Summary of conference activities, Dr. William R. Schumann.

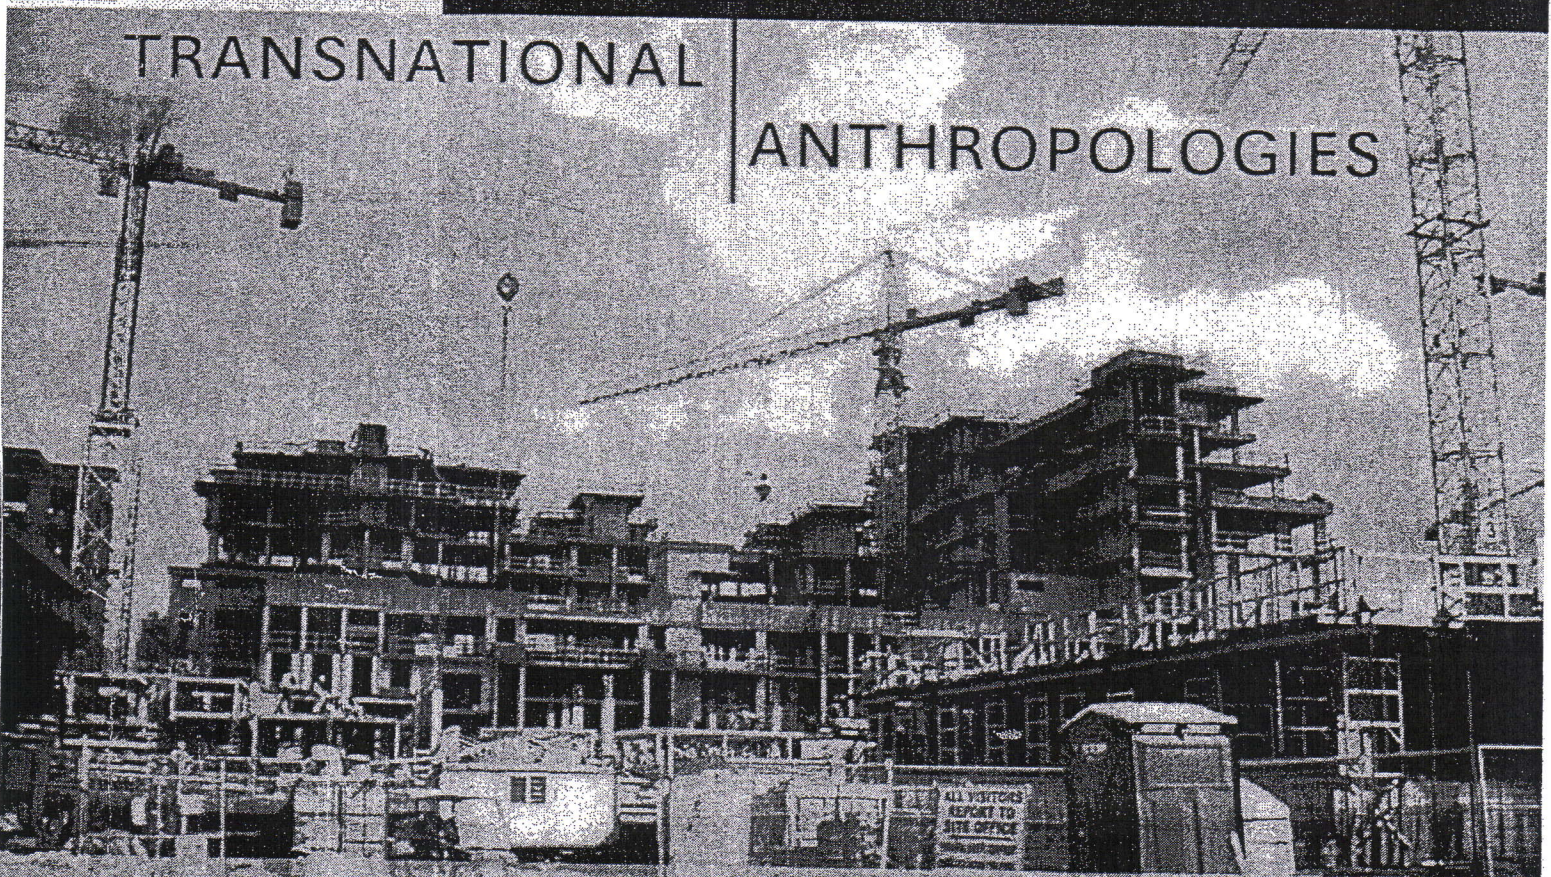

Dr. Schumann attended joint meetings of the American Ethnological Society and Canadian Anthropology Society, May 13-16, 2009, at the University of British Columbia, Vancouver, Canada.

- Dr. Schumann organized a scholarly panel and presented a research paper at that panel (paper entitled: "Does governmentality apply to governments? Foucault and the anthropological study of government.").
- Dr. Schumann networked with book publishers to develop interest in an edited volume (working title: *The Anthropology of Government*) he is co-editing and contributing a chapter to. Blackwell Publishers are now interested in reviewing the proposal.
