

# DEPARTMENT OF ENGLISH

The Department of English offers majors and teacher licensure in creative writing and English. In addition, the department offers minors in creative writing, English, and teaching English as a second language,

The department's programs seek to help students express themselves effectively, especially in writing; develop a respect for and an understanding of language; appreciate and profit from a study of our common literary heritage; increase their awareness of and empathy for diverse peoples and cultures; discover the relevance of ideas and values found in their reading; and learn to think critically and evaluate wisely.

Departmental majors are prepared for a variety of careers in advertising, communications, education, government, management, personnel work, public relations, and sales.
