ASSOCIATE OF SCIENCE IN CRIMINAL JUSTICE

The Associate of Science degree program in criminal justice is designed primarily for students interested in police work at levels other than Federal. This degree will provide the basic, foundational knowledge to supplement the police academy experience.

Completion of the requirement for the associate's degree will provide the necessary background for those continuing study towards a bachelor's degree. To qualify for the Associate of Arts in criminal justice, the student must satisfy the associate degree requirements, see "[General Education Requirements](#)" of this catalog and complete the following curriculum:
