

ATU Internal Academic Program Review Process

Spring Semester 2017

VPAA charged Director of Assessment in conjunction with Academic Deans to create a process for review of all non-accredited academic programs in preparation for 2020-21 reaccreditation visit. Specially accredited programs will continue to follow the currently scheduled process required to maintain their specific accreditations.

- 2/27 Preliminary discussions held during Dean's Council, Austin submitted preliminary program review schedule and checklist
- 3/10 Austin met with academic deans to discuss format and schedule for program review
- 3/20 - 3/22 Austin met with Barlow and Buford to create 1st draft of flow chart and plan due to their ABET experience
- 4/14 Austin met with VPAA to review and edit 1st draft
- 4/17 Austin attended Dean's Meeting in VPAA Office to review 2nd draft and to plan method for implementing in each college
- 5/2 Informational meeting with Fall 2017 Cohort Program Review Department Heads to explain program review process and gain buy-in for completing full review requiring faculty participation during fall 2017 semester.
