

ARKANSAS TECH UNIVERSITY

GUIDELINES FOR SABBATICAL ASSIGNMENT

The basis for sabbatical assignment for Arkansas Tech University faculty is provided in the Faculty Handbook.

1. Eligibility: Any tenured faculty member employed by the University for six years or more.
2. Deadline: The Sabbatical Committee will consider proposals submitted by September 15. Proposals may be considered up to one year in advance. For example, proposals submitted by September 15, 2016 may apply for sabbatical assignment for spring 2017 and/or summer 2017, and/or fall 2017.
 - Department and College approvals must be secured, as per the guidelines outlined in the Faculty Handbook, and proposals submitted to the Office of Academic Affairs by 5 p.m. on the deadline date.
 - The signed original must be provided to the Office of Academic Affairs.
 - Proposals will not be accepted by the Office of Academic Affairs after the designated deadline.
3. Review Process: Peers outside of your specific area of expertise will review your proposal and recommend fundable proposals to the Vice President for Academic Affairs. Please use language and terminology that is clear and understandable to those in other disciplines. The committee will meet within one week after the proposal deadline and make their recommendation to the Vice President within two weeks after the deadline.

4. Award Information:

A final written report of sabbatical activities must be submitted within the first semester after your return, with copies to the dean, department head, and Vice President for Academic Affairs. Electronic submission is preferred. The Vice President for Academic Affairs, in consultation with the Faculty Salary, Benefits, and Awards Committee chair as needed, is responsible for reviewing and approving these reports. Sabbatical assignment recipients will not be eligible for future sabbatical assignments until the final report is received and acknowledged.

5. Budget Guidelines:

- Please describe how all costs will be covered. Faculty salary, partial or full as requested and approved, will be paid as usual. Replacement costs for the successful applicant's classes will be paid from the sabbatical replacement cost fund.
- Institutional cost sharing: The Faculty Salary, Benefits, and Awards Committee encourages colleges, departments and/or programs to provide a cash or in-kind contribution on all sabbatical assignment proposals. The Faculty Salary, Benefits, and Awards Committee views such contributions as evidence of college/departmental support and endorsement of the proposed assignment.
