In a medical emergency every second counts, especially when transporting patients who are far away from adequate medical treatment. AMCN providers respond to scene calls and provide hospital-to-hospital transports—carrying seriously ill or injured patients to the nearest appropriate medical facility.

## ABOUT AIRMEDCARE NETWORK

AirMedCare Network is America's largest air medical membership network, providing financial protection for emergency air medical transport. Even with medical insurance, air medical transport can result in significant out-of-pocket expenses, however an AMCN membership ensures no out-of-pocket expenses for medically necessary flights only if flown by an AMCN provider.
