergency aid to students. One semester of successful residence is required of all students applying for these loans. Information relative to this fund may be obtained from the Student Services Office.

Mr. Tommy Memorial Student Loan Fund

An interest-free loan to be repaid in installments of twenty percent, forty percent, and forty percent at nine, eighteen, and thirty-six month intervals. A student must be a junior or senior with a 3.0 cumulative grade point average, must demonstrate financial need, and must file a separate loan application which is available through the office of the Associate Vice President for Administration and Finance.

Further information and applications may be obtained by writing to: Arkansas Department of Higher Education, 114 East Capitol, Little Rock, AR 72201, or by calling (479) 371-2000, or 1-800-547-8839.

Arkansas Academic Challenge Scholarship Program

A college scholarship plan to promote academic achievement and encourage academically prepared Arkansas high school graduates to enroll in the state's colleges and universities. The scholarship provides \$2,500 annually and is renewable for up to three more years provided the student meets the continuing eligibility standards established by the Arkansas Department of Higher Education. This scholarship will not displace any other state grants or scholarships unless required by state or federal regulations. Names of recipients may be released to the news media to recognize the accomplishments of the recipients.

Award is made based on the applicant meeting minimum standards with regard to the ACT composite score, grade point average (GPA) in the pre collegiate core curriculum defined by the State Board of Higher Education, and financial need.

Arkansas Student Assistance Grant Program

A program which provides grants to aid undergraduate students in need of financial assistance. The amount varies depending on available funding.

Emergency Secondary Education Loan Program

A loan program administered by the Arkansas Department of Higher Education. An applicant must be an Arkansas resident; U.S. citizen or permanent resident; foreign language, mathematics, special education, or science major; enrolled as a full-time student in an approved institution; and plan to teach in an approved shortage area in an Arkansas secondary school for at least five years. Loan recipients who teach full-time in a secondary school in Arkansas following certification in a discipline listed above shall, upon annual certification by an appropriate school official, have one-fifth (1/5) of the total loan and related interest forgiven for each year employed in such capacity to a maximum of five years when the total loan and accumulated interest will be forgiven. Applications should be submitted prior to April 1.

Governor's Scholars Program

The Governor's Scholars Program provides \$4,000 merit grants each year to one hundred of Arkansas' academically superior high school graduates in order to assist them in their undergraduate studies at approved colleges or universities in Arkansas. The scholarship is renewable for up to three additional years provided the student meets the continuing eligibility standards. Applications should be submitted prior to March 1.

Governor's Distinguished Scholars

The Governor's Distinguished Scholars Program provides a tuition, mandatory fees, and room and board not to exceed \$10,000 per year to students who achieve 32 or above on the ACT or 1410 on the SAT or are a National Merit Finalist attending an approved Arkansas public or private college or university. The scholarship is renewable for up to three additional years provided the student meets the continuing eligibility standards.

Law Enforcement Officer's Dependents Scholarship

Dependents of Arkansas law enforcement officers who have been fatally injured or permanently and totally disabled in the line of duty may be entitled to an eight-semester scholarship. The scholarship may cover expenses for tuition, fees, and room, exclusive of books, food, school supplies, materials, and dues or fees for extracurricular activities, at any state-supported college or university.

The MIA/KIA Program may cover expenses for tuition, fees, and room, exclusive of books, food, school supplies, materials, and dues or fees for extracurricular activities, at any state-supported college or university for dependents of Arkansas citizens serving in the Armed Forces of the United States who are prisoners of war, missing in action, or were killed in action.

MIA/KIA Dependent's Scholarship

This program provides an annual award of \$1,000 to full-time minority freshmen or sophomore students who are interested in teacher education as a major. Interested students should contact the Tech School of Education

Freshman/Sophomore Minority Grant Program

This program loans up to \$5,000 per year for junior level minority students who are enrolled full-time in a teacher education program and are interested in teaching at the elementary or high school level. After graduation, recipients are required to teach full-time in a public school in Arkansas for 5 years to receive full forgiveness of the loan. Applications should be submitted prior to June 1.

Minority Teachers Scholarship

Students who are sixty or older may have tuition and fees waived upon completion of certification of eligibility. Students must notify the Financial Aid Office each semester of the number of enrolled hours which need to be waived. Applications are available in the Financial Aid Office.

Over 60 Tuition Waver

The Arkansas Technical Careers Student Loan Forgiveness Program was created by Act 652 of 1999. The program is designed to assist and encourage people to enter and complete programs qualifying them to fill the demands for employees in various technical occupations. Student loans may be forgiven up to \$2,500 per year for a maximum of four years. High demand career fields are determined annually by the State Board of Workforce Education and Career Opportunities. Further information may be obtained from the Department of Workforce Education at (501) 682-1500 or by visiting their web site at <<http://www.work-ed.state.ar.us>>.

Arkansas Technical Careers Student Loan Forgiveness Program

The Workforce Investment Act is a federal program which provides financial assistance to individuals in need. The program's primary targets are individuals with barriers to employment and dislocated workers. Candidates who meet eligibility requirements will receive tuition and book scholarships for two years to complete an associate degree at Arkansas Tech University. WIA is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. Requests for information about eligibility may be made through the WIA office, 103 N. Rochester, Russellville, AR 72801; telephone 968-4919; TDD/ARS: 1-800-285-1131.

Information concerning the programs of study available to WIA-eligible candidates may be obtained from the Arkansas Tech WIA Office, Doc Bryan Student Services Center, Office 211, Russellville, AR 72801; telephone 498-6056.

Persons who have substantial handicap to employment as a result of a permanent disability may receive, at no cost to themselves, vocational counseling and some financial assistance toward the cost of their college training when the vocational objective of the disabled person is approved by the Vocational Rehabilitation Counselor. These services are available through the Division of Rehabilitation Services, 1401 Brookwood Drive, Little Rock, Arkansas 72203. Application for assistance or request for information about the program may be made to that address or to a local rehabilitation counselor.

Vocational Rehabilitation Assistance

Arkansas Tech University is approved by the State Approving Agency for Veterans as a school (college, university, etc.) whereby veterans and dependents of deceased or disabled veterans may obtain subsistence while working toward a degree. Eligible

Veterans Benefits

students should contact the Office of the Registrar to obtain information regarding school attendance under the following program: Title 38, Chapter 30, Montgomery GI Bill for Veterans; Title 38, Chapter 32, Veterans Educational Assistance Program (VEAP); Title 38, Chapter 35, Survivors and Dependents Education; and Title 10, Chapter 106, Montgomery GI Bill for Selective Reserves.

All students must be working toward a degree and should follow the curriculum outline for their objectives, since only specific courses may be applied toward VA certification and graduation. Veterans may be given placement credit for prior military training. The Office of the Registrar is available to assist students concerning VA benefits. The Office of the Registrar is located in the Doc Bryan Student Services Center, Office 153.

Enrollment certification will not be sent to the Department of Veteran's Affairs until transcripts are on file and the person applying for veteran's benefits has been admitted to the University.

Activities and Organizations

Arkansas Tech University is exceptionally rich in the number of activities and organizations offered to its students. There are few members of the student body who do not take part in one or more of these activities.

Activities, except the all-university events sponsored by the Student Activities Board and Intramural & Recreational Sports, revolve around a large number of active student organizations which link together students with kindred tastes and interests.

The purpose and operation of the student organizations may be found in the current Arkansas Tech University Student Handbook.
