Drs. Ihde, Osburn, Goza, White, Carr, Smith, and Giroir were absent. Dr. Hoelzeman called the meeting to order and indicated no minutes needed approval from last semester.

OLD BUSINESS: No old business

NEW BUSINESS:

Dr. Hoelzeman asked for volunteers for the position of chair-elect. Ms. Rhodes indicated Dr. Osburn, Dr. Hoelzeman, Dr. Carr, Dr. Smith, Dr. Still, and Mr. Aulgur were serving two year terms and would be eligible to serve as chair-elect. Mr. Jeff Aulgur indicated he would serve as chair-elect. Dr. Hoelzeman welcomed Dr. Womack as new chair and Mr. Aulgur as chair-elect.

ANNOUNCEMENTS:

Meeting Location: Ms. Rhodes suggested we hold our regular meetings in the RPL 325. Ms. Rhodes will complete the room reservation for the fall meetings.

Calendar: Ms. Rhodes indicated the designated time for meetings are on the first Tuesday of the month at 3 p.m.

The following meetings are on the University calendar:

September 4  
October 3  
November 6  
December 4

Ms. Rhodes indicated proposals for curriculum changes were not due until October 1, so it was not necessary to meet unless the committee has other business. Ms. Rhodes suggested a called meeting on Tuesday, October 23, to review the first group of proposals. Ms. Rhodes indicated that would allow for proposals needing approval from the Teacher Education Committee could be reviewed on November 6.

ADJOURNMENT:

Meeting adjourned at 1 p.m.

III. New Business – Curriculum Proposals

A. Department of Agriculture

Motion made by Dr. Hoelzeman, seconded by Dr. Carr, to approve the proposal to delete the Curriculum in Agriculture Business Pest Management Option. Motion carried.

B. Department of English and World Languages & University Honors

Motion made by Dr. Carr, seconded by Dr. Giroir, to approve the proposals to add ENGL 2183, Honors Introduction to Film, to the course descriptions; and to change the course number for HONR 1001, Freshman Honors Seminar, to 1003. Motion carried.

C. Department of Mathematics

Motion made by Dr. Carr, seconded by Dr. Goza to approve the following proposals with a minor modification to MATH 1914, Precalculus:

1. Delete MATH 0803, Beginning Algebra, from the course descriptions;
2. Modify MATH 0903, Intermediate Algebra, as follows: (1) change the title to Beginning and Intermediate Algebra; (2) remove the prerequisites; (3) allow for the course to be repeatable and all attempts be included in passed hours unless student petitions for a repeat of a grade of D or F to be removed from grade point average; and (4) add new grades to the grading as outlined in the proposal:

New Course Description:

Prerequisites: One unit of high school algebra, grade of C or better in MATH 0803, or consent of the Mathematics Department.

The purpose of this course is to prepare for college level mathematics those students

whose mathematics background is inadequate. Content of the course is fundamental operations, linear equations, special products and factoring, fractions, functions, graphs, and systems of linear equations.

Note: The grade in the course will be computed in semester and cumulative grade point averages, but the course may not be used to satisfy general education requirements nor provide credit toward any degree.

Note: A student who makes a D or F in MATH 0903 must repeat the course in each subsequent semester until he or she earns a grade of C or better.

New Course Description:

The purpose of this course is to prepare for college level mathematics those students whose mathematics background is inadequate. Content of the course is the language of algebra, fundamental operations, signed numbers, various equations, problem solving, special products and factoring, fractions, functions, graphs, exponents, and systems of linear equations.

Note: The grade in the course will be computed in semester and cumulative grade point averages, but will not be calculated in earned hours. The course may not be used to satisfy general education requirements nor provide credit toward any degree.

Note: The course is repeatable allowing hours for financial aid purposes. All attempts of the course will be included in the semester and cumulative grade point average. Students earning the grade of D\*, F\*, or FE may repeat the course and petition the Registrar's Office to have the quality hours and quality points removed from the in semester and cumulative grade point averages.

Note: A student must achieve a grade of A\*, AQ\*, B\*, BQ\*, C\*, or CQ\* to satisfy the requirements to enroll in MATH 1003. A student must achieve a grade of A\*, B\*, or C\* to satisfy the requirements to enroll in MATH 1113. A student earning a grade of AN\*, BN\*, CN\*, D\*, F\*, or FE will be required to reenroll in MATH 0903.

3. Modify the prerequisites for MATH 1003, College Mathematics, as follows:

Old Prerequisites: Score of 19 or above on the mathematics subscore of the Enhanced ACT, score of 460 or above on the quantitative portion of SAT, score of 41 or above on the quantitative portion of the COMPASS mathematics section, or make a grade of C or higher in Math 0903.

New Prerequisites: Score of 19 or above on the mathematics sub score of the Enhanced ACT, score of 460 or above on the quantitative portion of SAT, score of 41 or above on the quantitative portion of the COMPASS mathematics section, or make a grade of A\*, AQ\*, B\*, BQ\*, C\*, or CQ\* in MATH 0903.

4. Modify the prerequisites for MATH 1113, College Algebra, as follows:

Old Prerequisites: Score of 19 or above on the mathematics portion of the ACTE exam, or score of 460 or above on the quantitative portion of SAT, or score of 41 or above on the COMPASS mathematics section, or grade of "C" or better in MATH 0903.

New Prerequisites: Score of 19 or above on the mathematics portion of the ACTE exam, or score of 460 or above on the quantitative portion of SAT, or score of 41 or above on the COMPASS mathematics section, or grade of A\*, B\*, or C\* in MATH 0903.

5. Modify the prerequisites for MATH1914, Precalculus, as follows:

Old Prerequisites: Completion of high school algebra I and II with a grade of C or better and a score of 19 or above on the mathematics portion of the ACTE exam, or score of 460 or above on the quantitative portion of the SAT, or score of 41 or above on the COMPASS mathematics section, or MATH 1113 and MATH 1203, or a grade of C or better in MATH 0903.

New Prerequisites: Completion of high school algebra I and II with a grade of C or better and a score of 19 or above on the mathematics portion of the ACTE exam, or score of 460 or above on the quantitative portion of the SAT, or score of 41 or above on the COMPASS mathematics section, or MATH 1113 and MATH 1203, or a grade of A\*, B\*, or C\* in MATH 0903.

V. Adjournment

Arkansas Tech University  
Curriculum Committee Minutes

The Curriculum Committee met on Tuesday, April 2, 2013, at 4 p.m. in RPL 325. The following are members of the committee:

|                          |  |
|--------------------------|--|
| Dr. Rick Ihde (AS)       | Dr. David Hoelzeman (AS)                     |
| Dr. Nina Goza (BA)       | Mr. Jeff Aulgur (PS)                         |
| Dr. Sid Womack (ED)      | Dr. Diane Gleason (AL)                       |
| Dr. James Musser (NHS)   | Dr. Beth Giroir (AL)                         |
| Dr. Paola Gemme (AH)     | Tammy Rhodes (ex officio)                    |
| Dr. Pam Carr (BA)        | Mr. Nicolas Hannaman (SGA<br>Representative) |
| Dr. V. Carole Smith (ED) | Mr. Thomas Strahan (SGA<br>Representative)   |
| Dr. David Osburn (AH)    |  |
| Dr. Ivan Still (NHS)     |  |

Dr. Ihde, Dr. Smith, Dr. Osburn, Mr. Aulgur, Ms. Rhodes, Mr. Hannaman, and Mr. Strahan were absent. Guests were Dr. Tom Limperis, Ms. Kristi Spittler Brown, Dr. Carl Brucker, and Dr. Jan Jenkins were guests.

In Ms. Rhodes absence, Dr. Giroir took meeting for the meeting.

Dr. Womack called the meeting to order, indicated we had a quorum, and asked for approval of the minutes from the November 6, meeting.

Motion made by Dr. Gleason, seconded by Dr. Goza, to approve the minutes. Motion carried.

OLD BUSINESS: No old business

NEW BUSINESS:

A. Department of Agriculture

Motion made by Dr. Hoelzeman, seconded by Dr. Carr, to approve the proposal to delete the Curriculum in Agriculture Business Pest Management Option. Motion carried.

B. Department of English and World Languages & University Honors

Motion made by Dr. Carr, seconded by Dr. Giroir, to approve the proposals to add ENGL 2183, Honors Introduction to Film, to the course descriptions; and to change the course number for HONR 1001, Freshman Honors Seminar, to 1003. Motion carried.

C. Department of Mathematics

Motion made by Dr. Carr, seconded by Dr. Goza to approve the following proposals with a minor modification to MATH 1914, Precalculus:

1. Delete MATH 0803, Beginning Algebra, from the course descriptions;
2. Modify MATH 0903, Intermediate Algebra, as follows: (1) change the title to Beginning and Intermediate Algebra; (2) remove the

prerequisites; (3) allow for the course to be repeatable and all attempts be included in passed hours unless student petitions for a repeat of a grade of D or F to be removed from grade point average; and (4) add new grades to the grading as outlined in the proposal:

New Course Description:

Prerequisites: One unit of high school algebra, grade of C or better in MATH 0803, or consent of the Mathematics Department.

The purpose of this course is to prepare for college level mathematics those students whose mathematics background is inadequate. Content of the course is fundamental operations, linear equations, special products and factoring, fractions, functions, graphs, and systems of linear equations.

Note: The grade in the course will be computed in semester and cumulative grade point averages, but the course may not be used to satisfy general education requirements nor provide credit toward any degree.

Note: A student who makes a D or F in MATH 0903 must repeat the course in each subsequent semester until he or she earns a grade of C or better.

New Course Description:

The purpose of this course is to prepare for college level mathematics those students whose mathematics background is inadequate. Content of the course is the language of algebra, fundamental operations, signed numbers, various equations, problem solving, special products and factoring, fractions, functions, graphs, exponents, and systems of linear equations.

Note: The grade in the course will be computed in semester and cumulative grade point averages, but will not be calculated in earned hours. The course may not be used to satisfy general education requirements nor provide credit toward any degree.

Note: The course is repeatable allowing hours for financial aid purposes. All attempts of the course will be included in the semester and cumulative grade point average. Students earning the grade of D\*, F\*, or FE may repeat the course and petition the Registrar's Office to have the quality hours and quality points removed from the in semester and cumulative grade point averages.

Note: A student must achieve a grade of A\*, AQ\*, B\*, BQ\*, C\*, or CQ\* to satisfy the requirements to enroll in MATH 1003. A student must achieve a grade of A\*, B\*, or C\* to satisfy the requirements to enroll in MATH 1113. A student earning a grade of AN\*, BN\*, CN\*, D\*, F\*, or FE will be required to reenroll in MATH 0903.

3. Modify the prerequisites for MATH 1003, College Mathematics, as follows:

Old Prerequisites: Score of 19 or above on the mathematics subscore of the Enhanced ACT, score of 460 or above on the quantitative portion of SAT, score of 41 or above on the quantitative portion of the COMPASS mathematics section, or make a grade of C or higher in Math 0903.

New Prerequisites: Score of 19 or above on the mathematics sub score of the Enhanced ACT, score of 460 or above on the quantitative portion of SAT, score of 41 or above on the quantitative portion of the COMPASS mathematics section, or make a grade of A\*, AQ\*, B\*, BQ\*, C\*, or CQ\* in MATH 0903.

4. Modify the prerequisites for MATH 1113, College Algebra, as follows:

Old Prerequisites: Score of 19 or above on the mathematics portion of the ACTE exam, or score of 460 or above on the quantitative portion of SAT, or score of 41 or above on the COMPASS mathematics section, or grade of "C" or better in MATH 0903.

New Prerequisites: Score of 19 or above on the mathematics portion of the ACTE exam, or score of 460 or above on the quantitative portion of SAT, or score of 41 or above on the COMPASS mathematics section, or grade of A\*, B\*, or C\* in MATH 0903.

5. Modify the prerequisites for MATH1914, Precalculus, as follows:

Old Prerequisites: Completion of high school algebra I and II with a grade of C or better and a score of 19 or above on the mathematics portion of the ACTE exam, or score of 460 or above on the quantitative portion of the SAT, or score of 41 or above on the COMPASS mathematics section, or MATH 1113 and MATH 1203, or a grade of C or better in MATH 0903.

New Prerequisites: Completion of high school algebra I and II with a grade of C or better and a score of 19 or above on the mathematics portion of the ACTE exam, or score of 460 or above on the quantitative portion of the SAT, or score of 41 or above on the COMPASS mathematics section, ~~or MATH 1113 and MATH 1203~~, or a grade of A\*, B\*, or C\* in MATH 0903.

Motion carried.
