Search Criteria

Plan:	PPO
Provider Type:	Hospitals/Facilities
ZIP Code:	72801
Distance:	Within 25 miles
Specialty:	All Specialties
Data Updated:	08/01/2011

Providers are sorted by provider type, then specialty, then alphabetically by provider name. If you need additional information or assistance locating providers, please visit MyCIGNAforhealth.com or call the member services number on your ID card to speak with a representative.

Provider data changes frequently so please contact the provider and verify they participate in your specific network at the address you plan to have your appointment.

If you are seeking care outside your regular geographic area (such as across state lines or a significant distance from your home), please call the member services number on your ID card before scheduling an appointment to confirm that the selected provider participates in your plan. Otherwise, you will be financially responsible for all non-covered costs.
