

COSMETOLOGY

This program is designed to prepare students for professional licensing in the cosmetology field. Students are taught the basic techniques of hair care, chemical services, professional ethics, sanitation, manicuring, facials, salon management, and rules and regulations as designated by the state.

The Arkansas State Board of Cosmetology requires an individual to successfully complete 1500 clock hours in order to qualify for the state cosmetology licensing examination. In addition to admission requirements for this program, a student must submit two letters of recommendation, a copy of his or her Social Security card, and a \$10 money order made payable to the Arkansas State Board of Cosmetology for a temporary training permit.
