Student Gifts, Prizes & Awards Procedures

Will you be hosting an event, meeting, or program where prizes will be given or a competition where someone will win a prize? If so, it is important that you follow the procedures outlined here and that you are aware of the policies associated with distributing prizes, <u>before advertising or purchasing the item for your event</u>.

Please be sure to inform all individuals that the value of a prize awarded, through a drawing or program, is considered taxable income to the recipient and may need to be reported to the IRS.

Non-US citizens may be subject to additional taxes. In some cases, 30% of the value of the prize must be withheld or paid <u>before the prize can be claimed</u>. Please contact the Controller's Office before awarding the prize if the recipient is a non-US citizen.

- 1. The total amount for any gift card cannot exceed \$100 and must be pre-approved.
- 2.
