for official use only:

Math \_\_\_\_\_ T \_\_\_\_\_

Term \_\_\_\_\_ R \_\_\_\_\_

### Eligibility Requirements

To be considered for an Engineering Scholarship, you must be a 2010 graduating senior from a high school, private school, or home school program. Award values range up to tuition. You must have a minimum math ACT subscore of a 25, or the SAT equivalent, with a cumulative high school grade point average of 3.25 or higher. You must enroll as an electrical or mechanical engineering major at Arkansas Tech University the semester following your high school graduation. The scholarship is renewable for up to 7 semesters provided recipient completes a minimum of 12 hours toward a BSEE or a BSME degree per semester with a 3.25 semester GPA.

### Application Requirements

Applications must be received on or before the February 15 priority deadline. Staple all supporting documentation to this application. Incomplete applications will not be considered. The following supporting documentation should be submitted:

1. An official copy of your high school transcript and ACT scores. If ACT score is improved prior to the February deadline, the applicant should fax the new scores to 479-964-0522 with a cover letter explicitly requesting that the scores be added to their Engineering Scholarship Application.
2. A minimum of two recommendation letters must also be attached. Recommendation letters should be from individuals who can attest to the academic potential of the student. Additional recommendations can be supplied; however, they must accompany the original application. Quality, not quantity, is the objective.
