Important Information

Scholarships will be awarded competitively to students who have an early admission status. The scholarship application and all supporting documentation **must be received** in the Admissions Office by February 28. All scholarship recipients must be admitted to the university, enrolled in fifteen main-campus hours and have a Free Application for Federal Student Aid (FAFSA) on file before the scholarship will be authorized. Unless an exemption to the residency requirements is received from the Residence Life Office, all scholarship recipients must live on campus. Academic scholarships must be used on the main campus in Russellville the fall semester following high school graduation. Renewal requirements will be included in the scholarship offer letter and are available on our website at www.atu.edu/admissions. Students who increase their exam score or GPA after submitting their original scholarship application and before February 28 must immediately send supporting documentation to the attention of the Scholarship Coordinator so their scholarship application status can be reevaluated. A traditional-aged high school student who opts to take the GED and scores a minimum of 680 may apply for academic scholar awards. Students who live in contiguous states are considered in-state for tuition purposes and eligible to apply for the scholarships listed on this application. A limited number of out-of-state scholarship awards are made to students who live outside of Arkansas and its contiguous states. Students receiving scholar awards must be U.S. citizens. To remain in compliance with Act 323 of 2009, the University reserves the right to cancel or modify any scholarship funded by the institution at any time.
