

# ARKANSAS TECH UNIVERSITY

---

## Holiday Schedule 2022

The holidays listed below will be granted to all non-academic personnel for 2022. When it is necessary for non-academic employees to work on these days, those employees will be granted compensatory time off at a date convenient to the University. Absent of an emergency, employees should only have to work due to continuous operation of a department (power plant operators, public safety officers, coliseum workers, etc.). The supervisor should notify the Payroll Office prior to the holiday if someone is required to work.
