## GENERAL STUDIES PROGRAM

## ASSOCIATE OF GENERAL STUDIES

The associate of general studies degree provides students the flexibility to create a customized program of study designed to fulfill a unique career goal which is not available through any single technical certificate or associate of applied science degree currently offered at Arkansas Tech UniversityOzark Campus.

Students who earn this degree will take a core of general education course work and technical coursework (or higher college level course work) recommended by an academic advisor. The associate of general studies provides a degree path toward the Bachelor of Applied Science, Bachelor of Professional Studies or another bachelor degree.

Students may utilize multiple disciplinary training options in a variety of technical fields. Certificate programs currently without a degree option and students who are taking industry requested specialized courses tailored to employer needs may utilize this pathway to a degree.

Students who are pursuing a program of study where admission is limited (Cardiovascular Technology, Cosmetology, Medical Assistant, Occupational Therapy Assistant, Paramedic/Emergency Medical Services, Physical Therapist Assistant, Practical Nursing and Registered Nursing), will be assigned a major of Associate of General Studies until admitted into their selected program.

## Curriculum
