

UNIVERSITY OF ARKANSAS COMMUNITY COLLEGE AT BATESVILLE
AND ARKANSAS TECH UNIVERISTY

MEMORANDUM OF AGREEMENT

I. STATEMENT OF PURPOSE

This Memorandum of Agreement (hereinafter "Agreement") is made and entered into by and between UNIVERSITY OF ARKANSAS COMMUNITY COLLEGE AT BATESVILLE (hereinafter "UACCB"), and Arkansas Tech University (hereinafter the "University" or "ATU"), which have agreed to cooperate for the purpose of assisting licensed registered nurse graduates from UACCB to complete a Bachelor of Science in Nursing (BSN) degree at ATU. It is the intent of the parties by entering into this Agreement to offer students a seamless, online degree option to increase the number of BSN credentialed registered nurses in the State of Arkansas.

II. POINTS OF AGREEMENT

OWNERSHIP:

1. The University shall have total ownership of the RN to BSN Program (hereinafter "Program"). Administration, management, and operation of the Program shall be the responsibility of the University.
2. All NURN courses included in the Program Curriculum will be taught by faculty of the University. The University shall have the exclusive right to determine and make all financial, technical and professional policies related to the NURN courses. The University shall have full and complete ownership of all NURN courses and exclusive control over the administration, management and operation of those courses.

APPLICATION AND ADMISSION:

3. Students will apply to the Program through the University, which has exclusive responsibility for admission to the Program.

The University reserves the right to not select an applicant to the Program based upon a deficiency in one or more admission requirements. Although the University is committed to accepting qualified applicants and will strive to adjust appropriately if the number of qualified applicants increases due to this Agreement, each party understands and agrees that academic qualification does not guarantee a student's admission to the Program. In addition to meeting the required academic qualifications, a student's admission to the Program will be contingent on whether space is available in the program for students. Space availability will be solely determined by the department head of the Arkansas Tech University Nursing Program. The criteria for making the determination of adequate space availability will be sufficient faculty to teach the course required for Program completion.

4. UACCB graduates will be considered qualified applicants if they meet the following criteria:
 - a) Applicant must be a licensed registered nurse.
 - b) Applicant must have completed a minimum of 52 hours of general education/nursing pre-requisites with a 2.75 minimum grade point average in those 52 hours.
 - c) Applicant must present a letter from employer documenting work experience if over 12 months since graduation.
 - d) Applicant must submit all application documentation as required by the University.

GENERAL EDUCATION:

5. Program applicants have the option of taking the required general education/nursing pre-requisite courses at any accredited college or university. The University is committed to honoring the articulation agreement which outlines the general education courses that will be accepted through UACCB (Addendum). The University shall have the exclusive right to determine the transferability of courses from colleges and universities other than UACCB.
6. The School and the University are committed to student-friendly articulation practices.
7. The University is committed to working with recent and future UACCB graduates that have completed general education requirements.

THE PROGRAM:

8. The University is committed to offering the Program in a web-based format with clinical experiences in the student's home community. The University expects minimum time from students on the University campus.
9. Students who are admitted to the University will be subject to and regulated by the terms and provisions of the Arkansas Tech University Code of Conduct, Arkansas Tech University Student Handbook, as well as the University's Nursing Department guidelines, handbooks and regulations.

III. INDEPENDENT CONTRACTOR

The parties to this Agreement are independent contractors, and neither parties' employees shall have the authority to exercise any control over the professional judgment or methods used by the other party in the performance of the duties set forth in this Agreement.

IV. QUALITY ASSURANCE

The two parties shall work together harmoniously and cooperatively to assure that standards are upheld and students receive the best educational experiences possible. Officials and faculty of UACCB or the University, upon reasonable request, will have the right to visit the University or UACCB at any time to review the curriculum and resources.

V. ACCREDITATION

The University is accredited by The Higher Learning Commission and is a member of the North Central Association of Colleges and Schools. The University Department of Nursing is accredited by the Accrediting Commission for Nursing (ACEN) formerly the National League for Nursing Accrediting Commission (NLNAC).

UACCB is accredited by The Higher Learning Commission and approved by the Arkansas State Board of Nursing.

VI. ASSIGNMENT AND ENTIRE AGREEMENT

This Agreement may not be assigned by any party hereto without the expressed written consent of all parties.

This Agreement contains the entire agreement of all parties hereto, and no other oral or written agreement shall be binding on the parties hereto. This Agreement may not be amended or otherwise modified, unless agreed to by all parties, in writing. This agreement supersedes all other agreements, contracts, understandings, representations, whether written or otherwise, between the parties relating to the subject matter hereof.

VII. TERM AND TERMINATION

The initial term of this Agreement shall begin November 13, 2013 and end November 12, 2014. Thereafter, this Agreement will be automatically renewed for successive periods of one year each unless written notice is provided to all parties prior to the start of each academic year. In order to protect the interests of the University and UACCB students, this Agreement may not be terminated prior to the end of a school year by any party. In the event of termination of the Program at the end of a school year, any particular class of students enrolled in the Program at the time of termination will be guaranteed the option to complete the Program and provisions will be made for the completion of the Program in the event that the Agreement is terminated during that particular class's program of study.

This Agreement may be terminated at the end of a school year upon occurrence of any of the following events:

- (1) By written mutual agreement of the parties hereto;
- (2) Destruction or damage to the University buildings or their contents by fire, explosion, terrorism, or natural disaster;
- (3) The occurrence of any other contingency or the happening of any other event or series of events or contingencies resulting in the University being deprived of sufficient funds to enable it to operate successfully.

VIII. CHOICE OF LAW

This agreement shall be governed by the laws of the State of Arkansas. All notices required to be sent hereunder shall be deemed sufficient if in writing and if personally delivered or if mailed by United States Mail, postage prepaid to:

Arkansas Tech University
Department of Nursing
402 West O Street
