**Please answer the following questions:**

1. Have you had experience working in residential college programs as an advisor? If so, briefly describe your role, including dates.
2. What interests or qualifications do you possess that would be important for a Resident Assistant? Include here the strengths that you would bring to the program and any areas of improvement you want to work on before the summer program.
3. List campus organizations and activities in which you have been involved (you may include community service).
4. As a potential Resident Advisor in this academic enrichment program, what expectations do you have of the position and how do you hope to grow during/after the summer?
5. List any special talents and skills, which you possess that could be used in the program (drama, music, accounting, tennis instructor, first-aid training, computer competency, photography, etc.).
