<sup>1</sup>There is no requirement in the ATU program for a World Literature course. However, both Art Appreciation and Music Appreciation are required in the ATU program of studies. Therefore, students who do not complete either Art Appreciation and/or Music Appreciation must complete each of the courses at either SEARK and/or ATU.

If a degree is not completed at the time of the transfer, those courses taken in pursuit of an identified degree will be accepted. Any unfulfilled lower-level degree coursework that is taken at Arkansas Tech University that would equal an associate's degree requirement will be reverse-transferred back to SEARK.
