They should determine the academic pursuits that lead to the vocations most attractive not only in financial gain but in interest as well. Then they should examine the program of study most closely related to their interest areas.

Some students entering the University have not chosen a major. The individual who has not decided on a major may enroll in general education courses which are required of all candidates for the Associate of Applied Science degree (see "General Education Requirements" on page 27). Students enrolling as "undecided" majors will be assigned to the Office of Student Services. The Office of Student Services is located in the Administration building and can be contacted by calling (479) 667-3433. Procedure for Scheduling Courses

Detailed procedures for registration/preregistration are contained each semester in the schedule of courses. Prior to enrollment, students, in consultation with an academic advisor in their major field of study, prepare a class schedule and officially register for classes and pay tuition/fees.
