# COLLEGE OF SCIENCE, TECHNOLOGY, ENGINEERING, AND MATHEMATICS

# **Departments**

- · Biological Sciences
- Engineering & Computing Sciences
- · Mathematics & Statistics
- Physical & Earth Sciences

## **Programs of Study**

The College of Science, Technology, Engineering, and Mathematics offers programs of study leading to baccalaureate degrees as listed below:

**Bachelor of Science** 

**Applied Statistics** 

**Actuarial Science** 

Data Science

Biology with options in:

Biomedical

General

Chemistry with A.C.S. approved options in:

#### Mission

The mission of the College of Science, Technology, Engineering, and Mathematics is to provide support and oversight of our high-quality accredited Associate, Bachelor of Science and Masters of Science degree programs.

#### Vision

The vision of the College is to be recognized for providing high-quality educational opportunities which: prepare students for their chosen profession, provide a fundamental broad-based education, and develop educated citizens with an aspiration for life-long learning.

## **Core Values**

The College of Science, Technology, Engineering, and Mathematics values integrity first, service to constituents and excellence in preparing graduates for life.

## **Principles**

The College of Science, Technology, Engineering, and Mathematics:

- · Values scholarly activity, especially as it relates to the enhancement of teaching and its positive affect on high-impact student learning,
- · Values service to the University and to the local, regional, state and professional communities,
- · Seeks to demonstrate to students, and instill in them, high ethical standards of personal and professional conduct,
- · Strives to achieve continuous improvement through rigorous assessment processes,
- Endeavors to equip students with the interdisciplinary, technical, and critical-thinking skills necessary to develop workable solutions to complex problems.

The College is composed of four (4) academic departments: Biological Sciences, Engineering & Computing Science, Mathematics and Statistics, and Physical & Earth Sciences. These departments offer programs of study leading to associate and baccalaureate degrees. Some departments offer masters degrees.
