

EXAMINATION WEEK
RUSSELLVILLE CAMPUS
Spring 2023

The purpose of the spring 2023 examination schedule is to aid faculty and students by providing adequate time for administration and completion of examinations administered for full-term courses.

Students who have more than three examinations on any one day should **first** request relief from the professor(s) involved. In rare circumstances when the matter remains unresolved the student should contact the Dean of the College in which the course is offered no later than April 24, 2023 to request a change in the date and/or time of an exam due to the scheduling conflict. The rescheduled exam must be taken no later than the end of the examination period for the spring 2023 semester.

Final examinations for all condensed and graduate-level courses will be announced by the instructor. For more information regarding condensed courses, see the Registrar's website at: https://ssb-prod.ec.atu.edu/PROD/hws9date.p_displayForm

NOTE 1: In compliance with Board of Trustee policy all full and part-time faculty are to give end-of-course examinations in accordance with the schedule that follows. Exams for laboratory, internship, Saturday, and other special courses approved by the College Dean may be given during the last week of classes. Deviations from this schedule must be approved by the College Dean as per the Faculty Handbook.

NOTE 2: Courses occurring at non-standard times will utilize the closest standard exam time. For example, if a course begins at 8:15am on Monday, it would begin at the corresponding 8:00am time slot. Students are strongly encouraged to consult their instructor to confirm exam times and/or alternate arrangements where courses do not conform to standard times.

NOTE 3: This schedule is for sections offered on the Russellville campus. For sections offered on the Ozark campus, please visit: <https://www.atu.edu/academics/examschedule.php>
