## Transfer Students

Applicability of transfer credit to meet specific degree requirements depends on the major selected by the transfer student. The transfer student should review the Transfer Credit policy in the Admission section of this catalog and meet with their academic advisor to determine final transfer credit eligibility for the selected program of study.

The associate of arts degree program in general studies is designed primarily for continuing education students who enroll on a part-time basis in the University's evening school. This degree offers students the background, knowledge, and academic preparation necessary to pursue career opportunities not requiring the traditional four-year degree while at the same time providing the foundation for continued study toward a bachelor's degree. To qualify for the associate of arts in general studies, the student must satisfy the associate degree requirements, see "Associate Degrees" on page 81 and complete the following curriculum:

Curriculum	Hours
General Education courses <sup>1</sup>	37
Electives	25
Total	62

<sup>1</sup>See "General Education Requirements" on page 83.

The Bachelor of Arts in General Studies is designed primarily for students who wish a broad liberal arts degree, without a concentration in a discipline or preparation for a particular profession. The degree also suits students wishing to pursue a four-year baccalaureate in order to obtain an education which will furnish them with good writing, analytical and/or speaking skills. The degree will furnish background for employment in a variety of business, governmental, and managerial careers. General Studies requires completion of the General Education courses, a general core of classes, with the addition of two emphasis blocks. Once the student has selected emphasis areas an advisor in one of the emphasis areas will be assigned to the student.

The Bachelor degree in General Studies requires completion of 124 hours. In addition to completion of General Education hours, a student must complete two emphasis blocks, 12 hours in upper level Liberal Arts courses, 6 hours in computer/technology courses, and 25 hours of electives.
