

STUDENT SERVICES OPERATIONS

Housing

Single students under 21, and with under 60 hours of college work completed, are required as space permits, to live on campus in University-owned housing units and to purchase a meal plan. This policy affects full-time (twelve hours or more, fall and spring; five hours or more, summer term) students only. Part-time students may reside in University housing with approval from the Office of Residential Life.

Rooms and apartments located on campus are reserved by students in advance of the term of residence. A \$25 application fee, payable to Arkansas Tech University, is required of applicants for campus housing.

Residence hall rooms are equipped with beds, mattresses, chairs, mirrors, and desks. Students furnish linens, bed cover and spreads, pillow, and study lamps. Custodians maintain the corridors and utility rooms, but students are responsible for the care, orderliness, and cleanliness of their rooms.

Each residence hall is supervised by a director assisted by student staff members. The Housing Office is located in Room 229 of the L.L. Doc Bryan Student Services Building.

Exemptions from student housing may be requested and will be considered on an individual basis.

Campus Residence Units

The University utilizes eight residence halls. Eighty-four apartments are available for upper-division students. The residence halls are air-conditioned and are constructed to accommodate two students per room (Summit Hall has some designed single rooms available). All rooms are equipped with cable television and local telephone service. Laundry facilities are located in each residence hall.

Brown Hall

Brown, currently an all male residence hall, is located on the west edge of campus between Tucker and Turner Halls. It currently houses 152 males within 76 double rooms. It is designed as a traditional residence hall with three floors, each with a long hallway of rooms and rest rooms conveniently located off the hallways. During the summer of 2003 Brown hall was refurbished and was wired for easy computer access.

Caraway Hall

Caraway, a residence hall on the National Registry of Historical Buildings, is currently an all-female hall housing 102 women. Designed in the traditional style with two students sharing a room and common bathrooms located on each floor, this hall has a tradition of academic excellence and great loyalty from its alumnae. Recently Arkansas Tech was awarded a generous grant to renovate portions of the building and install wireless internet access for the residents of Caraway Hall.

Jones Hall

Jones is a three-story hall which provides the women of Tech with a wonderful suite-style arrangement. While the hall has the look of the traditional, a bathroom shared by the four students divides two double rooms. The 206 residents of this hall enjoy the privacy offered by this arrangement. The rooms in Jones Hall are all computer ready with data wiring in addition to the cable and phone services provided.

Massie Hall

Massie, a two-story hall, located next to the "Doc" Bryan Student Services Building, is currently an all male hall. Designed as a traditional hall with double rooms, Massie has served the university as an all-female hall, an all-male hall, and as a faculty office building. Serving as a part of the university housing system, Massie's tradition of both academic and athletic excellence will continue again.

Paine Hall

Newly renovated, Paine Hall reopened for operation in the fall of 2001. Providing space for 216 students, Paine serves as a co-ed hall offering a unique living environment for our campus. Located on the northwest edge of campus, Paine Hall has private bathrooms within each double room. Our students have found this excellent

opportunity for increased privacy to be a true asset. Additionally, the students of Paine Hall have enjoyed the advantage of having direct Internet connections in each of their rooms.

Located on the north side of the Doc Bryan Student Services Center, Roush Hall is currently an all male hall. It provides suite style living arrangements with a bathroom that is shared by four students dividing two double rooms. The rooms in Roush Hall are computer ready with data wiring. Roush, housing 108 students, has three lounges available for students to study, play games, and socialize.

Roush Hall

Summit Hall, a five story structure, is Tech's newest residence hall. It provides Tech with 338 beds in various suite arrangements for both male and female students. Each of the five floors are accessible through a main stairwell as well as elevator access and provides students with study space as well as living areas. All rooms in this beautifully decorated hall are data wired and ready for the information highway.

Summit Hall

Turner hall is a three-story traditional residence hall offering living opportunities for nearly 200 male and female Tech students. The rooms in Turner Hall have recently been made computer ready with data wiring in addition to the cable and phone services provided.

Turner Hall

Five units with four-bedroom and two units with two-bedroom apartments are offered to our upper-division students. Each apartment has a living room, kitchen, washer and dryer along with private bedrooms with Internet access. The residents share the common kitchen, washer and dryer, living room space and two full baths in the four-bedroom apartments. The two-bedroom units are comprised of two private bedrooms, a kitchen, washer and dryer, living room and two full baths. University Commons Apartments also have a centrally located clubhouse with a large television area, fitness equipment, game tables, the apartment staff office, and a full service kitchen.

The Arkansas Tech University Bookstore is located in the Young Building. Textbooks, study guides, school supplies, computer software, caps and gowns for graduation, teacher supplies, in addition to other items may be purchased.

University Bookstore

A full refund will be given on new or used textbooks until the end of the 5th class day. The following conditions will apply:

1. You need your cash register receipt and Tech I.D.
2. Your new textbooks must be returned in brand new condition with no bent corners or water damage.
3. Wrapped or boxed textbooks must be unopened.

An extended period for refunds is available to students who drop a class or withdraw from school. Specific dates will be posted each semester. Students must have a withdrawal slip and receipt. Returns are not allowed on study guides, workbooks, cliffnotes, wrapped or boxed merchandise that is opened, etc. The manager reserves the right to make the decision on the condition or salability of the merchandise.

Textbook Refund Policy

Students may sell their textbooks for cash at the bookstore during finals week. Fifty percent of the price paid at the bookstore will be paid to the student if the bookstore has received a request from the instructor stating the textbook will be used the following semester, the textbook is in good condition (no water damaged books will be bought back), and the bookstore is not overstocked. Textbooks with a new edition pending may be bought back at less than 50 percent of the price paid. Current market

Buy Back Policy

value will be paid on current editions not used or needed for the following semester on campus. A current Tech ID is required to sell books back. The bookstore does not guarantee the buy back of any textbook at any time. Select books may only have buy back value if purchased from the campus bookstore.

Additional information concerning the University Bookstore may be obtained by visiting their web site at <http://bookstore.atu.edu>, by calling (479) 968-0255, by faxing (479) 964-0861, or by E-mailing gail.vaughan@atu.edu.

Department of Public Safety

The Department of Public Safety is located on campus at 1511 N. Boulder Avenue. To report a crime or emergency call the Department of Public Safety at 479-968-0222 or 911. The Department of Public Safety maintains direct contact with the 911 communications center or all emergency services. It is the responsibility of the Department of Public Safety to investigate all reports of criminal activity and accidents that occur on campus. Also, you can visit the Department of Public Safety website for more information and services at <http://dps.atu.edu>.

Health and Wellness Center

The University provides a health center for use by all students. The mission of the Health and Wellness Center is to assist in the educational process of the University by modifying or removing health-related barriers to personal development and learning. It also provides educational services by serving as a health and medical resource for the University community. Most of these services are available free of charge.

The Center is staffed by a registered nurse and a licensed counselor Monday through Friday. They provide outpatient mental and physical health services in a strictly confidential manner and make appropriate referrals when necessary. The Center also has educational materials (i.e. brochures, books, CD's, and videos) available to the University community.

The registered nurse does physical assessments, treats minor injuries and illnesses, and provides health education to all within her scope of practice. The counselor provides brief mental health counseling for individuals, couples, and groups. The counselor also provides consultation and outreach programming on mental health concerns. You can visit the Health and Wellness Center web site at: <http://stuserv.atu.edu/hwc/>.

Student Accident and Health Insurance

Arkansas Tech cooperates with a number of other higher educational institutions in Arkansas to make available a student group insurance policy. Students not adequately covered by an individual or family group insurance policy may purchase this policy at the beginning of any semester. Application forms are available at the Health and Wellness Center and Student Services Office. All international students are required to purchase a medical insurance plan that satisfies the requirements of the Office of International and Multicultural Student Services.

Disability Services for Students

Arkansas Tech University is committed to providing equal opportunities for higher education to academically qualified individuals who are disabled. Students with disabilities attending Tech will be integrated as completely as possible into the university community. Tech does not offer a specialized curriculum for students with disabilities nor does it assume the role of a rehabilitation center, but does assume responsibility for modifying campus facilities and procedures to accommodate individual needs where feasible and without posing an undue hardship on the University.

Services arranged through the University's Disabilities Coordinator include consideration of classroom and building accessibility, planning for adequate travel time between classes, note-taking assistance, alternative testing, and similar types of accommodations. Per individual needs, students who may require academic support are encouraged to utilize the departmental tutorial laboratories.

Tech is subject to and endorses both the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973. The Disabilities Coordinator serves as the coordinator for these federal programs. The Disabilities Coordinator is located in the University Testing Center in Bryan Hall, Suite 103, and may be contacted by calling (479) 968-0302, (479) 968-0308 (TDD), (479) 968-0375 (FAX), or by E-mail at disabilities@atu.edu.

The University Testing Center provides services which assist in the recruitment, retention, and graduation of students. The services offered to students include testing services.

Testing services include providing registration information and materials and administering examinations such as the American College Test Assessment (ACT), Graduate Record Exam (GRE), Law School Admission Test (LSAT), Miller Analogies Test (MAT), Medical College Admissions Test (MCAT), Professional Assessments for Beginning Teachers (PRAXIS), and others. Test registration bulletins and preparatory materials are available for many of these exams via the University Testing Center. Credit by examination is also a testing service. It allows an individual to earn college credit by attaining the qualifying score established by Arkansas Tech University. Examinations included in this program are Advanced College Placement (AP), College Level Examination Program (CLEP), National League for Nursing (NLN) and Arkansas Tech examinations.

Furthermore, the University Testing Center facilities include a computer lab and a study lab/testing lab. Each of these rooms provides a quiet, comfortable atmosphere for studying. The Center is staffed with a director and one testing coordinator. Arkansas Tech University students may use these services for free (excluding tests). The University Testing Center is located in suite 103 of Bryan Hall and may be reached via phone (479) 968-0302, fax (479) 968-0375 or E-mail: universitytesting@atu.edu. For additional information, students may visit the center's web site at <http://latc.atu.edu>.

Norman Career Services provides online registration for students, alumni, and employers, as well as established web links to ethical employment boards. Registrants may access and provide information through www.monstertrak.com and interviewtrak.com, including cover letters, resumes, campus recruiting schedules, information sessions, etc. The center hosts and maintains a computerized career interest inventory, called "Discover," which may be accessed online. Services provided to **ALL** classifications of students and alumni include an extensive career library, company videos, career counseling, and resume critiquing. It also provides career workshops to classes, student groups and community organizations to ensure that Arkansas Tech University graduates are well informed, prepared for the job search, and availed of every opportunity to choose from professional alternatives. Career and part-time employment opportunities through business, industry, government, the health field and education are posted through monstertrak.

Norman Career Services hosts recruiters who conduct a variety of interviews each semester. Current contacts are maintained with local, national, and international employers seeking career professionals from every major. Career fairs are hosted each fall and spring for all students.

Additional information concerning Career Services may be obtained by visiting their web site at <http://careers.atu.edu>, by calling (479) 968-0278, or writing to ATU, Norman Career Services, Doc Bryan Student Services Center, Suite 211, Russellville, AR, 72801.

Student Exchange Opportunities

Arkansas Tech University De La Salle University Student Exchange

Students who wish to learn more about Philippine business, society, and culture may do so through the exchange program with De La Salle University (DLSU) in Manila, Philippines. DLSU offers undergraduate and graduate degree programs in a wide variety of areas including business, computer science, and humanities. Knowledge of Tagalog is not required since all classes are conducted in English. Students may apply for a semester (including summer) or more of study. Costs include Tech tuition and fees as well as transportation and living expenses (DLSU has on-campus housing). More information can be obtained from the International and Multicultural Student Services, Doc Bryan Student Services Center, Office 163 (phone 479-964-0832).

Arkansas Tech University Komazawa University Student Exchange

Students who wish to improve their Japanese language skills and learn more about Japanese society may do so by studying for a semester or a year at Komazawa University in Tokyo. Students must have completed two years of university work in the case of undergraduates and one year of graduate work in the case of graduates prior to enrollment in this program. Applicants must have good academic standing and a minimum of two years of Japanese language instruction. Students will be admitted in the first semester beginning in April or in the fall term which begins in September. Costs include Tech tuition and fees (students are exempted from Komazawa fees) as well as transportation and living expenses. More information may be obtained from the Office of International and Multicultural Student Services, Doc Bryan Student Services Center, Office 163 (phone 479-964-0832) or the Department of Foreign Languages and International Studies Office, Dean Hall 116 (phone 479-964-0807).

Arkansas Tech University University of Quebec Student Exchange

Tech offers students majoring or minoring in French the opportunity to improve their knowledge of the French language and to immerse themselves in the culture of French Canada through an exchange program with the University of Quebec. According to the exchange, Tech students may spend one semester or one full year at one of the campuses of the University of Quebec. While in Quebec, they will live either with a French-speaking family or in the university residence. Costs include Tech tuition and fees (students are exempted from the Quebec fees) as well as transportation and living expenses. More information about the program may be obtained from the International & Multicultural Student Service Office, Doc Bryan Student Services Center, Office 163 (phone 479-964-0832) or the Department of Foreign Languages and International Studies, Dean Hall 116 (phone 479-964-0807).

Arkansas Tech University University of Salamanca Student Exchange

Students who wish to learn more about Spanish language and culture may wish to study at the University of Salamanca in Salamanca, Spain. Students who pursue this program must demonstrate a superior level of Spanish usage and must have a good academic standing. Exchange opportunities are available for a semester (including summer) or more of study. More information may be obtained from the Office of International and Multicultural Student Services, Doc Bryan Student Services Center, Office 163 (phone 479-964-0832) or the Department of Foreign Languages and International Studies, Dean Hall 116 (phone 479-964-0807).

International and Multicultural Student Services

The International and Multicultural Student Services Office provides support services designed to enrich the college experience for multicultural and international students. The office actively recruits multicultural and international students to increase the diversity of the Tech campus, provide the opportunity for cultural exchange, and aid in helping all Tech students develop an appreciation for cultural differences.

The office offers a wide range of services for international students, including orientation, immigration updates, cross-cultural programming, and other support services necessary to ease the transition of international students into the U.S. culture.

American college students play a vital role in this process by volunteering to serve as mentors to new international students through the Global Connect program.

Several established organizations receive support from the International and Multicultural Student Services Office, including the Black Student Association, the Hispanic Student Association and the Association for Cultural Interaction.

Working together, programs are developed and sponsored throughout the year to educate faculty, staff and students regarding international and multicultural heritage.

Additional information may be obtained by calling (479) 964-0832, faxing (479) 880-2039, or writing to the Director of International and Multicultural Student Services, Doc Bryan Student Services Center, Office 163, Arkansas Tech University, Russellville, Arkansas 72801, U.S.A.

The mission of the ATU English Language Institute (ELI) is to provide programs that assist international students in developing the English language skills necessary to successfully pursue academic work in a United States college or university, and to assist in their adjustment to a different culture. The ELI accomplishes the mission by delivering non-credit English as a Second Language (ESL) instruction for international students, and by providing those students with activities that increase the awareness and understanding of American culture. The ELI is an integral part of the Office of International and Multicultural Student Services.

The primary purpose of student financial aid at Tech is to provide assistance to students who, without aid, would be unable to attend college. Financial assistance consists of scholarships, grants, loans, and part-time employment, which may be offered to students singularly or in various combinations, depending upon the degree of need. In determining the extent of a student's need, the University must consider the financial support which may be expected from the income, assets, and other resources of the parents and the student. Aid awards by the University are considered supplementary to the efforts of the student's family in assisting their children with college expenses. All awards are administered by the Financial Aid Office in accordance with the University's equal educational opportunity policy. Application forms for all types of aid may be obtained from the Financial Aid Office in Doc Bryan Student Services Center, Office 117.

Student Financial Aid

A student's cost of attendance (also called the financial aid budget) is the total of required tuition and fees and allowances for books and supplies, room and board, travel and personal expenses. Since the most recent federal regulations allow the cost of a computer to be added to the cost of attendance one time during the college career of a student, the cost of a computer and related accessories up to \$1,500 purchased no earlier than four months prior to enrollment will be added to the student's cost of attendance budget upon receipt of documentation of a computer purchase. This will be a one time adjustment with the costs being spread over the school year. No further adjustments will be made for upgrades or additional software at any time during the student's career. Other adjustments to the cost of attendance allowed by federal regulations include study-abroad programs approved for academic credit, purchase of equipment required by all students in the same course of study, and reasonable expenses incurred related to a student's disability. These adjustments may result in additional financial aid if the student was not already receiving the maximum amount of every type of aid for which they were eligible. For more information, contact the Financial Aid Office: (479) 968-0399.

Cost of Attendance

Act 1180 of 1999 prohibits postsecondary institutions from using public funds in a student aid package which exceeds the cost of attendance at that institution. Arkansas Tech follows the Arkansas Department of Higher Education regulations by reducing

Scholarship Stacking Policy

scholarship amounts which cause awards to exceed cost of attendance. Scholarships awarded by Tech will be reduced before other scholarships. If a student has both academic and performance scholarships from Tech, the academic scholarship will be reduced first. If a Departmental Performance Scholarship has to be reduced, the supervisor will be informed of the reduction. In the absence of direction from a private donor, all private funds will be split equally between fall and spring semesters. For more information on the scholarship stacking policy, contact the Financial Aid Office: (479) 968-0399.

Academic Scholarships

Academic scholarships will be awarded as applications are received; therefore, students should make application at an early date since only a limited number of these scholarships are available. Priority deadline is February 15. Students may receive only one Tech funded academic scholarship in any semester. The amount of total funds received by each student will be contingent on the Arkansas Department of Higher Education Scholarship Stacking Policy, Arkansas Act 1180 of 1999. Receipt, continued receipt, or renewal of all academic scholarships is contingent upon the student honoring the Arkansas Tech University Student Code of Conduct.

Students who graduate from LeFlore or Sequoyah County in Oklahoma or Bowie County in Texas are considered in-state for fee purposes and are eligible to receive academic scholarships.

Original ACT reports should not be altered. Superscores or recalculated ACT scores, using subset scores from multiple exams, will not be accepted.

Students who receive room and board scholarship waivers must live in the residence halls. The board portion of a scholarship cannot be used if the student resides in the University Commons.

Board of Trustees Scholarship

This scholarship pays tuition up to 18 hours, room (up to \$1350), board (19-meal plan), and \$500 stipend per semester for eight semesters for a student who qualifies as a National Merit Finalist, National Merit Semi-Finalist, Arkansas Governor's Distinguished Scholar, or Arkansas Governor's Scholar. Transfer Scholarship

This competitive scholarship awards up to tuition per semester for four semesters to a student who has completed at least 30 for-credit hours from an Arkansas two-year public or private community or technical college with a 3.25 transfer GPA. A student must enroll in and complete 15 or more hours with a 3.25 GPA each semester to be eligible for renewal. Application deadline is June 1.

Phi Theta Kappa

Two tuition scholarships for up to 18 hours each fall semester will be given to members of Phi Theta Kappa. These transfer students must also have completed a minimum of 30 transferable hours with a minimum 3.5 grade point average to be eligible. A student must enroll in and complete 15 or more hours with a 3.25 GPA each semester to be eligible for renewal. These scholarships cover in-state tuition only. Application deadline is June 1.

Departmental Performance Scholarships

A limited number of scholarships are awarded yearly to students who show special aptitude in English, forensics, hospitality administration, sports information, theatre, or university tour guiding. Students who receive a department performance scholarship must be enrolled full time. The students are assigned to special projects in their specific department for which they receive credit on their account. These scholarships are renewable for seven semesters if the student is not on academic or disciplinary probation and receives the recommendation of the department chair.

The University will award, on an audition basis, a limited number of music performance scholarships for participation in major instrumental or choral organizations. The amount of the scholarship will be determined based on criteria established by the Music Department. The award will not be relinquished so long as satisfactory participation in the major music organization(s) continues and other conditions given below are met. The awards are renewable for the seven regular semesters immediately following enrollment, based on the recommendation of the Music Department chair and the student's maintaining a cumulative grade point average of 2.25 or higher. No student is eligible for the award in a semester in which he or she is on academic or disciplinary probation. Once lost, the scholarship may be regained by raising the grade point average to the required level or by removal from academic or disciplinary probation and upon recommendation of the chair of the Music Department.

Music Performance Scholarships

Fellowships in the various schools of the University are open to a limited number of outstanding advanced students. These service fellowships are awarded at the discretion of school committees when the caliber of the applicant justifies such assistance. Candidates for the fellowship must have earned 90 semester hours of credit, have a minimum grade point average of 3.00 on all work, and be enrolled in a minimum of 12 hours for the semester(s) for which the fellowship is granted. Any deviation or exception to this policy must be approved by the Office of Academic Affairs. Students who would like to be considered for a Senior Service Fellowship must make written application by April 1 to the appropriate dean.

Senior Service Fellowships

Arkansas Tech University offers in-state tuition rates to Native American students in other states belonging to tribes which formerly lived in Arkansas, before relocation, and whose names are on the rolls of tribal headquarters. Tribes thus identified include the Caddo, Cherokee, Chickasaw, Choctaw, Creek (Muskogee), Delaware, Kickapoo, Osage, Quapaw, Shawnee, and Tunica. Students who qualify for in-state tuition for fee purposes may apply for freshman academic scholarship. For more information contact the Office of Admissions at (800) 582-6953.

Native American Out-of-State Waiver

Priority will be given to students who specify the Foundation scholarships for which they would like to be considered. Unless otherwise indicated, scholarship applications should be submitted to the Development Office by **March 15**, and will be awarded by the Student Aid Committee.

Arkansas Tech University Foundation Scholarships

To be considered for an Arkansas Tech University Foundation scholarship where need is a determining factor, a Federal Financial Aid Application must be on file in the Financial Aid Office. Federal regulations do not permit students to receive financial aid in excess of their cost of attendance. For complete details regarding scholarship stacking regulations, contact the Financial Aid Office.

Students who receive privately funded scholarships will be responsible for writing thank you notes. Expressing appreciation to donors for their interest in and support of higher education is an important part of receiving a scholarship.

The Arkansas Tech University Foundation reserves the right to amend scholarship requirements and criteria.

Several fee and book scholarships are awarded each year to accounting majors. The scholarships are provided by contributions made to the Accounting Club by alumni of the Accounting Department. Senior accounting majors and Accounting Department faculty choose the recipients based on need, scholarship, and potential in the accounting profession. Submit applications to the chair of the Accounting Department.

A tuition scholarship awarded annually to an upperclassman from the Russellville area.

An annual scholarship provided by the Arkansas Rehabilitation Association covering fees for two semesters. The scholarship is awarded to a senior major in rehabilitation science. Applications for the scholarship must be received by April 10 of each year. Students interested in applying should contact the Director of the Rehabilitation Science program. Each applicant will be interviewed by a committee made up of members of the Arkansas Rehabilitation Association.

This policy applies to funds received through the Federal Pell Grant, the Federal Work Study, the Federal Perkins Loan, the Federal Supplemental Educational Opportunity Grant, the Federal Subsidized Stafford Loan, the Federal Unsubsidized Stafford Loan, the Federal Parent Loan for Undergraduate Students and the Arkansas Student Assistance Grant Programs.

This policy will be applied automatically and without favor or prejudice, with progress being checked at the end of each fall and spring semester.

Any appeal of this policy must be made in writing to the Financial Aid Academic Policy Appeal Committee and turned in to the Financial Aid Office within thirty days of the notification of the violation. Financial aid will not be paid retroactively for any semester's lost eligibility.

No special consideration of the effects of dropping classes will be allowed unless the Student Financial Aid Director is contacted for approval prior to dropping the course(s).

Students must meet all conditions of the policy. Violation of any section will result in loss of aid.

Any student whose name appears on the institutional suspension list will not be eligible to receive aid for their next period of enrollment even if they do re-enroll with the approval of the Admissions Council unless summer hours earned at Tech re-establish eligibility.

It is the student's responsibility to notify the Financial Aid Office when they are no longer on the suspension list.

All students receiving financial aid must complete at least 75% of all courses which they have enrolled in while attending the institution. Once a student falls below 75%, the student is placed on financial aid probation. The student is allowed to receive financial aid for this period. However, the student must pass at least 75% of his or her next (current) semester course load during the probationary period in order to continue to receive financial aid. If a student fails to pass at least 75% of his or her next (current) semester course load, the financial aid will be suspended. Students must complete requirements for a degree within 150% of normal time. The actual number of hours attempted is the number of hours in which the student is enrolled in after the "drop and add" period. Courses that are repeated will be considered as hours attempted.

Academic Policy for Students Receiving Federal Student Financial Aid

Institutional Academic Suspension

Satisfactory Academic Progress - Technical Certificate

First Undergraduate Degree

A student is considered making satisfactory academic progress as a full-time student if the total credits earned (with a grade of "D" or better) are:

| Number of Semesters | Minimum Hours "Earned" | Number of Semesters | Minimum Hours "Earned" |
|---------------------|------------------------|---------------------|------------------------|
| 1 | 9 | 6 | 72 |
| 2 | 21 | 7 | 84 |
| 3 | 33 | 8 | 96 |
| 4 | 48 | 9 | 108 |
| 5 | 60 | 10 | 120 |

NOTE: ALL part-time students must always earn the number of hours in which they are enrolled. Incomplete, repeat and audit classes are counted as hours attempted. No special consideration of the effects of dropping classes will be allowed unless the Student Financial Aid Director is contacted for approval prior to dropping the courses. Students may use summer hours earned at Tech to fulfill the academic progress requirement. Hours earned at another institution will not meet the requirement.

Transfer Students

Transfer Students will be assigned an "equivalent semesters attended" based on the number of hours accepted by the Registrar's Office rounded down to the nearest quarter semester. Example: A student with fifty-four transfer hours would have an "equivalent semesters attended" of 4.5 (54 divided by 12 = 4.5). **It is the student's responsibility to make sure transfer transcripts are on file with the Registrar.**

A student must receive a bachelor's degree by the end of six (6) years of full-time attendance or an associate's degree by the end of three (3) years of full-time attendance. Allowances will be made for semesters involving required remedial course work. All fall and spring semesters attended will be counted whether a student received financial aid during the semester or not. Students may use summer hours earned at TECH to fulfill the academic progress requirement. Hours earned at another institution will not meet the requirement. Less than full-time semesters will be counted proportionally (See chart below).

Part-time Enrollment Chart:

| Attempted Hours | Equivalent Semesters |
|-----------------|----------------------|
| 1-5 hrs | = .25 semester |
| 6-8 hrs | = .50 semester |
| 9-11 hrs | = .75 semester |
| 12+ hrs | = 1 semester |

Students granted academic clemency will have all semesters attended counted on the basis of actual attendance.

Subsequent Bachelors Degree OR Teacher Certification

Full-time students must earn an average of twelve hours per semester; part time students must earn the hours of which they enroll each semester. Students must maintain a 2.0 GPA each semester. Degree or certification must be completed by the end of three years of full-time enrollment.

Required Grade Point Technical Certificate

When the cumulative grade point (GPA) of the student who has earned six or more hours falls below a "C" average (2.0), the student will be placed on financial aid probation. Students on financial aid probation who achieve a GPA of 2.0 or higher in a given semester and their cumulative GPA continues to be below the scale will be allowed to receive financial aid the next semester, but will remain on financial probation. If a student doesn't make academic progress for two semesters in a row, his/her financial aid will be suspended.

All students must have a minimum cumulative grade point average (GPA) of 2.0 at the end of their fourth regular (fall and spring) semester or “equivalent transfer semester.” For example, a student who earns 24 hours in four half-time semesters would be required to have a 2.0 at the end of the fourth semester. While a student who earns 24 hours in two full-time semesters would still have two additional semesters before a 2.0 GPA would be required. To continue on aid, this GPA must be maintained for all remaining semesters. No appeal will be granted for anyone in violation of the required GPA.

Any student who fails to meet the required GPA will be reinstated once the required GPA is met. However, financial aid will not be paid retroactively for any aid lost because of this requirement.

A student receiving aid may completely withdraw ONE SEMESTER ONLY and return the next semester to receive all entitled financial aid. Upon withdrawing any additional semesters while on financial aid, the student will not receive aid for their next period of enrollment. The next period of enrollment hours must be equivalent to the number of hours enrolled during the withdrawal semester. (Example: If a student withdraws a second time while enrolled in 12 hours, the student would have to pay for 12 hours before becoming eligible to receive financial aid).

General – Students use the Free Application for Federal Student Aid and list Tech as one of the schools to receive information.

Deadline – To receive equal consideration, a student must have a complete application on file by April 15. All remaining funds will be awarded on a first-come, first-serve basis until depleted. **Note: All requested information must be returned to the Financial Aid Office by July 15 to ensure aid availability at the beginning of the fall semester.**

The Federal Pell Grant provides direct grants from the government to the undergraduate student for educational expenses. Since this is a grant program, the student does not have to repay the amounts received, unless the semester for which a grant is received is not completed.

Under current guidelines, only students who have never received a bachelor's degree are eligible for the Pell Grant. The university does not determine whether a student is financially eligible. The amount of the grant given to an individual student is based on a schedule provided to the university by the government. No eligible student will be denied a grant.

The purpose of the Supplemental Educational Opportunity Grant Program is to provide the means for a college education to qualified students of exceptional need. Each grant is awarded according to federal guidelines.

The University uses student employees when practicable, but students are not encouraged to work to an extent which would hinder their scholastic program.

Employment assignments are made under both the Federal College Work-Study Program and the institutional Non-Work-Study Program. To be eligible for student employment, the student must be enrolled at least half-time, successfully pass minimum load requirements, satisfy grade point requirements, maintain satisfactory employer-employee relations and have conduct and personal appearance that reflect credit to the student and the University.

Under the program students may borrow up to \$20,000 for undergraduate students and \$40,000 for graduate students. Annual loan limits are \$3,000 for freshmen and sophomores, \$4,000 for junior and senior students, and \$6,000 for graduates.

Federal Perkins Loans

The repayment period and the interest do not begin until six months after the student completes studies. The loan bears interest at the rate of five percent per year and repayment of principal may be extended over a ten-year period. The University approves and makes the loans and is responsible for collections. Repayment is deferred for as long as a borrower is enrolled at an institution of higher education and is carrying at least a half time academic load. Under certain conditions, a part or all of the loan may be canceled if the student enters the teaching profession.

Federal Family Education Loans

Federal regulations require a delayed disbursement of thirty days for all first-year, first-time undergraduate student borrowers in any Federal Family Education loan program. Additionally, all student borrowers must be enrolled in a minimum of six hours.

Federal Stafford Student Loans

The Federal Stafford Student Loan program authorizes loans up to \$2,625 per year for first-year undergraduates, \$3,500 for second-year undergraduates, and \$5,500 per year for undergraduates who have completed two years of undergraduate work. Graduate students may borrow up to \$8,500 for a school year. The maximum an undergraduate student may borrow is \$23,000 which is included in the \$65,500 maximum for graduate students. Under this program a student must financially qualify for the loan which is borrowed from a bank or other financial institution. The loan has a variable interest rate with a 8.25 percent cap.

Repayment of principal and interest ordinarily begins six months after the student leaves school or ceases to be at least a halftime student. The amount of the monthly payments will be based on the total amount borrowed.

Unsubsidized Federal Stafford Loans

The Federal Unsubsidized Stafford Loan has the same loan limits, deferments, and interest rate as the Stafford Loan. However, the student does not have to be financially eligible for the loan and must either pay the interest while in school or have it capitalized for repayment with the loan principal. The total borrowed in regular Stafford and Unsubsidized Stafford Loans may not exceed the student's yearly maximum as shown above.

Federal PLUS Loans

Parents of students who do not qualify for the Federal Stafford Loan may borrow annually the amount of the student's cost of education minus other aid for each child who is enrolled at least half time and is a dependent undergraduate student. PLUS is limited to parents who do not have an adverse credit history, and late payments on outstanding obligations are not to be considered as having adverse credit history. The interest rate is variable with a cap of nine percent, with the borrower beginning payment within sixty days of loan disbursement. All loan checks will be written as co-payable to the parent and the educational institution.

Additional Federal Unsubsidized Stafford Loan

Independent students may borrow up to \$4,000 per year for the first two years of undergraduate study and \$5,000 per year thereafter with an undergraduate maximum of \$23,000. Graduate students may borrow up to \$10,000 per year with a combined undergraduate and graduate total of \$73,000. Borrowers do not have to show need but do have to apply for financial aid and may have to undergo a credit analysis. The interest rate is variable with a cap of 8.25 percent. Interest must be paid beginning sixty days after disbursement of the loan unless the lender agrees to defer it.

Mr. Tommy Memorial Student Loan Fund

Arkansas Tech has a special loan fund known as the "Mr. Tommy Memorial Student Loan Fund." This fund was established by Arkansas Tech alumni as a memorial to the late E.S. Tomlinson, for many years chair of the biology department. Supplementing lesser contributions by hundreds of former students is the Margaret McFadden Lykes, Jr., contribution. Loans from this fund are limited in amount and intended primarily for emergency aid to students. One semester of successful

residence is required of all students applying for these loans. Information relative to this fund may be obtained from the Student Services Office.

An interest-free loan to be repaid in installments of twenty percent, forty percent, and forty percent at nine, eighteen, and thirty-six month intervals. A student must be a junior or senior with a 3.0 cumulative grade point average, must demonstrate financial need, and must file a separate loan application which is available through the office of the Associate Vice President for Administration and Finance.

The programs listed below are awarded and administered by the Arkansas Department of Higher Education. Further information and applications may be obtained by writing to: Arkansas Department of Higher Education, 114 East Capitol, Little Rock, AR 72201, or by calling (479) 371-2000, or 1-800-547-8839.

A college scholarship plan to promote academic achievement and encourage academically prepared Arkansas high school graduates to enroll in the state's colleges and universities. The scholarship provides \$2,000 for the freshman year and is renewable for up to three more years provided the student meets the continuing eligibility standards established by the Arkansas Department of Higher Education. This scholarship will not displace any other state grants or scholarships unless required by state or federal regulations. Names of recipients may be released to the news media to recognize the accomplishments of the recipients.

Award is made based on the applicant meeting minimum standards with regard to the ACT composite score, grade point average (GPA) in the pre collegiate core curriculum defined by the State Board of Higher Education, and financial need.

A program which provides grants to aid undergraduate students in need of financial assistance. The amount varies depending on available funding.

The State Teacher Assistance Resource (STAR) Program provides up to \$6000 annually for junior and senior level students pursuing a course of study leading to teacher licensure in designated subject and/or geographic critical shortage areas in the state. Applicants must teach in an Arkansas public school one year for each year of scholarship assistance received, otherwise, funds must be repaid. Applicants who graduated from a teacher education program after 2004 may qualify for repayment of federal student loans.

The Governor's Scholars Program provides \$4,000 merit grants each year to one hundred of Arkansas' academically superior high school graduates in order to assist them in their undergraduate studies at approved colleges or universities in Arkansas. The scholarship is renewable for up to three additional years provided the student meets the continuing eligibility standards. Applications should be submitted prior to March 1.

The Governor's Distinguished Scholars Program provides a tuition, mandatory fees, and room and board not to exceed \$10,000 per year to students who achieve 32 or above on the ACT or 1410 on the SAT or are a National Merit Finalist attending an approved Arkansas public or private college or university. The scholarship is renewable for up to three additional years provided the student meets the continuing eligibility standards.

Dependents of Arkansas law enforcement officers who have been fatally injured or permanently and totally disabled in the line of duty may be entitled to an eight-semester scholarship. The scholarship may cover expenses for tuition, fees, and

Students who are sixty or older may have tuition and fees waived upon completion of certification of eligibility. Students must notify the Financial Aid Office each semester of the number of enrolled hours which need to be waived. Applications are available in the Financial Aid Office.

**Arkansas Technical
Careers Student Loan
Forgiveness Program**

The Arkansas Technical Careers Student Loan Forgiveness Program was created by Act 652 of 1999. The program is designed to assist and encourage people to enter and complete programs qualifying them to fill the demands for employees in various technical occupations. Student loans may be forgiven up to \$2,500 per year for a maximum of four years. High demand career fields are determined annually by the State Board of Workforce Education and Career Opportunities. Further information may be obtained from the Department of Workforce Education at (501) 682-1500 or by visiting their web site at <<http://www.work-ed.state.ar.us>>.

Workforce Investment Act

The Workforce Investment Act is a federal program which provides financial assistance to individuals in need. The program's primary targets are individuals with barriers to employment and dislocated workers. Candidates who meet eligibility requirements will receive tuition and book scholarships for two years to complete an associate degree at Arkansas Tech University. WIA is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. Requests for information about eligibility may be made through the WIA office, 103 N. Rochester, Russellville, AR 72801; telephone 968-4919; TDD/ARS: 1-800-285-1131.

Information concerning the programs of study available to WIA-eligible candidates may be obtained from the Arkansas Tech WIA Office, Doc Bryan Student Services Center, Office 211, Russellville, AR 72801; telephone 498-6056.

**Vocational Rehabilitation
Assistance**

Persons who have substantial handicap to employment as a result of a permanent disability may receive, at no cost to themselves, vocational counseling and some financial assistance toward the cost of their college training when the vocational

objective of the disabled person is approved by the Vocational Rehabilitation Counselor. These services are available through the Division of Rehabilitation Services, 1401 Brookwood Drive, Little Rock, Arkansas 72203. Application for assistance or request for information about the program may be made to that address or to a local rehabilitation counselor.

Arkansas Tech University is approved by the State Approving Agency for Veterans as a school (college, university, etc.) whereby veterans and dependents of deceased or disabled veterans may obtain subsistence while working toward a degree. Eligible students should contact the Office of the Registrar to obtain information regarding school attendance under the following program: Title 38, Chapter 30, Montgomery GI Bill for Veterans; Title 38, Chapter 32, Veterans Educational Assistance Program (VEAP); Title 38, Chapter 35, Survivors and Dependents Education; and Title 10, Chapter 1606, Montgomery GI Bill for Selective Reserves.

All students must be working toward a degree and should follow the curriculum outline for their objectives, since only specific courses may be applied toward VA certification and graduation. Veterans may be given placement credit for prior military training. The Office of the Registrar is available to assist students concerning VA benefits. The Office of the Registrar is located in the Doc Bryan Student Services Center, Office 153.

Enrollment certification will not be sent to the Department of Veteran's Affairs until transcripts are on file and the person applying for veteran's benefits has been admitted to the University.

Arkansas Tech University is exceptionally rich in the number of activities and organizations offered to its students. There are few members of the student body who do not take part in one or more of these activities.

Activities, except the all-university events sponsored by the Student Activities Board and Intramural & Recreational Sports, revolve around a large number of active student organizations which link together students with kindred tastes and interests.

The purpose and operation of the student organizations may be found in the current Arkansas Tech University Student Handbook.
