2019-2020 Degree Map-Bachelor of Science in Information Systems

This map is a term-by-term sample course schedule. The milestones listed to the right of each term are designed to keep you on course to graduate in four years. The Sample Schedule serves as a general guideline to help you build a full schedule each term. See course descriptions and prerequisites at http://www.atu.edu/catalog/

Employment Information: The program in information systems prepares students for careers as application programmers/analysts in a business environment and for further graduate work in information systems.
