Act 157 of 2007 of the Arkansas Regular Legislative Session **requires** that any business or person responding to a Request for Proposal (RFP) for professional services, technical and general services or any category of construction in which the total dollar value is \$25,000 or greater **certify, prior to the award of the contract**, that they do not employ or contract with any illegal immigrants. Bidders are to certify online at:

<https://www.ark.org/dfa/immigrant/index.php/user/login>

This is a mandatory requirement. Failure to certify may result in rejection of your proposal, and no award will be made to a vendor who has not so certified. If you have any questions, please contact the Purchasing Department.

Thank you.
