Meeting convenes at 10:00am

1. Assessment Grants
 - a. Dr. Suparna Chatterjee
 - b. Dr. Surya Jhoti Banerjee

Applicants gave overview of their projects and answered questions from the committee. Both applications approved. Will provide feedback to committee at end of year, possibly to include presentation during annual end of year Tech Talks.

2. General Education Assessment
 - a. Feedback on process
 - i. Critical Thinking - beta
 - ii. Ethical Perspectives - beta
 - b. Preliminary Results
 - i. Thoughts on results
 - ii. What should be targets for future student achievement

After participating in scoring of both rubrics, committee found process to be smooth and organized. Some assignments are not useful to score for GE goal. Need to be more thought in choosing representative artifacts. Committee felt that ultimate target for student achievement should be set at 85%. Considerable work needed to reach this.

3. Academic Assessment Newsletter
 - a. Future topics

Group reviewed content of newsletter and approved information going out to campus.

Meeting adjourns at 10:30am
