ARKANSAS TECH UNIVERSITY

QUALITY EDUCATION

At an Affordable Price!
You've spent years preparing yourself for college, now spend a few minutes making sure you choose the right one. As you compare colleges, keep in mind that no only does Tech offer smaller class sizes, but almost every class is taught by an accredited professor, not a graduate assistant. With over 90 degree programs to choose from, you have many choices for your future. Over 12,000 people are currently expanding their opportunities by attending Arkansas Tech University, making us the state's fastest growing institution. *Shouldn't you see why?*
