

# VITICULTURE

## Viticulture

Arkansas Tech University - Ozark Campus is seeking accreditation approval for a Technical Certificate in Viticulture. Students will not be enrolled in the Viticulture program until candidacy for accreditation status has been achieved through the Arkansas Department of Higher Education.

The Technical Certificate in Viticulture allows the learner to demonstrate the application of specific agricultural knowledge, techniques, and theories to improve vineyard health. Students completing this technical certificate will be prepared for entry to mid-level positions in the grape growing industry. The Altus vineyards and wineries, due to their proximity to the Ozark Campus, provide employment and internship opportunities. Students will also have access to entrepreneurial support along with professional growth opportunities for those currently employed.

### Curriculum in Viticulture Technical Certificate (Pending Approval)

Course Number	Course Name	Semester Hours
<b>1st Semester</b>		
BUS 1303	Intro to Computers	3
BUS 1003 or ENGL 0303 or ENGL 1013	Business English Foundational Composition Composition I	3
