

Arkansas Total Eclipse 4.08.2024

Accommodations & Hospitality Tips

- Do not attempt something you are not comfortable with when it comes to renting land or home
- Remember while these are the type of tourists and guests you want BUT there will still be clean up
- Stay current on social media and do not try to price gouge, but also know the worth of what you are selling
- Do not cancel on guests in an attempt to make more money from another guest
- Be prepared for guests to cancel at last minute due to weather so create cancellation policies
- Know that while they are here for an epic adventure, we do want them to come back to Arkansas
- Be kind and gracious and know that everyone will be stressed
- Some visitors have already been through this and know what to expect
