National Association of Student Personnel Administrators
National Association of University Fisheries and Wildlife Programs
National Collegiate Athletic Association
National Commission on Accrediting
National Council of Professors of Educational Administration
National League for Nursing

Enrolling In College

Students are urged to acquaint themselves with this catalog thoroughly. It sets forth policies and procedures for enrolling and successfully completing the various programs of study.

The basic responsibilities of selecting a major field, enrolling in the prescribed courses of study in the field, and complying with the University's requirements for graduation rest with the student; however, University personnel will assist the student with problems encountered. Further assistance is offered in the form of capable departmental advisors, a full-time
guidance and counseling service, and an appropriate graduation check list to serve as a reminder of the various graduation requirements.

Arkansas Tech University will provide equal opportunity in employment to all persons. This applies to all phases of the personnel process, including recruitment, hiring, placement, promotion, demotion, separation, transfer, training, compensation, discipline, and all other employment terms, conditions, and benefits. Arkansas Tech University prohibits discrimination based on race, color, religion, national origin, sex, sexual orientation, gender identity, age, disability, genetic information, or veteran status.

Arkansas Tech University will provide a copy of this policy to all applicants for employment. All faculty and staff will be notified annually of the policy. Further, Arkansas Tech University will consider through a designated grievance procedure, the complaints of any person who feels that he or she has been discriminated against on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity, age, disability, genetic information, or veteran status.

Arkansas Tech University will have an Affirmative Action Plan that contains a set of specific and result-oriented procedures to apply every good faith effort to achieve prompt and full utilization of minorities, women, those with disabilities or veterans at all levels and all segments of its workforce where deficiencies exist. Additionally, Arkansas Tech University will continually monitor and evaluate its employment practices to ensure that they are free of bias or discrimination based upon race, color, religion, national origin, sex, sexual orientation, gender identity, age, disability, genetic information, or veteran status.

A copy of the Affirmative Action Plan, including specific responsibilities and provisions for implementation and compliance, will be made available upon request.

Responsibility for implementation and compliance with this Affirmative Action policy has been delegated to the Affirmative Action officer, Ms. Jennifer Fleming.

Arkansas Tech University does not discriminate on the basis of color, sex, sexual orientation, gender identity, race, age, national origin, religion, veteran status, genetic information, or disability in any of its practices, policies, or procedures. This includes, but is not limited to, employment, admissions, educational services, programs or activities which it operates, or financial aid.

Arkansas Tech University complies with all applicable state and federal laws including, but not limited to, Title VI and Title VII of the Civil Rights Act of 1964 as amended, Title IX of the Educational Amendments of 1972, Section 503 of the Rehabilitation Act of 1973, Section 504 of the Rehabilitation Act Amendments of 1974, Age Discrimination Act, Vietnam Era Veterans Readjustment Assistance Act, Uniformed Services Employment and Reemployment Act, the Civil Rights Restoration Act of 1987, the Americans with Disabilities Act of 1990, and the Civil Rights Act of 1991. Responsibility for implementation and compliance with this Non-Discrimination Policy has been delegated to Jennifer Fleming, Affirmative Action officer who can be reached by emailing affirmative.action@atu.edu or calling 479-498-6020.

It is the policy of Arkansas Tech University to maintain the University Community as a place of work and study for staff,
faculty, and students free of harassment, to include sexual and gender harassment and all forms of sexual intimidation and exploitation. All students, staff, and faculty should be aware that the University is both concerned and prepared to take action to prevent and correct such behavior. The determination of what constitutes sexual harassment will vary with the particular circumstances, but it may be described generally as unwanted sexual behavior, such as physical contact and verbal comments or suggestions which adversely affect the working or learning environment of others. Anyone who is subjected to offensive sexual behavior is encouraged to pursue the matter through the established informal or formal grievance procedures. Generally, the informal procedures afford an opportunity to explore a problem and consider alternative means for its resolution.

A copy of the annual budget is available in the Ross Pendergraft Library and Technology Center. A copy of the annual financial report is available from the Office of the Vice President for Administration and Finance in Room 207 of the Administration Building.

The provisions of this catalog are subject to change without notice and do not constitute an irrevocable contract between any student and Arkansas Tech University.
**Academic Calendar 2015 - 2016**

*NOTE: The fall and spring dates below pertain to full-term courses. The summer dates pertain to the two five-week sessions. The calendar for condensed courses may differ from what is printed below. Please reference the Registrar's Office website for course and term definitions and pertinent Academic Calendar dates for courses not conforming to the beginning and ending dates outlined below.*

**Summer May 11 to August 7, 2015**

Graduate Faculty

The date after each name indicates the first year of appointment to this institution.

GABRIEL L. ADKINS, 2009
Associate Professor of Speech, Theatre & Journalism
B.A., Ottawa University, 1996;
M.S., Pittsburg State University, 2002;
M.A.L., Wichita State University, 2005;
Ph.D., University of Oklahoma 2011.

CHRISTINE E. AUSTIN, 2007
Associate Professor of College Student Personnel
B.A., University of Denver, 1984;
M.Ed., University of Maine, 1990;
Ph.D., University of Denver, 2007.

GARY BARROW, 1981
Professor of Music
B.M.E., University of North Texas, 1969;
M.M., Catholic University of America, 1973;
Ph.D., University of North Texas, 1982.

LINDA C. BEAN, 2000
Associate Professor of Management and Marketing
B.S., Arkansas Tech University, 1973;
M.S.E., University of Central Arkansas, 1986;
Ed.D., Oklahoma State University, 1996.

C. DAVID BELL, 1988
Professor of Curriculum and Instruction
Head, Department of Curriculum and Instruction
B.S., Arkansas Tech University, 1969;
M.Ed., University of Arkansas, 1972;

CAREY BOSOLD, 1991
Associate Professor of Nursing
B.S.N., Arkansas Tech University, 1996;
M.S.N., University of Central Arkansas, 2002;
D.N.P., Union University, 2012.

HERBERT MATT BROWN, 2008
Associate Professor of Computer and Information Science
B.A., University of Arkansas, 1998;
M.S., University of Arkansas, 2000;
Ph.D., Nova Southeastern University, 2007.

CARL W. BRUCKER, 1984
Professor of English
Head, Department of English and World Languages
B.A., Rutgers University 1968;
M.A., Rutgers University, 1976;
Ph.D., Rutgers University, 1980.

PATRICIA S. BUFORD, 2000
Professor of Electrical Engineering
Associate Dean of Engineering
B.S., Christian Brothers University, 1974;
M.S., University of Arkansas, 1984;
Ph.D., University of Arkansas at Little Rock, 2007.

DANIEL W. BULLOCK, 2003
Associate Professor of Electrical Engineering
B.S., Arkansas Tech University, 1997;
M.S., University of Arkansas, 2000;
Ph.D., University of Arkansas, 2001.

ROSEMARY A. BURK, 2012
Assistant Professor of Biological Sciences
B.S., Texas Women's University, 1995;
Ph.D., University of North Texas, 2012.
REBECCA K. BURRIS, 1991
Professor of Nursing
Head, Department of Nursing
B.S.N., Northwestern State University of Louisiana, 1978;
M.S.N., Northwestern State University of Louisiana, 1991;
Ph.D., University of Arkansas for Medical Sciences, 2000.

ALEJANDRA K. CARBALLO, 2009
Associate Professor of Spanish
B.A., University of Rio Cuarto, Argentina, 1995;
M.A., University of Pennsylvania, 2000;
Ph.D., Florida State University, 2006.

TIM L. CARTER, 1998
Professor of Curriculum & Instruction
B.S., Arkansas Tech University, 1989;
M.Ed., Arkansas Tech University, 1994;
Ph.D., University of Georgia, 1998.

E. URSULA CHANDLER, 1981
Professor of German
B.S., Illinois State University, 1965;
Ph.D., Northwestern University, 1981.

XIANG (PETER) CHEN, 2014
Assistant Professor of Emergency Management
B.S., Beijing Normal University, 2007;
M.S., Beijing Normal University, 2009;
Ph.D., Ohio State University, 2014.

ZHI CHEN, 2014
Assistant Professor of Electrical Engineering
B.E., Wuhan University, 2009;
M.S., Polytechnic Institute of New York University, 2011;
Ph.D., Clarkson University, 2014.

ERIN CLAIR, 2010
Assistant Professor of English
B.A., Case Western Reserve University, 1999;
M.A., Texas State University, 2002;
Ph.D., University of Missouri, 2007.

TRACY L. COLE, 2012
Associate Professor of Legal Studies
B.S.Ed, University of Arkansas, 1990;
M.Ed., University of Arkansas, 1991;
J.D., University of Arkansas at Little Rock, 2003.

KEVIN C. COSTLEY, 2003
Associate Professor of Curriculum & Instruction
B.S., Missouri Southern State College, 1975;
M.S., Pittsburg State University, 1978;
M.A., Pittsburg State University, 2000;
Ph.D., Kansas State University, 1982.

RENE COUTURE, 2012
Assistant Professor of College Student Personnel
B.A., St. Michael's College, 1997;
M.A., Indiana State University, 2003;
Ph.D., University of Northern Colorado, 2010.

THOMAS A. DEBLACK, 1995
Professor of History
B.A., Southern Methodist University, 1973;
M.S.E., Ouachita Baptist University, 1979;
Ph.D., University of Arkansas, 1995.

PAMELA D. DIXON, 2008
Assistant Professor of Counseling & Leadership
B.A., Arkansas Tech University, 1996;
M.Ed., Arkansas Tech University, 2004;
Ed.D., Waldon University, 2014.

PETER A. DYKEMA, 2001
Professor of History
Interim Head, Department of History and Political Science
B.S., Hope College, 1984;
M.Div., Western Theological Seminary, 1987;

DORIS LEE ELLISON, 2014
Assistant Professor of Curriculum & Instruction
B.S., Northern Arizona University, 1992; M.E.d., Northern Arizona University, 1996; Ph.D., Capella University, 2011.

ERNEST J. ENCHELMAYER, 2005
Associate Professor of English
B.A., University of Mississippi, 1993; M.A., Arkansas State University, 1995; Ph.D., Southern Illinois University, 2005.

ROTH D. ENOCH, 2004
Associate Professor of Mathematics
B.A., Vanderbilt University, 1974; M.S., University of Iowa, 1975; Ph.D., Purdue University, 2004.

DAVID J. ESHEL MAN, 2006
Associate Professor of Communication
B.A., Case Western Reserve University, 1999; M.F.A., University of Texas at Austin, 2002; Ph.D., University of Missouri at Columbia, 2006.

ROGER FANG, 2001
Associate Professor of Computer and Information Science

JOSHUA FISHER, 2011
Assistant Professor of Art
B.S., Middlebury College, 2000; M.S., University of Georgia, 2004; Ph.D., University of Iowa, 2009.

ROBERT F. FITHEN, 1998
Associate Professor of Mechanical Engineering
B.S., Louisiana Tech University, 1984; M.S., Texas A&M University, 1987; Ph.D., Virginia Tech University, 1993.

ROBERT F. FRASIER, 2003
Associate Professor of Mechanical Engineering
B.S., University of Texas at El Paso, 1987; M.S., University of Washington, 1989; Ph.D., Washington State University, 1996.

JOHN FREEMAN, 2015
Professor of Educational Leadership
Director, Ed.D. in School Leadership
B.A., Louisiana State University, 1976; B.S., Louisiana State University, 1978; M.Ed., Louisiana State University, 1982; Ed.S., Louisiana State University, 1995; Ph.D., Louisiana State University, 1997.

MARC A. FUSARO, 2009
Associate Professor of Economics
B.S., University of Scranton, 1996; Ph.D., Northwestern University, 2004.

CHARLES J. GAGEN, 1999
Professor of Fisheries Science
Head, Department of Biological Sciences
B.S., University of Tennessee at Martin, 1983; M.S., Pennsylvania State University, 1986; Ph.D., Pennsylvania State University, 1991.

REBECCA GARVIN, 2013
Assistant Professor of English
PAOLA GEMME, 2001
Professor of English
B.A., University of Genoa, 1989;

CHRISTOPHER GIROIR, 2008
Associate Professor of College Student Personnel
Head, Department of College Student Personnel
B.A., McNeese State University, 1996;
M.A., Northwestern State University, 1999;
Ph.D., University of Southern Mississippi, 2006.

DIANE GLEASON, 2009
Associate Professor of History
B.A., Arkansas Tech University, 1970;
M.A., University of Arkansas, 1975;
Ph.D., University of Arkansas, 1997.

ELIZABETH GRAY, 2005
Associate Professor of Emergency Management
B.A., Hendrix College, 1994;
M.B.A., University of Arkansas at Little Rock, 1999;
J.D., University of Arkansas at Little Rock, 1999.

CARL E. GRECO, 2001
Professor of Electrical Engineering
B.S., Louisiana Tech University, 1967;
M.S., Rice University, 1974;
Ph.D., Rice University, 1976.

MARY B. GUNTER, 1998
Professor of Educational Leadership
Dean of Graduate College
B.S.E., University of Arkansas, 1972;
M.Ed., University of Arkansas, 1976;
Ed.S., University of Arkansas, 1986;

SHELLIE HANNA, 2003
Associate Professor of Curriculum & Instruction
B.A., Arkansas Tech University, 1988;
M.D.d., Arkansas Tech University, 2002;

WAYNE A. HELMER, 1998
Professor of Mechanical Engineering
B.S., University of Dayton, 1966;
M.S., University of Arizona, 1968;
Ph.D., Purdue University, 1974.

JENNIFER E. HELMS, 1993
Professor of Nursing
B.S.N., Harding University, 1986;
M.S.N., University of Missouri at Kansas City, 1992;
Ph.D., University of Arkansas for Medical Sciences, 2006.

DAVID HOELZEMAN, 2000
Professor of Computer and Information Science
Head, Department of Computer and Information Science
B.S., University of Central Arkansas, 1988;
Ph.D., Louisiana State University, 1993.

EMILY HOFFMAN, 2010
Assistant Professor of English
B.A., University of Kansas, 1999;
M.A., University of Kansas, 2002;
Ph.D., Oklahoma State University, 2009.

M. ANNETTE HOLEYFIELD, 1985
Professor of Physical Education
Head, Department of Health and Physical Education
B.S., Arkansas Tech University, 1976;
M.Ed., Arkansas Tech University, 1977;
Ph.D., University of Arkansas, 1997.

DEBRA HUNTER, 2011
Associate Professor of Accounting
B.A., Louisiana College, 1984;
M.B.A., Baylor University, 1985;

SEAN T. HUSS, 2005
Associate Professor of Sociology
B.A., University of Arkansas at Little Rock, 1995;
M.A., University of Tennessee, 1998;
Ph.D., University of Tennessee, 2006.

MOHAMED IBRAHIM, 2011
Assistant Professor of Curriculum and Instruction
B.A., Cairo University, 1984;
M.A., Munich University, 1994;
M.A., Oklahoma State University, 1997;
Ph.D., Oklahoma State University, 2011.

JOHN R. JACKSON, 2003
Professor of Fisheries Science
Director, Fisheries and Wildlife Science Program
B.S., Michigan State University, 1983;
M.S., Mississippi State University, 1987;
Ph.D., Mississippi State University, 1996.

SHEILA JACKSON, 1998
Professor of Health and Physical Education
B.S.E., Southern Arkansas University, 1981;
M.Ed., University of Arkansas, 1984;
Ph.D., Texas Women’s University, 1988.

ELLEN J. JENKINS, 1997
Professor of History
Director of Honors
B.A., University of Texas at Dallas, 1977;
M.A., University of North Texas, 1983;
Ph.D., University of North Texas, 1992.

STEPHEN C. JONES, 2005
Associate Professor of Management
Associate Dean of Business
B.S., Pittsburg State University, 1981;
M.B.A., Missouri State University, 1989;
Ph.D., University of North Texas, 1998.

VIRGINIA JONES, 2014
Assistant Professor of Communication
B.A., University of New Mexico, 2002;
M.A., University of Wisconsin, 2004;
Ph.D., University of Kansas, 2012.

SCOTT JORDAN, 1994
Associate Professor of Mathematics
B.S., Southern Arkansas University, 1985;
M.S., University of Arkansas, 1988;
Ph.D., University of Southwestern Louisiana, 1994.

JAN KALMBERG, 2012
Assistant Professor of Emergency Management
J.D./LL.M, Stockholm University, 1997;
M.A., University of Texas, 2009;
Ph.D., University of Texas, 2011.

CHRISTOPHER J. KELLNER, 1991
Professor of Wildlife Science
B.S., University of California at Berkeley, 1978;
M.S., Eastern Kentucky University, 1985;
Ph.D., University of Arkansas, 1990.

JOHN L. KROHN, 1991
Professor of Mechanical Engineering
B.S.M.E., University of Arkansas, 1981;
M.S.M.E., University of Arkansas, 1983;
Ph.D., Texas A & M University, 1992;

PAUL S. LAKE, 1981
Professor of English
B.A., Towson State University, 1975;
M.S., Stanford University, 1979.
ROBIN C. LASEY, 2004
Associate Professor of Chemistry
B.S., University of Missouri-Rolla, 1994;
Ph.D., Bowling Green State University, 2002.

SANGKI LEE, 2008
Associate Professor of Journalism
B.A., Sogang University, 1997;
M.A., Sogang University, 1999;
M.A., Michigan State University, 2002;

YUNG KIL LEE, 2014
Assistant Professor of Electrical Engineering
B.S., Korea Aerospace University, 1997;
M.S., Wichita State University, 2008;
Ph.D., Wichita State University, 2013.

TIMOTHY LEGGETT, 2002
Associate Professor of Curriculum & Instruction
B.S., William Carey College, 1975;
M.Ed., William Carey College, 1980;
Ed.D., Nova Southeastern University, 1995.

JOSHUA LOCKYER, 2011
Assistant Professor of Anthropology
B.A., University of Arizona, 1998;
Ed.D., University of Georgia, 2007.

STANLEY D. LOMBARDO, 1977
Professor of English
B.A., State University of New York at Buffalo, 1970;
Ph.D., Indiana University, 1976.

ERIC LOVELY, 2002
Associate Professor of Biology
B.A., Bloomsberg University, 1992;
M.S., University of New Hampshire, 1995;
Ph.D., University of New Hampshire, 1999.

BRIAN LYONS, 2013
Associate Professor of Health and Physical Education
B.S., State University of New York, 1987;
M.P.A., Golden Gate University, 1989;
M.A., University of Mississippi, 1993;
Ph.D., University of Mississippi, 1996.

MERLIN ROY MANN, 2012
Associate Professor of Journalism
B.A., University of Oregon, 1975;
M.A., Abilene Christian University, 1986;

KEVIN MASON, 1986
Professor of Marketing
B.S., Arkansas Tech University, 1982;
M.B.A., University of Arkansas, 1986;
Ph.D., University of Arkansas, 1995.

JERRY MAYO, 2010
Associate Professor of Health and Physical Education
B.A., Arkansas State University, 1991;
M.S., Arkansas State University, 1993;
M.S., University of Central Arkansas, 2007;
Ph.D., University of Mississippi, 1998.

AARON MCARTHUR, 2012
Assistant Professor of History
B.A., Idaho State University, 2003;
M.A., University of Nevada, 2005;
Ph.D., University of Nevada, 2012.

REBECCA MCHUGH, 2013
Assistant Professor of Psychology
B.A., Edinboro University, 2002;
M.S., University of Pittsburg, 2009;
Ph.D., University of Pittsburg, 2013.
ASHLEY MCKEEVER, 2014
Assistant Professor of English
B.A., Evangel University, 2003;
M.A., Missouri State University, 2005;
Ph.D., University of Texas at Arlington, 2014.

TERRI J. MCKOWN, 2004
Associate Professor of Nursing
B.S.N., Arkansas Tech University, 1991;
M.S.N., University of Central Arkansas, 2000;
D.N.P., University of Tennessee, 2009.

DAVID MIDDLETON, 1998
Professor of Computer & Information Science
B.S., University of Sydney, 1979;
Ph.D., University of North Carolina, 1986.

JULIE M. MIKLES-SCHLUTERMAN, 2007
Associate Professor of Sociology
B.S., Arkansas Tech University, 1997;
M.S., University of Tennessee, 2002;
Ph.D., University of Tennessee, 2007.

JEFFREY A. MITCHELL, 1994
Professor of Philosophy
B.A., Whitman College, 1986;
M.A., Vanderbilt University, 1990;
Ph.D., Vanderbilt University, 1993.

JOHNADYNE MOODY, 1997
Assistant Professor of Computer and Information Science
B.S., Arkansas Tech University, 1994;
M.Ed., Arkansas Tech University, 1996;

LARRY J. MORELL, 1998
Professor of Computer and Information Science
B.A., Duke University, 1974;
M.S., Rutgers University, 1976;
Ph.D., University of Maryland, 1983.

JAMES L. MOSES, 1999
Professor of History
B.A., Louisiana State University, 1986;
M.A., University of New Hampshire, 1989;
Ph.D., Tulane University, 1997.

DEBRA MURPHY, 2014
Assistant Professor of Curriculum & Instruction
B.S., Texas A&M Corpus Christi, 1992;
M.S., Texas A&M Kingsville, 2000;
Ph.D., Texas A&M University, 2012.

CAROLYN NEEL, 2011
Assistant Professor of History
B.A., University of North Texas, 1997;
M.A., University of Hawaii, 2000;
Ph.D., University of Hawaii, 2006.

NOBUYUKI NEZU, 2001
Associate Professor of Computer and Information Science
B.S., Gakushuin University, 1991;
M.S., Oklahoma City University, 1993;
Ph.D., Oklahoma State University, 1999.

HANNA E. NORTON, 2001
Professor of Journalism
Assistant Vice President for Academic Affairs
A.B.J., University of Georgia, 1994;
M.M.C., University of Georgia, 1998;
Ph.D., University of Georgia, 2001.

THOMAS E. NUPP, 1997
Professor of Wildlife Science
B.S., The Pennsylvania State University, 1987;
M.S., Auburn University, 1992;
Ph.D., Purdue University, 1997.
DAVID M. OSBURN, 2000
Associate Professor of Psychology
B.A., University of Arizona, 1979;
M.Ed., Wichita State University, 1987;
M.S., Wichita State University, 1999;
Ph.D., Wichita State University, 2000.

JACKIE L. PAXTON, 2005
Professor of Curriculum & Instruction
A.A., Westark Community College, 1976;
B.S.E., University of Central Arkansas, 1978;
M.S.E., University of Central Arkansas, 1979;
Ed.D., University of Arkansas, 1990.

JEFFREY V. PEARSON, 2011
Assistant Professor of History
B.A., Indiana University, 1998;
M.A., University of New Mexico, 2001;
Ed.D., University of New Mexico, 2011.

ROCKIE PEDERSON, 2011
Associate Professor of Health and Physical Education
B.S., Henderson State University, 1979;
M.S., Henderson State University, 1980;
Ph.D., Texas Women's University, 2000.

THOMAS W. PENNINGTON, 1995
Professor of Legal Studies
Associate Vice President and Counsel to the President
B.S., Arkansas Tech University, 1990;
J.D., University of Arkansas, 1993.

STEPHANIE PEPPER, 2010
Assistant Professor of Curriculum & Instruction
B.M.E., Delta State University, 1973;
M.Ed., University of Mississippi, 1998;
Ed.S., University of Mississippi, 2001;

SUSAN POZNAR, 1993
Professor of English
B.A., Brandeis University, 1980;
M.A., Duke University, 1982;

MARK R. REAVIS, 2012
Assistant Professor of Economics and Finance
B.A., Ouachita Baptist University, 1987;

SEAN SCOT REED, 2012
Assistant Professor of Music
B.M., University of Texas, 1995;
M.M., Rice University, 1998;
DMA, University of Rochester, 2004.

WILLIAM REEDER, 2010
Assistant Professor of Journalism
B.A., Arkansas Tech University, 1996;
M.A., Arkansas Tech University, 2002.

DAVID ROACH, 1983
Professor of Management
B.A., University of Arkansas, 1982;
M.B.A., University of Arkansas, 1983;
Ph.D., University of Arkansas, 1991.

JEFF W. ROBERTSON, 1997
Professor of Astrophysics
Dean, College of Natural and Health Sciences
Director of Astronomical Observatory
B.S., University of Kansas, 1989;
M.S., San Diego State University, 1991;
Ph.D., Indiana University, 1995.

RONALD D. ROBISON, 1988
Associate Professor of Computer and Information Science
B.S., Iowa State University, 1970;
M.S., University of Southern California, 1975.

SARAH H. ROBISON, 1989
Associate Professor of Computer and Information Science
B.S., University of Arkansas at Monticello, 1978;
M.Ed., Southern Arkansas University, 1982;
M.S., Nova Southeastern University, 1994.

MICHAEL T. ROGERS, 2007
Associate Professor of Political Sciences
B.A., Wabash College, 1995;
M.A., University at Albany-SUNY, 1999,
Ph.D., University at Albany-SUNY, 2005.

REGINA ST. JOHN, 2006
Associate Professor of English
B.A., University of Arkansas at Monticello, 1993;
M.A., Arkansas State University, 1994;
Ph.D., Ball State University, 2004.

JENNIFER SAMSON, 2012
Assistant Professor of Psychology
B.S., Vanderbilt University, 2000;
M.S., Vanderbilt University, 2009;
Ph.D., Vanderbilt University, 2012.

MONA CHADWICK SCOTT, 2010
Associate Professor of Educational Leadership
B.S., Texas Tech University, 1975;
M.S., Sul Ross University, 1996;

REBECCA A. SHOPFNER, 2000
Associate Professor of Teaching and Learning
B.S.E., University of Central Arkansas, 1973;
M.Ed., Arkansas Tech University, 1986;
Ed.D., University of Arkansas, 1999.

CHERYL S. SMITH, 1992
Professor of Nursing
B.S.N., University of Southern Alabama, 1982;
M.S., University of Southern Mississippi, 1990;
Ph.D., University of Arkansas for Medical Sciences, 2006.

MONTY SMITH, 2010
Assistant Professor of Mechanical Engineering
B.S., Texas A&M, 1987;
M.S., Purdue University, 1990;
Ph.D., Purdue University, 1997.

SANDRA SMITH, 2011
Associate Professor of Emergency Management
Head, Department of Emergency Management
B.S.N., Duke University, 1981;
M.S.N., University of Central Arkansas, 1999;
Ph.D., Loyola University, 2006.

V. CAROLE SMITH, 2004
Professor of Curriculum & Instruction
B.M., University of Arizona, 1969;
M.M., University of Arizona, 1972;
M.Ed., University of Arizona. 1980;
Ph.D., University of Arizona, 1986.

DARLA SPARACINO, 1993
Associate Professor of Health Information Management
B.S., Arkansas Tech University, 1989;
M.Ed., Arkansas Tech University, 1995;
MSHI, Arkansas Tech University, 2012.

SARAH STEIN, 2014
Assistant Professor of English
B.A., University of Minnesota, 2004;
Ph.D., Emory University, 2012.

JAMES STEUBER, 2008
Associate Professor of Mechanical Engineering
Director, Mechanical Engineering
B.S., Arkansas Tech University, 2001;
M.S., Texas A & M University, 2007;
Ph.D., Texas A & M University, 2009.

JAMES STOBAUGH, 2012
Assistant Professor of Sociology
B.A., University of Hawaii, 2002;
M.A., University of California, 2007;
Ph.D., University of California, 2012.

JOSEPH N. STOECKEL, 1992
Professor of Fisheries Science
B.A., Southern Illinois University at Carbondale, 1978;
M.A., Southern Illinois University at Carbondale, 1985;
Ph.D., Virginia Polytechnic Institute and State University, 1993.

JOSEPH B. N. SWAIN, 2008
Associate Professor of Geography
B.A., University of Hawaii, 2002;
M.A., University of California, 2007;
Ph.D., University of California, 2012.

L. KIM TROBOY, 2002
Professor of History
B.A., Western State University, 1986;
M.A., University of Memphis, 1987;
Ph.D., Indiana University, 2000.

H. MICHEAL TARVER, 2002
Professor of History
B.A., William M. Lemley Endowed Chair
B.A., The University of Louisiana at Lafayette, 1983;
M.A., The University of Louisiana at Lafayette, 1990;
Ph.D., Bowling Green State University, 1995.

Teresa R. Toland, 2014
Assistant Professor of Curriculum & Instruction
B.S.E., Southern Arkansas University, 1985;
M.S.E., Henderson State University, 1997;
Ph.D., University of Oklahoma, 2005.

Ellen Treadway, 2012
Assistant Professor of Teaching, Learning, and Leadership
B.A., Rhodes College, 1986;
M.A.T., University of Memphis, 1987;
M.A., Indiana University, 1990;
Ph.D., Indiana University, 2000.

David G. Underwood, 2001
Professor of Education
B.A., Western Kentucky University, 1972;
M.P.S., Western Kentucky University, 1978;
M.A.Ed., Western Kentucky University, 1979;
Ph.D., Indiana University, 1985.
SUSAN J. UNDERWOOD, 2003
Professor of College Student Personnel
B.S., Western Kentucky University, 1980;
M.A.Ed., Western Kentucky University, 1982;
Ph.D., New Mexico State University, 1990.
RACHAEL URBANEK, 2012
Assistant Professor of Wildlife Science
B.A., Penn State University, 2005;
Ph.D., Southern Illinois University, 2012.
THOMAS A. VAUGHN, 2003
Associate Professor of Communication
B.A., University of Arkansas, 1990;
M.A., University of Arkansas, 1992;
Ph.D., Indiana University, 1997.
LYNN WALSH, 2010
Associate Professor of Curriculum & Instruction
B.S.E., Indiana University, 1974;
M.A., University of Houston, 1980;
JAMES R. WALTON, 2006
Associate Professor of Marketing
B.S., Missouri Southern State College, 1979;
M.B.A., University of Central Arkansas, 1993;
Ph.D., Texas Tech University, 2001.
DANA D. WARD, 1988
Professor of Spanish
B.A., Hendrix College, 1974;
M.A., University of Arkansas, 1977;
Ph.D., University of Arkansas, 1987.
DAVID W. WARD, 1999
Professor of Psychology
B.S., University of Texas, 1986;
M.S., University of Georgia, 1990;
Ph.D., University of Georgia, 1998.
DAWN WARD, 2012
Professor of Art
B.A., Northeastern State University, 1985;
M.A., New York University, 1991;
Ph.D., New York University, 1998.
JASON E. WARNICK, 2006
Associate Professor of Psychology
B.A./B.S., Arkansas State University, 2002;
M.A., University of Mississippi, 2004;
Ph.D., University of Mississippi, 2006.
AILEEN WATTS, 2013
Assistant Professor of Curriculum & Instruction
B.S., Southern Utah University, 1996;
M.A., George Washington University, 2003;
DONNA R. WHITE, 2001
Professor of English
B.A., Arkansas Tech University, 1976;
M.A., University of Texas, 1983;
Ph.D., University of Minnesota, 1991.
MELINDA A. WILKINS, 1988
Professor of Health Information Management
Director of Health Information Management
B.S., Southwestern Oklahoma State University, 1983;
M.Ed., Southwestern Oklahoma State University, 1988;
Ph.D., Capella University, 2008.
PENNY P. WILMERING, 1999
Professor of Rehabilitation Science
Director of Rehabilitation Science
B.S.Ed., University of Missouri-Columbia, 1979;
M.A., Southern Illinois University, 1986;
Ph.D., University of Madison-Wisconsin, 1999.

DEBORAH WILSON, 1992
Professor of English
B.A., Louisiana Tech University, 1974;
M.Ed., Mississippi College, 1982;
Ph.D., Louisiana State University, 1991.

JEFFREY R. WOODS, 2000
Professor of History
Dean, College of Arts and Humanities
B.A., University of Kansas, 1992;
M.A., University of Arkansas, 1994;
Ph.D., Ohio University, 2000.

SAM M. WORLEY, 1997
Associate Professor of English
B.A., The University of Texas at Austin, 1981;
M.A., The University of North Carolina at Chapel Hill, 1986;

TSUNEMI YAMASHITA, 1990
Professor of Biology
B.A., Hendrix College, 1985;
Ph.D., Vanderbilt University, 1993.
General Information

The Campus

Arkansas Tech University, with its spacious 516-acre campus, is located on the northern edge of the city of Russellville. This growing community, with a population of approximately 24,000, is ideally situated between the mountains of the Ozark National Forest on the north and those of the Ouachita National Forest on the south. It is midway between the state’s two largest population centers, Fort Smith, 85 miles to the west, and Little Rock, 75 miles to the east. Interstate Highway 40 passes just north of the campus and connects these two cities.

Arkansas Tech University’s Lake Point Conference Center is located west of Russellville and is home to the College of Professional Studies and Community Outreach and offers both credit and non-credit programs. Adjacent to Lake Point Conference Center is the Center for Leadership and Learning, a part of the Graduate College, where graduate degrees in school leadership are offered. The Center for Leadership and Learning serves as an outreach to public schools of the area. Lake Point is nestled on Lake Dardanelle in a beautiful wooded setting and offers private guest rooms, elegant and casual food service, unique amenities and spectacular views from every building. Lake Point Conference Center can accommodate a wide variety of meetings, training, conferences, retreats, as well as business and social functions.

In addition, Russellville is the crossroads of activity for State Highways 7, 22, 64, and 124. The historic natural crossing of the Arkansas River at Dardanelle is four miles to the south. The navigable river forms a 36,600 acre lake with 315 miles of shoreline behind a lock and dam located just southwest of the city. The Missouri Pacific Railroad passes through the city and parallels the river between Little Rock and Fort Smith.

Russellville is the county seat of Pope County. Historic Dwight Mission, established by the American Board of Foreign Missions among the Cherokee Indians in 1821, was located a short distance west of the campus of Arkansas Tech University on Illinois Bayou, where that stream is now crossed by Highway 64. Descendants of Cephas Washburn, the intrepid missionary who founded the mission and named it for Timothy Dwight of Yale, live in Russellville at the present time.

Arkansas Tech University is in the center of an area experiencing vigorous industrial development as evidenced by the growth of local industry and the number of national concerns locating plants in the area. Arkansas Nuclear One, the first nuclear power plant completed in the Southwest, and a second nuclear power unit have been constructed near Russellville by Entergy, thus assuring continued industrial growth. Headquarters for District 9 of the Arkansas Highway Department and for the Ozark – St. Francis National Forests are located in Russellville. The McClellan – Kerr Navigation Project is having a significant effect upon the development of the area. The impoundment of the Arkansas River has formed Lake Dardanelle which borders the west edge of the campus. Poultry, cattle, soybeans, cotton, and lumber are the principal money crops in the area served by Arkansas Tech University.

History

Arkansas Tech University was created by an act of the Arkansas General Assembly in 1909. Under the provisions of this Act, the state was divided into four Agricultural School Districts. Boards of Trustees were appointed by the Governor with the approval of the Senate, and appropriations were made for the erection of buildings and employment of a faculty for a district agricultural school in each of the four districts.

Twenty counties of northwestern Arkansas were designated as the Second District. Governor Donaghey appointed W. U. Balkman, J. R. Williams, H. S. Mobley, A. D. Shinn, and O. P. Nixon as a Board of Trustees for the Second District Agricultural School. Several towns made efforts to have the school located in their area. After considering all proposals, the Board of Trustees decided to locate it at Russellville, which had made an offer of a tract of 400 acres of land adjoining the city limits and a cash bonus of several thousand dollars.

The school opened its doors for students in the fall of 1910. The first class to graduate from the school was the high school class of 1912. In 1921-22, a freshman year of college work was offered, in 1922-23 a second year, in 1923-24 a third year, and in 1924-25 a fourth year. The General Assembly in 1925 changed the name from the Second District Agricultural School to Arkansas Polytechnic College with power to grant degrees. The class of 1925 was graduated with the degree of bachelor of science, as was the class of 1926. The effort to maintain a four-year high school and a four-year college proved beyond the resources of the institution at that time, and it became a junior college in the fall of 1927. The four years of secondary work were dropped, one year at a time, and the last high school class was the class of 1929.

Changing and increasing demands for college education in Arkansas caused the Board of Trustees in 1948 to convert the college from a junior college to a degree-granting institution. In 1948-49 the college offered the third year of college work, and in 1949-50 the fourth year, with the first baccalaureate degrees awarded at the end of the 1949-50 spring semester. A graduate program leading to the degree of master of education was established in 1976. Graduate courses were first offered by Arkansas Tech in the summer of 1975.

In accordance with an act of the Arkansas General Assembly and by the authority of the State of Arkansas Board of Higher Education, the name of Arkansas Polytechnic College was changed to Arkansas Tech University, effective July 9, 1976.

Arkansas Tech has consistently adjusted its scope to accommodate immediate and future needs. In 1985 the institution reorganized its programs into the Schools of Business, Education, Liberal and Fine Arts, Physical and Life Sciences, and Systems Science. In 1997, the School of Community Education and Professional Development was established. As part
of ongoing efforts in strategic planning and recognition of the growth and scope of the institution and its programs, the schools were renamed in 2009: College of Business, College of Education, College of Arts and Humanities, College of Natural and Health Sciences, College of Applied Sciences, and College of Professional Studies and Community Outreach. In 2013, the College of Applied Sciences was renamed the College of Engineering and Applied Sciences.

**University Vision Statement**

The vision of Arkansas Tech University is to be a student-centered university of choice.

**University Mission Statement (adopted February 28, 2008)**

Arkansas Tech University, a state-supported institution of higher education, is dedicated to nurturing scholastic development, integrity, and professionalism. The University offers a wide range of traditional and innovative programs which provide a solid educational foundation for life-long learning to a diverse community of learners.

**Graduate College Vision & Mission Statement (adopted January 2014)**

The vision of the Graduate College of Arkansas Tech University is to empower students through advanced degrees to meet the demands of a global society through intellectual inquiry, scholarly attainment, artistic endeavors and creative pursuits within and across disciplines.

The mission of the Graduate College of Arkansas Tech University is to encourage a diversity of ideas in a climate of academic freedom and integrity. Advanced degrees are designed to complement and enhance undergraduate programs. The Graduate College is an advocate for graduate study and seeks partnership with other entities to accomplish our goals more efficiently. The Graduate College serves to nurture and preserve academic excellence by taking the lead in shaping policy and assisting faculty in guiding and mentoring graduate students in becoming accomplished and ethical scholars, researchers and practitioners in their disciplines.

**Purpose of Graduate Program**

The purpose of the graduate program is to provide graduate education opportunities in professional education, sciences, technology, and the liberal arts to anyone who seeks, and who is eligible for admission to the University.

Arkansas Tech University currently offers the following graduate degrees: Master of Arts, Master of Education, Master of Liberal Arts, Master of Science, Master of Science in Education, Master of Science in Nursing, Master of Engineering, and Educational Specialist in Educational Leadership.

The University has an interest in meeting the professional growth and advancement needs of certified teachers and professionals in the service region. The Master of Education includes majors in Educational Leadership; Elementary Education; School Counseling and Leadership; and Teaching, Learning and Leadership. Programs in Secondary Education include secondary education specializations in Instructional Technology, and Physical Education.

The Educational Specialist degree in Educational Leadership prepares school leaders for district level leadership positions and leads to district level licensure in Arkansas.

The Master of Liberal Arts offers major concentrations in Communications, Fine Arts, and Social Sciences. It is designed to serve the graduate education needs not only of certified teachers, but of anyone interested in the post-baccalaureate study of the liberal arts, including professionals with specialized undergraduate backgrounds.

The Master of Arts in English, Teaching English as a Second Language (TESL), History, Teaching Middle or Secondary, and Teaching English to Speakers of Other Languages (TESOL) provide for more specialized study for students interested in these areas. It will also prepare those students interested in pursuing their doctorate.

The Master of Arts in Multi-Media Journalism offers professionals the opportunity to study journalism as impacted by the growth of technology.

The Master of Science in Business Administration program provides a graduate business alternative for students whose undergraduate preparation was a field outside of business administration. Students who wish to develop administrative skills for their chosen career but who are not interested in completing a Master of Business Administration degree can opt for this program instead.

The Master of Science in College Student Personnel is a two-year, practitioner-oriented program, philosophically based in college student development and university administration. It is designed to prepare thoughtful, compassionate, first-line student and university service administrators armed with the knowledge, skills and dispositions needed to begin a career in the variety of settings in which such services are needed. These include, but are not limited to, admissions counseling, advising, financial aid, orientation, housing, student programming, alumni affairs, and development.

The Master of Science in Emergency Management and Homeland Security offers a specialized program both for existing career professionals in the discipline and for those seeking the diverse employment opportunities available in this evolving career field.

The Master of Science in Fisheries and Wildlife Science offers a research-based program for those interested in the areas of fisheries and wildlife, and also serves in preparation for those pursuing the doctorate.
The Master of Science in Health Informatics (MSHI) is a specialized program of study to serve the increasing workforce needs in the area of health information technology. The curriculum utilizes a multidisciplinary approach to include health care delivery concepts coupled with information technology in a changing environment.

The Master of Science in Information Technology provides for education in technology information management. This program has two options: (1) Computer-Based Instructional Technology in educational settings and (2) Information Technology in business settings.

The Master of Science in Psychology program is designed to provide advanced students with sufficient breadth and depth to function in a variety of professional environments.

The Master of Science in Applied Sociology program is designed to provide advanced students with sufficient breadth and depth to function in a variety of professional environments. While emphasis is placed on research and Sociological Principles, a concentrated effort is also made to establish the foundation necessary for application.

The Master of Science in Strength and Conditioning Studies is designed to provide graduate level instruction in the theory and science of strength and conditioning. The 33 hour program is designed to meet the needs of coaches, physical educators, physical therapists, athletic trainers, and others interested in the fitness profession. Upon completion of this degree, students may pursue certifications such as the Personal Trainer or Strength and Conditioning Specialist (CSCS) by the National Strength and Conditioning Association (NSCA).

The Master of Engineering program is designed to provide for advanced study and opportunities in project management and team leader positions. The Master of Engineering has concentration areas in Electrical, Nuclear, and Mechanical Engineering.

The Master of Science in Nursing program is designed to provide advanced study for nurses in the area of administration & emergency management.

**Philosophy of Graduate Program**

Arkansas Tech University holds to the principle that graduate-level scholarship should be based on highly developed habits of critical judgment, independent thinking, creative initiative, and disciplined inquiry. Successful completion of the graduate program signifies that the student has acquired the research skills of an independent scholar, with expertise in a particular field of study.

The student admitted to graduate study at Arkansas Tech University should not expect to acquire these skills and to achieve this expertise through classroom and laboratory instruction alone; rather, the student should expect to draw upon independent resources to collect, organize, and synthesize research data and information in order to achieve scholarly expertise in the chosen field of study. Graduate study, then, aids the student to acquire the skills needed to identify important problems, to establish modes of inquiry, to formulate proposed solutions, and to communicate the interpretation of scholarly and research analysis.

**Administration of Graduate Program**

The graduate program is administered by the Graduate College Dean who is directly responsible to the Vice President for Academic Affairs. Policies governing the graduate program are developed by the Graduate Council; matters pertaining to the graduate teacher education program are reviewed and approved by the Teacher Education Council before being presented to the Graduate Council. Policies are then approved by the Vice President for Academic Affairs, President of the University, and the Board of Trustees.

While every effort will be made to conform to catalog announcements, the University reserves the right to adapt its program as may be necessary.

**Facilities Management**

The facilities management of Arkansas Tech University is located on a tract of 516 acres near the northern boundary of the city of Russellville. Acreage provides space for varsity and intramural recreational activities, drill fields, and the University farm. The McClellan – Kerr Arkansas River Navigation System provides a freshwater lake which borders on the west edge of the campus.

All instructional programs are taught in buildings which have been specifically designed or modified to complement the projected instructional tasks. The Corley Building, expanded in 2009, provides instructional space and state of the art laboratories for engineering, computer science, and mathematics. McEver Hall, renovated and expanded in 2010, provides specialized classrooms and labs for Biological and Physical Sciences. Norman Hall, which was completed in 2007, houses the Department of Art and contains a gallery and specialized classrooms. Rothwell Hall houses Academic Advising, College of Business offices and classrooms, a trading room with a live Stock Market Ticker and Video Display Wall, and the Arkansas Small Business and Technology Development Center. Rothwell Hall was not only completed in Arkansas Tech’s 100th year of operation (2009), but is also Tech’s 100th building.

The College of Professional Studies and Community Outreach is located at our Lake Point Conference Center which was acquired by Tech in 2006. The Center for Leadership and Learning, an academic facility acquired in 2009, is directly across from the Lake Point Conference Center, on Highway 333.

Arkansas Tech University has several resources which lend themselves to serving the cultural and recreational needs of
the University and surrounding community. The John E. Tucker Coliseum complements the instructional program by providing a modern setting for concerts, conventions, and sporting events. The Witherspoon Arts and Humanities Building has a modern auditorium with a seating capacity of 742. The L.L. “Doc” Bryan Student Services Center constitutes the main facility for student services, student government, publications, and indoor recreational activities. The Arkansas Tech Museum, located in the Techionery Building, contains exhibits on archeology and early history of western Arkansas; museum lectures and events address cultural needs on the campus and in the community, and offer opportunities for students in the Parks, Recreation and Hospitality Department to become involved in interpretive activities.

Ross Pendergraft Library and Technology Center houses more than 1,225,000 items, including: 175,000 print volumes; 900,000 microforms; 120,000 government documents; 16,000 multimedia items; and 700 periodical subscriptions. Among these holdings are extensive backfiles of journals and newspapers. Photocopiers and microform reader-printers are available at several locations in the library. The library is a member of AMIGOS, a regional broker of international bibliographic data and information services. Over 150 electronic databases covering most subjects are accessible from the library and over the Internet through the Tech homepage at http://library.atu.edu. Assistance in the retrieval and use of materials is provided by seven professional librarians, ten paraprofessional staff, and a number of part-time employees. Librarian-mediated instruction and online searches are provided on request. Materials not available in the library may be requested through our interlibrary loan system, normally at no charge. The Library is the publisher of the retrospective Arkansas Gazette Index.

Pendergraft Library is open 97 hours per week except between semesters and during holidays. The state-of-the-art facility includes a variety of computer labs (both open use and instructional), a music/multimedia lab, two distance learning classrooms, a large conference room, five breakout/meeting rooms, ten group study rooms, satellite downlink, cable TV connections, 135 publicly accessible computers, 132 lab computers, about 400 data drops for laptop computers, and access to the Tech wireless network.

Food and Housing (Subject to changes as necessary)

Graduate students are eligible to live in residence halls. Graduate students must carry a minimum of six (6) graduate hours, while residing on campus. All students living in residence halls are required to purchase a meal plan: fifteen, nineteen-meals-per-week, and declining balance meal plans are available during the fall and spring semesters. Declining Balance Dollars may be used in Chambers Cafeteria, Bas-Tech, and Convenience Store.

Residence halls are closed between fall and spring semesters. However, residents may remain in the residence halls during this period provided they submit proper paperwork to the Office of Residential Life to gain approval. There will be an additional cost for residents approved to remain in the residence halls over this break period. Residents may remain in the residence halls during all other breaks, provided they notify the residence hall staff of their intentions prior to the break period.

All applicants for housing who are 25 years of age on or before October 1 of the academic year, will be required to meet with either the Director of Housing or the Dean of Students, in order to determine if it is in the best interest of the community and the individual for them to reside in housing designed for traditional age college students. Based on this meeting the Director of Housing or Dean of Students will recommend to the Vice President for Student Services to either not accept the housing application or to provide housing for the applicant in alternative campus owned housing.

Eligibility:

To be eligible to be a Resident in a University residence hall, a person must carry a meal plan (for residents of Vista Place, and University Commons Apartments; a meal plan is optional) and be enrolled at the University campus in a minimum of six (6) graduate hours each semester. The University reserves the right not to contract with persons who are currently violating or have previously violated the terms and conditions of a housing contract or other University rules or regulations, or who have a past due balance with the University.

To be eligible to be a Resident in the University Commons Apartments, a person must be enrolled at the University campus in a minimum of six (6) graduate hours each semester. Initial preference for University Commons Apartment assignments will be given to undergraduate students who have earned a minimum of thirty (30) credit hours of college work and have a minimum (2.5) cumulative grade point average. The University reserves the right not to contract with persons who are currently violating or have previously violated the terms and conditions of a housing contract or other University rules or regulations, or who have a past due balance with the University. The maximum number of persons occupying an apartment shall be no more than four (4) persons in a four-bedroom apartment, and no more than two (2) persons in a two-bedroom apartment. No other occupants are permitted. Residents of the University Commons Apartments are required to pay $250.00 security deposit.

To be eligible to be a Resident in Vista Place Apartments, a person must be enrolled at the University campus in a minimum of six (6) graduate hours each semester. Initial preference for Vista Place Apartment assignments will be given to undergraduate students who have earned a minimum of thirty (30) credit hours of college work and have a minimum (2.5) cumulative grade point average. The University reserves the right not to contract with persons who are currently violating or have previously violated the terms and conditions of a housing contract or other University rules or regulations, or who have a past due balance with the University. The maximum number of persons occupying an apartment shall be no more than four (4) persons in a four-bedroom apartment.

Payment of Accounts

Tuition and all other fees and charges, including at least one-fourth of room and board charges for students in residence halls, are due and payable prior to the start of each term. Financial settlement may be made by personal payment or AUTHORIZED financial aid (loans, scholarships, grants, third parties, etc.). Visa, Master Card, and Discover credit cards are accepted for all charges. Information to set up a payment plan or pay in full online is offered via the web site: http://stuaccts.atu.edu. Payment may be made in person at the Student Accounts Office, room 133 at the Doc Bryan Student Services Center. Registration is not complete until all financial obligations have been met satisfactorily. Failure to make financial settlement will result in cancellation of the class schedule.

Monthly billing statements are electronic. Near the first of each month, notification and information for access will be provided to students via the individual student e-mail address and online at http://stuaccts.atu.edu. Students are responsible for accessing billing statements and printing a paper copy if desired. In addition, paper copies are mailed twice yearly shortly before the beginning of the fall and spring terms. Students registering between billing cycles are responsible for accessing their charges online or contacting Student Accounts to insure making correct payment by the required due date. Payment is due even if billing statement is not received. Students with delinquent accounts are not eligible for food service, transcripts, recommendations, advance registration, or readmission to any term. Collection fees for outstanding debts owed to the University will be assessed to the student.
The University reserves the right to amend or add to the regulations of the institution, including those concerning charges and methods of payment, and to make such changes applicable to students enrolled in the University, as well as to new students.

**Important Information for Reduction of Tuition and Fees for Official Withdrawal**

The following reduction information specifically addresses courses that begin and end with the main term dates for Spring, Summer I, Summer II and Fall, as listed in the Academic Calendar. Courses with beginning and/or ending dates that are different than the main terms listed above may have different reduction periods. It is the students’ responsibility to consult the Student Accounts or Registrar’s Office for these reduction dates prior to withdrawing. Withdrawal dates for course with beginning and/or ending dates outside the traditional term can be found at: [http://www.atu.edu/registrar](http://www.atu.edu/registrar).

In the event a student is receiving student financial aid, any refund amount attributable to a loan, grant, or scholarship will be returned to the appropriate account and not to the student. The amount returned to federal programs will be the amount of unearned Federal aid based on the number of calendar days of attendance up to the sixty percent point of the semester. Aid accounts will be refunded in the following order up to the amount of the original disbursement: Federal Direct Loan Programs, Federal Perkins Loan Program, Federal Direct PLUS Loan Program, Federal Pell Grant Program, Federal SEOG Program, Arkansas Department of Higher Education Programs, Tech scholarships and private aid. Additionally, students who have received a cash payment of Federal aid money will receive a letter after their withdrawal informing them of any amount to be repaid. These repayments will be made through the Student Accounts Office. The student will be ineligible to register for additional courses until the required payments are made.

**Reduction of Tuition and Fees for Official Withdrawal - Summer Semesters**

Students registering for a summer semester, but officially withdrawing from the courses by the end of the second day of the summer semester, as listed in the “Academic Calendar” will receive a 100 percent reduction of tuition and fees. Students registering for a summer semester, but officially withdrawing from the University by the end of the fifth day of the semester in a summer term, as listed in the “Academic Calendar” will receive an 80 percent reduction of tuition for courses which they are enrolled in at time of withdrawal. No reduction in tuition will be made after the fifth day of the summer semester. No reduction of fees will be made after the second day of the semester.

**Reduction of Tuition and Fees for Official Withdrawal - Spring and Fall Semesters**

Students registering for the fall or spring semester but officially withdrawing from the University by the end of the fifth day of the semester, as listed in the “Academic Calendar”, will receive a 100 percent reduction of tuition and fees. Room and Board will be reduced on a pro rata basis. Thereafter, students officially withdrawing by the end of the twenty-fifth day of the semester will receive an 80 percent reduction of tuition only for courses in which they are enrolled at time of withdrawal. No reduction in tuition will be made after the twenty-fifth day of the semester. No reduction in fees will be made after the fifth day of the semester.

**Financial Aid**

Three aid programs are available to graduate students: the Federal Perkins Loan Program, which provides a five-percent loan to eligible students; the Federal Direct Unsubsidized and Direct PLUS Loan Programs, which provide loans (interest rate determined annually) to eligible students; and the Federal College Work-Study Program, which provides on-campus part-time jobs. In order to participate in these programs, the student must submit a Free Application for Federal Student Aid at [www.fafsa.gov](http://www.fafsa.gov).

Additional information may be obtained at [http://www.atu.edu/finaid/](http://www.atu.edu/finaid/) or by e-mail at fa.help@atu.edu. Priority deadlines are April 1 for summer, April 15 for fall, and November 1 for spring.

In addition to general requirements listed in the financial aid academic policy located at [http://www.atu.edu/finaid/docs/Academic_Policy.pdf](http://www.atu.edu/finaid/docs/Academic_Policy.pdf), graduate students receiving federally funded financial aid must meet the conditions listed below in order to remain eligible for financial aid:

1. Students must earn 67% of hours attempted. Therefore, a student who enrolls in nine (9) hours must pass six (6) hours to attain the 67%. If only three (3) hours are passed the percentage is 33% and the student is ineligible for aid.  
2. Students must maintain a cumulative 3.0 GPA on graduate courses.  
3. Students must complete the degree by the end of 54 attempted hours.

**Graduate Assistantships**

The University offers a limited number of graduate assistantships through its academic departments and administrative offices. Inquiries regarding assistantships should be directed to the Graduate College webpage. Applications can be found online at [Graduate Assistantship Application](http://www.atu.edu/graduateassistant). The Graduate College will accept and forward all applications for assistantships to the appropriate program director or supervisor. Available assistantships will be posted and updated accordingly throughout the academic year. Student inquiries regarding specific positions should be directed to the listed. Additionally, it is the responsibility of the applicant to pursue possible positions through the posted openings on the [graduate assistant webpage](http://www.atu.edu/graduateassistant).

A graduate student holding an assistantship appointment does part-time work for the University as determined by the department or office involved. A student receiving an assistantship may take a maximum of nine (9) hours and a minimum
of six (6) hours of course work per semester. During summer sessions students may enroll in graduate hours as long as they do not exceed their waiver hour allotment and have not graduated from Graduate College. Students are eligible to hold a GA position for a minimum of four (4) regular semesters. Maymester and summer terms do not count as part of the four (4) semesters as long as 18 graduate credit hours are not exceeded within one (1) fiscal year. Exceptions may be made upon the approval of the appropriate program director and the Graduate College Dean. Students selected to hold a graduate assistantship may work only within their contracted department; multiple graduate assistantships within one time period are not acceptable. Additionally, GAs may not hold multiple on-campus roles, i.e. GA and student worker, during the same semester term without prior approval from the Graduate College Dean.

A student may receive a graduate assistantship award for four (4) semesters, if they meet the Graduate College eligibility guidelines and receive continued departmental approval. A program director may appeal for one (1) extra semester by completing a Graduate Assistant Fifth Semester Request Form and providing a detailed written justification to the Graduate Dean. All requests for an additional semester should be received by the application deadlines.

### Out-of-State Residence Status for Tuition and Fee purposes

All graduate students classified as “out-of-state” must pay out-of-state tuition as shown in the section entitled “Fees and Charges.”

All graduate students who are legal residents of states which are contiguous to Arkansas (specifically, Louisiana, Mississippi, Missouri, Oklahoma, Tennessee, or Texas) shall receive a waiver for out-of-state tuition charges.

A student from outside of Arkansas entitled to be treated as an instate student for fee purposes should complete an “Application for Residency Classification as Instate Domiciliary” and supply evidence to that effect.

### Scholarships

The scholarships listed below have been established by the alumni and friends of Arkansas Tech University in order to afford students the ability to pursue their goals of earning a degree in higher education. Applications for Private and Transfer Scholarships can be obtained from the Admissions Office or Financial Aid Office in the Doc Bryan Student Services Building. Applications should be submitted by March 15.

**Jimmie Hartman Hoover Memorial Scholarship**

An endowed scholarship created for the purpose of assisting graduate students at Arkansas Tech University and will be awarded each year the funds are sufficient. To be considered for this scholarship the applicant must be a full-time graduate student who is admitted in the Instructional Technology degree program with a cumulative grade point average of 3.0 or higher. Preference will be given to students who have an interest in library media. In addition, financial need may be considered. The recipient will be selected by a committee appointed by the Dean of the Graduate College.

**Dr. Richard Ihde Emergency Management Communications Scholarship**

This scholarship was established by friends and family of Dr. Richard Ihde to benefit a student majoring in Emergency Management. The scholarship will be awarded each year that funds are available to a full-time graduate or undergraduate student who is in good academic standing. Applicant must demonstrate financial need. In addition to the scholarship application and letters of recommendation, the applicant must submit a 500-word essay on the topic of the importance of communication in emergency management.

**Ed Leachman Emergency Management Scholarship**

Through the generosity of Roy and Sandy Smith, this scholarship was established to honor Mr. Ed Leachman, former assistant professor of Emergency Management. The recipient of this award must be an undergraduate or graduate student at Arkansas Tech University pursuing a degree within the Department of Emergency Management. The recipient must be active in the International Association of Emergency Managers and demonstrate financial need. Applicants must submit a statement as to how the scholarship will help him/her reach career goals.

**Rexann Oller International Studies Scholarship**

The Rexann Oller International Studies Scholarship will be awarded each year to a student who shows academic achievement in international affairs and/or strong background and interest in international relations. This scholarship is open to all Arkansas Tech undergraduate and graduate students who have a minimum GPA of 3.0. Preference will be given to students with demonstrated financial need. Recipients of other tuition scholarships are not eligible to apply. Application deadline is March 15. Please contact the Office of International and Multicultural Student Services for full application requirements.

**Tate C. “Piney” Page Memorial Athletic Scholarship**

An endowed scholarship to assist a graduate assistant who excelled in football and academics has been established in memory of Dr. Page through contributions by the Russellville Kiwanis Club. Applications should be made to the Arkansas Tech Athletic Director.

**Lambert Resimont Scholarship**
An endowed athletic scholarship has been established and awarded annually to a graduate assistant who excelled in basketball and academics. Students interested in applying should contact the Arkansas Tech Athletic Director.

**John Rollow Memorial Fund**

Established as a tribute to John Rollow to assist non-traditional students in English and Creative Writing with tuition expenses. This scholarship is open to any non-traditional undergraduate or graduate student with demonstrated financial need and a cumulative grade point average of 2.5 or better. Application should be made to the Department of English.

**John E. Tucker Memorial Scholarship**

An endowed athletic scholarship awarded to a graduate assistant who excelled in football and academics. Applications should be made to the Arkansas Tech Athletic Director.

**Graduate College Recognition Awards**

**Jim Ed McGee Graduate Honors Award**

The Jim Ed McGee Graduate Honors Award was instituted to recognize one Arkansas Tech University graduate each year.

**ELIGIBILITY**

Individuals who graduated in May or December are eligible to apply by April 1st of the year following their graduation.

**CRITERIA FOR SELECTION**

- Minimum 3.75 cumulative graduate grade point average
- Résumé
- Advisor nomination letter and two (2) other professional recommendation letters
- Applicant submission of 500 word narrative including the following information:
  - Outline of current position and description of the impact the applicants degree had on current position
  - Description of major accomplishment in degree work and current position; supporting document(s) as evidence of accomplishment may be attached
  - Description of the applicants continued involvement/contribution to Arkansas Tech University

**NOMINATION**

Student must be nominated by their faculty advisor. A letter of nomination must accompany the packet submitted to the Graduate College.

**SELECTION**

A panel of reviewers, consisting of the Graduate Director of Support Services, two (2) graduate faculty members, and the last year’s Jim Ed McGee Award recipient will review the candidates for the Jim Ed McGee Graduate Honor Award. The panel will rate the candidate applicants based on the award selection criteria.

* A personal interview may be required.

**AWARD PRESENTATION**

The Jim Ed McGee Graduate Honors Award recipient will receive a personal plaque presented at a reception hosted by the Graduate Council. Additionally, his/her name will be inscribed on the Jim Ed McGee Graduate Honor Award Plaque for permanent display in the Graduate College.

**Angelo and Rosa Denova Graduate History Award**

The recipient of this award will be selected by a History Department Paper Prize Award Committee. It is open to any student enrolled in a graduate History course at Arkansas Tech, regardless of major, during the current award cycle. Students should submit scholarly papers written during the current award cycle in a History class at Arkansas Tech. Specific Submission Guidelines are available from Department of History and Political Science.
International and Multicultural Student Services

The International and Multicultural Student Services Office provides support services designed to enrich the college experience for multicultural and international students. The office actively recruits multicultural and international students to increase the diversity of the Tech campus, provide the opportunity for cultural exchange, and aid in helping all Tech students develop an appreciation for cultural differences.

The office offers a wide range of services for international students, including orientation, immigration updates, cross-cultural programming, and other support services necessary to ease the transition of international students into the U.S. culture. American college students play a vital role in this process by volunteering to serve as mentors to new international students through the Global Connect program.

Several established student organizations receive support from the International and Multicultural Student Services Office, including the Black Student Association, the Chinese Student Association, the Hispanic Student Association, the Indian Student Association, the Japanese Student Association, the Saudi Student Association, and the Association for Cultural Interaction. Working together, programs are developed and sponsored throughout the year to educate faculty, staff, and students regarding international and multicultural heritage.

Additional information may be obtained by calling (479) 964-0832, faxing (479) 880-2039, or writing to the Director of International and Multicultural Student Services, Tomlinson Room 29, Arkansas Tech University, Russellville, Arkansas 72801, U.S.A.

English Language Institute

The mission of the ATU English Language Institute (ELI) is to provide classes that assist non-native speakers of English in developing the English language skills necessary to successfully pursue academic work in a United States college or university. The ELI accomplishes the mission by delivering non-credit English as a Second Language (ESL) academic reading, writing, speaking, and note-taking instruction for English language deficient students. As part of the Department of English and World Languages, ELI welcomes students from diverse backgrounds whether international or U.S. resident. Additional information may be obtained by calling (479) 964-0807 faxing (479) 880-2039, or writing to the Coordinator of the English Language Institute, Dean Hall, Arkansas Tech University, Russellville, Arkansas 72801, U.S.A.

Veterans Benefits

Arkansas Tech University is approved by the State Approving Agency for Veterans as a school (college, university, etc.) whereby veterans and dependents of deceased or disabled veterans may obtain subsistence while working toward a degree. Eligible students should contact the Office of Veteran Services to obtain information regarding school attendance under the following program: Title 38, Chapter 30, Montgomery GI Bill for Veterans; Title 38, Chapter 32, Veterans Educational Assistance Program (VEAP); Title 38, Chapter 33, Post-9/11 GI Bill; Title 38, Chapter 35, Survivors and Dependents Education; Title 10, Chapter 1606, Montgomery GI Bill for Selective Reserves; and Title 10, Chapter 1607, Reserve Educational Assistance Program.

All students must be working toward a degree and should follow the curriculum outline for their objectives, since only specific courses may be applied toward VA certification and graduation. Veterans may be given placement credit for prior military training. The Office of Veteran Services is available to assist students concerning VA benefits. The Office of Veteran Services is located in the Doc Bryan Student Services Center, Office 163.

Enrollment certification will not be sent to the Department of Veteran's Affairs until transcripts are on file and the person applying for veteran's benefits has been admitted to the University.

Effective spring 2015, all active duty military service persons and veterans eligible under the GI Bill as determined by the VA who are classified as "out-of-state" for tuition purposes shall receive a waiver of out-of-state tuition charges.

University Bookstore

The Arkansas Tech University Bookstore is located in the Young Building. Textbooks, study guides, school supplies, computer software, caps and gowns for graduation, in addition to other items may be purchased.

A full refund will be given on new or used textbooks until the end of the third class day. The following conditions will apply:

1. You need your cash register receipt and Tech ID.
2. Your new textbooks must be returned in brand new condition with no bent corners or water damage.
3. Wrapped or boxed textbooks must be unopened.

Textbook Refund Policy

An extended period for refunds is available to students who drop a class or withdraw from school. Specific dates will be posted each semester. Students must have a withdrawal slip and receipt. Returns are not allowed on study guides, workbooks, cliffnotes, wrapped or boxed merchandise that is opened, etc. The manager reserves the right to make the decision on the condition or salability of the merchandise.
**Buy Back Policy**

Students may sell their textbooks for cash at the bookstore during examination week. Fifty percent of the new price will be paid to the student if the bookstore has received a request from the instructor stating the textbook will be used the following semester, the textbook is in good condition (no water damaged books will be bought back), and the bookstore is not overstocked. Select textbooks not bought at the Campus Bookstore may have less value than 50% of the new price. Textbooks with a new edition pending may be bought back at less than 50% of new price. Current market value will be paid on current editions not used or needed for the following semester on campus. A current Tech ID is required to sell books back. The bookstore does not guarantee the buy back of any textbook at any time.

Additional information concerning the University Bookstore may be obtained by visiting their website at [www.atu.edu/bookstore](http://www.atu.edu/bookstore), by calling (479) 968-0255, or by faxing (479) 964-0861.

**Traffic Regulations**

By authority of the Board of Trustees and in accordance with Legislative Act 328, 1967, Arkansas Tech University requires all members of the faculty, staff, student body and classified personnel to register motor vehicles which they own or operate on the Tech campus or on lands controlled by the University. All registrants shall abide by all traffic and parking regulations as outlined by a printed pamphlet available in the Doc Bryan Student Services Building, the Department of Public Safety office located at 1508 North Boulder Avenue, or online at [http://www.atu.edu/psafe/docs/ParkingMap2014.pdf](http://www.atu.edu/psafe/docs/ParkingMap2014.pdf).

Registration of vehicles shall be accomplished at the time of regular registration for the fall, spring or summer semesters. Vehicles can be registered by following these steps:

1. Log in to OneTech ([http://onetech.atu.edu](http://onetech.atu.edu)).
2. Go to the “Personal Information” channel located on the welcome page.
3. Click on the link “Purchase Parking Permit,” and follow the instructions to purchase a permit.

Individuals will need to know the make and model of their vehicle as well as their license plate number in order to complete the process listed above. Students may purchase permits with a credit card, a debit card or post the charge to their student account. Faculty and staff may purchase their permit online with a credit card or a debit card. Those purchasing their hangtags using a credit or debit card will receive an e-mail confirming their purchase. Once the parking permit is purchased, faculty, staff and students will have an opportunity to print a temporary parking permit to be displayed on their vehicle dashboard until the permanent one arrives in 7-to-10 business days.

All vehicles on Tech campus are required to register and display a current parking permit. Parameters for the operation and parking of motor vehicles may be viewed on the campus map available at the Department of Public Safety. Vehicles are defined as any self-propelled vehicle having two or more wheels.

Permits are valid from August 15th one year through August 15th of the next year. Permits must be displayed by hanging on the rear view mirror so the number can be read through the front windshield from the outside; they may not be taped on the vehicle or laid on the dash or seat. These permits can be moved from vehicle to vehicle. Permits are the responsibility of the purchaser and must be removed prior to sale or transfer of the vehicle, upon termination of employment, or withdrawal from the University. Only one permit per individual can be purchased unless the prior permit was lost or stolen. The reported lost or stolen permit will be invalid. There is no refund for permit cost. The registration fee, penalties, and fines are published in the ATU parking map.

Temporary parking permits are available at the Department of Public Safety for faculty, staff, and students who have misplaced their parking permit.

**Health and Wellness Center**

Recognizing that optimum health is essential to effective learning, the university maintains health services available to all students. The Health and Wellness Center, located in Dean Hall Room 126 (entrance on north side of the building), provides confidential treatment of minor injuries and illnesses through a well-equipped facility and within the scope and practice of the registered nurse and certified nurse practitioners who staff the center full-time. The nurses make appropriate referrals to local health care providers when necessary.

The university assumes no financial responsibility for student care other than that provided by the Health and Wellness Center. Students are urged to carry their own health insurance.

In addition to clinical services, a wide range of health promotion and educational programs are provided in a variety of campus settings.

Patient Hours are Monday - Friday, 8:00 am - 5:00 pm. Students are strongly encouraged to make appointments; however, available walk-in times are from 3:00 pm - 4:00 pm on Monday, Wednesday, and Friday. The Health and Wellness Center staff can be contacted by phone at 479-968-0329, email at hwc@atu.edu or online at [www.atu.edu/hwc](http://www.atu.edu/hwc).

**Counseling Services**

Counseling services provides counseling, consultation, and outreach to the Arkansas Tech University community. The counseling staff is committed to promoting the educational mission of the university by working with the campus community to establish and maintain healthy and effective behavior patterns and lifestyles that enhance learning and
personal development. The range of services provided includes personal counseling for students in individual, couples, or group sessions. The staff provides consultations to students, parents, staff, faculty and administration. There is a small library of self-help books and videos, and a variety of informational brochures available. Presentations and outreach programming are scheduled throughout the year and are available upon request.

Services are provided Monday-Friday from 8:00 am-5:00 pm year round. Counseling Services is staffed by licensed counselors trained to provide professional counseling services. For additional information, please visit the Health and Wellness Center in Dean Hall 126 or call 479-968-0389.

Disability Services for Students

The Office of Disability Services (DS) facilitates services and accommodations that enable students with disabilities to access the same opportunities as their peers with the greatest degree of independence possible. Students who require accommodations are encouraged to contact DS in order to assess the student’s needs and prepare a tailored plan of accommodation specifically addressing barriers to academics, activities, or access to facilities.

The Director of DS is responsible for interfacing with students seeking accommodations, obtaining disability related documents, certifying eligibility for services, determining reasonable accommodations, and developing an accommodation plan for students. Offices are located in the Doc Bryan Student Services Building, Suite 171. Students may schedule an appointment by calling (479) 968-0302, (479) 964-3290 (TTY), or by email at utds@atu.edu.

University Testing Center

The University Testing Center provides services which assist in the recruitment, retention, and graduation of students.

Testing services include providing registration information and materials and administering examinations such as the American College Test Assessment (ACT), Graduate Record Exam (GRE), Law School Admission Test (LSAT), Miller Analogies Test (MAT), Professional Assessments for Beginning Teachers (Praxis), and others. Test registration bulletins and preparatory materials are available online for many exams. Tests that will allow an individual to earn college credit by attaining the qualifying score established by Arkansas Tech University are also administered and include Advanced College Placement (AP), College Level Examination Program (CLEP), National League for Nursing (NLN), and Arkansas Tech examinations. Arkansas Tech University placement exams include the Residual ACT and the Computer Adaptive Placement Assessment & Support System (COMPASS). Tests that require payment must be paid in advance at Student Accounts located in the Doc Bryan Student Services Center.

The University Testing Center is located in Doc Bryan, Suite 171 and may be reached by calling 479-968-0302 or fax 479-968-0375. For additional information, students may visit www.atu.edu/testing.

Norman Career Services

The Norman Career Services office is dedicated to educating and professionally preparing students to meet their career goals. The office provides students and alumni a variety of resources on-campus and through the website at www.atu.edu/career. The Norman Career Services office also provides an online career management program, CAREERlink, for students and graduates who are searching for internships, on-campus, part-time, and/or full-time positions. Beginning with the student’s freshmen year, all students are encouraged to take self-assessments through FOCUS 2. The staff is available for private appointments to assist students and alumni with their career goals, resumes, cover letters, and personal marketing plans. Additionally, outreach programs for students are available including professional development workshops, classroom visits, custom student organization workshops, and employer events.

Employers partner with the Norman Career Services office to post employment opportunities through CAREERlink, as well as to arrange for additional opportunities to grow their on-campus presence. Events such as career fairs, information sessions, corporate mixers, and interviews are all arranged through Norman Career Services. By ensuring that Arkansas Tech University graduates are given every opportunity for success, Norman Career Services strives to inform students and prepare them to be successful in the workforce.

Additional information concerning Norman Career Services may be obtained by visiting the website at www.atu.edu/career, by calling (479) 968-0278, or by emailing career.services@atu.edu.
Academic Information

Admission to Graduate College

Individuals who meet the admission requirements listed below may apply to Arkansas Tech University. The University reserves the right to reject the application of any individual. Every student must file an application for admission. An application for admission to graduate study may be obtained by contacting the Graduate College or going online to http://www.atu.edu/gradcollege/. Priority deadline date for fall admission is March 1 and spring admission is October 1. This will ensure consideration for admissions and assistantships. Students who do not meet this deadline, may submit necessary credentials for admission up to two (2) weeks in advance of the initial date of enrollment. Applicants for admission must submit a completed application form and request from the college or university granting their bachelor’s degree an official transcript be sent directly to the Graduate College.

Detailed information regarding graduate student admissions may be obtained by contacting: Graduate College, 1507 North Boulder Avenue, Tomlinson 113, Russellville, AR 72801, phone (479) 968-0398, fax (479) 964-0542, or go online to http://www.atu.edu/gradcollege/.

Applicants must meet the admission requirements established for a particular degree program. Approved applicants will be notified in writing of their eligibility for admission to graduate study. Application for admission will be valid for one (1) semester; applicants who do not enroll during the semester in which they applied will be required to reapply for admission. Admission to graduate study does not imply admission to a specific program or to candidacy for a degree.

Tech will provide equal opportunity in admission to all persons. This applies to all phases of the admission process. Any demographic information collected through the Admission Application is on a voluntary basis and is to be used in a nondiscriminatory manner consistent with applicable civil rights laws for reporting and statistical purposes only and cannot affect eligibility for admission.

Any student requiring special accommodations in order to complete a course or program of study should contact the Disabilities Director, Doc Bryan, Room 171, or call (479) 968-0302. The Disabilities Director administers programs and services associated with the Americans with Disabilities Act and serves as a liaison for students with disabilities.

Beginning June 1, 2007, all students at Arkansas Tech University will be assigned a permanent, randomly generated, student identification number. Student's social security numbers will be used only on applications for admission and solely for the purposes of State and Federal reporting requirements and determination of eligibility for Federal financial aid.

Persons born after January 1, 1957 must furnish proof of immunity against measles, mumps, and rubella by sending proof of two (2) MMR immunization shots to the Tech Health and Wellness Center prior to enrollment in classes. For more information contact the Health and Wellness Center at (479) 968-0329.

Unconditional Admission for Entering Graduate Students

Admission applicants must:

1. Applicants must pay a $25.00 nonrefundable application fee directly to the Graduate College.*
2. Applicants must hold a bachelor's degree from an accredited college verified by an official transcript.
3. Applicants must have a cumulative grade point average of 2.5 or a 3.00 on the last 30 hours of undergraduate work or hold a graduate degree from a regionally accredited institution.
4. Applicants must request a complete undergraduate official transcript from their bachelor's awarding institution sent directly to the Graduate College. Mail all materials to: Graduate College, 1507 North Boulder Avenue Tomlinson 113, Russellville, AR 72801.
5. Applicants must meet additional admission requirements specified by programs in the graduate catalog (GRE, writing samples, etc.).

*The application fee may be applied to defer an application for admission in the same program for up to one (1) calendar year from the original application date. If an applicant does not complete the admission process within one (1) calendar year from the original application date, or if the applicant applies to a new program, the applicant is responsible for submitting a new application fee.

Conditional Admission for Entering Graduate Students

Applicants may be admitted conditionally if they:

1. Do not meet the grade point requirements.
2. Hold a bachelor's degree from an unaccredited institution.
3. Have not met additional requirements of particular programs.
4. Have not submitted all necessary documentation prior to initial enrollment.

Applicants who fail to meet the grade point requirement specified for admission may be admitted conditionally to enroll for a maximum of twelve (12) semester hours. If a student was admitted conditionally based on grade point average, the condition will be met if upon completion of twelve (12) semester hours, a cumulative grade point average of 3.00 or better
Applying for admission to Tech must submit the following documents:

International student services fee, as well as, additional admission requirements. International students interested in studying at Arkansas Tech University (Tech). Any student who is not a United States citizen or a permanent resident of the United States is considered an international student. International students are subject to out-of-state tuition rates and an additional admission status to a degree admission status must apply for degree admission. Any student who is not a United States citizen or a permanent resident of the United States is considered an international student. International students are subject to out-of-state tuition rates and additional admission requirements.

International Graduate Student Admissions

The International and Multicultural Student Services Office (IMSSO) is pleased to assist International students who wish to study at Arkansas Tech University (Tech). Any student who is not a United States citizen or a permanent resident of the United States is considered an international student. International students are subject to out-of-state tuition rates and an international student services fee, as well as, additional admission requirements. International students interested in applying for admission to Tech must submit the following documents:

1. Application - An application for international admission, properly completed.
2. Application Fee - A nonrefundable application fee of $50 USD (separate payment if possible).
3. Graduate College Fee - A nonrefundable application fee of $25 USD (separate payment if possible).
4. Academic Records - All transcripts must be originals or school-certified copies of originals with official English translations. Notarized copies are not accepted. All applicants should submit evidence of the completion of a 4-year bachelor's degree program. Documents submitted should include detailed grade/mark sheets, as well as, a certificate/diploma providing evidence the degree was awarded. If a consolidated mark sheet is available, please send this documentation as well. Official transcripts should be submitted from all colleges/universities where a student has been officially registered.
5. Entrance Exam - Each individual degree program has varying requirements for admission. Not all programs require GRE or MAT scores. However, if such scores are available, please request original copies of these examinations and send this documentation as well. Official transcripts should be submitted from all colleges/universities where a student has been officially registered.
6. English Proficiency - Students who wish to apply for admission to the English Language Institute (ELI) are not required to demonstrate English proficiency. All other applicants should submit official documentation of meeting one of the following standards:
   1. A minimum score of 550 on the written TOEFL (Test of English as a Foreign Language), 213 on the computerized TOEFL or 79 on the Internet-based TOEFL. Scores must be received directly from the Educational Testing Service (ETS). The school code for Arkansas Tech University is 6010.
   2. A minimum score of 6.5 on the International English Language Testing System (IELTS). An official score card must be sent directly to Arkansas Tech University.
   3. An EIKEN score of Grade Pre-1. Scores must be sent directly from STEP, Inc. (Society for Testing English Proficiency).
   NOTE: Test scores are only valid for two years. Please submit only those scores taken within two years from the time of application.

7. Evidence of Sufficient Financial Support - Graduate costs are estimated at $15,444 USD for nine (9) months of study including tuition and fees, housing, meals, books, and other living expenses. Applicants must provide certified evidence of the source and amount of funding that will be utilized to support educational expenses. Documents must be official and issued within the six (6) months previous to the time of application. No copies are
accepted.
8. Passport - Please provide a photocopy of your current passport as well as any previous visas to the US, I-20's and an I-94 card if available.
9. Program Requirements - Please check the catalog pages for the degree program of interest for the possibility of additional requirements needed to complete the application for admission.

The application for international admission and all supporting documents should be submitted by May 1 for the fall semester, October 1 for the spring semester, and March 1 for both summer sessions for priority consideration. Applications are still accepted after the priority dates. Admission will not be granted until all supporting documentation as listed above has been received and evaluated. Upon acceptance, notification will be sent to the student along with an I-20 (Certificate of Eligibility).

Any deferral of admission requires updated evidence of financial support. The application fee may be applied to defer an application for admission in the same program for up to one (1) calendar year from the original application date. However, the applicant is responsible for paying a $25 USD fee for each deferral within the calendar year. If an applicant does not complete the admission process within one (1) calendar year from the original application date, or if the applicant applies to a new program, the applicant is responsible for submitting new application and Graduate College fees. Please send a written request for deferral to IMSSO along with the fee and updated financial support documentation within 60 days of the start date of your last admission.

Full payment of tuition and fees must be paid at registration each semester. International students are required to purchase a health insurance policy provided by the university. Tech receives no remuneration as a result of international student enrollment in the health insurance plan.

More detailed information regarding international student admissions may be obtained by contacting the International and Multicultural Student Services Office, Tomlinson 29, Arkansas Tech University, Russellville, Arkansas, 72801-2222, USA; telephone (479) 964-0832; fax (479) 880-2039; web http://www.atu.edu/imsso.

Undergraduate Senior Admission

An undergraduate senior, registering the semester prior to graduation in a baccalaureate degree program at Arkansas Tech University, who does not need a full load of undergraduate courses to complete requirements for graduation, may request special permission from the Dean of Graduate College to enroll in no more than six (6) hours of graduate course work. The student's course load is not to exceed a total of fifteen (15) semester hours of graduate and undergraduate work combined during a fall or spring semester. The combined course load for a summer term is six (6) semester hours. The student must have a 3.00 cumulative grade point average to be eligible for admission as an undergraduate senior. Graduate work taken while classified as an undergraduate senior appears on the undergraduate transcript. Failure of a student to complete the bachelor's degree during the semester/term in which the graduate courses are taken will preclude the student from enrolling in additional graduate classes in subsequent semesters until the bachelor's degree is awarded. The form requesting approval to enroll as an undergraduate senior can be obtained at the Graduate College online at Request by Undergraduate Senior to Enroll in Graduate Classes.

Graduate courses do not count toward retention of undergraduate scholarship requirements. Prior to taking a mixed course load, students are encouraged to investigate the effects that graduate courses may make on institutional and/or state funded scholarship awards.

Second Master's Degree

Subject to the approval of the advisor, program director, and Dean of Graduate College a graduate student may be allowed to apply six (6) or nine (9) semester hours toward a second master's degree. If the second master's degree requires 30 hours, a maximum of six (6) hours may be applied to the second degree. If the second master's degree requires 36 hours or more, a maximum of nine (9) hours may be applied to the second master's degree.

Any courses applied to the second master's degree must meet the requirements for the degree and must not be more than six (6) years old at the time of completion of the second master's degree. All remaining courses applied to meet the requirements for the second master's degree must be taken in residence at Arkansas Tech University. Approval for applying these courses must be received at the beginning of the second master's degree program.

Transfer of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of six (6) semester hours of graduate credit in a 30 hour program and nine (9) semester hours of graduate credit in a 36 hour program with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.
Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the program director and the Dean of Graduate College.

Catalog Privilege

Candidates for a master's degree may choose to complete requirements under the regulations published in the Tech graduate catalog for the year of initial enrollment in the graduate program at Arkansas Tech University or a subsequent year, provided they were enrolled in the graduate program at the University during the year the catalog was in effect. The catalog chosen must not be over six (6) years old when requirements for the degree are completed.

Academic Advising

Upon entering the graduate program, the student should develop a planned program of studies (including determined prerequisites) under the supervision of their designated faculty advisor. Subsequent modifications must be approved by the advisor and program director.

Graduate Student Load

Graduate students may enroll for a maximum of twelve (12) hours of credit per semester during the academic year and six (6) hours of credit during each of the two summer terms. A one-credit-hour overload may be authorized by the program director of the student's major department. A graduate student will be considered full-time if enrolled for nine (9) or more hours of credit during a regular semester or five (5) hours during a summer term. Graduate Assistants will be considered full-time if carrying six (6) or more hours. Students receiving financial aid should check with the Financial Aid office for requirements necessary to be considered a full time student. Permission to take more than the maximum loads stated above requires the written approval of the student's advisor, program director, and Graduate College Dean.

Adding and Dropping Courses

Changes in the class schedule must be made on official forms available at the Registrar's Office, Room 153, Doc Bryan Student Services Building. Failure to follow the correct procedure for making changes in the class schedule may result in the grade of "F" being recorded for the courses involved. Deadlines for adding courses, dropping courses, or changing sections are listed in the graduate calendar in this catalog.

Grading

The letters A, B, C, D, F are used in grading to indicate the quality of a student's work: A - Excellent, B - Good, C - Fair, D - Unsatisfactory, and F - Failure. The letters AU, W, R, CR, and I are also used: "AU" indicates that the student was enrolled in the course as an "auditor"; "W" is used to indicate that a course was dropped without penalty. The letter "R" indicates that the student registered for the master's thesis. The mark "R" gives neither credit nor grade points toward a graduate degree. The mark "CR" gives credit for hours only.

A final grade of "I" may be recorded for a student who has not completed all the requirements of a course only in situations where the student has an illness or other circumstances beyond the student's control, and has completed seventy-five percent of the course requirements provided work already completed is of passing quality. If a grade of "I" is assigned, the instructor will set a reasonable time limit within the following semester in which the work must be completed. Beginning the first summer term, 1990, and thereafter, a grade of "I" will not be computed in the grade point average for the semester recorded; however, the "I" will be automatically changed to a grade of "F" for grade and grade point purposes at the end of the next regular semester (fall or spring) unless course requirements are completed and the final grade is reported before the end of the semester. A grade of "I" recorded prior to the first summer term, 1990, will be computed as an "F" for grade point purposes. No grade other than "I" may be changed after it is recorded except if an instructor finds that a grade has been erroneously recorded. The instructor may correct the grade by submitting a written request and explanation of the error to the Vice President for Academic Affairs.

If a student needs to repeat a course or a significant portion of a course, a "W" or "F" will be assigned according to regulations governing the assignments of such grades.

Repeating a Course

No graduate student may repeat a course for graduate credit except with the written permission of the advisor. The grade from such a repetition as well as the original grade will be counted in computing the grade point average.

Withdrawing

To withdraw officially, the student must report to the Graduate College and the Office of the Registrar to complete a "Withdrawal Application." Failure to follow this procedure may result in a grade of "F" being recorded.

The deadline for officially withdrawing from the University with grades of "W" is the same as the last day for dropping courses. Withdrawing after this date, which is listed in the graduate calendar in this catalog, will result in grades of "F" being recorded for the semester/term. If circumstances justify special consideration, appeals should be directed to the
Courses for Audit

Enrollment in courses for audit requires admission to graduate study at the University, approval of the Vice President for Academic Affairs and the instructor involved, and payment of the regular fee for the course. Audit will be on a “space-available” basis. Students auditing courses are subject to the same regulations as other students with regard to registration, but they do not take examinations nor receive credit for the course. Students may change from taking a course for credit to audit by following the procedure for adding and dropping courses.

Independent Study Courses

Independent study courses are intended for graduate students who have the interest and the ability to investigate a topic not covered in the graduate courses available in their major field of study. The topic, format, and specific requirements of each independent study project must be approved in writing by the supervising instructor, graduate advisor, program director, and Graduate College Dean prior to enrollment for independent study credit. The original copy of the independent study approval form will be kept in the student’s file in the Registrar’s Office as part of the student’s official graduate record. A student may not enroll in an independent study course before completing twelve (12) hours of graduate credit.

Limit on Workshop and Independent Study Credit

No more than six (6) semester hours of graduate course work completed in workshops and/or independent study may be applied to the master’s degree.

Incompletion of Capstone Projects

Students enrolling in capstone projects such as the project in educational research, the liberal arts project, or thesis research maybe given a grade of “R” if requirements are not completed by the end of the semester. The grades of “R” or “CR” do not affect hours or grade point. Students receiving the grade of “R” will be required to enroll in the course the following semester(s) until the requirements are completed. The grade of “CR” gives credit only for the hours enrolled.

Academic Probation and Dismissal

A student admitted unconditionally or a student who has been admitted to candidacy will be placed on probation for the following semester if the cumulative grade point average drops below 3.0. If the student grade point average for the following semester is 3.0 or greater and results in a cumulative grade point average greater than 3.0, the student will be removed from probation. If the cumulative grade point average remains below 3.0, the student will continue on probation. A student on probation having a semester grade point average below 3.0 for the following semester will be subject to suspension from Graduate College.

A student who is admitted conditionally or on a non-degree basis will be subject to suspension from Graduate College after attempting twelve (12) semester hours with less than a 3.0 grade point average.

All students who receive one letter grade of “C” will be cautioned by the Graduate College. A student who receives a second “C” in their graduate curriculum must meet with the Director of Graduate Support Services prior to registering for the subsequent semester. A student who has a semester grade point average below 3.0 must meet with the Graduate College Dean prior to registering for the following semester. Students who have received their second “C” or have a cumulative grade point average below 3.0 will not be eligible to participate in early registration.

Students with a grade point average below 3.0 may not be admitted into candidacy. A student who has been admitted to candidacy but does not have a 3.0 grade point average at the time of completing the minimum number of hours required by the degree program may submit no more than six (6) additional hours in an attempt to attain a grade point average of 3.0. A maximum of six (6) hours of courses with grades of “C” may be applied to degree requirements. Grades below “C” will not be counted toward meeting degree requirements. A student may not submit more than six (6) hours above the total number of hours required for the program to reach the 3.0 grade point average. All graduate courses taken will be considered in the computation of the grade point average.

Academic suspension means the student may not attend Arkansas Tech for one academic year. A student suspended from Graduate College may reapply for admission after one year. Reinstatement to Graduate College will not necessarily mean reinstatement to a particular graduate program. Readmission does not reestablish financial aid eligibility.

A students’ lack of Academic Progress may result in dismissal with no option to be reinstated.

Academic Dishonesty/Academic Misconduct

A university exists for the purpose of educating students and granting degrees to all students who complete graduation requirements. Therefore, Arkansas Tech University requires certain standards of academic integrity and conduct from all students. Arkansas Tech University expects an academic atmosphere to be maintained in all classes regardless of their format and delivery, such as in-person classrooms or online classroom settings. This atmosphere is created by both the professor and the students in order to enable all students enrolled in a class to reach their academic potential. All students, regardless of the format and delivery of their classes, are expected to: attend class (attendance policy is defined by the professor); conduct themselves in a non-disruptive manner; and refrain from cheating, plagiarism, or other unfair
Academic offenses involving dishonesty and misconduct are defined in the Definitions section below. These definitions are not all inclusive, and conduct not expressly set forth in the definitions may also be considered academic dishonesty or academic misconduct.

A. Definitions

Academic Dishonesty. Academic dishonesty refers to the various categories of cheating and plagiarism in a class, regardless of the class format and delivery.

1. Cheating on an examination, quiz, or homework assignment involves any of several categories of dishonest activity. Examples include but are not limited to: a) copying from an examination, quiz, or any other assignment of another student; b) utilizing notes, messages, or crib sheets in any format which gives the student extra help on an exam or quiz, and which were not approved by the professor of the class; c) obtaining advance copies of exams or quizzes by any means; d) hiring a substitute to take an exam or bribing any other individual to obtain exam or quiz questions; e) buying term papers or other assignments from the Internet or any other source; and f) using the same paper to fulfill requirements in several classes without the consent of the professors teaching those classes.

2. Plagiarism is stealing the ideas or writing of another person and using them as one's own. This includes not only passages, but also sentences and phrases that are incorporated in the student's written work without acknowledgement to the true author. Any paper written by cutting and pasting from the Internet or any other source is plagiarized. Slight modifications in wording do not change the fact the sentence or phrase is plagiarized. Acknowledgment of the source of ideas must be made through a recognized footnoting or citation format. Plagiarism includes recasting the phrase or passage in the student's own words of another's ideas that are not considered common knowledge. Acknowledgment of source must be made in this case as well.

Academic Misconduct. Academic misconduct concerns a student's inappropriate behavior in a class regardless of the class format and delivery. Such behavior includes interacting with the professor and other students in a manner that disrupts the learning environment of a class. Examples include but are not limited to: a) engaging in a discussion with other students that is not beneficial to the class or acceptable to the professor; b) interrupting class unnecessarily; c) attempting to monopolize the professor's time and attention; d) being chronically late to the class; and e) failing to engage in a class in a manner that is required by the professor, such as chronically late submission of assignments. Misconduct also covers verbal or nonverbal harassment and threats in relation to classes. Student behavior must not infringe on the rights of other students or faculty during a class.

B. Composition of Committee

1. The Graduate Academic Appeals Committee is an official committee of Arkansas Tech University and will be formed each academic year as a pool of qualified faculty and students to hear graduate student academic dishonesty and academic misconduct appeals. At the beginning of the fall term, the Graduate Dean will appoint two (2) graduate faculty members from each college; and the Director of Graduate Support Services will appoint one (1) graduate student from each college. The faculty on the committee will elect a Chair.

2. These faculty and students will form a pool of 18, from which a subset can be drawn to serve on a Sub-Committee, hearing a specific case.

3. When a graduate student appeals a decision concerning academic dishonesty or academic misconduct, the appeal is filed with the Chair of the Graduate Academic Appeals Committee. However, if the Chair is involved in the matter of the appeal, the Appeals Committee will elect an alternate member who is not involved in the matter. The Chair or alternate member of the Appeals Committee shall select a three-person Sub-Committee from the pool of 18 composed in the following manner: one (1) graduate faculty member from the college in which the department involved in the appeal is located, one (1) graduate faculty member from the college in which the student is enrolled as a major, and one (1) student. However, if either faculty member or the student selected for the Sub-Committee is involved in the matter of the appeal, the Chair or alternate member of the Appeals Committee will select a different faculty member and/or student who is not involved in the matter to serve on the Sub-Committee.

C. Procedure for Charges of Academic Dishonesty

Since charges of academic dishonesty may have serious consequences, a professor who suspects a student of any category of academic dishonesty must have facts and/or evidence to support the charge.

1. The professor will meet with the student and present him or her with a written outline of the alleged academic dishonesty, the evidence supporting the charge, and the penalty. In circumstances that require a student to attend a meeting and the student cannot meet in person, such as with online distance courses, the meeting may take place via telephone or a technology-based format. Penalties for various levels of academic dishonesty vary from giving an F on a particular assignment, quiz or exam, to giving an F on a term paper or other written work, or giving the student an F or W for the course. The professor may also have different penalties for particular cases of academic dishonesty.

2. The professor will notify his or her Department Head and graduate program director (or Graduate Dean if the professor is the Department Head or the graduate program director) of the charge, evidence, and penalty.

3. If the student accused of academic dishonesty denies the charge or disagrees with the evidence presented by the professor, the student should make an appointment with the relevant Department Head and graduate program director (or the Graduate Dean if the professor is the Department Head or the graduate program director); in which case, skip step 4. The student may remain in the class during the appeal process.

4. If the student is still dissatisfied after meeting with the Department Head and graduate program director, he or she
should make an appointment to meet with the Graduate Dean who will seek resolution of the problem.

5. If a resolution is not found, the Graduate Dean will refer the student to the Graduate Academic Appeals Committee ("Appeals Committee"), whose composition is described in the Appeals Procedures section below.

6. The student should then submit a written appeal to the Chair of the Appeals Committee, or to an alternate member of the Appeals Committee who is not involved in the matter ("alternate member") as described in the Appeals Procedures section below; and the Chair or an alternate member will select a Sub-Committee as described in the Appeals Procedures section below.

7. If the Sub-Committee determines academic dishonesty has occurred, it will confirm the recommendation of the professor concerning the penalty. Such a decision will be given both to the Chair of the Appeals Committee or an alternate member and to the Graduate Dean. The student will be notified of the Sub-Committee’s decision by the Chair of the Sub-Committee that sat for the appeal. The Chair of the Sub-Committee shall also notify the Vice President for Academic Affairs of the decision. The Vice President will review the case and forward the outcome to the Registrar after the appeal period described below in this section.

8. The student shall have the right to appeal the decision of the Academic Appeals Sub-Committee by filing a Notice of Appeal. The only basis for appeal shall be: 1) Alleged failure of the Academic Appeals Sub-Committee to follow the procedures set forth in the Academic Dishonesty/Academic Misconduct policy, or 2) Consideration of new evidence that was not available at the time of the hearing before the Academic Appeals Sub-Committee. The appeal should be in writing and submitted to the Office of the Vice President for Academic Affairs within five (5) working/business days of receiving notification of the Sub-Committee’s decision. The decision of the Vice President for Academic Affairs will be final.

9. If the Sub-Committee determines academic dishonesty has not occurred or that the evidence is insufficient, the Chair of the Sub-Committee will forward all pertinent information to the Vice President for Academic Affairs. The Vice President will confer with the Graduate Dean, and the relevant Department Head, graduate program director, and professor to facilitate the return of the student to class without penalty. The Department Head or graduate program director will notify the student of the decision.

D. Procedure for Charges of Academic Misconduct

Please note that the procedures listed in this section do not apply to extreme incidents of academic misconduct, such as verbal or physical abuse or threats, which will be dealt with immediately by asking the student to leave the classroom. If the student refuses to leave the classroom, Campus Security personnel will be called to remove the student, and the Dean of Students will also be informed of the behavior. For such extreme incidents of academic misconduct in an online course, the student may be temporarily or permanently removed from the Blackboard course and the Dean of Students will also be informed of the behavior.

1. The professor of a class being disrupted by academic misconduct will speak with the disruptive student. Proper behavior and possible consequences for not modifying the behavior will be discussed with the student.

2. If the student ignores the professor's requests to discuss the behavior, it will be considered that the student received an official warning that his or her classroom conduct is inappropriate. If the student continues the disruptive behavior, the professor will warn the student a second time to cease the behavior.

3. If the student has refused to respond or has ignored the professor's first and second warning, the student will be suspended on an interim basis, and notified of the suspension from the professor of the class in which the warnings were given. Within two (2) working/business days after the date of the interim suspension, a notification will be sent by the professor to the Department Head, the graduate program director, and to the Director of Graduate Support Services, who will notify the Chair of the Appeals Committee or an alternate member who is not involved in the matter.

4. An Appeals Sub-Committee will be appointed and a hearing will be conducted by the Sub-Committee within three (3) working/business days after the date of the notification to the Appeals Committee of the interim suspension.

5. On the same date the notification of the interim suspension is sent to the Chair, or an alternate member of the Appeals Committee, the student will be advised by the Department Head or the graduate program director that he or she has the right to submit a written statement to the Sub-Committee addressing the alleged incident of academic misconduct. The student's written statement as well as the professor's written statement shall be submitted to the Chair of the Sub-Committee at least 24 hours prior to the hearing.

6. The Sub-Committee will consider the written statements of the professor and the student involved in the alleged incident of academic misconduct. The Department Head or graduate program director will also provide a statement that the warning procedure has been followed and the student has been suspended on an interim basis from attending the particular class, pending the decision of the Sub-Committee. The Sub-Committee has the right to pursue further information from the professor, Department Head, program director, and student.

7. If the Sub-Committee determines academic misconduct has occurred, it will confirm the recommendation of the professor concerning the penalty. Such a decision will be given both to the Chair of the Appeals Committee or an alternate member of the Appeals Committee and to the Graduate Dean. The student will be notified of the Sub-Committee’s decision by the Chair of the Sub-Committee that sat for the appeal. The Chair of the Sub-Committee shall also notify the Vice President for Academic Affairs of the decision. The Vice President will review the case and forward the outcome to the Registrar after the appeal period described below in this section.

8. The student shall have the right to appeal the decision of the Academic Appeals Sub-Committee by filing a Notice of Appeal. The only basis for appeal shall be: 1) Alleged failure of the Academic Appeals Sub-Committee to follow the procedures set forth in the Academic Dishonesty/Academic Misconduct policy, or 2) Consideration of new evidence that was not available at the time of the hearing before the Academic Appeals Sub-Committee. The appeal should be in writing and submitted to the Office of the Vice President for Academic Affairs within three (3) working/business days of receiving notification of the Sub-Committee’s decision. The decision of the Vice President for Academic Affairs will be final.

9. If the Sub-Committee determines academic misconduct has not occurred or the evidence is insufficient, the
Sub-Committee will forward all pertinent information to the Vice President for Academic Affairs. The Vice President will confer with the Graduate Dean, Department Head, graduate program director, and professor to determine the course of action to be followed and the status of the student in regard to the class in question. The Department Head or graduate program director will notify the student of the decision.

**Students' Rights**

If a student feels unfairly treated in regard to grades, grading, or treatment by the professor or other students within the classroom, the student should address these concerns in the following manner:

**Informal Process**

1. Make an appointment to speak with the professor of the class to discuss the problem. Students must begin with the professor of the class, as many problems can be worked out satisfactorily with a simple discussion.
2. If the student is still dissatisfied after discussing his or her problem with the professor of the class, an appointment should be made with the Department Head and the director of the graduate program in which the class is taught (or the Dean of the College in which the class is taught, if the professor is the Department Head or the graduate program director). The Department Head, graduate program director, or College Dean will seek satisfactory resolution of the problem with both the student and professor.
3. If the student is still dissatisfied, an appointment should be made with the Graduate Dean, who will again seek resolution, and failing satisfactory resolution, will point out to the student the appropriate appeals process for the student's complaint.

**Formal Process**

1. If the student complaint involves an assigned grade or a program dismissal, the student will follow the Student Academic Grievance Procedure as outlined in the **Student Handbook**.
2. If the student wishes to pursue an appeal based on a grade associated with a charge of academic dishonesty, the student will follow the Procedure for Charges of Academic Dishonesty outlined in the **Graduate Catalog** Academic Information Section.
3. Final appeals, whether informal or formal, will be passed by the Graduate Dean to the Vice President for Academic Affairs for final decision, if necessary.

**Assessment Program**

Assessment is conducted university-wide to measure student progress toward educational goals, to improve teaching and learning, and to evaluate institutional effectiveness. A number of instruments and techniques are used in the assessment process. In addition to the normal procedures for grading, graduate students may be asked to complete surveys, participate in focus groups, or participate in other assessment activities designed to ensure the continued improvement of the quality of learning. Additional details concerning the University's assessment efforts can be obtained by contacting the Director of Institutional Research and Assessment.

**The Family Educational Rights and Privacy Act**

The Family Educational Rights and Privacy Act (FERPA) afford eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student's education records within 45 days after the day Arkansas Tech University receives a request for access. A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by Arkansas Tech University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of Arkansas Tech University who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate
FERPA permits the disclosure of PII from student's education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student -

- To other school officials, including teachers, within Arkansas Tech University whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i) (B)(f) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university's State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to the requirements of §99.36. (§99.31(a)(10))
- Information the school has designated as "directory information" under §99.37. (§99.31(a)(11)).
  - "Directory information" at Arkansas Tech University consists of the student's name, electronic mail address, dates of attendance, major field of study, enrollment status (e.g. undergraduate or graduate), participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors and awards received, and the most recent educational agency or institution attended.
  - "Dates of attendance" as used above means the period of time during which a student attends or attended an educational agency or institution. Examples of dates of attendance include an academic year, a spring semester or a first quarter. The term does not include specific daily records of a student’s attendance at an educational agency or institution.
  - This information may be made available upon request to members of the general public.
  - If a student on the Russellville campus wishes for this information to be regarded as confidential, according to the provisions of the Family Educational Rights and Privacy Act of 1974, she/he should notify the Chief Student Officer at (479) 508-3310.
  - If a student on the Ozark campus wishes for this information to be regarded as confidential, according to the provisions of the Family Educational Rights and Privacy Act of 1974, she/he should notify the Chief Student Officer at 479-667-3433.

- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(a)(13))
- To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school's rules or policies with respect to the allegation made against him or her. (§99.31(a)(14))
- To parents of a student regarding the student's violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))
While every effort will be made to conform to catalog announcements, the University reserves the right to adapt its program as may be necessary.

**Graduation**

Please refer to the section entitled [Graduation Requirements](#) for information pertaining to candidacy, application for graduation, payment of graduation fees, and other graduation requirements.
Graduation Requirements

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students’ record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students’ record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar’s Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Financial Obligation

Before any transcript or diploma is issued, the student must have paid any debt owed the University.

Commencement

Students must complete all degree requirements prior to participating in the December, May, or August commencement ceremonies. Students completing all degree requirements in the fall semester will participate in the December commencement ceremony; spring semester will participate in the May commencement ceremony; and summer terms will participate in the commencement ceremony held in August. Students will not participate in the commencement ceremony if all degree requirements are not completed prior to the ceremony. Students not completing all requirements will participate in the next scheduled commencement ceremony providing all degree requirements are met. Students taking courses at other institutions must have official transcripts submitted to the Registrar’s Office and have completed all degree requirements prior to the commencement ceremony to be allowed to participate.

The candidate is expected to be present at commencement for the conferral of the degree unless written authorization in absentia is granted by the Vice President of Academic Affairs.

Academic regalia shall be worn by the student during the graduation ceremony. No decorations, writings, necklaces, braids, pins, cords, medallions, or other items shall be worn or placed on the academic regalia.

Diplomas may be available at the time of commencement or will be mailed to graduates following commencement.

Absentia Graduation

Requests to graduate in absentia must be in writing and should be forwarded to the Vice President for Academic Affairs at least two (2) weeks prior to the scheduled graduation date. Graduate students who have been approved to graduate in absentia will receive their diplomas by mail after the actual conferral of the degrees.

Master's Thesis

Candidates who prepare a thesis in partial fulfillment of the requirement for a master's degree must exhibit the capabilities of gathering, organizing, evaluating, and reporting data which are pertinent to the topic of investigation.

All thesis must be written in accordance with the guidelines set forth in the thesis writing guide “Thesis Preparation Guide.” This guide may be obtained at the Graduate College website under Student Resources.

The candidate’s thesis committee will be appointed by the program director in consultation with the student's department head. Once the general area of research is determined through conference with the advisor(s), the student begins the process necessary for preparation of the thesis. Under the direction of the committee, the student prepares and submits a Topic Approval Request for approval by the Dean of Graduate College via the program director. The Topic Approval Request form is found under Student Resources at Thesis Topic Approval Form.

The thesis may be completed at any time after the student has been admitted to candidacy for the degree. However, the thesis committee must receive the thesis by October 1, if graduating in the fall term, and by March 1 if graduating in the spring term. The final copies of the thesis and abstract, in acceptable form, along with a report of the oral examination, must be filed with the Dean of Graduate College no later than two (2) weeks prior to the date of graduation; if revisions are required graduation may be deferred to the following semester.

Student's working on thesis and other master's projects beyond the term in which coursework for the degree has been
completed, will be required to enroll in at least one (1) hour of coursework each ensuing semester until all requirements for the degree have been met. Students who fail to continuously enroll will be dropped from the master's program.

The grade for the course will generally be CR (Credit) or NC (No Credit), with the understanding the person(s) supervising the thesis or project can assign a letter grade to explicitly indicate a student is making good (A or B) or unsatisfactory (C or lower) progress toward graduation.

A student who has been dropped for failure to continuously enroll as stipulated by this policy (excluding summer, unless the student is planning to graduate in the summer) may be readmitted to a master’s program by reapplying to Graduate College with written approval of the person(s) supervising the thesis or project and the Program Director. Readmitted students will be required to reapply for graduation and enroll in a number of hours of coursework equal to the number of semesters that have lapsed since the last time they were enrolled, up to a maximum of three (3) hours.

Two (2) copies of the thesis are required. The first copy is for the library and the second copy is for the major department. Additional copies may be submitted for personal retention by the student. The cost of thesis binding will be borne by the student. Authentic signatures (not photocopies) by each member of the student’s advisory committee are required on each approval sheet submitted with the thesis.

An oral defense of the thesis is required. It will be conducted by the thesis committee. The Dean of Graduate College will be notified by the committee, in writing, when the student has passed the oral defense. The oral defense of the thesis must be passed at least three (3) weeks before the degree is conferred.

**Portfolio**

Candidates for the Master of Education in Educational Leadership, School Counseling and Leadership, and Teaching, Learning and Leadership, and candidates for the Educational Specialist in Educational Leadership are required to submit a portfolio for completion of requirements of the degree demonstrating evidence of the candidate's competencies required by the specific program standards. A satisfactory portfolio is a requirement for completion of the program.

The candidate must enroll in two (2) hours of portfolio study after completion of 28 hours of coursework. The portfolio is to be completed at the end of coursework during the last semester of enrollment.

Three (3) copies of the portfolio are required. One copy is for the Center for Leadership and Learning, and the other copies are for the portfolio committee members. An oral review of the portfolio is required. The oral review will be in compliance with Arkansas licensure requirements.

**Degree Completion Requirements**

1. Obtain from the University an official statement of admittance to graduate study.
2. Develop a planned program of studies (including determined prerequisites) under supervision of designated faculty advisor, with any subsequent modifications approved by advisor and program director.
3. Apply for admission to candidacy after completion of twelve (12) hours.
4. Complete course work for the degree.
5. Successfully complete a thesis, portfolio, comprehensive exam, internship, or research project as set forth in this catalog.
6. Submit an Application for Graduation form. This must be done during the first week of the semester or term in which the degree work is to be completed.
7. Complete the degree within six (6) years from the time unconditional or conditional admission to the program was granted.
8. See specific degree programs for special requirements.
Master of Education

The University has an interest in meeting the professional growth and advancement needs of certified teachers and professionals in the service region. The Master of Education includes majors in Educational Leadership; Elementary Education; School Counseling and Leadership; Teaching, Learning and Leadership; Secondary Education; and the MS in Strength and Conditioning Studies.

The Master of Education degrees in Educational Leadership, School Counseling and Leadership and Teaching, Learning and Leadership are housed in the Center for Leadership and Learning under the direction of the Graduate Dean.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Education degree programs if they meet the admission requirements for Graduate College, and meet any additional degree requirements listed for individual programs.

Conditional Admission

Applicants who fail to meet all of the departmental requirements may be accepted conditionally provided the deficiencies are completed prior to the completion of twelve (12) semester hours of graduate work.

Applicants who fail to meet the grade point requirement specified for unconditional admission may be admitted conditionally to enroll for a maximum of twelve (12) semester hours. If a student was admitted conditionally based on grade point average, the condition will be met if upon completion of twelve (12) semester hours a cumulative grade point average of 3.00 or better is achieved.

Academic Advisors

The academic advising process for degree students begins at the time student is admitted to Graduate College. When the student is admitted, the student's program director invites him/her to come in for an advising and orientation session at the student's earliest convenience. When the student meets with the program director, he/she is given an orientation, a master's degree program check-off list (outlines all major steps in completing the degree), and a degree plan outline (list of courses to be completed). This initial advising session ensures the student is informed of all degree requirements, policies, and procedures; is familiar with the department and the program director; and is assigned to an advisor (usually the program director). Subsequently, the academic advisor and the Graduate College monitor the students' as they progress through the program. It remains, however, the student's responsibility to understand and satisfy all degree requirements.

The graduate academic advisor is responsible for:

1. Helping the student plan a balanced program of graduate work adapted to the student's particular interests, needs, and abilities.
2. Advising and assisting the student during the completion of the requirements for the degree.
3. Assisting the student in preparing a thesis or project in educational research.
4. Ensuring the student is aware of assistance and services provided for graduate students by the various university offices.

General Requirements

1. Thirty-six semester hours must be completed, 18 of which must be at the 6000 level.
2. Degrees in Educational Leadership require 34 hours, School Counseling requires 45 hours, and Teaching, Learning and Leadership require 38 hours at the 6000 level or above.
3. A core requirement in professional education (at least 18 semester hours) must be completed.
4. An approved thesis, portfolio, or project in educational research must be successfully completed.
5. A cumulative grade point average of 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" grades or grades lower than "C" should refer to the section of the catalog on "Academic Probation and Suspension."
6. Twenty-seven hours of graduate work must be taken while in residence at Arkansas Tech University. Full-time residence is not required.
7. The master's degree program must be completed within six (6) years from the time of admission to the graduate program.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.
Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

Students must petition for acceptance of any transfer credit on the graduate program candidacy form. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Dean of Graduate College. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the program director and the Graduate College Dean.

Project in Educational Research

All candidates for a M.Ed. degree must complete either a project in educational research related to their major/specialization or a portfolio. Under unusual circumstances, a written comprehensive exam may be used to replace the action research project. Any request for this substitution should be made to the program director.
Master of Education
Elementary Education

The Master of Education in Elementary Education is designed to provide post baccalaureate preparation for public school teachers who wish to broaden their knowledge of teaching and learning as well as subject matter content.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Education degree program in Elementary Education if they meet the admission requirements for Graduate College.

Conditional Admission

Applicants who fail to meet the minimum requirements for admission have the opportunity for conditional admission if applicant meets the minimum graduate admission standards and upon a successful appeal to the program director. Students admitted under a conditional status must earn a cumulative 3.0 GPA on the first twelve (12) graduate hours in the program.

Degree Requirements

1. Candidates for the Master of Education degree with a major in elementary education must complete the 36 semester hour degree program. Candidates for the Master of Education degree with a major in elementary education special education option must complete the 36 semester hour degree program.

   Elementary Education Core Requirements (15 hours)
   
   - EDFD 6003 Educational Research
   - EDFD 6043 Current Issues in Human Learning
   - EDFD 6053 The At-Risk Child in the School Environment
   - EDFD 6313 Principles of Curriculum Development
   - EDFD 6993 Project in Educational Research

   Elementary Education Option (21 hours)
   
   - EDFD 6203 Supervision of Instruction OR
   - EDFD 6503 Classroom and Behavioral Management
   - EDFD 6403 Social and Historical Factors in Education
   - ELED 6523 Survey of Research in Elementary Education

   Electives: Additional elementary education electives to meet the 36-hour degree requirement.

   Special Education Option (21 hours)
   
   - EDFD 6503 Classroom and Behavior Management
   - ELED 6343 Literacy Assessment and Intervention
   - SPED 5003 Characteristics Children with Exceptionalities
   - SPED 5013 Assessment and Design (Birth-4th grade)
   - SPED 5023 Planning Instruction for Children with Exceptionalities
   - SPED 5033 Working with Families of Children with Exceptionalities
   - SPED 5043 Supervised Practicum

   Additional Licensure Plan - 4-12 Special Education Instructional Specialist (6 hours)
   
   - SPED 5053 Planning Instruction for Children with Exceptionalities, 4-12
   - SPED 5063 Supervised Practicum

   2. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of “C” grades. A student receiving more than six (6) hours of “C” or grades lower than “C” should refer to the section of the catalog on Academic Probation and Dismissal.

   3. A minimum of 27 semester hours of graduate course work completed at Arkansas Tech University.

   4. Completion of all degree requirements within six (6) years from the time of unconditional or conditional admission into the program.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.
Upon the completion of twelve (12) graduate hours, a hold will be placed on the students’ record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students’ record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

**Application for Graduation**

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar’s Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

**Special Conditions of Graduate Credit**

**Graduate Credit Taken Prior to Admission to Arkansas Tech University**

A maximum of nine (9) semester hours of graduate credit with a grade point average of “B” or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student’s major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

**Graduate Credit Taken After Admission to Arkansas Tech University**

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the program director and the Graduate College Dean.
Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Education degree program in Secondary Education if they meet the admission requirements for Graduate College.

Conditional Admission

Applicants who fail to meet the minimum requirements for admission have the opportunity for conditional admission if the applicant meets the minimum graduate admission standards and upon a successful appeal to the program director. Students admitted under a conditional status must earn a cumulative 3.0 GPA on the first twelve (12) graduate hours in the program.

Professional Education Core Requirements (18 hours)

The professional knowledge core is designed to provide the teacher with graduate work in five areas of professional knowledge: research and statistics, curriculum and instructional design, human relations and management, individual differences, and foundations/instructional issues/global studies.

The student must take one course from each area with the exception of the instructional issues and foundations area, from which two courses are required. The secondary education major electing to write a thesis will complete SEED 6993 as one of the two courses required for instructional issues and foundations.

EDFD 6003 Educational Research
EDFD 6993 Project in Educational Research
EDFD 6313 Principles of Curriculum Development
EDFD 6203 Supervision of Instruction OR
EDFD 6503 Classroom and Behavioral Management
EDFD 6053 The At-Risk Child in the School Environment
EDFD 6043 Current Issues in Human Learning OR
EDFD 6403 Social and Historical Factors in Education

Secondary Education Instructional Technology

The Master of Education degree with a specialization in Instructional Technology is designed for candidates working toward a degree in the general field of instructional design and technology or for candidates with a valid Arkansas license seeking Arkansas licensure as School Library Media Specialists. Entrance into the instructional technology program does not require teacher licensure.

Degree Requirements

1. Candidates for the Master of Education degree with a specialization in instructional technology must complete 36 semester hours of graduate-level course work that includes 30 semester hours in approved educational media, library media, or information technology courses, and a minimum of six (6) hours of professional education core requirements. Candidates electing to write a thesis are required to take EDMD 6993 and SEED 6993. Candidates may select a concentration for library media licensure (requires Arkansas teacher licensure) or a concentration in instructional design and technology. To be licensed as a Library Media Specialist, after completing the master's degree, one must attain the minimum score as established by the Arkansas Department of Education on the Media Specialist-Library specialty area section of the Praxis Programs.

Degree requirements for the Library Media specialty option (36 hours)

EDFD 6003 Educational Research
EDFD 6993 Project in Educational Research
EDMD 6133 Production of Instructional Materials
EDMD 6233 Administration of Media Programs
LBMD 6003 Instructional Role of the School Library Media Specialist
EDMD 6433-6 Practicum in Educational Media
EDMD 6163 Internet Resources
LBMD 6003 Selection of Instructional Materials
LBMD 6013 Reference Materials in the School Library Media Center
LBMD 6023 Classification and Cataloging
LBMD 6043 Preservation of Instructional Materials
LBMD 6403 Literature for Children and Adolescents
Degree requirements for Instructional Design and Technology option (36 hours)

EDFD 6003 Educational Research
EDFD 6993 Project in Educational Research
EDMD 5033 Introduction to Instructional Technology
EDMD 6113 Microcomputers for Education and Training
EDMD 6133 Production of Instructional Materials
EDMD 6163 Internet Resources
EDMD 6303 Survey of Instructional Media
EDMD 6313 Instructional Design and Product Development

Electives: Additional instructional technology electives to meet the 36 semester hour degree requirement.

2. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
3. Satisfactory completion of the professional project.
4. Completion of all degree requirements within six (6) years of admission to the degree program.
5. A minimum of 27 semester hours of graduate coursework completed in residence at Arkansas Tech University.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of nine (9) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the program director and the Graduate College Dean.
The Master of Education (M.Ed.) in Educational Leadership is designed to prepare candidates for licensure as a principal or assistant principal at the building level. The program of study is reflective of the current School Leader Licensure Standards adopted by the state of Arkansas.

This program may be completed online.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Education degree program in Educational Leadership if they meet the following requirements:

1. Applicants must meet the admission requirements for Graduate College.
2. Two years of teaching experience.
3. Approval from the Program Director.

Degree Requirements

1. A minimum of 34 semester hours (all at the 6000 level) must be completed, including completion of the following courses:

   EDLD 6002 Administrative Law
   EDLD 6013 School Organization and Leadership
   EDLD 6023 Organizational Change
   EDLD 6102 School Finance
   EDLD 6113 Action Research and Data Analysis
   EDLD 6153 Communication with School and Community
   EDLD 6203 Education and Society: Continuities and Discontinuities
   EDLD 6253 Instructional Leadership
   EDLD 6313 Principles of Curriculum for School Leadership
   EDLD 6352 Physical Environment of Schools
   EDLD 6402 Working with the Marginal Performer
   EDLD 6551-4 Administrative Internship (A total of four (4) hours must be taken to complete the requirements)
   EDLD 6991 Professional Portfolio

2. A portfolio must be successfully completed and approved by a portfolio review committee. This portfolio is an edited, integrated collection of an Educational Leadership candidate’s evidence that competencies reflective of the Arkansas Standards and the Interstate School Leaders Standards have been acquired. It is NOT merely a file of course projects, nor is it a scrapbook of professional memorabilia. It is a collection of a student's best work developed during his/her program of study. It should showcase the student's best work as an educational leadership candidate and demonstrate the student's expertise relative to the principles and standards for a building-level administrator. The portfolio is a collection of documents providing tangible evidence of the wide range of knowledge, dispositions, and skills possessed as a professional. The candidate's portfolio is a work in progress and should be updated regularly throughout one's program of study. It should provide evidence of the value-added concept from a Master Degree Portfolio.

3. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.

4. Coursework from other institutions of higher education will only be transferred from institutions that have received program approval for a program of study reflective of the current School Leader Licensure Standards adopted by the state of Arkansas.

5. Coursework will be offered on-line, and will be supplemented through on-campus experiences.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students’ record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students’ record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.
Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of nine (9) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must, in advance of enrollment, obtain written approval from the program director and the Graduate College Dean.
Master of Education
Teaching, Learning, and Leadership

The Master of Education, Teaching, Learning and Leadership (MTLL) will facilitate individuals in engaging, ongoing dialogue and study based on the integration of research, theory, and best practices. In addition to promoting the professionalization of teaching and improved professional practice, the completion of this degree will prepare teachers to be teacher leaders in the classroom, as an instructional facilitator or a curriculum administrator. Additionally, a unique NTLL Non-Traditional Licensure (NTL) option is available for individuals seeking an initial teacher license.

A graduate student enrolled in the MTLL degree program of study may select a program emphasis from two options:

1. Curriculum Administrator / Master Teacher Leader
   (an individual who is a career teacher and wants to improve classroom teaching and learning or desires to become a curriculum leader)
2. Non-Traditional Teacher
   (NTL - individual with a baccalaureate degree who seeks an alternative route to secure a standard teachers license)

A licensure endorsement may be added to an existing standard license by fulfilling the program of study requirements (18 hours) for the Instructional Facilitator.

Curriculum Administrator / Master Teacher Leader Option:
Graduate students who select the Curriculum Administrator / Master Teacher Leader option will study the knowledge, skills and dispositions necessary to be effective curriculum leaders and mentors for new teacher inductees, colleagues, as well as marginal teachers. Additionally, these degree options will fulfill the program of study requirements for Arkansas Curriculum / Program Administrator Licensure and Instructional Facilitator endorsement upon completion of the required state assessments.

Non-Traditional Teacher (NTL) Option:
The Non-Traditional Teacher (NTL) option is intended for the individual who holds a baccalaureate degree and desires to teach in Arkansas public schools (this option is not available for P-4 teaching levels). This program of study option is designed to immerse the MTLL-NTL graduate student in an in-depth study of basic and advanced pedagogical skills for quality teaching, learning and classroom practice.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Education degree program in Teaching, Learning, and Leadership if they meet the following requirements:

Curriculum Administrator / Master Teacher Leader Option

For unconditional admission applicant must:

1. Applicants must meet the admission requirements for Graduate College.
2. Applicants must have at least two (2) years teaching experience.
3. Approval from the Program Director.

*Or with approval of the CLL Director.

Non-Traditional Teacher (NTL) Option

For unconditional admission applicant must:

1. Applicants must meet the admission requirements for Graduate College.
2. Applicants must submit passing scores for Arkansas on the Praxis Core Academic Skills for Educators (CORE) tests (Reading, Writing, Mathematics [5751]) and the required Praxis tests for content specialty field.
3. Approval from the Program Director.

*Or with approval of the CLL Director.

Degree Requirements

1. A minimum of 38 semester hours (all at the 6000 level) must be completed, including the completion of the following courses:

Common Core Courses (27 hours)

MTLL 6202 Professionalization of Teaching for the Master Teacher
Select one option for program of study emphasis from the following:

Curriculum Administrator / Master Teacher Leader (MTLL) Option

MTLL 6253 Advanced Curriculum Design Practicum for the Master Teacher
EDLD 6402 Working with the Marginal Performer
EDLD 6002 Administrative Law
EDLD 6551-4 Administrative Internship (4 hours total)

Non-Traditional Teacher Leader (MTLL-NTL) Option

MTLL 6233 Advanced Teaching and Learning for the Master Teacher
MTLL 6252 Communication, Advocacy & Policy Development
MTLL 6292 Evaluation of Classroom Learning for the Master Teacher
MTLL 6551-4 Internship Practicum (4 hours total)

2. Prior to degree completion, a culminating portfolio must be successfully completed and approved by a portfolio review committee for both program of study options.
3. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
4. Twenty-Seven hours of graduate work must be taken while in residence at Arkansas Tech University.
5. The master's degree program must be completed within six (6) years from the time of admission to the graduate program.

*For the Non-Traditional Leader (NTL) option the MTLL-NTL graduate student must complete the appropriate state assessments for teacher licensure prior to graduation.

Instructional Facilitator Endorsement and Curriculum Program Administrator Licensure

An 18 semester hour MTLL program of study satisfies course requirements for the Instructional Facilitator Endorsement to be added to an individual's Standard Teaching License. This program of study prepares teachers to be teacher leaders who have the knowledge, skills, and dispositions to work with new teacher inductees and colleagues to improve teaching and learning.

Courses Required for Instructional Facilitator Endorsement (18 hours)

MTLL 6202 Professionalization of Teaching for the Master Teacher
MTLL 6242 Cognitive Coaching and Mentoring for the Master Teacher
MTLL 6223 Teaching and Learning for the Master Teacher
MTLL 6253 Advanced Curriculum Design
MTLL 6143 Organizational Change and the Role of the Master Teacher
MTLL 6123 Instructional Leadership for the Master Teacher
EDLD 6551-4 Administrative Internship (2 hours total)

Additionally, the teacher may choose to complete the remaining MTLL identified course hours to complete the Teaching, Learning and Leadership Master of Education degree, which fulfills the program of study requirements for Arkansas Curriculum/Program Administrator Licensure.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year
must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

**Application for Graduation**

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

**Special Conditions of Graduate Credit**

**Graduate Credit Taken Prior to Admission to Arkansas Tech University**

A maximum of nine (9) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

**Graduate Credit Taken After Admission to Arkansas Tech University**

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must, in advance of enrollment, obtain written approval from the program director and the Graduate College Dean.
Master of Science
Business Administration

The MSBA program provides a graduate business alternative for students whose undergraduate preparation was a field outside of business administration. Students who wish to develop administrative skills for their chosen career but who are not interested in completing a Master of Business Administration degree can opt for this program instead. These students would be required, for an MBA, to complete six of this program’s courses as leveling work prior to matriculation of the actual MBA coursework. The six courses comprising the MSBA replicate much of what is taught in the undergraduate business core, and the addition of three administrative electives and a graduate capstone course provide a basic graduate education in the field of business. Non-business departments may also provide a group of graduate-level administrative electives for the student to bolster the student’s career-specific education.

This program may be completed online.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Science degree program in Business Administration if they meet the following requirements:

1. Applicants must meet the admission requirements for Graduate College.
2. Applicants must have completed BUAD 2003 (Business Information Systems) or its equivalent with a "C" or better.
3. Applicants must have completed BUAD 2053 (Business Statistics) or its equivalent with a "C" or better.

In addition, applicants must submit admission materials no later than two weeks prior to the start of the semester as a priority admission date. Applicants submitting after the priority deadline will be considered if space is still available in MSBA graduate classes.

Conditional Admission

Applicants who fail to meet the grade point requirement specified for admission may be admitted conditionally to enroll for a maximum of twelve (12) semester hours. If a student was admitted conditionally based on grade point average, the condition will be met if upon completion of twelve (12) semester hours, a cumulative grade point average of 3.00 or better is achieved.

An applicant who satisfies the grade point requirement at an unaccredited college may also be granted conditional admission. In some instances, transcripts may be judged to be deficient and the student may be required to complete up to thirty (30) undergraduate hours in addition to graduate credits required for the degree. If a cumulative 3.00 grade point average is achieved at the completion of twelve (12) graduate hours, the student will be granted unconditional admission.

Applicants who do not meet the BUAD 2003 and/or BUAD 2053 prerequisite course requirement(s) may be conditionally admitted to enroll in select graduate classes while taking one or both prerequisite classes the first semester of the program or successfully completing a skills assessment exam.

Degree Requirements

1. The completion of a minimum of 30 semester hours of graduate work including the following courses:
   - ACCT 6003 Principles of Business Accounting
   - BLAW 6003 Business Law & Ethics
   - ECON 6003 Survey of Economics
   - FIN 6003 Financial Decision Making
   - MGMT 6083 Business Policy
   - MGMT 5203 Project Management
   - MGMT 6003 Survey of Management and Organizational Behavior
   - MKT 6003 Marketing Strategy and Research
   - 5000-Level Electives (6 hours)

   *5000-Level Electives: Any ACCT, BLAW, BUAD, ECON, FIN, MGMT, or MKT course at the 5000 level.

2. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
3. A minimum of 24 semester hours of graduate course work completed at Arkansas Tech University.
4. Completion of all degree requirements within six (6) years from the time of unconditional or conditional admission into the program.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned
at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students’ record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students’ record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

### Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

### Special Conditions of Graduate Credit

#### Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of six (6) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

#### Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the program director and the Graduate College Dean.
Master of Science
College Student Personnel

The Master of Science in College Student Personnel is a two-year, practitioner-oriented program, philosophically based in college student development and university administration. It is designed to prepare thoughtful, compassionate, first-line student and university service administrators armed with the knowledge, skills and dispositions needed to begin or enhance a career in the variety of settings in which such services are needed. The goals of the College Student Personnel (CSP) program include:

1. Demonstrating mastery and application of foundational and professional studies in College Student Personnel.
2. Demonstrating professional behavior in carrying out student services work.

This program may be completed online.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Science degree program in College Student Personnel if they meet the following requirements:

1. Applicants must meet the admission requirements for the Graduate College.
2. Applicants must submit a current resume/vitae highlighting any co-curricular experiences and/or student affairs experience.
3. Applicants must submit two (2) letters of reference from previous/current faculty or supervisors who can attest to the candidate's ability to succeed in an academic setting.
4. Applicants must meet a minimum undergraduate cumulative GPA of 2.70 or a 3.0 GPA in the last 30 hours.
5. Applicants must submit a reflective writing sample, consisting of 3 short-answer reflection items, which include:
   A. Define student affairs and how you see yourself contributing to the field;
   B. Explain how your undergraduate grade point average reflects or does not reflect your ability to succeed at the graduate level; and
   C. What can faculty and classmates expect from you in the classroom and/or virtual classroom? Please share the delivery method (online; face-to-face; or both) you plan to use to complete the degree and if you will be a distance student.
6. Approval from Program Director.

In addition, applicants must submit admission materials no later than two weeks prior to the start of the semester as a priority admission date. Applicants submitting after the priority deadline will be considered if space is still available in CSP graduate classes.

Conditional Admission

Applicants who fail to meet the minimum requirements for admission have the opportunity for conditional admission if applicant meets the minimum graduate admission standards and upon a successful appeal to the program director. Students admitted under a conditional status must earn a cumulative 3.0 GPA on the first twelve (12) graduate hours in the program.

Academic Advisors

The director of the program will assign a faculty advisor to each student admitted to the degree program. The advisor will assist the student in the design of a curriculum of study that leads to the fulfillment of degree requirements. Subsequently, the academic advisor, the Department Graduate Committee, and the Graduate College will monitor the student's progress as they progress through the program. It remains, however, the student's responsibility to understand and to satisfy all degree requirements.

Degree Requirements

1. The completion of a minimum of 36 semester hours of graduate work including the following courses:
   
   Required Core Courses (30 Hours)
   
   **Foundation Course (3 hours)**
   
   CSP 6023 Introduction to College Student Personnel Work
   
   **Professional Studies (21 hours)**
   
   CSP 6033 Theory and Practice in College Student Personnel
   CSP 6043 American College Student
CSP 6053 Legal Issues for Professionals in College Student Personnel
CSP 6073 Counseling with College Students
CSP 6113 Research Design and Analysis
CSP 6123 Assessment and Evaluation in Higher Education
CSP 6143 Administration in College Student Personnel

Supervised Practice (6 hours)
CSP 6083 Practicum 1 in College Student Personnel
CSP 6063 Special Topics: College Student Personnel Capstone Seminar

Elective Courses (6 Hours Required)
CSP 6093 Practicum 2 in College Student Personnel (Required for students without student affairs related work experience)
CSP 6133 Ethical Leadership in Higher Education
CSP 6153 Advising Student Groups
CSP 6163 Academic Advising
CSP 6173 Career Counseling
CSP 6203 American Higher Education in Transition
CSP 6881-3 Special Problem (Workshop) in College Student Personnel

2. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
3. A minimum of 27 semester hours of graduate course work completed at Arkansas Tech University
4. Successful completion of the comprehensive examination. Comprehensive examination policies are available from the program director.
5. Completion of all degree requirements within six (6) years from the time of unconditional or conditional admission into the program.

Candidacy
Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation
In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University
A maximum of nine (9) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program.

Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

Graduate Credit Taken After Admission to Arkansas Tech University
If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the program director and the Graduate College Dean.
Master of Science
Emergency Management and Homeland Security

The Department of Emergency Management (EM) at Arkansas Tech University offers a solid background in emergency management and homeland security skills such as preparedness, mitigation, response, recovery, prevention, protection, and strategic collaboration. There is a growing demand for professionals educated in emergency management for the private business sector, education, and various government agencies and organizations at all levels-local, state, regional, national, and international.

This program may be completed online.

This degree offers a specialized program both for existing career professionals in the discipline and for those seeking the diverse employment opportunities available in this evolving career field. The curriculum applies a multidisciplinary approach targeting the principles of emergency management along with state-of-the-art technologies. The EMHS Program Director acts as faculty advisor to each student admitted to the EMHS degree program.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Science degree program in Emergency Management and Homeland Security (EMHS) if they meet all of the following requirements. Additionally, all application credentials are examined by a faculty committee from the EM Department in determining admission status.

1. Applicants must meet the admission requirements for the Graduate College.
2. Applicants must have a minimum undergraduate cumulative grade point average of 3.00.
3. Applicants must provide statement of intent which addresses career goals, interests in Graduate College and emergency management, and research interests. (500 word minimum)
4. Applicants must provide a resume or vitae.
5. Approval from the Program Director.

Conditional Admission

Conditional admission may be possible when the grade point average is between 2.5 and 3.0. In addition, all application credentials are examined by a faculty committee from the EM Department to determine admission status. If a student was admitted conditionally based on grade point average, the condition will be met if upon completion of twelve (12) semester hours a cumulative grade point average of 3.00 or better is achieved.

After completion of the Research Design and Methods course, the Program Director will assist the student in picking a thesis advisor and thesis committee. The Program Director will assist the student in designing a curriculum of study leading to the fulfillment of degree requirements. Additionally, the academic advisor and the Graduate College will monitor the student's progress. Ultimately, it remains the student's responsibility to understand and to satisfy all degree requirements.

Late Admission

Priority deadline date for fall admission is March 1 and spring admission is October 1. Any student requesting admission for any academic term must have their documentation material processed for admission to the program as required by the Department of Emergency Management by the first day of the term requested. Documentation includes undergraduate transcript(s), a Statement of Intent and either a Resume or a Vitae. If processing cannot be completed, and approval given by the Program Director, the student will be rejected for admission for that term and must wait to enter the next academic term.

Degree Requirements

1. The completion of 36 semester hours of graduate work is required, of which 18 semester hours must be at the 6000 level. The 36 hours are taken with four component areas: Professional Component, Methods Component, Applied Research Component, and Interdisciplinary Component.

Professional Component (18-21 hours)

Most courses have the prerequisite or acceptable equivalencies of EMHS 6043, EMHS 6063, and EMHS 6103, or the consent of the instructor.

Methods Component (3-6 hours)

EMHS 6103 Research Design and Methods
EMHS 6123 Applied Data Analysis
Applied Research Component (6 Hours)

- EMHS 6403 Action Research Practicum I
- EMHS 6413 Action Research Practicum II
- EMHS 6423 Internship for Professional Practice
- EMHS 6933 Research I
- EMHS 6943 Research II

Interdisciplinary Component (6 hours)

Elective EMHS or non-EMHS graduate courses tailored to each student's interests and career objectives.

2. A cumulative grade point average of 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.

3. The master's degree program must be completed within six (6) years from the time of admission to the graduate program.

4. A minimum of 27 semester hours of graduate coursework completed in residence at Arkansas Tech University.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of nine (9) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must, in advance of enrollment, obtain written approval from the program director and the Graduate College Dean.
Master of Science
Fisheries and Wildlife Science

The Master of Science in Fisheries and Wildlife Science is offered for those who wish to pursue careers in various areas of fisheries or wildlife science, and for those who wish to obtain a graduate degree before continuing their education at the doctoral level. The Department of Biological Sciences offers the M.S. degree with the option of selecting a concentration of study in either fisheries or wildlife science.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Science degree program in Fisheries and Wildlife Science if they have:

1. Applicants must meet the admission requirements for Graduate College.
2. Applicants must have completed a bachelor's degree in a biological science from an accredited university.
3. Applicants must have completed courses in fisheries management or wildlife management, ecology, and statistics with a minimum grade of "C".
4. Applicants must file scores for the Graduate Record Examination (GRE) in the Graduate College.
5. Applicants must provide a letter of intent that addresses the applicant's interests, goals, and reasons for applying to the degree program.
6. Applicants must provide two (2) letters of recommendation, using the form provided by our department, from professors familiar with the applicant's academic ability.
7. Approval from the Program Director.

Conditional Admission

Qualified students without the courses listed above may be accepted provided the deficiencies are made up without graduate credit. Applicants who fail to meet the grade point requirement specified for unconditional admission may be admitted conditionally to enroll for a maximum of twelve (12) semester hours. If a student was admitted conditionally based on grade point average, the condition will be met upon completion of twelve (12) semester hours with a cumulative grade point average of 3.00 or better is achieved.

Academic Advisors

A major advisor within the Fisheries and Wildlife Program is required. Submission of a letter to the program director by a faculty member that acknowledges willingness to serve as a student's major advisor, constitutes formal acceptance into the program. The advisor and student will select two (2) or more qualified personnel (at least one from the Fisheries and Wildlife Program) to serve as members of the student's advisory committee.

The advisor and student should develop a program of study and have it approved by the student's advisory committee and program director within the first semester. The advisory committee will be responsible for identifying critical deficiencies in undergraduate preparation and adding courses to the program of study to compensate for these deficiencies. It remains, however, the student's responsibility to understand and to satisfy all degree requirements.

For students pursuing the thesis option, a proposal of thesis research developed by the student, approved by the advisor, advisory committee, and program director is expected within six (6) months of matriculation. The advisory committee will determine acceptability of the thesis and oral defense.

Degree Requirements

1. A minimum of 30 semester hours for the thesis option and a minimum of 36 semester hours for the non-thesis option at the graduate level must be completed, including completion of:

   **Thesis only option (30 hours)**

   FW 6001 Graduate Seminar in Fisheries and Wildlife Biology
   FW 6002 Research Methods I
   FW 6012 Research Methods II
   FW 6013 Population Dynamics
   FW 6991-6 Thesis Research - 6 hours
   MATH 5173 Advanced Statistics
   Approved 5000 or 6000 level elective courses - 13 hours

   **Non-Thesis only option (36 hours)**

   FW 5163 Biodiversity and Conservation Biology
   FW 6001 Graduate Seminar in Fisheries and Wildlife Biology
   FW 6002 Research Methods I
   FW 6012 Research Methods II
Electives

- BIOL 5003 History and Philosophy of Science
- BIOL 6023 Conservation Workshop
- EMHS 6033 Foundation of Leadership
- FW 5003 Principles of Wildlife Management
- FW 5014 Forest Ecology and Management
- FW 5024 Limnology
- FW 5034 Geographic Information Systems in Natural Resources
- FW 5083 Principles of Fisheries Management
- FW 5103 Human Dimensions of Fisheries and Wildlife Management
- FW 5881-4 Advanced Topics
- FW 6023 Quantitative Fisheries Science
- SPH 5063 Organizational Communication

2. A minimum cumulative grade point average of 3.00 must be achieved in all graduate work attempted at Arkansas Tech University. A maximum of six (6) hours of "C" can be counted toward degree requirements, and a student receiving more than six (6) hours of "C" is subject to dismissal from the program. Refer to the section of the catalog on Academic Probation and Dismissal.

3. A written thesis and an oral defense of the research thesis must be approved by the advisory committee, the program director, and the Graduate College Dean. Students will be required to enroll in an additional one credit hour of graduate coursework prior to their thesis defense if the thesis is not defended within one semester of completion of the coursework for the degree. For the purposes of this policy, summer is considered to be one semester.

4. Completion of all requirements of the degree must be accomplished within six (6) years from the time of admission to the program.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students’ record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students’ record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of six (6) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the program director and the Graduate College Dean. Students must send a written request to the program director to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the program director and the Graduate College Dean.
The Master of Science in Health Informatics (MSHI) is a specialized program of study to serve the increasing workforce needs in the area of health information technology. The curriculum utilizes a multidisciplinary approach to include health care delivery concepts coupled with information technology in a changing environment. Courses are designed to prepare graduates in the area of privacy and security of health care information, leadership and policy within the health care environment, as well as emerging concepts in information technology as related to the health care setting. Graduates will be able to choose electives to aid in accomplishing their career goals within the area of health information technology.

This program may be completed online.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Science degree program in Health Informatics if they meet the following requirements:

1. Applicants must meet the admission requirements for Graduate College.
2. Applicants must have successfully completed HIM 3023 Introduction to HIM or demonstrate comparable background. The background may be demonstrated by previous coursework or by relative work experience, as determined by the MSHI Graduate Committee.
3. Applicants must have successfully completed a three (3) semester hour course in computer programming, such as COMS 2203 or demonstrate comparable background. The background may be demonstrated by previous coursework or by relative work experience, as determined by the MSHI Graduate Committee.
4. Applicants must provide a letter of intent that addresses their interests, goals, and reasons for applying to the degree program.
5. Approval from the Program Director.

Conditional Admission

Applicants who fail to satisfy the grade point requirements for unconditional admission or who do not satisfy requirements 2-3 above may be admitted conditionally by the MSHI Graduate Committee to earn a maximum of twelve (12) hours of graduate credit. Conditional admission may require taking one or more undergraduate and/or graduate courses to remove those conditions. Any such courses must be completed with a grade of "B" or better. In addition, if the student was admitted conditionally due to grade point average, the student must earn a 3.0 or better cumulative grade point average in all graduate courses taken for the program by the end of the semester in which the twelfth (12) graduate hour is completed.

Academic Advisors

The MSHI Graduate Committee will assign a faculty advisor to each student admitted to the MSHI degree program. The advisor will assist the student in the design of a curriculum of study that leads to the fulfillment of degree requirements. Additionally the academic advisor and the Graduate College will monitor the student's progress. It remains, however, the student's responsibility to understand and to satisfy all degree requirements.

Degree Requirements

1. A minimum of 35 semester hours of coursework at the graduate level must be completed. These hours include 29 semester hours of core requirements and six (6) hours of INFT, HI 5000-level or 6000-level electives, or electives that are deemed acceptable by MSHI Program Director.
2. A cumulative grade point average of at least 3.00 in all graduate courses completed at Arkansas Tech University with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
3. A minimum of 27 hours of graduate course work completed at Arkansas Tech University.
4. Completion of all degree requirements within four (4) years of admission into the program.

Core Courses (23 hours)

HI 5092 Research in HIM
HI 6053 Emerging Trends in Health Information
HI 6063 Leadership in Health Informatics
HI 6073 Security and Privacy in Health Informatics
HI 6083 Health Care Policy
INFT 5403 Introduction to Information Technology and Systems
INFT 5203 Database Systems
MATH 5173 Advanced Biostatistics
HI 6991-6 Thesis Research - 6 hours
OR
HI 6983 Research Project AND Additional 3 hour elective

Elective Courses - Choose two courses (6 hours)

INFT 6013 Decision Support Systems
INFT 6903 Emerging Trends in IT
INFT 5053 Information Systems Resource Management
INFT 5303 Developing and Administering Web Sites

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students’ record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students’ record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar’s Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of nine (9) semester hours of graduate credit with a grade point average of “B” or better may be transferred from an accredited graduate school if deemed appropriate to the MSHI Graduate Committee, the Director of the MSHI program, and the Graduate College Dean. Students must send a written request through the MSHI Graduate Committee and program director to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the MSHI program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the program director and the Graduate College Dean.
The Master of Science in Information Technology (MS-IT) is a study of the hardware and software mechanisms used to implement modern information systems. It includes coverage of local-area networks, databases, operating systems, the Internet, the web, and IT management. The student is offered two specialty programs: one in Computer-Based Instructional Technology (CBIT), and one in Information Technology (IT). Each program is built around a common core of three important technologies: networking, web development, database design and implementation.

The Computer-Based Instructional Technology (CBIT) specialty program enables a student to complete the degree through course-work directed to showing the application of computing technology to instruction.

The Information Technology (IT) specialty program is intended for students pursuing a career in technical support for information systems. The focus is on an integrated study of networking, databases, and the web.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Science degree program in Information Technology if they meet all of the following requirements:

1. Applicants must meet the admission requirements for Graduate College.
2. Applicants must have a background comparable to COMS 1003 and COMS 1403 (see undergraduate catalog for course descriptions), which includes familiarity with terminology and concepts related to word processing, spreadsheets, and databases. This background may be demonstrated by previous coursework, work experience, or by taking a test administered by the MS-IT Graduate Committee.
3. Applicants must have successfully completed one math course beyond college algebra.
4. Applicants for the CBIT program must have successfully completed one semester of computer programming comparable to COMS 2104. Applicants for the IT program must have successfully completed two semesters of computer programming courses comparable to COMS 2104 and COMS 2203.
5. Applicants must submit recent (within the last 5 years), acceptable scores (to be determined by the faculty) of the Graduate Record Examination (GRE) to the Graduate College.
6. Approval from the Program Director.

Conditional Admission

Applicants who fail to satisfy the grade point requirements for unconditional admission or who do not satisfy requirements 2-6 above may be admitted conditionally by the MS-IT Graduate Committee to earn a maximum of twelve (12) hours of graduate credit. Applicants without GRE are not eligible for conditional admission. Conditional admission may require taking one or more undergraduate and/or graduate courses to remove those conditions. Any such courses must be completed with a grade of "B" or better. In addition, if the student was admitted conditionally due to grade point average, the student must earn a 3.0 or better cumulative grade point average in all graduate courses taken for the program by the end of the semester in which the twelfth (12) graduate hours is completed.

Academic Advisors

The MS-IT Graduate Committee will assign a faculty advisor to each student admitted to the MS-IT degree program. The advisor will assist the student in the design of a curriculum of study that leads to the fulfillment of degree requirements. Additionally, the academic advisor and the Graduate College will monitor the student's progress. It remains, however, the student's responsibility to understand and to satisfy all degree requirements.

Degree Requirements

1. The completion of 36 hours of graduate work of which include 18 semester hours in MSIT core requirements plus requirements for the Computer-Based Instructional Technology (CBIT) or the Informational Technology (IT) specialty program. A minimum of 18 of the total hours must be at the 6000 level.

MSIT Core Requirements (18 hours)

INFT 5203 Database Systems
INFT 5303 Developing and Administering Web Sites
INFT 5703 Computer Networks
INFT 5700 Computer Networks Lab

Plus completion of nine (9) semester hours from the following courses:
INFT 5103 Software Development
INFT 5503 The UNIX Operating System
INFT 5403 Introduction to Information Technology and Systems
INFT 5413 Computer Systems and Architecture

Computer-Based Instructional Technology (CBIT) Requirements (18 hours)

EDFD 6003 Educational Research
EDMD 6133 Production of Instructional Materials
EDMD 6313 Instructional Design and Product Development
EDFD 6313 Principles of Curriculum Development
EDMD 6513 Computer Based Instruction
INFT 3 hours elective (6000 level)
Plus successful completion of written comprehensive examinations.

Information Technology (IT) Requirements (18 hours)

Completion of 9 semester hours of the following courses and one of the three options
INFT 6203 Database Development and Administration
INFT 6303 Design of Web-based Information Systems
INFT 6403 Information Systems Analysis and Design
INFT 6703 Heterogeneous Networks
INFT 6700 Heterogeneous Networks Lab

Option I (Internship):
3-8 hours of INFT 6000 level elective courses (depending on the internship)
1-6 hours internship (INFT 6991-3)

Option II (Thesis):
3 hours of INFT 6000-level elective courses
6 hours Thesis Research (INFT 6973 and INFT 6983)

Option III (Comprehensive Examinations):
9 hours of INFT 6000-level elective courses
The successful completion of written comprehensive examinations.

2. A cumulative grade point average of at least 3.00 in all graduate courses completed at Arkansas Tech University with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
3. A minimum of 27 hours of graduate course work completed at Arkansas Tech University.
4. Completion of all degree requirements within four (4) years of admission into the program.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of nine (9) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the MS-IT Graduate Committee, the Director of the MSIT program, and the Graduate College Dean. Students must send a written request through the MSIT Graduate Committee and program director to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the MS-IT program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.
Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the MS-IT program director and the Graduate College Dean.
Master of Science
Psychology

The Master of Science in Psychology program at Arkansas Tech University is designed to provide advanced students with sufficient breadth and depth to function in a variety of professional environments. While emphasis is placed on research and Psychological Principles, a concentrated effort is also made to establish the foundation necessary for teaching, practice, post-graduate work, research, or any combination of these areas.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Science degree program in Psychology if they meet the following requirements and are approved by the Psychology graduate faculty:

1. Applicants must meet the admission requirements for the Graduate College.
2. Applicants must have a minimum of 18 semester hours in Psychology at the undergraduate level (including a course in statistics, and research methods, with a grade of "B" or better).
3. Applicants must have an overall undergraduate grade point of 3.0 on a 4.0 scale.
4. Applicants must submit recent (within the last 5 years), acceptable scores (to be determined by the psychology graduate faculty) of the Graduate Record Examination (GRE).
5. Approval from the Program Director.

Conditional Admission

Applicants who fail to meet the criteria for unconditional admission may be admitted conditionally to enroll in twelve (12) semester hours. Students admitted conditionally must achieve a cumulative grade point average of 3.00 at the completion of twelve (12) semester hours with no grade lower than "C".

An applicant who satisfies the grade point requirement from an unaccredited institution may also be eligible for conditional admission. In such cases, transcripts may be judged to be deficient. The nature of the deficiency and subsequent deficiency requirements will be determined by the Psychology Graduate Committee and the Director of the Graduate Program in Psychology or the Head of the Department.

Academic Advisors

The Director of the Graduate Program in Psychology or the Head of the Department will assign a temporary faculty advisor to each student admitted to the degree program. The faculty advisor will assist the student in designing a curriculum of study that leads to the fulfillment of the degree requirements and the preparation of the thesis. The faculty advisor, the Psychology Graduate Committee, and the Graduate College monitor the student's progress in the program. However, it remains the student's responsibility to understand and to satisfy all degree requirements.

Degree Requirements

The student seeking the Master of Science degree in Psychology must complete the following:

1. A minimum of 30 semester hours in Psychology at the graduate level (5000-6000) with no more than 12 hours of 5000 level courses considered toward completion of the degree.

Required Courses (12 hours)

- PSY 6003 Advanced Principles of Psychology I
- PSY 6013 Advanced Statistics
- PSY 6023 Research Design
- PSY 6103 Advanced Principles of Psychology II

Electives (18 hours, minimum 6 hours at the 6000 level)

- PSY 5013 History of Psychology
- PSY 5033 Psychological Test and Measurements
- PSY 5043 Social Psychology
- PSY 5053 Psychology of Perception
- PSY 5073 Cognitive Psychology
- PSY 6033 Personality Testing
- PSY 6043 Psychopathology
- PSY 6053 Advanced Developmental Psychology
- PSY 6063 Advanced Physiological Psychology
- PSY 6073 Personality Dynamics and Theories
- PSY 6083 Seminar in Psychology
- PSY 6091-6 Advanced Field Placement
2. Thesis hours must earn a grade no lower than "B".
3. The successful completion of an oral defense of the completed thesis or comprehensive examination. Candidates will receive additional information on the oral defense from the Academic Advisor and the Director of the Graduate Program in Psychology upon admission to candidacy.
4. No more than six (6) hours of PSY 6993-6 Thesis Research will be counted toward the degree.
5. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
6. All course work must be completed within six (6) years of admission to the degree program.
7. A minimum of 24 semester hours of graduate course work completed in residence at Arkansas Tech University.
8. At the end of each fall semester, the student will meet with the Psychology Graduate Committee for program review and evaluation.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until all conditions assigned by the Graduate Dean have been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of six (6) semester hours of graduate credit with a grade of "B" or better may be transferred from an accredited school if deemed appropriate to the Psychology Graduate Committee, the Director of the Graduate Program in Psychology, and the Graduate College Dean. Students must send a written request through the Psychology Graduate Committee to petition the acceptance of the transfer credit prior to request candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the Director of the Graduate Program in Psychology or the Head of the Department and the Graduate College Dean. Credits earned by correspondence courses or taken for remedial purposes will not apply toward the graduate degree.

Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the faculty advisor, the Psychology Graduate Committee, the Director of the Graduate Program in Psychology, and the Graduate College Dean.
Master of Science
Applied Sociology

The Master of Science in Applied Sociology program at Arkansas Tech University is designed to provide advanced students with sufficient breadth and depth to function in a variety of professional environments. While emphasis is placed on research and Sociological Principles, a concentrated effort is also made to establish the foundation necessary for application.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Science degree program in Applied Sociology if they meet the following requirements and are approved by the Sociology Graduate Faculty:

1. Applicants must meet the admission requirements for the Graduate College.
2. Applicants must have a minimum of 18 semester hours in sociology at the undergraduate level (including a course in statistics, and research methods, with a grade of “B” or better).
3. Applicants must have an overall undergraduate grade point of 3.0 on a 4.0 scale.
4. Applicants must submit recent (within the last 5 years), acceptable scores (to be determined by the Sociology Graduate Faculty) of the Graduate Record Examination (GRE).
5. Approval from the Program Director.

Conditional Admission

Applicants who fail to meet the criteria for unconditional admission may be admitted conditionally to enroll in twelve (12) semester hours. Students admitted conditionally must achieve a cumulative grade point average of 3.00 at the completion of twelve (12) semester hours with no grade lower than “C”.

An applicant who satisfies the grade point requirement from an unaccredited institution may also be eligible for conditional admission. In such cases, transcripts may be judged to be deficient. The nature of the deficiency and subsequent deficiency requirements will be determined by the Sociology Graduate Committee and the Director of the Graduate Program in Sociology or the Head of the Department.

Academic Advisors

The Director of the Graduate Program in Sociology or the Head of the Department will assign a temporary faculty advisor to each student admitted to the degree program. The faculty advisor will assist the student in designing a curriculum of study that leads to the fulfillment of the degree requirements and the preparation of the thesis or comprehensive exam completion. The faculty advisor, the Sociology Graduate Committee, and the Graduate College monitor the student’s progress in the program. However, it remains the student's responsibility to understand and to satisfy all degree requirements.

Degree Requirements

The student seeking the Master of Science degree in Applied Sociology must complete the following:

1. A minimum of 30 semester hours in sociology at the graduate level (5000-6000) with no more than 12 hours of 5000 level courses considered toward completion of the degree.

Required Courses (12 hours)

SOC 6013 / PSY 6013 Advanced Statistics
SOC 6023 Advanced Social Theory
SOC 6033 Advanced Methodology
SOC 6043 Evaluation and Assessment

Electives (18 hours, minimum 6 hours at the 6000 level)

SOC 5183 Social Gerontology
SOC 5003 Minority Relations
SOC 5013 Drugs in Society
SOC 5053 Sociology Health and Illness
SOC 5063 Social Stratification
SOC 5043 / PSY 5043 Social Psychology
SOC 6053 Advanced Topics in Criminal Justice
SOC 6063 Advanced Topics in Gerontology
SOC 6891-4 Independent Study
SOC 6991-3 Thesis Research OR Comprehensive Exam
2. The satisfactory completion of six (6) hours of SOC 6991-3 Thesis Research.
3. Thesis hours must earn a grade no lower than "B".
4. The successful completion of an oral defense of the completed thesis or comprehensive examination. Candidates will receive additional information on the oral defense from the Academic Advisor and the Director of the Graduate Program in Sociology upon admission to candidacy.
5. No more than six (6) hours of SOC 6891-4 Independent Study will be counted toward the degree.
6. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
7. All course work must be completed within six (6) years of admission to the degree program.
8. A minimum of 24 semester hours of graduate course work completed in residence at Arkansas Tech University.
9. At the end of each fall semester, the student will meet with the Sociology Graduate Committee for program review and evaluation.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of six (6) semester hours of graduate credit with a grade of "B" or better may be transferred from an accredited school if deemed appropriate to the Sociology Graduate Committee, the Director of the Graduate Program in Applied Sociology, and the Graduate College Dean. Students must send a written request through the Sociology Graduate Committee to petition the acceptance of the transfer credit prior to request candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the Director of the Graduate Program in Applied Sociology or the Head of the Department and the Graduate College Dean. Credits earned by correspondence courses or taken for remedial purposes will not apply toward the graduate degree.

Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the faculty advisor, the Sociology Graduate Committee, the Director of the Graduate Program in Applied Sociology, and the Graduate College Dean.
**Master of Science**

**in Strength and Conditioning Studies**

Program Summary

The Master of Science in Strength and Conditioning Studies is designed to provide graduate level instruction in the theory and science of strength and conditioning. The 33 hour program is designed to meet the needs of coaches, physical educators, physical therapists, athletic trainers, and others interested in the fitness profession. Upon completion of this degree, students may pursue certifications such as the Personal Trainer or Strength and Conditioning Specialist (CSCS) by the National Strength and Conditioning Association (NSCA). This degree is recognized by the NSCA, which recognizes fewer than 25 Graduate Studies Programs.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Science in Strength and Conditioning Studies if they meet the following requirements:

1. Applicants must meet the admission requirements for Graduate College.
2. Applicants must meet a minimum undergraduate cumulative grade point average of 2.85.
3. Applicants must have completed either undergraduate courses in PE 4033 Exercise Physiology and PE 3663 Kinesiology/Biomechanics with grades of “B” or higher or the leveling courses PE 5013 Structural and Mechanical Kinesiology Concepts and PE 5023 Applied Physiology Concepts with grades of “B” or higher.

*Admission will be awarded on a competitive basis due to limited availability.

Conditional Admission

Applicants who fail to meet the above requirements will be considered for conditional admission on a case-by-case basis. Students admitted conditionally must achieve a cumulative grade point average of 3.00 at the completion of twelve (12) semester hours toward the degree with no grade lower than “C”.

Degree Requirements

1. Thirty-three credit hours are required for completion of the Master of Science in Strength and Conditioning Studies degree.

**Required Core Courses (21 hours)**

- SCS 6013 Measurement and Evaluation in Strength and Conditioning
- PE 6083 Research Design and Statistics in Physical Education
- SCS 6023 Scientific Foundations of Strength & Conditioning
- SCS 6033 Strength & Conditioning Program Design & Development
- SCS 6043 Techniques for Development of Hypertrophy, Strength & Power
- SCS 6053 Techniques for Development of Speed, Agility, Reaction Time & Endurance
- PE 6043 Psychology of Motor Learning

**Electives (9 hours)**

- SCS 6063 Trends in Sports Nutrition & Metabolism
- PE 6033 Exercise Physiology
- PE 6053 Biomechanics
- PE 6073 Exercise & Sport Behavior
- PE 6063 Current Issues in Coaching & Athletics
- SCS 6083 Instructional Strategies for Strength Coaches
- SCS 6093 Readings in Strength & Conditioning

**Culminating Experience (3 hours)**

- SCS 6103 Professional Project (could be research, internship, or other approved project)

2. A minimum of 27 semester hours of graduate course work completed in residence at Arkansas Tech University.
3. A cumulative grade point average of 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
4. Completion of all degree requirements within six (6) years from the time of unconditional or conditional admission into the program.
Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of nine (9) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must, in advance of enrollment, obtain written approval from the program director and the Graduate College Dean.
Master of Science in Nursing
Administration and Emergency Management

The Master of Science in Nursing is designed to offer students a program of study to serve the educational needs of professional nurses actively engaged in or planning to enter professions related to emergency management administration in a variety of health care settings. The curriculum will utilize a multidisciplinary approach to integrate principles of nursing administration, including planning, organizing, directing, and evaluating, with principles of emergency management, including preparedness, response, mitigation, and recovery.

The core curriculum includes thirty (30) semester hours of coursework in epidemiology, research design and methods, theoretical perspectives, legal and ethical issues, current trends in health care, nurse administrator role, principles of hazards and emergency management, design and management of preparedness in mitigation systems, and research thesis/project. An additional nine (9) semester credit hours will be completed in either the nursing administration or emergency management specialty concentration areas.

The objectives of the graduate program in Nursing Administration and Emergency Management (NAEM) include:

1. Preparing graduates to assume administrative roles in a variety of health care systems, including hospitals, and community, military, and government agencies.
2. Providing a program of study that addresses the technical competencies and interpersonal skills needed to assume leadership roles in planning and coordinating emergency response strategies.
3. Providing opportunities for students to formulate solutions to important problems of interest to nursing through analysis, synthesis, and application of current research.
4. Preparing graduates to be innovative leaders.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Science in Nursing degree program if they meet all the following requirements:

1. Applicants must meet the admission requirements for Graduate College.
2. Applicants must have graduated from a Commission on Collegiate Education (CCNE) or National League for Nursing Accrediting Commission (NLNAC) accredited nursing programs.
3. Applicants must have a cumulative undergraduate grade point average of 3.00.
4. Applicants must have an unencumbered license to practice as a registered nurse without a history of disciplinary action of any kind.
5. Applicants must submit recent scores for either the Graduate Record Examination (GRE) or the Miller Analogy Test (MAT) to the Graduate College.
6. Applicants must have completed a statistics course.
7. Approval from the MSN Admissions Committee.

RNs with a bachelor's degree in a field other than nursing will be required to complete NURN 4003, NURN 4024, and NURN 4034.

Conditional Admission

Applicants who fail to meet the above requirements may be admitted conditionally by the Graduate Admissions Committee to earn a maximum of twelve (12) graduate credit hours. If a student was admitted conditionally based on grade point average, the condition will be met if upon completion of twelve (12) semester hours a cumulative grade point average of 3.00 or better is achieved.

Academic Advisors

The Nursing Graduate Studies Committee will assign a faculty advisor to each student admitted to the Nursing degree program. The advisor will assist the student in the design of a curriculum of study that leads to the fulfillment of degree requirements. Additionally, the academic advisor and the Graduate College will monitor the student's progress. It remains, however, the student's responsibility to understand and to satisfy all degree requirements. RNs with a bachelor's degree in a field other than nursing will be required to complete NURN 4003, NURN 4024, and NURN 4034.

Degree Requirements

1. Thirty-nine credit hours are required for completion of the MSN Degree. Thirty hours shall be completed in a professional core component, including six (6) hours of research methods and 3-6 hours of research thesis/project (application). Nine (9) hours shall be completed in one of two specialty concentration areas: Nursing Administration (including six (6) hours of practicum) or Emergency Management (including three (3) hours of Workshop or Independent Study).

Core Curriculum (30 hours)
NUR 6103 Theoretical Perspectives  
NUR 6203 Research Design and Methods  
NUR 6213 Epidemiology  
NUR 6303 Law, Ethics, and Policy in Healthcare  
NUR 6313 The Role of the Nurse Administrator  
NUR 6513 Fiscal Management  
EMHS 6063 Principles of Hazards and Emergency Management  
EMHS 5993 Special Problems  
-Or-  
EMHS 6003 Design and Management of Preparedness and Mitigation Systems  
NUR 6403 Non-thesis project - AND Elective - 3 hours  
-Or-  
NUR 6996 Research Thesis

Nursing Administration Concentration Area

NUR 6503 Organizational Behavior and Human Resource Management  
NUR 6526 Nursing Administration Practicum

Emergency Management Concentration Area

EMHS 6023 Risk and Vulnerability Assessment for Business & Industry  
NUR 6603 Crisis Intervention in Disasters  
EMHS 5000-6000 Elective - 3 hours

MSN Track for registered nurses who have a bachelor's degree in a field other than nursing

The additional nine (9) hours of prerequisite courses for students in this track include the following:

NURN 4003 Scope of Professional Practice  
NURN 4024 Community Health  
NURN 4034 Leadership & Management

2. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
3. Twenty-Seven hours of graduate work must be taken while in residence at Arkansas Tech University.
4. The master's degree program must be completed within six (6) years from the time of admission to the graduate program.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the program director and the Graduate College Dean.

Graduate Credit Taken After Admission to Arkansas Tech University
A maximum of nine (9) semester hours of graduate credit with a grade point average of “B” or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.
Master of Engineering Engineering

The Master of Engineering program provides advanced study in a focused area of engineering to enhance career advancement. The program contains a common core of classes including project management, organizational communications, and advanced mathematics. Required graduate courses in engineering, focusing in one of the three available specializations, prepare the student for advanced engineering assignments.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Engineering degree program if they have:

1. Applicants must meet the admission requirements for the Graduate College.
2. Applicants must have completed a bachelor's degree in engineering from an ABET accredited program with a cumulative grade point average of 2.75 or greater on a scale of 4.0. If their undergraduate engineering degree was obtained from a non-ABET accredited program, then they must submit an official copy of their recent (within the last five (5) years) Graduate Record Exam (GRE) Quantitative Reasoning Score equal to or greater than 146 (550 prior scale).
3. Applicants must submit a letter of intent that addresses the applicant's intended focus and reasons for applying to the degree program. Based upon an applicant's intended program focus, deficiency courses may be identified to be completed before enrollment in some engineering graduate courses.
4. Applicants must provide two letters of recommendation, using the form provided by the department, from professors familiar with the applicants academic ability.
5. Approval from the Program Director.

Conditional Admission

Applicants not meeting the unconditional admission requirements will be considered on a case-by-case basis for conditional admission into the program. Any deficiencies identified for conditional admits should be satisfied within the first calendar year of enrollment, and until all deficiencies are resolved applicants may take a maximum or twelve (12) hours for graduate credit. Conditionally admitted students may be required to take one or more undergraduate courses which they must complete with a 3.0 average or better.

Each student is required to have a graduate advisor who is a member of the electrical or mechanical engineering departments and the graduate faculty. A formal letter from the advisor to the head of the student's major department acknowledging the advisor's willingness to serve as the student's graduate advisor is required during the students first semester of course work in the program. The advisor and two additional qualified personnel, selected by the student and advisor, will serve as the student's Graduate Advisory Committee. At least two committee members must be faculty in engineering. The student and advisor will work to develop a program of study which must be submitted for approval with the application for candidacy as discussed below.

Degree Requirements

1. A minimum of 36 semester hours of coursework at the graduate level must be completed which includes twelve (12) semester hours in the common core, and an additional 24 semester hours which meet the requirements of one of the concentration areas listed below. A minimum of 18 semester hours must be at the 6000 level.

   Common Core (12 hours)
   
   MGMT 5203 Project Management
   SPH 5063 Organizational Communication

   Six (6) hours from:
   MATH 5103 Linear Algebra II
   MATH 5163 Applied Statistics II
   MATH 5273 Complex Variables
   MATH 5243 Differential Equations II
   MATH 5343 Introduction to Partial Differential Equations

   Concentration Area (24 hours)
Electrical Engineering
In addition to the common core, 24 semester hours in graduate Electrical Engineering courses are required with a minimum of 18 semester hours at the 6000 level.

Mechanical Engineering
In addition to the common core, 24 semester credit hours are required with a minimum of 18 hours of graduate engineering coursework and 12 hours of MCEG graduate courses.

Nuclear Engineering
Prerequisites: PHYS 3213, MCEG 3503, MCEG 3512 or equivalent experience/training

MCEG 6503 Reactor Physics
MCEG 6523 Nuclear Materials
MCEG 6533 Radiation Interactions and Shielding
MCEG 6513 Advanced Radiation Detection Lab
MCEG 6993 Independent Study
Electives - 9 hours

2. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.

3. Successful completion of a comprehensive final examination, consisting of both a written and oral portion and administered by the student's Graduate Advisory Committee, is required in addition to the coursework requirements above. This exam will be administered during the student's final semester and may be attempted a maximum of three times.

4. Completion of all requirements of the degree must be accomplished within six (6) years from the time of admission to the program.

5. A minimum of 27 semester hours of graduate course work completed at Arkansas Tech University.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of nine (9) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

Graduate Credit Taken After Admission to Arkansas Tech University
If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the program director and the Graduate College Dean.
The Master of Arts in English is a flexible program designed to prepare students for doctoral-level study or for careers in post-secondary teaching, and to provide secondary teachers with a content-specific program to enhance their credentials.

Tech’s MA in English with Teaching English as a Second Language (TESL) option offers graduate students an opportunity to include the four courses prescribed by the Arkansas Department of Education for ESL endorsement within a structured degree program. The English with TESL option can prepare students for doctoral-level study or for careers in post-secondary teaching and the degree can also be used to enhance the credentials of secondary teachers.

Students completing the English with the TESL option program should be able to:

1. Demonstrate knowledge of the theory and practice of teaching English as a second language.
2. Generate writing that demonstrates an advanced ability to analyze and synthesize.
3. Conduct original research.

Students who complete the English program should be able to:

1. Demonstrate mastery of significant American and British literary works.
2. Generate writing that demonstrates an advanced ability to analyze and synthesize.
3. Conduct original research.
4. Demonstrate familiarity with a variety of interdisciplinary critical approaches.

Unconditional Admission

Students are eligible to apply for unconditional admission to the MA degree program in English if they meet the admission requirements for the Graduate College.

Conditional Admission

Applicants who fail to meet the grade point requirement specified for unconditional admission may be admitted conditionally to enroll for a maximum of twelve (12) semester hours. If a student was admitted conditionally based on grade point average, the condition will be met if upon completion of twelve (12) semester hours a cumulative grade point average of 3.00 or better is achieved.

Academic Advisors

The Head of the English Department will assign a faculty advisor to each student admitted to the MA degree program. The advisor will assist the student in the design of a curriculum of study that leads to the fulfillment of degree requirements. Subsequently, the academic advisor and the Graduate College monitor the student's progress. It remains, however, the student's responsibility to understand and to satisfy all degree requirements.

Degree Requirements for English

1. The completion of at least 30 semester hours of graduate course work, at least 15 semester hours at the 6000 level.
2. Satisfactory completion of ENGL 6003 Introduction to English Graduate Study.
3. The satisfactory completion of 27 semester hours of graduate English electives (non-thesis option), or 21 semester hours and six (6) hours of ENGL 6991-6 Thesis Research or ENGL 6996 Thesis Research (thesis option).
4. The satisfactory completion of a comprehensive examination based on the MA in English Examination Reading List.
5. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
6. The completion of a minimum of 24 semester hours of graduate course work in residence at Arkansas Tech University. Full-time residence is not required.
7. The completion of all degree requirements within six (6) years of admission.

Degree Requirements for English with TESL Option

1. The MA with TESL option requires 30 semester hours with at least 15 semester hours at the 6000 level.
2. The satisfactory completion of the following graduate English courses:
   ENGL 5023 Second Language Acquisition
   ENGL 5703 Teaching English as a Second Language
   ENGL 5713 ESL Assessment
ENGL 5723 Teaching People of Other Cultures
ENGL 6003 Introduction to Graduate English Study
ENGL 6013 Structure of the English Language
ENGL 6023 Composition Theory and Practice

3. The satisfactory completion of nine (9) semester hours of graduate English or TESL electives.
4. The satisfactory completion of a comprehensive examination based on material covered in the seven prescribed courses.
5. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
6. The completion of a minimum of 24 semester hours of graduate course work in residence at Arkansas Tech University. Full-time residence is not required.
7. The completion of all degree requirements within six (6) years of admission to the program.

Master's Thesis Option

Students who elect the thesis option will work with a faculty advisor to prepare a thesis plan. After this thesis plan is approved by the Head of the Department of English and the Graduate College Dean, the student may enroll for thesis credit. Students may complete their theses over two semesters by enrolling twice in ENGL 6993 Thesis Research or complete their theses in a single semester while enrolled in ENGL 6996.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of six (6) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must, in advance of enrollment, obtain written approval from the program director and the Graduate College Dean.
The Master of Arts in History program at Arkansas Tech University is designed to provide advanced study for current and future educators (secondary and post-secondary) as well as those who plan to pursue the doctoral degree in history. The degree is also ideal for those seeking careers in museum or heritage studies, publishing, business, law, public service, or the private sector. Graduate faculty hold advanced degrees from noted universities and exhibit strong credentials in teaching, research, and scholarship. The graduate faculty also maintain a supportive academic environment that enables them to interact closely with graduate students.

**Unconditional Admission**

Students are eligible to apply for unconditional admission to the Master of Arts degree program in History if they meet the following requirements:

1. Applicants must meet the admission requirements for Graduate College.
2. Applicants must have a minimum of 24 semester hours in history at the undergraduate level.
3. Applicants must have an overall undergraduate grade point average of 3.00 on a 4.00 scale.
4. Approval from the Program Director.

**Conditional Admission**

An applicant who does not satisfy the grade point requirement or who has not completed 24 hours of undergraduate work in history is also eligible for admission under these conditions. In some instances, transcripts may be judged to be deficient and the student may be required to complete up to twenty-four (24) undergraduate hours in addition to graduate credits required for the degree. If a cumulative 3.00 grade point average is achieved at the completion of twelve (12) graduate hours, the student will be granted unconditional admission. The nature of the deficiency requirements will be determined by the History Graduate Program Director.

**Academic Advisors**

The Graduate Program Director serves as the initial advisor for each entering student and will assist the student in coordinating a Degree Plan. The Graduate Program Director will appoint an additional faculty advisor who specializes in the general field of the student's interest to guide the student through the curriculum and help prepare for the thesis or comprehensive exams. The faculty advisor, the Graduate Program Director, the History Graduate Committee, and the Graduate College monitor students' progress as they work through the program. It remains, however, the student's responsibility to understand and satisfy all degree requirements.

**Areas of Concentration**

The Master of Arts in History program at Arkansas Tech has been designed to offer primary areas of concentration in Modern European History, United States History, and World History.

**Degree Requirements**

**Option I: Thesis Option**

The student seeking the Master of Arts degree in History under the Thesis Option must complete the following:

1. A minimum of 30 hours in history at the graduate level (5000-6000).
2. The satisfactory completion of HIST 6003 Historical Methods and HIST 6053 Historiography.
3. The satisfactory completion of twelve (12) hours in the primary area of concentration, including at least three (3) hours each in Readings and Seminar courses.
4. The satisfactory completion of an additional six (6) hours in areas of concentration other than the primary area of concentration.
5. The satisfactory completion of six (6) hours of HIST 6991-6 Thesis Research.
6. All course work must be completed within six (6) years of admission to the degree program.
7. A minimum of 24 semester hours of graduate coursework completed in residence at Arkansas Tech University.
8. The successful defense of the completed thesis. Candidates will receive additional information on the oral defense from the Program Director upon admission to candidacy.
9. No more than nine (9) hours combined of 5000 level courses, HIST 6891-4 Independent Study, and HIST 6881-3 Workshop may be counted toward the degree.
10. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
11. Thesis hours must earn a grade no lower than "B".
**Option II: Non-Thesis Option**

The student seeking the Master of Arts degree in History under the Non-Thesis Option must successfully complete the following:

1. A minimum of 30 hours in history at the graduate level (5000-6000).
2. The satisfactory completion of **HIST 6003** Historical Methods and **HIST 6053** Historiography.
3. The satisfactory completion of twelve (12) hours in the primary area of concentration, including at least three (3) hours in Readings courses and three (3) hours in Seminar courses.
4. The satisfactory completion of an additional six (6) hours in areas of concentration other than the primary area of concentration.
5. All course work must be completed within six (6) years of admission to the degree program.
6. The satisfactory completion of an additional six (6) hours in any area of concentration, three (3) hours of which must be a Seminar course.
7. A minimum of 24 semester hours of graduate coursework completed in residence at Arkansas Tech University.
8. Successful completion of written comprehensive examinations on the completed course work. Comprehensive examinations will comprise two (2) written exams in the primary area of concentration and one in either of the other two (2) areas of concentration. Candidates will receive additional information from the Program Director upon admission to candidacy.
9. No more than nine (9) hours combined of 5000 level courses, **HIST 6891-4** Independent Study, and **HIST 6881-3** Workshop may be counted towards the degree.
10. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.

**Candidacy**

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

**Application for Graduation**

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

**Special Conditions of Graduate Credit**

**Graduate Credit Taken Prior to Admission to Arkansas Tech University**

A maximum of six (6) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

**Graduate Credit Taken After Admission to Arkansas Tech University**

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must, in advance of enrollment, obtain written approval from the program director and the Graduate College Dean.
The Master of Arts in Multi-Media Journalism is a program designed to prepare students for careers in media that are being transformed by developing new technologies. The program provides students with traditional journalistic writing skills adapted to the digital age. It also teaches the requisite theory and research methods to enable graduates to be ethical, informed users of online data bases for news gathering as well as video graphics and other technologies for electronic media delivery.

**Unconditional Admission**

Students are eligible to apply for unconditional admission to the Master of Arts degree program in Multi-Media Journalism if they meet the following requirements:

1. Applicants must meet admission requirements for [Graduate College](#).
2. Applicants must submit Graduate Record Examination (GRE) or the Miller Analogies Test (MAT) test scores.
3. Applicants must present a 500 word writing sample to the Director of the Multi-Media Journalism Program.
4. Applicants must successfully complete a writing and technology performance review by the Journalism Graduate Committee following the applicant's first semester in the program required.
5. Approval from the Program Director.

**Conditional Admission**

Applicants who fail to meet all of the departmental requirements may be accepted conditionally provided the deficiencies are completed prior to the completion of twelve (12) semester hours of graduate work.

Applicants who fail to meet the grade point requirement specified for unconditional admission may be admitted conditionally to enroll for a maximum of twelve (12) semester hours.

If a student was admitted conditionally based on grade point average, the condition will be met if upon completion of twelve (12) semester hours a cumulative grade point average of 3.00 or better has been achieved.

**Academic Advisors**

The director of the program will assign a faculty advisor to each student admitted to the degree program. The advisor will assist the student in the design of a curriculum of study that leads to the fulfillment of degree requirements. Subsequently the academic advisor, the Journalism Graduate Committee, and the Graduate College monitor the student's progress as he/she progresses through the program. It remains, however, the student's responsibility to understand and to satisfy all degree requirements.

**Degree Requirements**

1. The completion of a minimum of 30 semester hours of graduate work including the following courses:

   - JOUR 5023 Social Media
   - JOUR 5043 Journalism Ethics
   - JOUR 6013 Visual Storytelling
   - JOUR 6023 Video Production for New Media
   - JOUR 6053 Media and Society
   - JOUR 6133 Multi-Media Publishing
   - JOUR 6193 Journalistic Writing for Multi-Media
   - JOUR 6331-3 Professional Portfolio
   - Electives 6 Hours*

   *Electives may be chosen from the following Journalism courses.
   - JOUR 5033 Community Journalism
   - JOUR 5073 Graphic Communication
   - JOUR 5083 New Communication Technology
   - JOUR 5113 History of American Journalism
   - JOUR 5123 Laws of Communication
   - JOUR 5163 Advanced Photography and Video
   - JOUR 5243 Journalism Writing Seminar

2. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on [Academic Probation and Dismissal](#).
3. Satisfactory completion of the professional project.
4. Completion of all degree requirements within six (6) years of admission to the degree program.
A minimum of 24 semester hours of graduate coursework completed in residence at Arkansas Tech University.

**Candidacy**

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

**Application for Graduation**

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

**Special Conditions of Graduate Credit**

**Graduate Credit Taken Prior to Admission to Arkansas Tech University**

A maximum of six (6) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program.

Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

**Graduate Credit Taken After Admission to Arkansas Tech University**

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must, in advance of enrollment, obtain written approval from the program director and the Graduate College Dean.
Master of Arts in Teaching

The University has an interest for providing additional opportunities for individuals to become highly qualified teachers in Arkansas. The Master of Arts in Teaching is a program of study to prepare candidates for teacher licensure in Arkansas.

This program may be completed online.

Candidates who complete the program of study may be recommended to Arkansas Department of Education for licensure as teachers in the grade ranges and content areas listed below:

Middle Childhood, grades 4 - 8
Secondary Education, grades 7 - 12
Business, Life/Earth Science
English, Physical/Earth Science
Mathematics, Physical Education, Wellness and Leisure
Social Studies, Music (Instrumental & Vocal)

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Arts degree program in Teaching if they meet the following requirements:

1. Applicants must meet the admission requirements for the Graduate College.
2. Applicants must meet a minimum undergraduate cumulative GPA of 2.75 or a 3.0 GPA in the last 30 hours.
3. Approval from Program Director.

Conditional Admission

Applicants who fail to meet all of the departmental requirements may be accepted conditionally provided certain deficiencies are met prior to the completion of twelve (12) semester hours of graduate work.

Academic Advisors

The academic advising process for degree students begins at the time that the student is admitted to the Graduate College. When the student is admitted, they need to meet with the Program Director for an advising and orientation session at the student's earliest convenience.

When the student meets with the program director, he/she is given an orientation, a master's degree program check-off list which outlines all major steps in completing the degree and a degree plan outline, a list of courses to be completed. This initial advising session ensures that the student is informed of all degree requirements, policies, and procedures; is familiar with the department and program director; and is assigned to an advisor (usually the program director). Subsequently, the academic advisor and the Graduate College monitor the student's progress as they progress through the program. It remains, however, the student's responsibility to understand and satisfy all degree requirements.

The graduate academic advisor is responsible for:

1. Helping the student plan a balanced program of graduate work adapted to the student's particular interests, needs and abilities.
2. Advising and assisting the student during the completion of the requirements for the degree.
3. Assisting the student in preparing for the internship.
4. Ensuring that the student is aware of assistance and services provided for graduate students by various university offices.

Degree Requirements

1. Thirty-six semester hours must be completed.

Core Courses (18 hours)

MAT 5703 Technology for Teaching and Learning
MAT 6503 Classroom and Behavioral Management
MAT 6043 Principles and Theories of Learning
MAT 6003 Educational Research
MAT 6053 The At-Risk Child in the School Environment
MAT 6403 Social, Historical, and Legal Factors in Education

Middle/Secondary (18 hours)
MAMS 5333 Teaching Literacy in the Content Areas
MAMS 6303 Models of Teaching
MAMS 6063 Educational Assessment
MAMS 5303 Middle School Philosophy and Organization
MAMS 6806 internship - all coursework in program must be completed to enroll in MAMS 6806

Extra courses required by Arkansas State Department for licensure purposes:

Arkansas History (Middle Level and Secondary social studies majors)

One course in Language and Literacy; ECED 3283 (Middle Level)

A Human Development Course based on the major (Middle Level or Secondary Level)

An internship in the public school must be successfully completed.

2. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.

3. Twenty-Seven hours of graduate work must be taken while in residence at Arkansas Tech University*. Full-time residence is not required.

4. The master's degree program must be completed within six (6) years from the time of admission to the graduate program.

5. A maximum of nine (9) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the program director or department head.

Candidacy

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

Application for Graduation

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

Special Conditions of Graduate Credit

Graduate Credit Taken Prior to Admission to Arkansas Tech University

A maximum of nine (9) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student's major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

Graduate Credit Taken After Admission to Arkansas Tech University

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must, in advance of enrollment, obtain written approval from the program director and the Graduate College Dean.
Master of Arts
Teaching English to Speakers of Other Languages

The Master of Arts degree in Teaching English to Speakers of Other Languages (TESOL) includes the four courses prescribed by the Arkansas Department of Education for ESL endorsement within a flexible degree program. The MA in TESOL can enhance the credentials of K-12 teachers, prepare students for careers in post-secondary teaching in the United States or overseas, and serve as a foundation for doctoral-level studies.

This program may be completed online.

Students who complete the MA in TESOL should be able to:

1. Demonstrate knowledge of the theory and practice of teaching English to speakers of a second language.
2. Generate writing that demonstrates as advanced ability to analyze and synthesize.
3. Conduct original research.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Arts degree program in TESOL if they meet the admission requirements for the Graduate College.

Conditional Admission

Applicants who fail to meet all of the departmental requirements may be accepted conditionally provided the deficiencies are completed prior to the completion of twelve (12) semester hours of graduate work.

Applicants who fail to meet the grade point requirement specified for unconditional admission may be admitted conditionally to enroll for a maximum of twelve (12) semester hours. If a student was admitted conditionally based on grade point average, the condition will be met if upon completion of twelve (12) semester hours a cumulative grade point average of 3.00 or better is achieved.

Academic Advisors

The director of the program will assign a faculty advisor to each student admitted to the degree program. The advisor will assist the student in the design of a curriculum of study that leads to the fulfillment of degree requirements. Subsequently, the academic advisor, the Department Graduate Committee, and the Graduate College monitor the student's progress through the program. It remains, however, the student's responsibility to understand and to satisfy all degree requirements.

Degree Requirements

1. The satisfactory completion of the following 30 semester hours of graduate work.

   TESL 5023 or ENGL 5023 Second Language Acquisition*
   TESL 5703 or ENGL 5703 Teaching English as a Second Language*
   TESL 5713 or ENGL 5713 ESL Assessment*
   TESL 5723 or ENGL 5723 Teaching People of Other Cultures*

   TESL or ENGL 5000-6000 level Electives selected from the following (18 semester hours):

   TESL 6003 Linguistics for ESL Teachers
   TESL 6013 Modern English Grammar and Usage or ENGL 6013 Structure of the English Language
   TESL 6023 Language and Society
   TESL 6033 Oral and Written Communication or ENGL 6023 Composition for Teachers
   TESL 6053 Tesol Assessment Strategies
   TESL 6063 Instructional Strategies in Content Areas and
   TESL 6143 Reading for English Language Learners
   TESL 6863 TESOL Practicum or ENGL 6863 TESL Practicum
   ENGL 5083 Seminar in English Language
   ENGL 6023 Rhetoric
   ENGL 6083 Seminar in Linguistics
   ENGL 6283 Literature and Society

   *Note: These four courses compose the course work required by the Arkansas Department of Education for an ESL endorsement to an Arkansas Teaching License.

2. The satisfactory completion of an examination based on three MA TESOL courses selected by the student. Licensed teachers who complete TESL 6863 TESOL Practicum are exempt from the examination requirement.
3. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas
Tech University, with a maximum of six (6) hours of “C” grades. A student receiving more than six (6) hours of “C” grades or grades lower than “C” should refer to the section of the catalog on Academic Probation and Dismissal.

4. The completion of a minimum of 24 semester hours of graduate work at Arkansas Tech University. Full-time residence is not required.

5. The completion of all degree requirements within six (6) years of admission to the degree program.

**Candidacy**

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students’ record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students’ record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

**Application for Graduation**

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

**Special Conditions of Graduate Credit**

**Graduate Credit Taken Prior to Admission to Arkansas Tech University**

A maximum of six (6) semester hours of graduate credit with a grade point average of “B” or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the head of the student’s major department and the Graduate College Dean. Students must send a written request to the head of their major department to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the appropriate program director and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

**Graduate Credit Taken After Admission to Arkansas Tech University**

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must, in advance of enrollment, obtain written approval from the program director and the Graduate College Dean.
Master of Liberal Arts

The MLA degree is suited to the student who is interested in graduate study in the liberal arts, but is not interested in a research degree in a specific arts discipline or in a graduate degree in a technical area. The MLA is useful for middle school and high school English, speech, theatre, journalism, and social studies teachers who want to deepen their knowledge of the areas they teach. Other professionals who have specialized educational backgrounds, but who have an interest in the liberal arts, will also find the MLA attractive.

The MLA degree has three areas of concentration: Communications for those interested in English, journalism, language, linguistics, literature, and speech; The Fine Arts for those interested in music, theatre, art and music appreciation; Social Sciences for those interested in American studies, geography, history, philosophy, political science, psychology, and sociology. The goals of the Liberal Arts program include the ability to:

1. Generate writing that demonstrates an advanced ability to analyze and synthesize.
2. Conduct original research.
3. Demonstrate familiarity with interdisciplinary study.

Unconditional Admission

Students are eligible to apply for unconditional admission to the Master of Liberal Arts degree program if they meet the admission requirements for Graduate College.

Conditional Admission

Applicants who fail to meet the grade point requirement specified for unconditional admission may be admitted conditionally to enroll for a maximum of twelve (12) semester hours. If a student was admitted conditionally based on grade point average, the condition will be met if upon completion of twelve (12) semester hours a cumulative grade point average of 3.00 or better is achieved.

Academic Advisors

The MLA Director will serve as faculty advisor to each student admitted conditionally or unconditionally to the MLA degree program. The advisor will assist the student in the design of a curriculum of study that leads to the fulfillment of degree requirements. Subsequently, the academic advisor and the Graduate College monitor the student's progress through the program. It remains, however, the student's responsibility to understand and to satisfy all degree requirements.

Degree Requirements for MLA with Project Option

1. The completion of at least 30 semester hours of graduate course work, at least 15 of which must be at the 6000 level.
2. The satisfactory completion of LA 6013, Introduction to the Liberal Arts1, and LA 6711-3, Liberal Arts Project2, as part of the 30-semester-hour requirement.
3. The completion of a 12 to 18 semester hour major concentration of course work in one of three areas:
   - Communications (including English and linguistics)
   - The Fine Arts
   - Social Sciences
   The completion of 6 to 12 hours in a related area of study.
4. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal.
5. A minimum of 24 semester hours of graduate course work completed in residence at Arkansas Tech University. (Full time residence is not required.)
6. Completion of all degree requirements within six (6) years of admission to the program.

1LA 6013 must be taken before the completion of twelve semester hours of graduate course work.
2The requirements for this course include a scholarly research paper. With the approval of the Graduate College Dean and the MLA Director, a significant creative project may be substituted for a scholarly research paper.

Degree Requirements for MLA with Exam Option

1. The completion of at least 30 semester hours of graduate course work, at least 15 of which must be at the 6000 level.
2. The satisfactory completion of LA 6013, Introduction to the Liberal Arts1 as part of the 30 semester hour requirement.
3. The completion of a 15 to 21 semester hour major concentration of course work in one of three areas:
   - Communications (Including English and linguistics)
   - The Fine Arts
   - Social Sciences
   The completion of 6 to 12 hours in a related area of study.
4. The satisfactory completion of a comprehensive exam based on course work.
5. A cumulative grade point average of a 3.00 or better must be achieved in all graduate work attempted at Arkansas Tech University, with a maximum of six (6) hours of "C" grades. A student receiving more than six (6) hours of "C" or grades lower than "C" should refer to the section of the catalog on Academic Probation and Dismissal. (Full-time residence is not required.)
6. Completion of all degree requirements within six (6) years of admission to the program.

1 LA 6013 must be taken before the completion of twelve semester hours of graduate course work.

**Candidacy**

Graduate students admitted unconditionally must apply for candidacy to the selected degree program upon completion of twelve (12) graduate credit hours. Students admitted conditionally cannot apply for candidacy until all conditions assigned at the time of admission to graduate study have been removed.

Upon the completion of twelve (12) graduate hours, a hold will be placed on the students' record until a candidacy form has been approved by the Graduate Dean. Failure to apply for candidacy will result in the hold remaining on the students' record, and an inability to register for subsequent coursework.

Students who have filed a candidacy form but do not enroll or receive graduate credit for one (1) academic year must submit a new candidacy form upon being readmitted into the same graduate program. If admitted into a different academic program, students are not required to submit a new candidacy form until twelve (12) graduate credits have been accumulated within the new program.

**Application for Graduation**

In addition to satisfying all degree requirements, a candidate for a degree must file an Application for Graduation online or at the Registrar's Office. Students must apply for graduation upon completion of twelve (12) graduate credit hours.

**Special Conditions of Graduate Credit**

**Graduate Credit Taken Prior to Admission to Arkansas Tech University**

A maximum of six (6) semester hours of graduate credit with a grade point average of "B" or better may be transferred from an accredited graduate school if deemed appropriate to the graduate program by the director of the MLA program and the Graduate College Dean. Students must send a written request to the director of the MLA program to petition an acceptance of the transfer credit prior to requesting admission to candidacy to the graduate program. Graduate credit earned six (6) years prior to the completion date of all degree requirements may not be applied toward the degree without the approval of the director of the MLA program and the Graduate College Dean. Credits earned by correspondence courses or for remedial purposes will not apply toward the graduate degree. No undergraduate course may be repeated for graduate credit.

**Graduate Credit Taken After Admission to Arkansas Tech University**

If after admission to graduate study, a student wishes to take a course at another institution to count toward degree requirements at Arkansas Tech University, the student must (in advance of enrollment) obtain written approval from the director of the MLA program and the Graduate College Dean.

**Liberal Arts Project**

All candidates for the MLA degree must complete LA 6711-3, Liberal Arts Project. The requirements for this course include a scholarly research paper that will be presented publicly. With the approval of the Graduate College Dean and the MLA Director, a significant creative project may be substituted for a scholarly research paper.
Accounting Course Descriptions

ACCT 6003: Principles of Business Accounting
A survey of basic accounting techniques for graduate students who have not previously had an accounting course. The course addresses the fundamental mechanics of accounting, including the preparation and analysis of corporate financial statements. It also addresses operational accounting issues such as product costing, cost-volume-profit analysis, operational and capital budgeting, and performance evaluations.

ACCT 6093: Special Topics in Accounting
Prerequisite: ACCT 6003
Course offers an in-depth exploration of selected accounting issues affecting business. The primary focus of the course will vary from offering to offering; thus the course may be taken more than once. There is a required research project.

Note: Students are limited to a maximum of three (3) hours of special topics credit.
**ANTH 5403: Interpretation/Education through Museum Methods**

Cross-listed: HIST 5403, MUSM 5403

Prerequisite: Permission of the instructor or Department Head.

Museum perspectives and approaches to care and interpretation of cultural resources, including, interpretive techniques of exhibit and education outreach materials, and integrating museum interpretation/education into public school and general public programming. Class projects focus on special problems for managing interpretive materials in a museum setting. Graduate level projects or papers involve carrying out research relevant to the Museum's mission and relating to current Museum goals.

Note: May not be taken for credit after completion of ANTH 4403, HIST 4403, or MUSM 4403.

**ANTH 5853: Music of the World's Peoples**

Cross-listed: MUS 5853

A survey of predominantly non-Western world music cultures with attention to sonic structures, musicians, musical instruments, and socio-cultural contexts of music making. Listening emphasized.

Note: Open to students in all majors.
ART 5723: Art History Seminar

Prerequisite: Graduate standing, permission of instructor.

This course will provide an advanced forum for in depth examination and focus of a particular artist, movement, theme or period in art history.

ART 6163: Survey of 20th Century Photography

An investigation of the development of photography as a fine art or commercial art form or as a medium for social documentary. Fine art photography is emphasized with the work of significant advertising, commercial, and documentary photographers also included.
BIOL 5064: Evolutionary Biology

Prerequisite: Graduate standing

This course focuses upon the principles and major concepts in evolutionary biology from a historical and contemporary viewpoint. Morphological and molecular evolution, population genetics, systematics, the fossil record, a history of life on earth, macroevolution, adaptation, and applications to species conservation are among the topics examined in the course. Laboratory exercises include analysis of populations and species with molecular techniques, computer investigations, and internet resources.
Business Law Course Descriptions

**BLAW 6003: Survey of Business Law and Ethics**

This course is designed to introduce students to the American legal system, increase their understanding of legal issues and potential liabilities in business contexts, and equip them to meet their legal obligations with ethical integrity in a competitive marketplace. Topics will include the structure and function of the American legal system, contracts, torts, white-collar crime, business organizations, and employment law, with emphasis on legal reasoning and policy implications. There is a required research project.

**BLAW 6093: Special Topics In Law**

Prerequisite: BLAW 6003

Course offers an in-depth exploration of selected legal issues affecting business. The primary focus of the course will vary from offering to offering; thus the course may be taken more than once. There is a required research project.
**BUAD 6003: Independent Study**

Prerequisites: 21 hours must be completed toward the program requirements.

Students will complete an administrative project approved in advance by their advisor. The project must include elements of administration with a subject relevant to the student's program of study. Successful completion of the project will include a professional report and full presentation of the project findings/results. The work may take the form of an internship, a research project or a consulting project.

**BUAD 6093: Special Topics in Business**

Prerequisite: Twelve (12) hours must be completed toward the degree requirements.

Course offers an in-depth exploration of selected issues affecting business. The primary focus of the course will vary from offering to offering; thus the course may be taken more than once. There is a required research project.

Note: Students are limited to a maximum of six (6) hours of special topics credit.
The workshop will require the equivalency of fifteen clock hours of instruction per credit hour.
Counseling Course Descriptions

**COUN 6003: School Organization and Leadership for the Counselor**

The course will examine how schools are organized and supported from the federal level to the local school. The concepts of leadership and its role at all levels will be a focal part of this study. Students will begin to examine their leadership style and dispositions.

**COUN 6011: Instructional Leadership/Counseling**

This course will focus on the "hard and soft" skills of instructional leadership, counseling, and micro-counseling. The teaching and learning process will be the focus of student work. Students will learn how to observe and coach for excellence in teaching and learning. The reflective practice model will serve as a basis for theory and skill development.

**COUN 6012: Assessment and Appraisal**

This course will focus on an in-depth study of norm reference and criterion reference assessments. Group, standardized assessment and individual assessment will be addressed. Student will study assessment techniques, instruments selection, analysis and interpreting assessment data, as well as appropriate ways to report data.

**COUN 6113: Action Research and Data Analysis for High Performing Schools**

This course will center on the analysis of data with emphasis on student achievement and whole school accountability. Data-driven decision making will be examined. Students will look at research methodologies with a focus on action research and the role of the leader in facilitating action research in the field.

**COUN 6133: Principles of Curriculum Development**

This course will focus on national, state, and local curriculum standards. Students will gain an understanding of the alignment issues of curriculum, instruction, and assessment as they prepare a curriculum artifact based on the principles of curriculum.

**COUN 6143: Organizational Change/Role of School Counselor**

This course will examine theories of change looking at research and case studies of first and second order change. Students will gain strategies as leaders of change as schools work to move closer to higher performance. Students will study a current change taking place in a school.

**COUN 6152: Professional Portfolio**

Students will develop a portfolio organized to provide evidences demonstrating proficiency supporting the standards for Arkansas licensure requirements for counselors. This professional portfolio will be a comprehensive collection of artifacts reflective of the program of study designed to meet the standards for school counselors.

**COUN 6202: Ethics and Legal Issues for the School Counselor**

This course will prepare school counselors to address the challenge of legal and ethical decisions, while keeping the students’ welfare in mind, by abiding by the Code of Ethics set forth by the American School Counseling Association (ASCA) Ethical Standards, as well as the American Counseling Association (ACA) Ethical Standards. The students will gain knowledge of and an understanding for Arkansas school law in dealing with legal issues.

**COUN 6213: Developmental Counseling: Theory and Application**

This course provides an overview of the basic tenets of life span development and how they relate to school counseling. Developmental Counseling contains a balance of research, theoretical clarity, and practical application as students move through the stages of lifesaving development.

**COUN 6224: Counseling Skill Development I**

Students will examine basic skills and characteristics involved in becoming effective school counselors; will articulate, practice, and demonstrate basic mastery of these skills and characteristics; will develop a systematic approach to the counseling process; and will assess personal strengths and limitations related to becoming professional school counselors.

**COUN 6233: School Counseling Programs**

This course will review the basic concepts and principles of elementary, middle, and secondary school counseling programs. Specific focus will be on program accountability, development, and leadership of school-based counseling programs.
COUN 6243: Group Counseling Strategies in the Schools

Students will be expected to draw relationships among the concepts and principles of individual, family, and group counseling and apply that knowledge to a school setting.

COUN 6253: Career Development/Academic Advising

This course prepares school counselors to facilitate the public school's role in career development, through awareness to planning, and decision making within the educational context. A focus is placed on student academic development and advising, as well.

COUN 6263: Teaming, Collaboration, and Advocacy

This course emphasizes the values, knowledge, and skills required for effective advocacy and brokering of services through consultation and collaboration. Use of data to identify needs, remove barriers and mobilize resources from the school and the community in order to increase options for students are primary themes through the course. Special attention is placed on equal access of all students to rigorous educational experiences.

COUN 6302: School Counseling Internship

This course provides graduate students an opportunity to engage in supervised, on-the-job experiences in a school setting. The internship includes scheduled on-campus group supervision designed to provide guidance, analysis, and evaluation of this capstone field experience.

$50 internship fee.

COUN 6303: Counseling Skill Development II

Students will examine intermediate skills and characteristics involved in becoming effective school counselors. Students will articulate, practice, and demonstrate mastery of these skills and characteristics; will develop a systematic approach to the counseling process; and will further assess personal strengths and limitations related to becoming professional school counselors.

COUN 6304: Internship

This course provides graduate students an opportunity to engage in supervised, on-the-job experiences in a school setting. The internship includes scheduled on-campus group supervision designed to provide guidance, analysis, and evaluation of this capstone field experience.

$100 internship fee.

COUN 6891,6892,6893: Independent Study

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis. May be repeated for a maximum of four (4) hours.
College Student Personnel Course Descriptions

**CSP 6023: Introduction to College Student Personnel Work**

This course will provide the student with an understanding of the breadth of college student personnel work and introduce the student to the theory and practice of student personnel work as a profession.

**CSP 6033: Theory and Practice in College Student Personnel**

This is an introductory course in college student development theory. Students will be provided with a foundation to understand student development theory and how to apply it in a practical way in their work with college students.

**CSP 6043: American College Student**

An overview of the literature and research on American college students. After reviewing the literature on student transition to college, student collegiate experiences, student development in college, and college impact on students, the focus will be on effective institutional policies and practices in enhancing positive student college experiences, learning, and other desirable outcomes.

**CSP 6053: Legal Issues for Professionals in College Student Personnel**

This course is designed to teach a process of legal analysis. Benchmark cases will be used to illuminate basic issues. The student will be exposed to a range of administrative problems at the postsecondary level that entail legal implications. The course experiences should ultimately help current and prospective administrators to envision the legal dimensions of collegiate-level decision processes.

**CSP 6063: Special Topics: College Student Personnel Capstone Seminar**

Prerequisite: A minimum of 24 hours must be earned toward program requirements.

This capstone seminar is designed to provide graduating college student personnel students with the opportunity to discuss current issues in student affairs practice with the goal of preparing them as new professionals in the field.

**CSP 6073: Counseling with College Students**

An exploration of ways adults construct meaning, including intellectual, moral, and personality development. Gender and culture will be highlighted as they affect learning and development.

**CSP 6083: Practicum I in College Student Personnel**

Prerequisite: A minimum of 18 hours must be earned toward program requirements.

This course provides students the opportunity to participate in a supervised professional experience. The student will process, discuss, and share experiences gained during the practical internship to integrate the experiences with the student development theory.

**CSP 6093: Practicum II in College Student Personnel**

Prerequisite: Successful completion of CSP 6081-3.

A practical, applied course where students will participate actively in a supervised professional experience. The student is expected to process, discuss, and share experiences gained during the professional experience and to integrate those experiences with the student development theory.

**CSP 6113: Research Design and Analysis**

The student will learn to interpret, analyze, and evaluate research reports in professional journals and will understand the principles which underlie effective scientific investigation.

**CSP 6123: Assessment and Evaluation in Higher Education**

An in-depth survey of the outcomes assessment and institutional effectiveness movement and including assessment techniques, instruments selection, analysis of assessment data, and reporting of assessment findings.

**CSP 6133: Ethical Leadership in Higher Education**

A study of how educational policy is developed through micro and macro political elements, an examination of ethical and value issues confronting educational leaders, and a demonstration of how individual values drive ethical behavior and ethical decisions.
CSP 6143: Administration in College Student Personnel

Administration in College Student Personnel is a required course for the Masters of Science in CSP degree. The course provides an overview of the relevant theories in the management, organization, and leadership of institutions of higher education, particularly in areas of student affairs administration. Emphasis will be placed on the application of theory and knowledge to administrative practices of human resource management, financial and budgeting, and facilities management. Students will also examine student affairs units in their functional contexts, including, but not limited to, such areas as admissions, financial aid, orientation, counseling, academic advising, support services, residence life, judicial services, campus activities, greek life, multicultural and international student affairs, disability services, service learning, religious programs, and commuter and non-traditional student services.

CSP 6153: Advising Student Groups

This course is designed for Student Affairs professionals to gain an understanding of advising student groups and organizations on a college campus. The course will highlight student development theories that introduce group dynamics and student leadership. The course will review the role of the advisor, risk management, leadership development of student, practical skills and techniques that will assist in the formation of new student groups, and will provide valuable resources to help future college administrators with their role as a leader of a student group/organization.

CSP 6163: Academic Advising

This course will provide an overview of the foundations of academic advising as an essential component of student success and retention programs at higher education institutions. The course will focus on advising models, application, and best practices in delivery of advising models.

CSP 6173: Career Advising

Offered: At least once/academic year.

This elective CSP course will provide an overview of the foundations of career advising. Students will learn career development theories, career advising interventions and practices, career assessment and planning tools, and sources of career information and technology designed to assist individuals and groups in lifelong career and lifestyle planning.

CSP 6203: American Higher Education in Transition

An overview of the history, philosophy, purposes, and functions of higher education in the United States. The purpose of the course is to familiarize students with the events, issues, and ongoing debates that have shaped and continue to shape higher education in the United States.

CSP 6881,6882,6883: Special Problems (Workshop) for College Student Personnel

Special Problems (Workshop) in CSP is an elective course that will provide a study of contemporary issues or problems associated with the field of student affairs and higher education in general. Students will explore these issues, the impact they have on the field of student affairs, and to be introduced to best practices that can be applied to address the issues from a developmental point of view.

Note: Since the topic for the workshop will vary each time offered, a student can repeat this course, earning a maximum number of six (6) graduate hours of credit.

CSP 6893: Independent Study

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.
DE 5543: Driver and Traffic Education II

Prerequisites: Arkansas Teaching Certificate, valid driver's license, good driving record, or approval of department head.

This course is designed to prepare teachers to organize and teach driver education and traffic safety programs in secondary schools. It includes administration, supervision of personnel, design of facilities, and a research project.

Note: May not be taken for credit after completion of DE 4543 or equivalent.

DE 5613: Driver and Traffic Education I

Prerequisites: Arkansas Teaching Certificate, valid driver's license, good driving record, or approval of department head.

This course is designed to prepare teachers to organize and teach driver education and traffic safety programs in secondary schools. This course provides a survey of materials and methods of instruction plus evaluation of textbooks and in-car training of a student driver.

Note: May not be taken for credit after completion of DE 4613 or equivalent.

Two (2) hours lecture, two (2) hours laboratory.
Economics Course Descriptions

**ECON 6003: Survey of Economics**

This course explores the principles of macroeconomic and microeconomic analysis of economies. It includes theories of output, income, employment, price level, and business fluctuations, including the monetary system, fiscal and monetary policy, production and cost and the analysis of various market structures, distribution of income, and international and welfare economics. There is a required research project.

**ECON 6093: Special Topics in Economics**

Prerequisites: ECON 6003

Course offers an in-depth exploration of selected economics issues affecting business. The primary focus of the course will vary from offering to offering; thus the course may be taken more than once. There is a required research project.

Note: Students are limited to a maximum of six (6) hours of special topics credit.

**EDFD 6993: Project in Educational Research**

Study and directed research on a topic selected by the student in consultation with a supervising professor.
Educational Leadership Course Descriptions

EDLD 6002: Administrative Law
An introduction to the legal environment of the school. The course will cover legal concepts, regulations, and codes for school operation. Special emphasis will be given to administrators' knowledge of the proper implementation of policies, regulations, rules, and procedures in public schools.

EDLD 6013: School Organization and Leadership
Principles and concepts of school organization and the role of the educational leader.

EDLD 6023: Organizational Change
A study of change theory as it affects educational organizations with specific attention given to the public school system. The use of programs such as ACSIP in directing change within the school.

EDLD 6042: School Finance
A study of school budgeting, accounting techniques, and funding formulas.

EDLD 6113: Action Research and Data Analysis
This course will address the theories and practice of research with emphasis on action research for school improvement. The course will focus on gathering, accessing, and interpreting information needed for effective decision-making for high performing schools.

EDLD 6153: Communication with School and Community
Identification, study, and analysis of concepts and procedures to develop and implement effective communication and public relations strategies between the school and the community. Also includes community analysis, school issues, public responses, and policy development.

EDLD 6203: Education and Society: Continuities and Discontinuities
The relationship between society and educational systems including factors which have either positive or negative effects upon the stability of the system.

EDLD 6253: Instructional Leadership
Principles of effective instructional leadership including the role of the principal as an instructional leader focusing on the critical friend and clinical supervision models, curriculum and data analysis.

Note: This course is a prerequisite for EDLD 6402.

EDLD 6303: Technology as an Administrative Tool
The role of technology in improving the education system is the focus of this course. The use of technology by the administrator to improve the quality of education managerially and instructionally is the emphasis of the course.

EDLD 6313: Principles of Curriculum for School Leadership
A study of the elements and principles of curriculum design and construction for principals at the elementary, middle and secondary school levels. The course considers the school leader’s role in curriculum development, implementation and evaluation.

EDLD 6352: Physical Environment of Schools
A study of the effects of the physical environment of the school upon instruction and learning. The course will include the development of physical plants conducive to and effective for learning.

EDLD 6402: Working with the Marginal Performer
Prerequisite: EDLD 6253
The application of supervision in working with teachers with marginal success is the focus. The course will include a study of mentoring and teacher evaluations systems.

EDLD 6551: Administrative Internship
Directed on-the-job activities. Designed to give instructional leaders experience in the various subsystems composing the education system.

$25 internship fee.

**EDLD 6552: Administrative Internship**

Directed on-the-job activities. Designed to give instructional leaders experience in the various subsystems composing the education system.

$50 internship fee.

**EDLD 6554: Administrative Internship**

Directed on-the-job activities. Designed to give instructional leaders experience in the various subsystems composing the education system.

$100 internship fee.

**EDLD 6891,6892,6893: Independent Study**

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University’s graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.

**EDLD 6991: Professional Portfolio**

Students will develop a portfolio organized to provide evidences demonstrating proficiency supporting the standards for Arkansas licensure requirements for building level administrators. This professional portfolio will be a comprehensive collection of artifacts reflective of the program of study designed to meet the standards for school leaders.

Note: After completing this course, students who do not successfully present their portfolio the semester they are scheduled for review will be required to reenroll the semester they request to reschedule for review.

**EDLD 7003: Seminar in Systems Issues**

This course focuses on system issues and the resulting development of coherent educational policy for public elementary and secondary schools that unifies purpose. This focus is primarily at the state level, where formal responsibility lies, but it concerns federal and district policy as well as school practice.

**EDLD 7013: The Superintendency and Central Office**

The scope and function of the central office will be the focus of this course. Theory and practice from the central office/superintendent's perspective of such areas as superintendent-board relations, public relations, strategic planning, professional negotiation, special programs administration, leadership style, and school climate.

**EDLD 7022: Building a Leadership Community**

School leaders must have the knowledge, competence, and belief system to positively shape a school's culture. This requires a thorough understanding of purposeful, systematic change and skills in positive interpersonal relationships, collaboration, verbal and non-verbal communication, conflict resolution, leadership teams and organizational management.

**EDLD 7023: School Board Relations**

The study of school board-administrator relationships and procedures with emphases on community relations, the politics of education and functioning cohesively as an educational, policy-making group.

**EDLD 7033: School Personnel and Business Management**

Principles, processes and procedures of school personnel management and business management are probed. Issues and topics investigated include supervision, evaluation, recruitment, staff development, salary and contractual obligations, attendance accounting, APSCN procedures, financial accounting, and property accounting.

**EDLD 7101: Administrative Internship in Educational Facilities**

This is a field study experience providing the student with an opportunity to synthesize and apply knowledge, and develop and practice administrative skills as they relate to educational facilities and transportation services. It applies reflective practice under the direction of a practitioner mentor and a university advisor and utilizes existing sites, new sites, and
EDLD 7112: Advanced Legal Issues

This course focuses on the United States Constitution and its effects on due process requirements for public schools. Issues include the relationship of constitutional, statutory and case law to public school districts particularly in these areas of current concern - students’ rights and responsibilities, teachers’ rights and responsibilities, procedural and substantive due process, and liability.

EDLD 7113: Seminar in Current Issues

The course will investigate contemporary issues and trends related to educational leadership and examine problems and solutions that are of current concern for school organizations. These issues include school finance alternatives, serving a diverse constituency, meeting individual and group needs, accountability issues, instructional issues including the integration of technology, evaluation of instructional issues, evaluation of programs and personnel, and changing policies at the state and national level.

EDLD 7122: Educational Facilities

This is a study of school facilities and transportation planning and concepts, management and practices. Topics include how to use and maintain present school plants, keeping the board and community informed as to building needs, selecting architects, financing construction, safety and security issues, and developing educational specifications.

EDLD 7132: School Finance for District Level Administration

Economics and school finance: Basic concepts include local, state and federal support of education, the Arkansas State Financial System (APSCN), budgeting and projecting, financing capital items, centralization vs. site-based concepts, fiscal management, auditing, and communicating finance to the board and community.

EDLD 7143: School Accountability Systems

This course probes the essential elements of a monitoring system designed to help schools and districts acquire the information they need to better realize their intentions for improvement, accountability, and school restructuring.

EDLD 7201: Administrative Internship in District Level Finance

A field study experience providing the student with an opportunity to synthesize and apply knowledge, and to develop and practice administrative skills as they relate to the principles of district level school finance. It applies reflective practice under the direction of a practitioner mentor and a university advisor and focuses on existing state and district level financial practices, resources, and responsibilities.

$25 internship fee.

EDLD 7202: Administrative Internship in School Accountability Systems

A field study experience providing the student with an opportunity to synthesize and apply knowledge, and develop and practice administrative skills as they relate to school accountability systems. It applies reflective practice under the direction of a practitioner mentor and a university advisor and focuses on a monitoring system model.

$50 internship fee.

EDLD 7891,7892,7893: Independent Study

Prerequisite: Ed.S. Program Director Approval.

This Independent Study is open to students pursuing the Ed.S. degree who wish to pursue individual study, investigation or project based research of some facet of knowledge which complements the Ed.S. program of study. Students will be required to plan their program submitting a formal program of study request, prepare written reports throughout the study and present their findings in a formal paper.

Note: A student may take no more than six (6) hours of Independent Study work.
Educational Media Course Descriptions

EDMD 5033: Introduction to Instructional Technology

An introductory media and media methods course providing an introduction to: instructional computer utilization; applications of principles of graphic design in the production of audiovisual materials; the application of visual literacy, communications, and learning theory to the selection, evaluation, and use of instructional materials; and the development of mediated units of instruction.

EDMD 6113: Microcomputers for Education and Training

A study of the use of the microcomputer for administrative, instructional, and classroom management uses in educational and training settings. School-wide classroom and training facility uses and applications in the following areas will be emphasized: word processing, spreadsheet and database management, test bank, grade book, test scoring, CAI, skill development, and desktop publishing.

EDMD 6123: Audio in Media

Prerequisite: EDMD 5033 or similar introductory course in instructional technology or by permission of instructor.

A study of the technology of sound and the process of producing sound for media programs. The course covers the principles and equipment of sound, pre-production planning, production processes and post-production editing, and the technology of sound. In addition to the study of the principles of sound production, students will apply theories and principles in the production of media programs through a series of production assignments.

EDMD 6133: Production of Instructional Materials

Prerequisite: EDMD 5033 or approval of instructor

Advanced applications, techniques, and processes involved in the production of instructional materials. Emphasis is placed on the production of completed education and training units using digital images, electronic presentations, and web-based materials.

EDMD 6163: Internet Resources

An introduction to resources available on the Internet as well as the tools needed to navigate within a worldwide network of computers, made up of thousands of autonomous networks which are separately administered.

EDMD 6233: Administration of Media Programs

Prerequisite: Nine (9) hours of graduate study or approval of instructor.

A study of the administrative responsibility involved in the organization, implementation, and operation of comprehensive media programs. Specific areas of study include: planning, budgeting, selection of equipment and materials, computerizing administrative functions, proposal development, and program evaluation. Will include site visits to area media centers and training facilities.

EDMD 6303: Survey of Instructional Media

A survey of current media research, educational media formats, and utilization of mediated materials in education and training, and the development of instructional programs.

EDMD 6313: Instructional Design and Product Development

Prerequisites: Nine hours of instructional technology courses, including a media production course.

A study of the systematic approach to the design, production, evaluation, and utilization of instructional materials. Using design models and general theoretical knowledge specifications, students will write goals and objectives, identify learner characteristics, conduct task analyses, define learning conditions and instructional events, produce instructional products to meet identified needs, and field test finished products.

EDMD 6333: Instructional Multimedia

A study of the human, persuasive, and communicative elements of the medium of television; the effective use of television in education and training; and the writing, producing, directing, and editing of one-camera and studio television productions.

EDMD 6433: Practicum in Educational Media

An overall view of the field of educational media and instructional technology. Current journals, trends, and authorities in
the field will be studied. Students will participate in 120 hours (3 hrs. credit) OR 240 hours (6hrs. credit) of practical work in media centers or training facilities, will visit selected media centers, and will submit a research paper or project on current trends in educational media or instructional technology.

Note: Required of all library media specialist students.

$50 course fee.

**EDMD 6436: Practicum in Educational Media**

An overall view of the field of educational media and instructional technology. Current journals, trends, and authorities in the field will be studied. Students will participate in 120 hours (3 hrs. credit) OR 240 hours (6hrs. credit) of practical work in media centers or training facilities, will visit selected media centers, and will submit a research paper or project on current trends in educational media or instructional technology.

Note: Required of all library media specialist students.

$100 course fee.

**EDMD 6513: Computer-Based Instruction**

An introduction to the use of the computer as a classroom tool to aid in individual instruction. A survey of existing programs available to support courseware development and use on microcomputers, minicomputers, and mainframes. Hands-on experience in developing an interactive instruction lesson.

Note: May not be taken for credit after completion of COMS 4513/5513 or equivalent.

**EDMD 6881, 6882, 6883: Workshop**

Prerequisite: Permission of instructor.

The workshop will require the equivalency of fifteen clock hours of instruction per credit hour.

**EDMD 6891, 6892, 6893: Instructional Technology Curriculum**

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.
**Elementary Education Course Descriptions**

**ELED 5333: Teaching Reading and Study Strategies in the Content Area**

This course is designed to provide pre-service and in-service teachers and administrators with a knowledge of reading factors as they relate to various disciplines. Content of the course includes estimating students' reading ability, techniques for vocabulary, questioning strategies, and developing reading-related study skills.

**ELED 6323: Survey of Teaching Reading**

A broad overview of the major viewpoints about reading and current approaches to literacy instruction, with emphasis on its socio-psycholinguistic aspects.

**ELED 6343: Literacy Assessment and Intervention**

Prerequisite: ELED 6323.

A study of current practices in assessing literacy development and providing intervention in identified problems. Emphasis will be placed on interactive procedures to determine and facilitate the use of reading and writing processes.

**ELED 6403: Literature for Children and Adolescents**

An in-depth study of printed and other types of materials available for use in the elementary grades and middle school. Emphasizes the selection and use of materials to stimulate and improve learning.

**ELED 6823: Introduction to Learning Disabilities**

A study designed to teach a recognition of behavioral characteristics of children who have perceptual problems. This course also includes information about prescribed referral procedures and gives an overview of diagnostic, and prescriptive instruction.

**ELED 6881,6882,6883: Workshop**

Prerequisite: Permission of instructor.

The workshop will require the equivalency of fifteen clock hours of instruction per credit hour.

**ELED 6891,6892,6893,6894: Independent Study**

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.

**ELED 6991: Thesis Research**

Directed research on a thesis topic. If the six-hour thesis (ELED 6996) has not been completed during the semester(s) of enrollment, the student must register for ELED 6991 during subsequent semesters in which he/she is receiving faculty assistance with the thesis and/or using University library facilities.

**ELED 6996: Thesis Research**

Directed research on a thesis topic selected by the student in consultation with a supervising professor.
## Electrical Engineering Course Descriptions

### ELEG 5113: Digital Signal Processing

**Prerequisites:** ELEG 3123 and 3133.

The study of discrete-time signals and systems, convolution, z-transform, discrete-time Fourier transform, analysis and design of digital filters. Students write software for real-time implementation of selected signal processing algorithms using DSP microcomputer hardware.

**Note:** May not be taken for credit after completion of ELEG 4113.

### ELEG 5133: Advanced Digital Design

**Prerequisites:** ELEG 2130 and 2134.

A project oriented course in which students develop and test custom digital integrated circuits (IC’s). An overview of IC design systems and manufacturing processes is presented. Economics of IC production are discussed. Hardware Description Languages (HDL’s) are studied. Students design and implement custom IC’s using schematic based entry and HDL’s.

**Note:** May not be taken for credit after completion of ELEG 4133.

### ELEG 5153: Communication Systems II

**Prerequisite:** ELEG 4143.

Continuation of ELEG 4143. Design and analysis of analog and digital communication systems, taking into account the effects of noise. Random variables, random processes, analog and digital communication systems in the presence of noise.

**Note:** May not be taken for credit after completion of ELEG 4153.

### ELEG 5313: Modern Control Systems

**Prerequisite:** ELEG 4303.

A continuation of ELEG 4303 Control Systems. Topic include: frequency response design, state space analysis, controllability, observability, state space design, robustness and introduction to digital control.

**Note:** May not be taken for graduate credit after completion of ELEG 4313.

### ELEG 6103: Power Electronics

**Prerequisite:** ELEG 4103 or permission of instructor.

The course will cover the following topics: Characteristics of thyristors, sequential switching, triggering and synchronizing circuitry. Conversion and control of electric power, design of electric power controller; rectifiers, converters, inverters, and cyclo-converters, controlling techniques for DC and AC machines will be presented.

### ELEG 6123: Advanced Semiconductors

**Prerequisites:** ELEG 3003 and ELEG 4103 or permission of the instructor

An in depth overview of coverage of semiconductor devices and materials. The course presents and examines semiconductor fundamentals required in the operational analysis of microelectronic devices.

### ELEG 6133: Introduction to Nanoelectronics

This course is designed to give the graduate student an introduction to the engineering problems and concepts that are involved in electrical and electromechanical devices at the nanoscale. The course will cover the wave properties of matter, quantum mechanics, optical properties of materials, nanolithography, and various nanostructure devices such as field-effect transitors, light-emitting diodes and lasers and nanoelectromechanical devices.

### ELEG 6143: Digital Image Processing

**Prerequisites:** ELEG 3133, ELEG 4113, ELEG 3003 and COMS 2104 or permission of the instructor

The course will cover the following topics: components of digital image processing systems, histograms, point processing, neighborhood processing, image restoration, image segmentation, 2-D discrete Fourier transform, image data...
ELEG 6153: Statistical Signal Processing

Prerequisites: ELEG 4113, ELEG 3003, COMS 2104 or permission of the instructor

The course will cover the following topics: minimum variance unbiased estimators, Cramer-Rao lower bound, maximum likelihood estimators, Least Squares, Kalman filter.

ELEG 6163: Biomedical Signal Processing

Prerequisites: ELEG 4113 or permission of the instructor

The study, analysis, and implementation of advanced method in signal processing applied to biomedical signals and systems. Engineers working in the biomedical field routinely design and build signal processing algorithms and devices to analysis biomedical signals for diagnostic analysis and prosthetic control. In order to appropriately design systems for biomedical signal processing it is necessary to have a basic understanding of the origin and characteristic of these signals. The course will focus on single dimensional deterministic and random signal processing.

ELEG 6303: Robotics

Prerequisites: ELEG 3133, ELEG 4303, ELEG 3003, COMS 2104 or permission of the instructor

The course will cover the following topics: robotics paradigms, path planning, motion planning, configuration space, potential functions, localization and mapping, sensors and actuators.

ELEG 6881,6882,6883,6884: Special Topics in Engineering

Special topics in engineering relating to current engineering topics not covered in other courses.

Note: May be repeated for credit if course content varies.

ELEG 6891,6892,6893,6894,6895,6896: Independent Study

Prerequisites: Completion of 18 hours toward program requirements and approval of advisor

Students will complete an electrical engineering project approved by their Advisory Committee. The project must include elements of engineering design and project management with a subject relevant to electrical engineering. Successful completion of the project will include a professional report and full presentation of the project findings/results.
EMHS 5003: Principles and Practice of Disaster Relief and Recovery

Prerequisites or Co-requisites: EMHS 6063 or consent of instructor.

Recovery issues are studied in regard to relationships with ethical, medical, economic and environmental considerations. Initial, short-term, and long-term recovery efforts are examined along with group exercises utilizing best practices.

Note: Students who have taken EAM 4003 can not take EMHS 5003 for credit.

EMHS 5043: Disaster and Emergency Management Ethics

Prerequisite: consent of department head.

Involves a study of a variety of types of ethical theory (teleological, deontological, distributive theories of justice, natural law), review of specific ethical dilemmas related to disasters, professional ethics, overcoming biases, avoiding discrimination, and developing sensitivity. Detailed ethical case studies will be conducted.

Note: Students who have taken EAM 4043 can not take EMHS 5043 for credit.

EMHS 5053: Community Management of Hazardous Materials

Prerequisites or Co-requisites: EMHS 6063 or consent of instructor.

Addresses chemical properties of hazardous materials and wastes; legal requirements for their handling, storage, transportation, and disposal; and methods for protecting employees, facilities, and the community.

Note: Students who have taken EAM 4053 can not take EMHS 5053 for credit.

EMHS 5991,5993: Special Problems and Topics

Prerequisites or acceptable equivalencies: EMHS 6063 or consent of instructor.

The topics will vary to reflect the dynamic changes in the emergency management discipline.

Note: Students who have taken EAM 4993 must have approval from the Department Head regarding the topic for credit in EMHS 5993.

EMHS 5992: Special Problems and Topics

Prerequisites or acceptable equivalencies: EMHS 6063 or consent of instructor.

The topics will vary to reflect the dynamic changes in the emergency management discipline.

Note: Students who have taken EAM 4993 must have approval from the Department Head regarding the topic for credit in EMHS 5993.

EMHS 6003: Design and Management of Preparedness and Mitigation Systems

Prerequisites or Co-requisites: EMHS 6063 or consent of instructor.

Reviews the needs and concepts for well structured design and management processes for preparedness and mitigation systems in both the public and private sectors utilizing best methods for implementation.

EMHS 6023: Risk and Vulnerability Assessment for Business and Industry

Prerequisites or Co-requisites: EMHS 6063 or consent of instructor.

Covers the hazards and threats that businesses and industry face regarding security, safety, and business continuity. The scope of threats and businesses studied range from local to international. Risk analysis, vulnerability, recovery, and business continuity plans will be examined.

EMHS 6033: Foundation of Leadership

Prerequisites or Co-requisites: EMHS 6063 or consent of instructor.

Examines the past and present models of leadership. Topics include current context for leadership and personal leadership styles. Case studies are utilized in both the public and private sectors in relation to emergency management.
EMHS 6043: Contemporary Issues in Emergency Management
Prerequisites or Co-requisites: EMHS 6063 or consent of instructor.
Emphasizes and analyzes the practical aspects of problems facing the emergency manager. Topics could include compliance issues with regard to Homeland Security, the National Incident Management System, the National Response Plan and other national initiatives.

EMHS 6053: Legal Issues in Emergency Management
Prerequisites or Co-requisites: EMHS 6063 or consent of instructor.
Involves research, analysis, and discussion of laws that affect emergency management. Emphasis will be placed on the legal obligations of the emergency management professional utilizing case studies and contemporary examples.

EMHS 6063: Principles of Hazard and Emergency Management
Provides an overview of hazards theory, emergency management fundamentals, and the science of various hazards. Both natural and technological hazards are studied with the perspective of emergency management. Some of the topics include earthquakes, tsunami, volcanoes, floods, wildfires, terrorism, tornadoes, winter storms, and hurricanes.

EMHS 6073: Introduction to Terrorism
Prerequisites or Co-requisites: EMHS 6063 consent of instructor.
This course is an overview of terrorism in which students will explore various aspects of terrorism in a Post 9/11 world leading to a basic understanding of a global phenomenon. Subject matter will include the history of terrorism, its strategies, and why those strategies, and why those strategies are effective. The student will examine the psychology of fundamentalist religious movements and extreme political organizations. While studying the effects of terrorism, the student will examine governmental concerns, preparedness and response operations and the politics of dealing with terrorism.

EMHS 6083: Business Continuity Project Management
Prerequisites: EMHS 6043 and EMHS 6063 or consent of instructor
EMHS 6083 is open to Emergency Management graduate students only. The topics will vary to reflect the continual changes in the emergency management field. This course may also serve as an independent study course upon recommendation of the advisor and approval by the dean. Graduate students will be assigned additional readings and projects of concentration to demonstrate a broad understanding of the special problem or topic being investigated or studied.

EMHS 6103: Research Design and Methods
Prerequisites or Co-requisites: EMHS 6063 or consent of instructor.
Demonstrates the comprehension of research, design, and methods. Qualitative and quantitative methods are discussed along with the utilization of the scientific method. Professionalism and models for research are also covered.

EMHS 6123: Applied Data Analysis
Prerequisites: EMHS 6043, EMHS 6063, and EMHS 6103
This course is designed to develop and extend basic data-analytic skills that students will need for their individual research project. As indicated by the course title it as an applied (and not a technical) course in which you will learn by observing and engaging in the authentic activities of data-analysis. The use of new statistical techniques will be "modeled" in class, and then applied to real problems in a lab setting.

EMHS 6193: Introduction to International Emergency Management
Prerequisites: EMHS 6043 and EMHS 6063 or consent of instructor
This course provides students with the study of disaster trends and diverse emergency and disaster management systems and structures that exist throughout the world. Universal principles of global emergency management practice and advances worldwide will be considered. Lessons from disasters will be addressed and political challenges and cooperation between governments and non-governmental organizations (NGOs).

EMHS 6203: Crisis Communications
Prerequisites: EMHS 6043 or EMHS 6063 or consent of instructor
This course will cover both the theoretical and practical perspectives of crisis communications. Students will learn the importance of an organized approach to dealing with unexpected, crisis situations and the need for clear, concise information communicated effectively.

**EMHS 6243: Intelligence in Emergency Management and Homeland Security**

Prerequisites: EMHS 6043 and EMHS 6063 or consent of instructor

This course is an overview of the field of intelligence with an emphasis on understanding the basics of the field and how it is used in actual practice. In an ever-changing world it is critical to understand the basics of information gathering and how it is analyzed to produce actionable results. Students will explore governmental concerns, intelligence operations and the politics of dealing with information for defensive purposes.

**EMHS 6253: Information Security for Public Managers**

Prerequisites: EMHS 6043 and EMHS 6063 or consent of instructor

This course is an overview of information security management for a public department and agency. Students will explore governance, determine current state of security, and learn the concepts of IT-risk assessments, IT-risk mitigation, and incident responses in the realm of the public sector.

**EMHS 6311,6312: Thesis Seminar**

Prerequisite: EAM 6303.

This is a variable credit class that can be repeated for a total of three (3) credits. It is required to complete three (3) hours for graduation. Students will be required to develop and defend a formal thesis as approved by the supervising professor and committee. The thesis will be presented in a seminar to faculty, staff, and other graduate students.

**EMHS 6403: Action Research Practicum I**

Prerequisites: EMHS 6103, EMHS 6043 and EMHS 6063 or consent of instructor.

Creates a research proposal resulting in the design and completion of the research project. The topic and design is developed with the approval of a supervising professor.

**EMHS 6413: Capstone Research Practicum II**

Prerequisite: Completion of EMHS 6403 or consent of the instructor.

This professional seminar is designed to promote the integration of the core curriculum and practitioner experiences in the Master of Science degree program in Emergency Management and Homeland Security and to help prepare students for transition to a professional position following completion of the degree.

**EMHS 6423: Internship for Professional Practice**

Prerequisites: EMHS 6043, EMHS 6063, and EMHS 6103

This is an applied course where the student will participate actively in a supervised professional experience. A minimum of 100 hours of relevant work experience must be completed at an approved internship site. The student will work with an advisor to have a site approved at least one semester in advance. The student is required to create blog entries, a portfolio, and a final presentation. The purpose of the course requirements is to share, analyze, and evaluate the experiences during the practical internship and to integrate these experiences with the Department of Emergency Management Core Competencies.

**EMHS 6513: Technology for Comprehensive Emergency Management**

Prerequisites: EMHS 6043 and EMHS 6063

Covers the technologies that are applied during each of the phases of emergency management. This can include information management, message handling, Geographic Information Systems (GIS), the Global Positioning System (GPS), material release modeling, situational analysis, and hazard analysis tools.

**EMHS 6543: Advanced Digital Technology Applications in EM**

Prerequisites: EAM 4023 or EMHS 6513 and EMHS 6043 and EMHS 6063 or consent of instructor

The course emphasizes the utilization of computer Emergency Management applications literacy, information requirements, acquisition, analysis, modeling and data base management; decision support systems and the integration of multiple software platforms into situational awareness fusion products.
EMHS 6563: Situational Awareness of Environmental Threats

Prerequisites: EMHS 6043 and EMHS 6063 or consent of instructor

This course provides an overview of basic threats levels as they relates to the emergency management profession. Students will examine: hazardous weather forecast verification and meanings, decisions making processes based on alert status, development of environmental threat teams, utilizations of technology to assess risk, and National Weather Service products. Student teams will participate in labs, table top scenarios, and exercises. Each graduate student will conduct a special (research) project for presentation to the class at the end of the semester.

EMHS 6891, 6892, 6893: Independent Study

Prerequisite: Permission of advisor who will direct the independent study.

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University’s graduate program. Students will be required to plan their studies and prepare formal written reports of their findings. The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.

EMHS 6933: Research I

Prerequisite: EMHS 6103

Create a research proposal resulting in the design of the research project. Defend the research proposal before the research committee, as determined by the EM Department Head and Graduate Program Director. The topic and research design is developed with approval by the Committee Chair, Graduate Program Director, and Dean of Graduate College.

EMHS 6943: Research II

Prerequisites: EMHS 6123 and EMHS 6933 or consent of instructor

Students will submit their completed formal research document (Thesis or Article suitable for publication). Students will successfully complete their Oral Defense of their research project.
ENGL 5023: Second Language Acquisition

An investigation and analysis of the theoretical foundation of learning a second language as a guide to the effective teaching of English to limited English proficiency (LEP) students.

Note: May not be taken for credit after completion of ENGL 4023.

ENGL 5083: Seminar: English Language

Course content will vary.

Note: May be taken for credit after completion of ENGL 4083 or ENGL 5083 if course content differs.

ENGL 5093: Seminar in Creative Writing

Opportunity for students to refine style and technique in a genre of creative writing.

Note: May be repeated for credit after completion of ENGL 4093 or ENGL 5093 if course content varies.

ENGL 5173: Seminar in Film Studies

This course will examine debates within feminist film theory from structuralism and psychoanalysis in the 1970s to the post-colonial theory, queer theory and post-modernism in the 1990s. Analyses of specific films will focus on the cinematic representation of femininity and masculinity, gendered subjectivities within history and culture, and issues surrounding the cinematic apparatus and spectatorship.

ENGL 5213: American Folklore

A study of the forms and subjects of American folklore; folklore scholarship and bibliography; field work in collecting folklore.

Note: May not be taken for credit after completion of ENGL 4213.

ENGL 5283: Seminar: World Literature

Course content will vary.

Note: May be taken for credit after completion of ENGL 4283 or ENGL 5283 if course content differs.

ENGL 5383: Seminar: American Literature

Course content will vary.

Note: May be taken for credit after completion of ENGL 4383 or ENGL 5383 if course content differs.

ENGL 5483: Seminar: British Literature

Course content will vary.

Note: May be taken for credit after completion of ENGL 4483 or ENGL 5483 if course content differs.

ENGL 5683: Seminar in Gender Studies

Course content will vary.

Note: May be taken for credit after completion of ENGL 4683 or ENGL 5683 if course content differs.

ENGL 5703: Teaching English as a Second Language

An investigation and practice in teaching different levels of English grammar, oral communication, comprehension skills, reading, and composition to foreign students.

Note: May not be taken for credit after completion of ENGL 4703.

ENGL 5713: ESL Assessment

An introduction to the tools, techniques, and procedures for evaluating the English proficiency and language development of ESL students.
ENGL 5723: Teaching People of Other Cultures

An examination of cultural diversity in Arkansas and the United States, designed for prospective ESL teachers.

Note: May not be taken for credit after completion of ENGL 4713.

ENGL 6003: Introduction to English Graduate Study

An exploration of the ideas, methods and resources appropriate to the study of English language and literature.

Note: May not be taken for credit after completion of LA 6013.

ENGL 6013: Structure of the English Language

A study of the grammatical system of English through three different approaches: traditional, structural, and transformational-generative.

ENGL 6023: Composition Theory and Practice.

A study of composition theory, practice, and pedagogy.

ENGL 6033: Rhetoric

A study of the history, theory, and application of rhetoric.

ENGL 6083: Seminar in Linguistics

Course content will vary.

Note: May be taken for credit after ENGL 6083 if course content varies.

ENGL 6213: Topics in Literature

Examination of various topics through the intensive study of selected literature.

Note: May be repeated for credit if course content varies.

ENGL 6283: Literature and Society

A contextual study of selected works designed to explore the ways in which literature reflects and shapes society.

Note: May be repeated if course contents varies.

ENGL 6813: Directed Readings

A study of literary works selected from the M.A. in English Examination Reading List.

ENGL 6863: TESL Practicum

Prerequisites: ENGL 5703 or TESL 5703 and at least nine hours toward the MA TESOL degree or permission of the instructor.

ENGL 6863 is a structured, advanced methods course, in which students will prepare and implement a series of English lessons, guided by the 12 national ENL (English as a New Language) standards.

ENGL 6881, 6882, 6883, 6884, 6885, 6886: Workshop

Prerequisite: Permission of instructor.

The workshop will require the equivalency of fifteen clock hours of instruction per credit hour.

ENGL 6891, 6892, 6893, 6894: Independent Study

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.
ENGL 6991,6992,6993,6994,6995,6996: Thesis Research

Prerequisite: Approval of a thesis plan by the Head of the Department of English and the Dean of Graduate College.

Directed Research on a thesis topic selected by the student in consultation with a supervising professor.
Finance Course Descriptions

**FIN 6003: Financial Decision Making**

This course explores: the role and functions of a corporate financial manager; financial forecasting, planning, and budgeting; security valuation, cost of capital, and capital budgeting; net working capital management; international finance; ethics in finance; long-term debt and leasing; dividend policy; mergers and acquisitions; stakeholders' considerations; EVA (Economic Value Added) and MVA (Market Value Added), CAPM (Capital Asset Pricing Model). There is a required research project.

**FIN 6093: Special Topics in Finance**

Prerequisite: FIN 6003

Course offers an in-depth exploration of selected financial issues affecting business. The primary focus of the course will vary from offering to offering; thus the course may be taken more than once. There is a required research project.

Note: Students are limited to a maximum of six (6) hours of special topics credit.
FR 6801: Cultural Immersion and Research

Prerequisite: Enrollment in French Immersion Weekend and permission of instructor.

Intensive study of French cultural topics followed by individual research projects.

Note: May be repeated for credit if content varies.
**FW 5003: Principles of Wildlife Management**

Prerequisite: A course in ecology or permission of instructor.

Principles of managing wildlife resources with emphasis on population ecology, habitat evaluation and manipulation, wildlife values, and the administration of wildlife resources and resources agencies.

**FW 5014: Forest Ecology and Management**

Prerequisite: FW (BIOL) 3114.

An in-depth coverage of ecological interactions in forested ecosystems. Lectures cover biotic and abiotic factors that influence development and species compositions of forest stands. Wildlife habitat relationships in forested ecosystems will also be discussed. Laboratories will familiarize students with field techniques and management activities important in the major forest types of Arkansas.

Lecture two hours, laboratory four hours. $20 laboratory fee.

**FW 5024: Limnology**

Offered: Spring

Prerequisite: A course in ecology.

A study of physical and chemical processes in fresh water and their effects on organisms in lakes and streams. Laboratory sessions and field trips demonstrate limnological instrumentation and methodology.

Lecture two hours, laboratory four hours. $20 laboratory fee.

**FW 5034: Geographic Information Systems in Natural Resources**

Offered: Spring

Prerequisites: A course in GIS or permission of instructor.

Use of GIS technology in wildlife and fisheries management and research. Emphasis placed on creation, maintenance, and analysis of spatially explicit data.

Lecture three hours, laboratory two hours. $20 laboratory fee.

**FW 5054: Waterfowl Ecology and Management**

Laboratory exercises will focus on identification, life histories, sex and age determination, and abundance survey methods. Lectures and discussions will cover behavioral ecology, reproductive ecology, winter ecology, harvest management, and habitat management and conservation.

$20 laboratory fee.

**FW 5064: Wetland Ecology and Management**

Offered: Fall of even years

Prerequisites: A course in ecology or permission of instructor.

An in-depth coverage of wetlands including occurrence, morphology, hydrology, soils, ecology, and regulation. The types of wetlands and their functions are discussed, as are local, state and federal regulations pertaining to their use, management and protection. Laboratory focuses on identification of common wetland vegetation, delineation of wetland boundaries, as well as field techniques and management activities commonly used in Arkansas wetlands.

Lecture two hours, laboratory four hours. $20 laboratory fee.

**FW 5103: Human Dimensions of Fisheries and Wildlife Management**

Prerequisites: BIOL/FW 3114 or permission of instructor.

Exploration of the complex interactions of social, political, institutional, economic and ecological processes that contribute
to natural resource use and management. The primary focus is on interactions and conflict resolution among various stakeholders, resource management agencies, and wildlife and fisheries resources. Topics covered include public attitudes and expectations; agency structure and policy; values of fishes, wildlife; and public relations.

**FW 5163: Biodiversity and Conservation Biology**

Offered: Fall of even years

Prerequisites: A course in ecology or permission of instructor.

The concepts of, processes that produce, and factors that threaten biological diversity are introduced and examined. Further emphasis is placed on unique problems associated with small population size, management of endangered species and practical applications of conservation biology.

**FW 5881,5882,5883,5884: Advanced Topics**

Offered: On demand

Prerequisite: Consent of instructor.

This course offers special instruction on fisheries and wildlife topics that are not otherwise covered in the curriculum.

Note: The primary focus of the course will vary from offering to offering, thus the course may be taken more than once. This course may be repeated if content is different.

**FW 6001: Graduate Seminar in Fisheries and Wildlife Biology**

Analysis of current and classical concepts in fisheries and wildlife biology.

Note: The primary focus of this course will vary from offering to offering, thus the course may be taken for credit more than once.

**FW 6002: Research Methods I**

Prerequisites: A course in statistics.

Methods for literature review, experimental design, and thesis proposal development.

**FW 6012: Research Methods II**

Prerequisites: A course in statistics.

**FW 6013: Population Dynamics**

Prerequisites: Courses in ecology, statistics, and calculus, or permission of instructor.

An in-depth analysis of major historical development in the theory, techniques of manipulating, and mathematical modeling of fish and wildlife populations.

**FW 6023: Quantitative Fisheries Science**

Prerequisites: A course in fisheries management or permission of instructor.

Quantitative principles of fisheries science used in the analysis and interpretation of fisheries data.

**FW 6033: Conservation Management Practicum**

Offered: Each summer term

Individual student experience in the field of conservation management. The course will include a 2-day on-campus introduction, weekly conferences via distance delivery during the 4-week off-campus experience, and 3 days of on-campus presentations. The practicum cannot be initiated until the student has completed at least 8 graduate-level hours.

**FW 6043: Conservation Research Practicum**

Offered: Each summer term

Prerequisites: Completion of 8 graduate-level hours
Individual student experience in the field of conservation research. The course will include a 2-day on-campus introduction, weekly conferences via distance delivery during the 4-week off-campus experience, and 3 days of on-campus presentations. The practicum cannot be initiated until the student has completed at least 8 graduate-level hours.

**FW 6101: Comprehensive Examination**

Offered: Annually

Prerequisites: Completion of 24 graduate-level hours

Written and oral comprehensive exam that evaluates student knowledge of fisheries and wildlife science and conservation management. The exam is administered after completion of 24 graduate-level hours.

**FW 6891,6892,6893,6894: Independent Study**

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge that complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.

**FW 6991,6992,6993,6994,6995,6996: Thesis Research**

Research on a topic culminating in a written thesis.
GEOG 6893: Independent Study

Prerequisite: Permission of the instructor or Department Head.

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.
GEOL 6881,6882,6883,6884: Workshop

The workshop will require the equivalency of fifteen clock hours of instruction per credit hour.
# Health Informatics Course Descriptions

**HI 5092: Research in HIM**

This course teaches the skills needed to systematically investigate subjects to expand knowledge and generate new ideas. A study of the specific research methodology used in a health information management setting will be explored. Emphasis will be given to hands-on performance of research in conjunction with area health care facilities and agencies. Formal presentation of research will also be a component of the course.

**HI 6053: Emerging Trends in Health Information Technology**

Trends in the health information technology will be identified and discussed. Industry-changing trends will be emphasized as well as regulatory initiatives associated with the changes. The purpose of this course is to provide the student with an awareness of current changes within the field of health information technology, as well as how to keep up with changes as they occur.

**HI 6063: Leadership in Health Informatics**

A study of the leadership skills as applied to an electronic health (e-health) environment. Topics such as the development of strategy, change management, and project management in the context of health informatics will be explored.

**HI 6073: Security and Privacy in Health Informatics**

An exploration of legal issues as they relate to the collection, storage, retention and sharing of health data and information. Privacy and security will be discussed, from the standpoint of health care entities as well as from the consumer point of view.

**HI 6083: Health Care Policy**

This course investigates the current state of health care, encompassing issues related to health care reform and payment systems. Issues explored include access to care, as well as cost and quality of care rendered. Specific issues in health care policy will be explored.

**HI 6983: Research Project**

The purpose of this course is to have the student apply knowledge of research methods to an area of the student's interest. This research-based course will allow the student to work with the instructor to identify an appropriate project to be completed at the end of the MSHI coursework. The project should incorporate principles learned in courses leading to this course.

**HI 6991, 6992, 6993, 6994, 6995, 6996: Thesis Research**

The purpose of this course is to have the student apply knowledge of research methods to an area of the student's interest. This course is designed for the student to coordinate with the course instructor to identify a thesis topic or high level project to be completed as a capstone experience. This course should be completed after all other MSHI coursework is completed and will provide the student with an opportunity to utilize the concepts learned in courses leading to this capstone course.
History Course Descriptions

**HIST 5023: Vietnam War**
Prerequisite: Permission of the instructor or Department Head.

Note: May not be taken for credit after completion of HIST 4023 or equivalent.

**HIST 5153: History of Arkansas**
Prerequisite: Permission of the instructor or Department Head.

A study of the history of the state from Indian times to the present, noting political, social, economic, and cultural trends.

Note: May not be taken for credit after completion of HIST 3153 or HIST 4153 or equivalent.

**HIST 5183: American Legal History**

This course concerns the history and development of law, legal institutions, and legal culture in the United States from its colonial origins to the present day, with emphasis on the interaction of law with the overall development of American society. Course requires the production of substantial written work based upon disciplined inquiry and the exploration and analysis of primary and secondary sources.

Note: May not be taken for credit after completion of HIST 4183 or equivalent.

**HIST 5203: Women in American History**
Prerequisite: Permission of the instructor or Department Head.

A treatment of women in Western and American social history in their lifestyles and economic and family roles.

Note: May not be taken for credit after completion of HIST 3203 or HIST 4203 or equivalent.

**HIST 5403: Interpretation/Education through Museum Methods**
Cross-listed: ANTH 5403, MUSM 5403

Prerequisite: Permission of the instructor or Department Head.

Museum perspectives and approaches to care and interpretation of cultural resources, including, interpretive techniques of exhibit and education outreach materials, and integrating museum interpretation/education into public school and general public programming. Class projects focus on special problems for managing interpretive materials in a museum setting. Graduate level projects or papers involve carrying out research relevant to the Museum’s mission and relating to current Museum goals.

Note: May not be taken for credit after completion of HIST 4403, ANTH 4403, or MUSM 4403.

**HIST 5503: History of Christianity**

A study of Christianity, from its beginnings to the present day, focusing especially on ancient Mediterranean, medieval European, and modern American Christian traditions. Emphasis will be on the interaction between individual beliefs, group identity, and institutional forces, how each have been shaped by broader social, political and cultural contexts, and finally how these interactions have resulted in profound changes for the Christian religion. Course requires the production of substantial written work based upon disciplined inquiry and the exploration and analysis of primary and secondary sources.

Note: May not be taken for credit after completion of HIST 4503 or equivalent.

**HIST 5983: Social Science Seminar**
Prerequisite: Permission of the instructor or Department Head.

A directed seminar in an area of social sciences. The specific focus will depend upon research under way, community of student need, and the unique educational opportunity available. Course requires the production of substantial written work based upon disciplined inquiry and the exploration and analysis of primary and secondary sources.

Note: Students are limited to a maximum of three (3) hours credit at the graduate level. Subtitle will appear on students’
HIST 6003: Historical Methods
Prerequisite: Permission of the instructor or Department Head.

General methods of, and approaches to, historical research and writing, including theories, current approaches, problems, and debates. Students will become familiar with basic tools of historical research and professional discipline. Course requires the individual production of a substantial research paper based upon disciplined inquiry and the exploration and analysis of primary and secondary sources.

HIST 6013: Research Seminar in United States History
Prerequisite: Permission of the instructor or Department Head.

An investigation of selected topics in American history. Course requires the individual production of a substantial research paper based upon disciplined inquiry and the exploration and analysis of primary and secondary sources. Content varies by semester.

Note: Course may be repeated for a maximum of six (6) hours of credit. Alternate subtitles will appear on students' transcripts.

HIST 6033: Readings in United States History
Prerequisite: Permission of the instructor or Department Head.

A readings course in selected topics in American history. Course acquaints students with primary and/or secondary interpretations of the historical period addressed during the semester. Course requires the completion of extensive and wide-ranging reading assignments and the production of substantial written work on the course topic. Content varies by semester.

Note: Course may be repeated for a maximum of six (6) hours of credit. Alternate subtitles will appear on students' transcripts.

HIST 6053: Historiography
Prerequisite: Permission of the instructor or Department Head.

Seminar in the analysis of works of important historians from ancient time to the present, with consideration of schools, theories, philosophies, and functions of history. Course requires the completion of extensive and wide-ranging reading assignments and the production of substantial written work.

HIST 6403: Applied Public History
Prerequisite: HIST/ANTH/RP/MUSM 5403 or permission of the department head.

Directed utilization of archives and museums, historical editing and publishing, documentary editing, family and community history, material culture, and historic site interpretation, preservation, and management. Areas of emphasis varies by semester.

Note: The course may be repeated for a maximum of six (6) hours of credit. Alternate subtitles will appear on students' transcripts.

HIST 6413: Research Seminar in Modern European History
Prerequisite: Permission of the instructor or Department Head.

An investigation of selected topics in modern European history. Course requires the individual production of a substantial research paper based upon disciplined inquiry and the exploration and analysis of primary and secondary sources. Content varies by semester.

Note: The course may be repeated for a maximum of six (6) hours of credit. Alternate subtitles will appear on students' transcripts.

HIST 6433: Readings in Modern European History
Prerequisite: Permission of the instructor or Department Head.

A readings course in selected topics in modern European history. Course requires the completion of extensive and wide-ranging reading assignments and the production of substantial written work on the course topic. Content varies by semester.
Note: The course may be repeated for a maximum of six (6) hours of credit. Alternate subtitles will appear on students’ transcripts.

**HIST 6533: Research Seminar in World History**

Prerequisite: Permission of the instructor or Department Head.

An investigation of selected topics in world history. Course requires the individual production of a substantial research paper based upon disciplined inquiry and the exploration and analysis of primary and secondary sources. Content varies by semester.

Note: The course may be repeated for a maximum of six (6) hours of credit. Alternate subtitles will appear on students’ transcripts.

**HIST 6543: Readings in World History**

Prerequisite: Permission of the instructor or Department Head.

A readings course in selected topics in world history. Course acquaints students with primary and/or secondary interpretations of the historical period addressed during the semester. Course requires the completion of extensive and wide-ranging reading assignments and the production of substantial written work on the course topic. Content varies by semester.

Note: The course may be repeated for a maximum of six (6) hours of credit. Alternate subtitles will appear on students’ transcripts.

**HIST 6883: Workshop**

Prerequisite: Permission of the instructor or Department Head.

Course which allows flexibility of topic, structure, and credit hours to enable faculty to design content according to program needs. Open to graduate students who wish to pursue in-depth advanced projects. Course requires the completion of extensive and wide-ranging reading assignments and the production of substantial written work on the course topic. The workshop will require the equivalency of fifteen clock hours per credit hour.

Note: Students are limited to a maximum of three (3) hours of workshop credit.

**HIST 6891,6892,6893,6894: Independent Study**

Prerequisite: Permission of the instructor or Department Head.

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the graduate History program. Course requires the completion of extensive and wide-ranging reading assignments and the production of substantial written work on the course topic.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis. Students are limited to a maximum of six (6) hours of independent study credit.

**HIST 6991,6992,6993,6994,6995,6996: Thesis Research**

Prerequisite: Permission of the instructor or Department Head.

Directed research on a thesis topic selected by the student in consultation with a supervising professor.
Information Technology Course Descriptions

INFT 5053: Information Systems Resource Management
A study of the principles and concepts involved in the management of information resources including hardware, software and personnel. Includes coverage of departmental functions within computer/ information services as well as legal, ethical, and professional issues, quality management, and strategic impact of information system.

INFT 5103: Software Development
Prerequisite: One year of programming in a high-level language, or a two semester sequence of programming courses.
Techniques for specifying, designing, developing and testing medium-scale software.

INFT 5203: Database Systems
Prerequisite: INFT 5403.
An in-depth study of creating databases in a personal productivity package, including relational database design, generation of customized interfaces, and importing/exporting data to other packages. Survey of applications of personal databases in education and industry.

INFT 5303: Developing and Administering Web Sites
Prerequisite: INFT 5403.

INFT 5403: Introduction to Information Technology and Systems
Introduction to the infrastructure of information technology and systems. Topics include computer hardware and software, communication and networks, databases, e-commerce technology, design and development of information systems, information security, privacy, ethics, and social impact.

INFT 5413: Computer Systems and Architecture
A study of the fundamentals of system software and computer architecture. The course includes an introduction to the basic foundation of processor operation, memory hierarchy, bus and I/O systems along with their interactions. RISC and CISC instructions sets, fundamental networking terminology and implementation strategies, and an introduction to basic digital logic design.

INFT 5503: The UNIX Operating System
An introduction to the UNIX operating system. Topics to be covered will include the history and philosophy of UNIX systems, an introduction to basic elements of UNIX, the "shell" command interface, utilities for managing files, and an introduction to the functions that administrators perform to maintain or re-establish the reliability of UNIX systems and the tools that UNIX provides to support that activity.

INFT 5700: Computer Networks Lab
Co-requisite: INFT 5703.
Students will complete network lab exercises in support of INFT 5703.

INFT 5703: Computer Networks
Prerequisites: INFT 5403 and INFT 5413.
Study of the concepts involved in interconnecting computers. Introduction to network topologies, routing, protocols, and security. Survey of network operating systems.

INFT 5981,5982,5983: Special Topics
A treatment of subjects not routinely covered in other courses. Subjects will vary.
Note: May be repeated for a maximum of six (6) hours.

INFT 6013: Decision Support Systems
This course enables students to acquire a broad understanding of management information systems and their components and the use of data and analysis models to aid the process of making decisions.

**INFT 6203: Database Development and Administration**

Prerequisites: INFT 5103 and INFT 5203.

A thorough introduction to accessing and maintaining a database via programming interface. Database administration features of SQL. Installation and tuning of a database.

**INFT 6303: Design of Web-Based Information Systems**

Prerequisites: INFT 5203 and INFT 5303.

A survey of methods for providing web-based access to data across a network. Common Gateway interface. Use of generation tools for developing web-based forms. Storing form data into a database. Retrieving information from a database and formatting it for presentation through the web and through e-mail. Client-based processing of data. Audio and video mechanisms support.

**INFT 6403: Information Systems Analysis and Design**

Co-requisite: INFT 5203.

A study of the various concepts, tools, principles, procedures, techniques, and stages of information systems development. Emphasis is placed on the systems approach to problem-solving, user involvement, the management of quality, project control, and teamwork. Other subjects will include feasibility study, requirements definition, documentation, system development life cycle, prototyping, and data modeling.

**INFT 6700: Heterogeneous Networks Lab**

Co-requisite: INFT 6703.

Students will complete network lab exercises in support of INFT 6703.

**INFT 6703: Heterogeneous Networks**

Prerequisites: INFT 5503 and INFT 5703.

Networking in a heterogeneous environment.

**INFT 6903: Emerging Trends in Information Technology**

Prerequisite: Permission of the coordinator.

Study of emerging trends in information technology. Analyzing and reporting on these trends.

**INFT 6973: Thesis Research in Information Technology I**

Prerequisite: Approval of a thesis plan by the thesis committee or the head of the department.

Formal presentation of directed research on a thesis topic selected by the student in consultation with a supervising professor. Prior to the final defense of a written thesis, students will be required to present their research study in a seminar to faculty, staff, and other students.

Note: This course must be continued by taking INFT 6983 in a later semester to complete the entire six (6) hour thesis research.

**INFT 6983: Thesis Research in Information Technology II**

Prerequisite: INFT 6973.

A continuation of the six-hour thesis research. Students may not enroll in this course with INFT 6991-3 in the same semester. In this course the degree candidate must submit his/her thesis to the thesis committee by the date established by the thesis committee. A final oral defense conducted by the thesis committee must be passed at least three weeks before the degree is conferred.

**INFT 6991,6992,6993: Internship**

Prerequisite: Approval of a project proposal by the MSIT Graduate Committee or the Instructor.

Students will develop and/or maintain a sponsored computer laboratory or an information system. Duties will include
determining user needs, writing and presenting a laboratory or system development/maintenance plan, and supporting the laboratory or system for a semester. The internship will require the equivalence of four clock hours per week of direct client interaction per credit hour earned.

Note: This course can be repeated up to six (6) total credit hours in different semesters.
# Journalism Course Descriptions

**JOUR 5023: Social Media**

This course offers students a solid understanding of social media, its roots, and how to effectively utilize this culture from personal and corporate perspectives.

**JOUR 5033: Community Journalism**

A course to acquaint the student with the characteristics of journalism as practiced in small towns and cities and study the relationship of the news media to the other institutions of the town or city.

**JOUR 5043: Journalism Ethics**

A study of ethical theory and basic principles needed in solving ethical challenges facing media professionals.

**JOUR 5053: Mass Communication Seminar**

Prerequisite: Permission of instructor.

Studies of the relationship of mass communication to social, political, technical, and economic issues. Course content will vary.

Note: May be repeated for credit as JOUR 5053 when course content changes.

**JOUR 5073: Graphic Communication**

Presents the elements of effective print design as well as the other decision making processes involved with creating an effective visual communication (type, art and illustration, basic design principles, paper and ink, printing processes, etc.). Students will create visually appealing projects using the industry standard design and photo manipulation software programs.

**JOUR 5083: Computer Mediated Communication**

A study of communication processes in the Digital Age. Discussions and content will include contemporary emerging communication technologies and exploration into the impact those technologies have and will likely have on an individual and diverse social communities.

**JOUR 5113: History of American Journalism**

Prerequisite: Permission of instructor.

A survey of the history of American journalism and mass media and their relationships to technical, economic, political, and other aspects of American society.

Note: May not be taken for credit after completion of JOUR 4113 or equivalent.

**JOUR 5123: Laws of Communication**

This course will familiarize the student with legal knowledge necessary for a communication specialist or working journalist. The course will attempt to identify case and statute law. It will also include in-depth research in particular legal matters.

Note: May not be taken for credit after completion of JOUR 4123, or equivalent.

**JOUR 5163: Advanced Photography**

Prerequisite: JOUR (ART) 1163 or consent of instructor.

An introduction to advanced photographic techniques including digital photography. Various historic and current theories of visual communication provide a substantive base for the application of techniques.

**JOUR 5193: Communication Research Methods**

Introduction to the methodologies of behavioral science applied to communication research including design measurement, data collection, and analysis. Explores the use of surveys, content analysis, focus groups, and experiments in studies of communication processes and effects. Students will complete a research project.

**JOUR 5243: Journalism Writing Seminar**
This course is designed to teach the fundamentals of news writing and fact-gathering for the mass media in a concentrated format. Emphasis will be on newspaper writing style, but the fundamentals will apply to broadcasting, news media, public relations, advertising, and other fields.

**JOUR 6013: Visual Storytelling**

Visual Storytelling covers the fundamentals of enhanced story development using mobile media platforms for journalistic publication.

**JOUR 6023: Video Production for New Media**

Prerequisites: JOUR 6013.

This course focuses on the art and science of documentary film making, specifically geared toward publication to new media audiences.

**JOUR 6053: Media and Society**

Incorporates mass communication theory as well as the global nature of media operations while focusing on the relationship between mass media and society. Students will examine contemporary issues that confront media professionals together with the social responsibilities and ethical questions that attend such issues. The political, social, and governmental influences on media policies and practices will also be emphasized in addition to the effects of media on society and culture.

**JOUR 6133: Multi-Media Publishing**

Advanced Photography and Video. Focuses on designing communication messages on the computer that combine several media and are interactive. Using the same software tools that are used in the multi-media industry, students learn to conceptualize, design, prepare, and program works for publication on CD-ROM and/or the WEB. Projects incorporate photographs, music, sound, video, and extensive user interactivity. Work in the course attempts to parallel product development in the real world multi-media industry.

**JOUR 6193: Journalistic Writing for Multi-Media**

Introduction to writing for multi-media. Course explores the advantages, audiences, and various technologies before studying the formats and language appropriate for each medium. Students develop their writing skills through analysis and practice.

**JOUR 6331,6332,6333: Professional Portfolio**

Students will create a portfolio of acquired work as well as develop a journalistic story told through multiple media platforms. The portfolio must meet industry standards and demonstrate a mastery of technical skill based in theoretical conventions of new media.

**JOUR 6891,6892,6893,6894: Independent Study**

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.

**JOUR 6991: Project or Thesis Research Continuation**

This course allows students additional time to research and compose their capstone project/portfolio.

**JOUR 6996: Professional Project**

Projects should be original work that is a manifestation of the student's multi-media expertise and reflect both a mastery of content with respect to a given topic as well as the technological skill to present the same in a multi-media format. All completed projects must include a written review of the literature and other materials relevant to the project. It is anticipated the review will be substantive and comprehensive, and clearly indicate how the project builds on intellectual and journalistic traditions.
Liberal Arts Course Descriptions

LA 6013: Introduction to the Liberal Arts
A study of the ideas, methods, and resources appropriate to the disciplines in the liberal arts.

LA 6711,6712,6713: Liberal Arts Project
Completion of creative or research project. Grade received for successful completion of project is credit (CR).
Library Media Course Descriptions

**LBMD 6003: Selection of Instructional Materials**

A study of the selection, evaluation, organization, and purchasing of instructional materials for the school library media center. The course includes a review of selection tools for identifying materials, determining suitability for specific grade levels, and establishing purchasing and teacher review procedures.

**LBMD 6013: Reference Materials in the School Library Media Center**

Study of the techniques of reference work, reference interviews, types of reference questions, selection of reference materials (print and non-print), and practice in their use with special emphasis on school library media centers. Networking for the purpose of sharing resources will receive emphasis in the course. Students will be required to do hands-on machine reference searches in addition to a research project.

**LBMD 6023: Classification and Cataloging**

Prerequisite: Nine (9) hours of graduate study or permission of instructor.

A study of the principles and competencies of cataloging and classification. Attention centered on the actual classification and cataloging of school library media center materials. Students will be required to do hands-on machine cataloging.

**LBMD 6033: The Instructional Role of the Library Media Specialist**

A course for the prospective school library media specialist focusing on the instructional role of the school library media specialist. Students will develop curriculum based upon the national and state standards for library media specialist.

**LBMD 6043: Preservation of Instructional Materials**

The tools and skills for preservation of materials used in education today will be emphasized. Preservation of printed, audio, video, and digital materials are just some of the techniques of study.

**LBMD 6403: Literature for Children and Adolescents**

An in-depth study of printed and other types of materials available for use in the elementary grades and middle school. Emphasizes the selection and use of materials to stimulate and improve learning.
MAEC 6033: PRIN CHILD DEV/CLASSROOM MGMT

This course is a study of the developmental stages, cognitive perceptions, and information processing of young children and classroom management techniques based on these characteristics for use in early childhood environments.

MAEC 6163: INSTRUCT/ASSESS/DIVERSE LEARN

This course examines the aligning of instruction and assessment in academic subjects by planning, implementing, and using evaluation strategies designed to facilitate cognitive content for diverse learners. It also addresses professional and ethical issues regarding instruction, assessment, and evaluation of learners with emphasis upon the early childhood learner.

MAEC 6213: EARLY CHILD CURR/YOUNG CHILD

This course examines curriculum development and analysis of early childhood educational settings. The course also requires that students apply the theories and principles to instructional planning, teaching, managing, and assessing students in the public school classroom.

MAEC 6323: DIAGNOST/LITERACY INSTR/INTERV

A course designed to study current practices in assessing young children’s reading and writing development for the purpose of diagnosing and planning instruction and interventions.

MAEC 6806: INTERNSHIP

The internship will provide a direct, substantial, and full-day, experience for a minimum of 12 weeks with an early childhood emphasis. Types of embedded professional development include action research, peer coaching, networking, portfolio development, teaming, live case studies, curriculum design, needs assessment, data collection, and data analysis. The placement of candidates in the field is a thoughtful process, considerate of a complexity of standards, policies, procedures, agreements, and partnerships with the public schools, rules, regulations, and budgetary constraints as well as the special needs, hardships in housing and transportation, and employment futures of teacher candidates.
# Master Arts Teaching Course Descriptions

**MAT 5703: TECHNOLOGY/TEACHING/LEARNING**

This is a research-based course involving applications of media techniques to facilitate learning. Media presentations are planned and implemented using practical and theoretical considerations about learning characteristics, exceptionailities, and cultural differences. Various projection techniques as well as microcomputer application are utilized.

**MAT 6003: EDUCATIONAL RESEARCH**

An introduction to educational research procedures, including formulation of research problems, research designs, data collections, and analysis of data.

**MAT 6043: PRINCIPLES/THEORIES/LEARNING**

This course introduces teacher candidates to educational psychology as a research oriented discipline and a science of practical application.

**MAT 6053: AT-RISK CHILD/SCH ENVIRONMENT**

A seminar designed to investigate the characteristics of the at-risk student, the teaching strategies utilized to meet the needs of the at-risk student in the classroom, and the national and state laws concerning students with exceptionalities.

**MAT 6403: SOCIAL/HIST/LEGAL FACTORS/EDU**

This course examines the study of education and various social groups, including the effects of various societies and educational systems. It also examines the legal factors that must be considered in the educational process.

**MAT 6503: CLASSROOM/BEHAVIORAL MGMT**

A seminar to examine research for sources and types of models available for managing the classroom. Development of classroom management skills and systems by applying human development, learning, teaching, and communication principles. This class will review the research and professional literature on classroom management. It includes a practicum involving field experiences in the public school.
**Mathematics Course Descriptions**

**MATH 5103: Linear Algebra II**

Prerequisite: MATH 4003 or consent of the department of mathematics.

A continuation of MATH 4003 with emphasis on abstract vector spaces, inner product spaces, linear transformations, kernel and range, and applications of linear algebra.

Note: MATH 5103 may not be taken for credit after completion of MATH 4103 or equivalent.

**MATH 5153: Applied Statistics II**

Prerequisite: MATH 3153.

This course is a continuation of Math 3153 with emphasis on experimental design, analysis of variance, and multiple regression analysis. Students will be required to design and carry out an experiment, use a current statistical software package to analyze the data, and make inferences based upon the analysis.

Note: Math 5153 may not be taken for credit after completion of Math 4153 or equivalent.

**MATH 5173: Advanced Biostatistics**

Prerequisite: An introductory statistics course or permission of instructor.

This course will include analysis of variance, one factor experiments, experimental design with two or more factors, linear and multiple regression analysis, and categorical data analysis.

**MATH 5243: Differential Equations II**

Prerequisites: MATH 3243 and MATH 4003 or consent of the instructor.

A continuation of MATH 3243 with emphasis on higher order and systems of differential equations.

**MATH 5273: Complex Variables**

Prerequisite: MATH 2943.

An introduction to complex variables. This course will emphasize the subject matter and skills needed for applications of complex variables in science, engineering, and mathematics. Topics will include complex numbers, analytic functions, elementary functions of a complex variable, mapping by elementary functions, integrals, series, residues and poles, and conformal mapping.

Note: May not be taken for credit after the completion of MATH 4273 or equivalent.

**MATH 5343: Introduction to Partial Differential Equations**

Prerequisites: MATH 2934 and MATH 3243.

This course is an introduction to partial differential equations with emphasis on applications to physical science and engineering. Analysis covers the equations of heat, wave, diffusion, Laplace, Dirichlet and Neumann equations. Course is suitable for senior level or first year graduate students in Mathematics, Physics, and Engineering.

**MATH 6213: Methods in Teaching Middle School Mathematics**

Prerequisite: Permission of instructor.

The course is an exploration of inductive teaching models, techniques, strategies, and research for teaching mathematics in the middle school. Emphasis will be placed on constructivist learning.

**MATH 6323: Methods in Teaching Secondary Mathematics**

Prerequisite: Permission of the instructor.

The course is a study of materials, methods, and strategies for teaching mathematics in the secondary school. Emphasis will be placed on activity-based learning.

**MATH 6881,6882,6883: Workshop**

Prerequisite: Permission of instructor.
The workshop will require the equivalency of fifteen clock hours of instruction per credit hour.

**MATH 6891, 6892, 6893, 6894: Independent Study**

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.

**MATH 6991: Project or Thesis Research Continuation**

This course allows students additional time to research and compose their capstone project/portfolio.
**Mechanical Engineering Course Descriptions**

**MCEG 5043: Physical Metallurgy**

Prerequisites: MCEG 2023, MCEG 3013, and MCEG 3313.

This course provides the student with an in-depth background to the mechanisms and applications of dislocation motion, crystal plasticity, phase transformations and solidification processes. Common industrial and experimental processes are studied for both ferrous and non-ferrous materials.

Note: May not be taken for credit after completion of MCEG 4043.

**MCEG 5053: Corrosion Principles**

Prerequisites: MCEG 2023, MCEG 3313, CHEM 2124.

This course provides the student with an introductory study on the principles, mechanisms and chemistry of material corrosion. The study will extend to material failures linked to corrosion processes and effects of environment on corrosion potential and kinetics.

Note: May not be taken for credit after completion of MCEG 4053.

**MCEG 5323: Power Plant Systems**

Prerequisites: MCEG 3313, MCEG 4403.

A study of the design and operation of steam-electric power plant components and systems. Fossil and renewable energy plants are emphasized.

Note: May not be taken for credit after completion of MCEG 4323.

**MCEG 5343: Internal Combustion Engines**

Prerequisites: MCEG 3313, MCEG 4403.

A study of the operating and design principles of internal combustion engines. The course will cover combustion cycles, emissions and performance analysis and testing.

Note: May not be taken for credit after completion of MCEG 4343.

Lecture three (3) hours with lab exercises.

**MCEG 5413: Finite Element Analysis**

Prerequisites: ELEG 2103, MCEG(ELEG) 3003, and MCEG 3013.

Introduction to approximate methods using finite elements. Development of the finite element method using variational formulations. Applications include machine design, mechanical vibrations, heat transfer, fluid flow, and electromagnetics.

**MCEG 5453: Energy Management**

Prerequisites: MCEG 3313, MCEG 4403, MCEG 4443, or consent of instructor.

**MCEG 5463: Heating, Ventilating, and Air-Conditioning Design**

Prerequisite: MCEG 3313.

A study of the principles of human thermal comfort including applied psychrometrics and air-conditioning processes. Fundamentals of analysis of heating and cooling loads and design of HVAC systems.

Note: May not be taken for graduate credit after completion of MCEG 4463.

**MCEG 5473: Mechanical Vibrations**

Offered: approximately, every other year
Prerequisites: MCEG 2033, MATH 3243.

The study of free and forced vibration of single degree-of-freedom systems, response to harmonic, periodic and non-periodic excitations. Mult degree-of-freedom systems and matrix methods are explored. Computational techniques for predicting system response of continuous systems are introduced.

Note: May not be taken for credit after completion of MCEG 4473.

**MCEG 5503: Nuclear Power Plants I**

Prerequisites: MCEG 3503, MCEG 4403.

A study of the various types of nuclear reactor plants including the methods used for energy conversion. Relative advantages/disadvantages of various plant types investigated.

Note: May not be taken for credit after completion of MCEG 4503.

**MCEG 5993: Special Problems in Engineering I**

Prerequisite: Permission of instructor

A individual or group study in an advanced area of engineering under the direction of a faculty advisor. May be taught in conjunction with an associated MCEG 4993 section.

Note: May not be taken for credit after gaining credit for a 4993 section with the same topic.

**MCEG 6013: Continuum Mechanics**

Offered: Once every two years

Prerequisites: Graduate admission and MCEG 3013 or equivalent

Development of field equations and generalized constitutive expressions for fluid and solid continua. Topics include: tensor analysis, kinematics, conservation of mass and momentum, and invariance and symmetry principles.

**MCEG 6023: Elasticity**

Offered: Once every two years

Prerequisites: MCEG 6013.

Analysis of stress and strain in two and three dimensions, equilibrium and compatibility equations, torsion of non-circular members, and variational methods.

**MCEG 6323: Energy Systems**

Prerequisites: MCEG 4433, MCEG 4403 or permission of instructor.

A study of various energy sources and the production of usable energy from them. Conventional and alternative energy sources are covered as well as economic environmental concerns.

**MCEG 6443: Advanced Heat Transfer**

Prerequisites or Co-requisites: MCEG 3313, 4403, 4443, or permission of instructor.

A study of the advanced principles of heat transfer: numerical methods in heat transfer, advanced boundary layer theory, advanced thermal radiation topics, and heat exchangers.

**MCEG 6503: Reactor Physics**

Prerequisites: PHYS 3213, MCEG 3503, MATH 5243.

A study of the fundamental physical principles in the operation and design of nuclear reactors. Includes neutron-nucleus interactions, neutron energy spectra and energy dependent cross sections, neutron transport and diffusion theory, multi-group approximations, criticality calculations, and reactor analysis and design methods.

**MCEG 6513: Radiation Measurement**

Prerequisites: MCEG 3503, MCEG 3512.
The study of radiation techniques and equipment used by scientists and engineers. Topics of interest will include techniques and equipment for detecting ionizing radiation below about 20 MeV, coincidence counting methods, and reactor laboratory experiments (as available).

Lecture two (2) hours, lab three (3) hours.

**MCEG 6523: Nuclear Materials**

Prerequisites: MCEG 2023 and MCEG 3503.

A study of the properties of materials utilized in nuclear reactors, shielding systems, and other systems exposed to radiation. Emphasis will be placed on understanding and mitigation the damage of such materials by neutron and gamma radiation.

**MCEG 6533: Radiation Interactions and Shielding**

Prerequisites: MCEG 3503, MCEG 3523.

Radiation Interactions and Shielding. Basic principles of radiation interactions, transport and shielding. Radiation sources, nuclear reactions, radiation transport, photon interactions, dosimetry, and shielding design will be covered.

**MCEG 6881,6882,6883: Workshop**

Prerequisite: Permission of instructor.

The workshop will require the equivalency of fifteen clock hours of instruction per credit hour.

**MCEG 6891,6892,6893,6894,6895,6896: Independent Study**

Prerequisites: Completion of 18 hours toward program requirements, approval of advisor.

Students will complete an engineering project approved by their Advisory Committee. The project must include elements of engineering design and project management with a subject relevant to the student's program of study. Successful completion of the project will include a professional report and full presentation of the project findings/results.
Management Course Descriptions

**MGMT 5023: Personnel/Human Resource Management**

Cross-listed: MGMT 4023

Prerequisite: MGMT 6003

A study of that function performed in organizations which facilitates the most effective use of people (employees) to achieve organizational and individual goals. Topics covered include the law and personnel/human resource management, personnel analysis, planning, and staffing; performance evaluation and compensation, training and developing of human resources; labor relations, employee safety and health; work scheduling; evaluation of personnel/ human resources management. There is a required research project.

Note: May not be taken for credit after completion of MGMT 4023.

**MGMT 5053: Small Business Management**

Prerequisite: MGMT 6003

Application of business management principles to the creation and operation of small scale enterprises. Emphasis on the preparation and implementation of business plans for such enterprises. There is a required research project.

**MGMT 5203: Project Management**

Prerequisites: Graduate standing in the School of Engineering, COMS 1003 or BUAD 2003 or higher level microcomputer applications course, or instructor approval.

This course explores the techniques of organizing the main elements of project management: people, cost, schedule, and scope. The course emphasis is aimed toward a practical understanding of Project Management for future business leaders and engineers. Students will learn to utilize information technology that aids in the visualization and documentation of the project planning and management process.

Note: May not be taken for credit after MGMT 4203.

**MGMT 5213: Business Leadership**

Cross-listed: MGMT 4213

Prerequisite: MGMT 6003

The course is an overview of the concepts and issues associated with contemporary leadership. It outlines the challenges, methods, and responsibilities of leading in our society. It covers what every informed citizen should know about leading in a variety of settings: the processes, styles, and pitfalls. We will address leader development, and discuss ethical issues related to leading. Guest speakers and student presentations will provide real world contemporary experiences for comparison to the text materials. Students are expected to be active participants in class. The final paper will serve as a roadmap for leadership development for each student for the next ten years. There is a required research project.

Note: May not be taken for credit after completion of MGMT 4213 or equivalent.

**MGMT 5223: Leadership: Ideas and Images in Art, Film, History, and Literature**

Prerequisites: MGMT 6003

This course probes the definition, meaning, practice, and paradox of leadership by exploring ideas and images found in diverse domains such as film, art, literature, and history. These ideas and images are used as a platform for examining leadership challenges and for developing personal insights into leadership practice, issues and values. There is a required research project.

**MGMT 6003: Survey of Management and Organizational Behavior**

This course examines the principles and theories of corporate management including planning, organizing, leading, controlling, staffing, decision making, ethics, organizational influence, behavior, change and development. There is a required research project.

**MGMT 6083: Business Policy**

Prerequisites: 21 hours must be completed toward the program requirements.
As the capstone course in the MSBA, this course examines the application of strategic management processes, including top management's role in situational analysis, strategy selection, strategy implementation, and strategic control, under conditions of uncertainty. There is a required research project.

**MGMT 6093: Special Topics in Management**

Prerequisite: MGMT 6003

Course offers an in-depth exploration of selected management issues affecting business. The primary focus of the course will vary from offering to offering; thus the course may be taken more than once. There is a required research project.

Note: Students are limited to a maximum of six (6) hours of special topics credit.
**Marketing Course Descriptions**

**MKT 5053: Sport and Event Marketing**

Prerequisite: MKT 6003

To apply marketing concepts to sporting, cultural, historical, and charitable activities and events. To examine the performance, production, and promotional segments of the sport and event markets. There is a required research project.

**MKT 5063: Advertising**

Cross-listed: MKT 4063

Prerequisite: MKT 6003

The "how" and "why" of advertising: principal problems faced by advertisers and advertising agencies, approaches, policies, and procedures as related to successful marketing techniques.

Note: May not be taken for credit after completion of MKT 4063 or equivalent.

**MKT 5093: International Marketing**

Prerequisite: MKT 6003

Analysis of opportunities, distinctive characteristics and emerging trends in foreign markets, including exploration of alternative methods and strategies for entering foreign markets; organizational planning and control; impact of social, cultural, economic and political differences; and problems of adapting American marketing concepts and methods. There is a required research project.

**MKT 5143: Marketing Management**

Prerequisite: MKT 6003

Advanced study of decisions facing a marketing executive. Topics covered include product planning, consumer behavior, promotion, sales management, and pricing. There is a required research project.

**MKT 6003: Marketing Strategy and Research**

Marketing principles and framework from a managerial perspective; role of basic marketing functions (price, product, distribution, promotion) and use of statistical analysis in determination and implementation of strategy and other marketing decision making activities; significance of legal and ethical precepts; increasing role of global marketing activities. There is a required research project.

**MKT 6093: Special Topics in Marketing**

Prerequisite: MKT 6003

Course offers an in-depth exploration of selected marketing issues affecting business. The primary focus of the course will vary from offering to offering; thus the course may be taken more than once. There is a required research project.

Note: Students are limited to a maximum of six (6) hours of special topics credit.
Middle Level Education Course Descriptions

MLED 5013: Teaching the Young Adolescent
A study of developmentally appropriate curriculum, instruction, and pedagogy for teaching the young adolescent with an understanding of the historical perspective of middle schools and programs.

MLED 5033: Young Adolescent Growth and Development
Prospective middle level teachers will study the educational implications of the developmental period of young adolescence. An emphasis is placed on developmental characteristics of the young adolescent highlighting the role of the middle level teacher in promoting the healthy development of the young adolescent.

MLED 5043: Diversity in the Middle Level Classroom
Prospective middle level teachers will study the educational implications of the economic, cultural, racial, and intellectually divers middle level classroom.
# Teaching/Learning/Leadership Course Descriptions

**MTLL 6003: School Organization and Leadership for Teacher Leaders**

This course will examine how schools are organized and supported from the federal level to the local school. The concepts of leadership and its role at all levels will be a focal part of this study. Students will begin to examine their leadership style and dispositions.

**MTLL 6113: Action Research and Data Analysis for School and Classroom Use**

This course will focus on the analysis of data with emphasis on student achievement and whole school accountability. Data driven decision-making will be examined. Students will look at research methodologies with a focus on action research and the role of the leader in facilitating action research in the field.

**MTLL 6123: Instructional Leadership for the Master Teacher**

This course will focus on the "hard and soft" skills of instructional leadership. The teaching and learning process will be the focus of student work. Students will learn how to observe and coach for excellence in teaching and learning. The reflective practice model will serve as a basis for theory and skill development.

**MTLL 6133: Basic Elements of Curriculum**

This course will focus on national, state, and local curriculum standards. Students will gain an understanding of the alignment issues of curriculum, instruction, and assessment as they prepare a curriculum artifact based on the principles of curriculum.

**MTLL 6143: Organizational Change and the Role of the Master Teacher**

This course will examine theories of change looking at research and case studies of first and second order change. Students will gain strategies as leaders of change as schools work to move closer to higher performance. Students will study a current change taking place in a school.

**MTLL 6152: Professional Portfolio for the Master Teacher**

This course will examine the role of the student portfolio and the teaching portfolio. The main focus will be the professional portfolio for the candidate's completion of their degree program.

**MTLL 6202: Professionalization of Teaching for the Master Teacher**

This course will examine the philosophies and historical perspectives of education for the purpose of reflection on individual teaching and learning practices. Students will purposefully explore and define who they are as a master teacher and what core beliefs impact teaching and learning in their classroom.

**MTLL 6223: Teaching and Learning for the Master Teacher**

This course will explore theories and best practices that can lead to improved student performance.

**MTLL 6233: Advanced Teaching and Learning**

Prerequisite: MTLL 6223.

In this course the graduate student pursuing the NTL option will continue the exploration of teaching and learning theories and research-based classroom practices to promote improved student learning.

**MTLL 6242: Cognitive Coaching and Mentoring for the Master Teacher**

Students will develop the necessary skills that will enable the master teacher to be a peer learning coach and mentor for the inductee, peer, and/or marginal teacher.

**MTLL 6252: Communication Advocacy & Policy Development for the Master Teacher**

Effective means of communicating classroom related issues, in order to be an advocate for teaching and learning practices that make a difference in teaching and learning, will be examined in this course as well as ways for the teacher to impact policy development at the district, state, and national levels.

**MTLL 6253: Advanced Curriculum Design Practicum for the Master Teacher**

This course will focus on advanced methods of curriculum design. The role of the teacher leader in the curriculum development process will be explored and acquisition of the skills necessary to facilitate, implement, assess, and sustain the process will be learned.
MTLL 6262: Action Research Practicum for the Master Teacher

This course will focus on the implementation of the student action research design, developed in the initial research course, Action Research and Data Analysis for School and Classroom Use. Analysis of field data from this research will be aggregated with emphasis on student achievement. Effective communication of the research results to various audiences will also be explored.

MTLL 6271: Resource Acquisition for the Master Teacher

This course will provide the opportunity for students to discuss, explore, and acquire skills that will supplement means to augment classroom resources in addition to the allocated budget.

MTLL 6292: Evaluation of Classroom Learning for the Master Teacher

Assessment, to evaluate student performance, will be explored with the emphasis being on authentic assessments.

MTLL 6551,6552,6553,6554: Internship Practicum

The purpose of the Intern Practicum is to provide the Non-Traditional (NTL) graduate student with an opportunity to apply theory and practice into experiences in the classroom.

$25 per credit hour internship practicum fee.
Music Course Descriptions

MUS 5803: History of American Music: Jazz and Folk
An in-depth study of folk music and the relationship between these forms and American life. Research, aural activity, and analysis are used to explore a variety of musical forms, composers, and performers.

MUS 5853: Music of the World's Peoples
Cross-listed: ANTH 5853
A survey of predominantly non-Western world music cultures with attention to sonic structures, musicians, musical instruments, and socio-cultural contexts of music making. Listening emphasized.
Note: Open to students in all majors.

MUS 6893: Independent Study
Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.
Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.
Museum Course Descriptions

MUSM 5403: Interpretation/Education through Museum Methods

Cross-listed: ANTH 5403, HIST 5403

Prerequisite: Permission of the instructor or Department Head.

Museum perspectives and approaches to care and interpretation of cultural resources, including, interpretive techniques of exhibit and education outreach materials, and integrating museum interpretation/education into public school and general public programming. Class projects focus on special problems for managing interpretive materials in a museum setting. Graduate level projects or papers involve carrying out research relevant to the Museum's mission and relating to current Museum goals.

Note: May not be taken for credit after completion of MUSM 4403, ANTH 4403, or HIST 4403.
NUR 6103: Theoretical Perspectives

This course is designed to provide the student with the skills necessary to critique, evaluate, and apply theories from nursing and related healthcare disciplines. Philosophical and theoretical underpinnings of the nursing discipline will be explored with in depth discussion of knowledge development and theory analysis. Students will study a selected phenomenon in depth and learn the strategies for concept analysis and development.

NUR 6203: Research Design and Methods

This course focuses on quantitative and qualitative research design with an emphasis on strategies for incorporating current research findings into the provision of healthcare to improve quality of care and care delivery. Students will identify common problems in nursing and healthcare systems, and determine the most appropriate research methodology for finding or creating solutions. Students are expected to critically appraise published research and develop appropriate and creative methods for utilizing current research findings in a variety of healthcare settings.

NUR 6213: Epidemiology

This course will prepare the nurse administrator to study the health-related states of client populations and apply epidemiological, social, and environmental data to the health status of individuals, families, groups, and communities. Students will examine environmental and occupational hazards leading to disease and evaluate preventative and therapeutic measures that are available within healthcare delivery systems. Current epidemic and pandemic issues will be discussed in addition to biological, chemical, and radiological threats.

NUR 6303: Law, Ethics, and Health Policy in Healthcare

This course is an overview of current trends in healthcare today and the legal/ethical issues with which the nurse manager in healthcare systems may confront. Students will examine contemporary social, economic, ethical, and legislative issues influencing healthcare policy. Such issues as legal liability of professionals, legal compliance, ethical standards and personnel law will also be examined.

NUR 6313: The Role of the Nurse Administrator

This course will prepare the graduate to analyze theories and research relevant to the role of nurse administrator as leader and manager. Emphasis will be placed on the internal and external forces influencing the nurse administrator role. Seminars will focus on healthcare policy, organization, healthcare delivery systems, and fiscal management. The graduate will be able to assume a leadership role in the managing of human, fiscal, and physical healthcare resources in a variety of healthcare settings.

NUR 6403: Non-Thesis Project

Directed research study of a topic selected by the student, incorporating literature review of current research findings and a written project proposal. This course is designed to provide an opportunity for the student to identify a topic of interest and propose a strategy for implementation of a new program of system change.

NUR 6503: Organizational Behavior and Human Resource Management

Prerequisite: NUR 6313

This course deals both with human resource issues in the healthcare organizations and with the theoretical foundations of organizational development as an applied behavioral science. Attention will be directed to the dynamics of contemporary human relations in healthcare organizations.

NUR 6513: Fiscal Management in Health Care System

Prerequisite: NUR 6313

Financial management and systems development in a changing health care environment are the focus of this course. This course begins with a basic review of accounting systems in health care facilities. Key concepts such as cost behavior and analysis, budgeting, and internal controls are all explored. Strategic planning and implementation will also be examined.

NUR 6526: Nursing Administration Practicum

Prerequisites: 24 hours of core courses and NUR 6503 and NUR 6513.

This course is designed to promote student application of theory to practice. Students, with faculty approval, will select the healthcare setting and nurse administrator for the practicum. Students will be required to plan their studies, set specific learning objectives, and provide formal written reports on their findings. The nurse administrator should work closely with
his/her preceptor to assess job requirements, analyze budgets and budgetary needs, and develop a plan to provide quality, cost-effective nursing care to patients.

**NUR 6603: Crisis Intervention in Disasters**

This course is designed to prepare the nurse administrator to develop a crisis intervention program and to understand a wide range of crisis intervention strategies including pre and post incident crisis education, crisis intervention for individuals, significant other support services, demobilizations after large scale traumas/disaster, small group defusing, and group intervention. The nurse administrator should have the knowledge necessary to assess, plan, organize, implement, and evaluate a crisis intervention program.

**NUR 6991,6992,6994,6995,6996: Research Thesis/Project**

This course is directed research on a thesis topic selected by the student in consultation with a supervising professor. The student will be required to present the thesis in a seminar to faculty and other graduate students.
Physical Education Course Descriptions

**PE 5013: Structural and Mechanical Kinesiology Concepts**

Prerequisite: Undergraduate degree from an accredited university

An investigation of the structural and mechanical bases of human movement, sport, and exercise programming. Completion of this "leveling" course with a grade of "B" or higher is a prerequisite for admission into the SCS degree program for those students who have not already completed an undergraduate course in Kinesiology/Biomechanics with a grade of "B" or higher.

Note: This course does not count towards the Strength and Conditioning Studies degree requirements.

**PE 5023: Applied Physiology Concepts**

Prerequisite: Undergraduate degree from an accredited university

An investigation into the acute responses and chronic adaptations made by the human body in adjusting to various types of physical activity. Completion of this "leveling" course with a grade of "B" or higher is a prerequisite for admission into the SCS degree program for those students who have not already completed an undergraduate course in Exercise Physiology with a grade of "B" or higher.

Note: This course does not count towards the Strength and Conditioning Studies degree requirements.

**PE 6033: Exercise Physiology**

Prerequisites: PE 4033, PE 2653, and PE 3663 or approval of department head.

A study of the physiological changes in the human organism which accompany physical exercise and the implication of the changes for physical education.

**PE 6043: Psychology of Motor Learning**

Prerequisites: PE 2653 and PE 3663, or approval by department head.

Provides an understanding of psychological principles involved in motor performance.

**PE 6053: Biomechanics**

Prerequisites: PE 2653, PE 3663, algebra or general mathematics, and physical science or physics, or approval by department head.

The application of physics as it relates to human movement. Specific emphasis will be made on the mechanics and common injuries involved with selected sport or work related movements.

**PE 6063: Current Issues in Coaching and Athletics**

This course will afford the student the opportunity to analyze historical and contemporary coaching and athletics issues and to develop cogent written and oral arguments regarding them.

**PE 6073: Exercise and Sport Behavior**

Prerequisite: PE 4513 or approval by department head.

The course provides an in-depth view of the psychological aspects of human behavior in sport and exercise settings.

**PE 6083: Research Design and Statistics in Physical Education**

Prerequisite: PE 4523 or approval by department head.

Designed to familiarize the student with research literature, techniques, and statistical procedures used in physical education today.

**PE 6881, 6882, 6883: Workshop**

Prerequisite: Permission of instructor.

The workshop will require the equivalency of fifteen clock hours of instruction per credit hour.

**PE 6891, 6892, 6893, 6894: Independent Study**
Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.

**PE 6993: Thesis Research**

Directed research on a thesis topic selected by the student in consultation with a supervising professor.
PHIL 5093: American Philosophy

Prerequisite: Permission of the instructor or Department Head.

An examination of the main currents of American philosophical and religious thought from the earliest times to the present.
PHSC 6883: Workshop

Prerequisite: EDFD 6003 or permission of instructor.

The workshop will require the equivalency of fifteen clock hours of instruction per credit hour.
Physics Course Descriptions

PHYS 6881,6882,6883,6884: Workshop

The workshop will require the equivalency of fifteen clock hours of instruction per credit hour.
POLS 6893: Independent Study

Prerequisite: Permission of the instructor or department head.

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.
Psychology Course Descriptions

PSY 5013: History of Psychology

Prerequisite: Graduate standing in psychology or instructor and program director permission.

A survey of the developments in psychology from the ancient Greeks to the emergence of psychology as a modern experimental science.

PSY 5033: Psychological Tests and Measurements

Prerequisite: Graduate Standing in psychology or instructor and program director permission.

Theory of psychological testing, statistical procedures and training in administration, scoring, and profiling of various tests of ability, achievement, interests, and personality.

$20 testing fee.

PSY 5043: Social Psychology

Cross-listed: SOC 5043

Prerequisite: BA or BS in Sociology or related field.

A study of the factors that influence the attitudes, behaviors, and cognition of the individual with a special emphasis on interactions among people.

PSY 5053: Psychology of Perception

Prerequisite: Graduate standing in psychology or instructor and program director permission.

The study of general perceptual processes. While the main senses will be covered, emphasis will be placed on visual functioning. The role of perception in organismic adaptation will be explored.

PSY 5073: Cognitive Psychology

Prerequisite: Graduate standing in psychology or instructor and program director permission.

A study of the basic principles of mental processes and their influences on behavior. Specifically, the course focuses on the conscious and unconscious processes involved in the acquisition, storage, transformation, and use of knowledge.

PSY 6003: Advanced Principles of Psychology I

Offered: Once a year

Prerequisites: Admission to graduate school or permission of psychology graduate coordinator.

This is the first course in a two course sequence covering the basic principles of psychology from an advanced standpoint. The course will emphasize the research the theories of psychology are based on, the logical and empirical adequacies of modern theories of psychology, and the application of psychology in the workplace and human service settings. Research, application, and other considerations for graduate psychology students will be emphasized. The core concepts covered in this course include history of psychology, research methods and statistics, biopsychology, learning, memory, cognition, language, consciousness, and cognitive abilities.

PSY 6013: Advanced Statistics

Cross-listed: SOC 6013

Prerequisites: PSY/SOC 2053 or equivalent and graduate standing in sociology or psychology or instructor and program director permission.

An advanced study of the concepts and techniques in descriptive and inferential statistics. Emphasis placed on the application of statistics and psychological research.

PSY 6023: Research Design

Prerequisite: PSY 6013 or equivalent and graduate standing in psychology or instructor and program director permission.

An advanced treatment of the design and analysis of psychological research. Emphasis on the logical foundations of experimental design.
### PSY 6033: Personality Testing

- **Prerequisite:** PSY 6013 or equivalent and graduate standing in psychology or instructor and program director permission.

  Application of selected assessment devices. Emphasis on various objective tests including theoretical assumptions, scaling techniques, profile interpretation, and critical research topics.

### PSY 6043: Psychopathology

- **Prerequisite:** Graduate standing in psychology or instructor and program director permission.

  Surveys classical and contemporary trends and theories of psychopathology; including methods, validity, and utility of classificatory schemes, properties of various disorders, as well as related assessment and treatment procedures.

### PSY 6053: Advanced Development Psychology

- **Prerequisite:** Graduate standing in psychology or instructor and program director permission.

  Evaluation and assessment of the logical and empirical adequacies of modern theories of psychological development in relation to the maturation process of individuals.

### PSY 6063: Advanced Physiological Psychology

- **Prerequisite:** Graduate standing in psychology or instructor and program director permission.

  An in-depth analysis of topics in physiological psychology. Emphasis is placed upon functional neuroanatomy of mammals to provide for understanding of systems for neural control of perception, orientation, motivation, learning, and complex processes.

### PSY 6073: Personality Dynamics and Theories

- **Prerequisite:** Graduate standing in psychology or instructor and program director permission.

  An examination of selected writings and research of major personality theories.

### PSY 6083: Seminar in Psychology

- **Prerequisites:** PSY 6013, PSY 6023, nine hours of PSY at the 5000-6000 level, and permission of the department.

  Concentrated analysis of a particular problem in psychology. Emphasis is placed upon the evaluation of current research and theory in the development of research ideas by the student. Topics to be determined by the Graduate Faculty Committee and the Program Director in Psychology.

### PSY 6091, 6092, 6093: Advanced Field Placement

- **Prerequisites:** Successful completion of 30 graduate hours in psychology, six hours of thesis, and mutual consent of the faculty advisor, department, and industry supervisor.

  The course is a jointly supervised field placement in an area diagnostic or treatment facility. Emphasis is on an integration of theory, methods, and graduate training, with on-the-job experience. The placement is designed for students who are considering work in facilities which provide psychological and/or social services.

  **Note:** The purchase of Professional Liability Insurance is required.

### PSY 6103: Advanced Principles of Psychology II

- **Offered:** Once a year

  **Prerequisites:** Admission to graduate school or permission of psychology graduate coordinator.

  This course is the second course in a two course sequence covering the basic principles of psychology from an advanced standpoint. The course will emphasize the research the theories of psychology are based on, the logical and empirical adequacies of modern theories of psychology, and the application of psychology in the workplace and human service settings. Research, application, and other considerations for graduate psychology students will be emphasized. The core concepts covered in this course include a review of research methods and statistics, motivation, emotion, human development, personality, health and stress, psychology disorders and treatments, social cognition and social psychology, I/O psychology, and neuropsychology.

### PSY 6891, 6892, 6893, 6894: Independent Study

- **Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which**
complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.

**PSY 6991: Project or Thesis Research Continuation**

This course allows students additional time to research and compose their capstone project/portfolio.

**PSY 6993, 6994, 6995, 6996: Thesis Research**

Prerequisites: Graduate standing in psychology and permission of thesis advisor.

Directed research on a thesis topic selected by the student in consultation with a supervising professor.
Strength Conditioning Studies Course Descriptions

**SCS 6013: Measurement and Evaluation in Strength and Conditioning**

An advanced investigation of measurement and assessment theory along with the study of various test and measurement protocols used in strength and conditioning, exercise, and sport. Testing in the cognitive, psychomotor, health-fitness, and affective domains will be reviewed. Criteria for selection of tests including validity, reliability, objectivity, and utility. Basic statistical methods as applied to strength and conditioning with particular emphasis on interpretation and evaluation of results will be emphasized.

**SCS 6023: Scientific Foundations of Strength and Conditioning**

An intensive advanced course integrating the principles of Exercise Physiology, Biomechanics, and Exercise Psychology as they relate to strength and conditioning programs.

**SCS 6033: Strength and Conditioning Program Design and Development**

An advanced course that integrates scientific principles and practical applications related to designing a safe and effective strength and conditioning training program. Tenets from Exercise Physiology, Biomechanics, and Exercise Psychology will be reviewed as design principles are covered.

**SCS 6043: Techniques for Development of Hypertrophy, Strength, and Power**

An intensive course designed to assist trainers and coaches in developing the ability to teach proper resistance training techniques. Scientific research dealing with the development of hypertrophy, strength, and power will be explored.

Note: This is a 5 week summer course with 3 weeks spent on-campus.

**SCS 6053: Techniques for Development of Speed, Agility, Reaction Time and Endurance**

An intensive course designed to assist trainers and coaches in teaching various techniques designed to enhance flexibility, speed, agility, reaction time, and glycolytic and aerobic endurance.

Note: This is a 5 week summer course with 3 weeks spent on-campus.

**SCS 6063: Trends in Sports Nutrition and Metabolism**

An advanced study of nutrition as a means to enhance performance in exercise and sport.

Note: This is a 5 week summer course with 3 weeks spent on-campus.

**SCS 6083: Instructional Strategies for Strength Coaches**

This course focuses on effective sport pedagogy. Students will gain experience in a range of pedagogical skills including designing learning experiences, task presentation, content analysis, and systematic observation techniques for analyzing and improving teaching.

**SCS 6093: Readings in Strength and Conditioning**

This course is designed to enhance the student's ability to critically analyze and evaluate contemporary strength and conditioning literature.

**SCS 6103: Professional Project**

Prerequisite: Requires the prior completion of 27 hours towards the SCS degree. The professional project should be developed and must be approved by the Graduate Program Director prior to enrolling in this course.

The Professional Project is the capstone course for the Master of Strength and Conditioning Studies degree, serving as the integrative culmination of the program. The student is responsible for producing a substantial piece of independent research, a significant professional creative project, or a meaningful internship.
Secondary Education Course Descriptions

SEED 5333: Teaching Reading and Study Strategies in the Content Area

This course is designed to provide pre-service and in-service teachers and administrators with a knowledge of reading factors as they relate to various disciplines. Content of the course includes estimating students' reading ability, techniques for vocabulary, questioning strategies, and developing reading-related study skills.

SEED 6881,6882,6883: Workshop

Prerequisite: Permission of instructor.

The workshop will require the equivalency of fifteen clock hours of instruction per credit hour.

SEED 6891,6892,6893,6894: Independent Study

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.

SEED 6991: Thesis Research

Directed research on a thesis topic. If the six (6) hour thesis (SEED 6993 and 6993 in the student's area of specialization) has not been completed during the semester(s) of enrollment, the student must register for SEED 6991 during subsequent semesters in which he/she is receiving faculty assistance with the thesis and/or using University library facilities.

SEED 6993: Thesis Research

Directed research on a thesis topic selected by the student in consultation with a supervising professor.
SOC 5003: Minority Relations

Prerequisite: BA or BS in Sociology or related field.

A study of minority groups with emphasis upon discrimination, socio-historical characteristics, and processes of social change. Minorities considered include racial, ethnic, and gender.

SOC 5013: Drugs in Society

Cross-listed: CJ 5013

Prerequisite: BA or BS in Sociology or related field.

This course presents a comprehensive study of the history and prohibition of drugs use in the United States, as well as the effects of drugs on society in the form of crime, prison, and treatment. The main focus of this class is on the history of drug use, how certain drugs become illegal, and the intended and unintended consequences of drug prohibition for communities and society.

SOC 5043: Social Psychology

Cross-listed: PSY 5043

Prerequisite: BA or BS in Sociology or related field.

A study of the factors that influence the attitudes, behaviors, and cognition of the individual with a special emphasis on interactions among people.

SOC 5053: Sociology of Health and Illness

Prerequisite: BA or BS in Sociology or related field.

An in-depth look at the sociology of health and illness including an examination of the social structures related to the medical system, the social psychology of health and illness, a comparative analysis of sick role behavior, as well as the study of social causes and consequences of health and illness.

SOC 5063: Social Stratification

Prerequisite: BA or BS in Sociology or related field.

A study of social class and consequences for society and individuals.

SOC 5183: Social Gerontology

Prerequisite: BA or BS in Sociology or a related field

An introduction to the sociology of aging: content provides general and specific knowledge regarding the aging process. Implications for economic, political, and family institutions are emphasized.

SOC 6013: Advanced Statistics

Cross-listed: PSY 6013

Prerequisite: PSY/SOC 2053 or equivalent and graduate standing in sociology or psychology or instructor and program director permission.

An advanced study of the concepts and techniques in descriptive and inferential statistics. Emphasis placed on the application of statistics and psychological research.

SOC 6023: Advanced Sociological Theory

Offered: Fall

Prerequisite: BA or BS in Sociology or related field

This course provides an in-depth survey of the classical social theorists and theoretical traditions in the 19th and 20th centuries. Attention will be directed to major thinkers and schools of thought which are responsible for the emergence of social theory (and the field of sociology). Contemporary theorists who have had a major impact on the discipline will also be examined.
SOC 6033: Advanced Methodology
Prerequisite: BA or BS in Sociology or related field.
An introduction to research methodology, with emphasis upon conceptualization, design, and processes.

SOC 6043: Evaluation and Assessment
Prerequisite: BA or BS in Sociology or related field.
An introduction to the logic and methods of modern social program evaluation and assessment. Emphasizing the benefits of applied sociological methods, the course reviews nonprofit program measurement with a focus on costs and effects.

SOC 6053: Advanced Topics in Criminal Justice
Prerequisite: BA or BS in Sociology or related field.
This course offers specialized instruction in an area of criminal justice not otherwise covered in the curriculum.
Note: The focus of the course will vary from offering to offering, thus students may take the course more than once.

SOC 6063: Advanced Topics in Gerontology
Prerequisite: BA or BS in Sociology or related field.
This course offers specialized instruction in an area of gerontology no otherwise covered in the curriculum.
Note: The focus of this course will vary from offering to offering, thus students may take the course more than once.

SOC 6891, 6892, 6893, 6894: Independent Study
Prerequisite: Graduate student status with successful completion of all 12 hours of required coursework in the program.
Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.
Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.

SOC 6991, 6992, 6993: Thesis Research
Prerequisite: Graduate student status with successful completion of all 12 hours of required coursework in the program.
This course is designed to allow the student specific time to research, write, and complete the thesis.

Speech Course Descriptions

SPH 5003: Human Communication Theory

This communication theory class integrates learning about speech communication in various contexts. It is an in-depth study of contemporary and traditional perspectives of human communication, and synthesizes major concepts in human communication theory development.

Note: May not be taken for credit after the completion of SPH 4003.

SPH 5053: Speech Communication Seminar

A course for both majors and non-majors who want to investigate the relationships between human communication and contemporary social, political, and economic issues.

Note: May not be taken for credit after the completion of SPH 4053 unless the topics differ.

SPH 5063: Organizational Communication

Theories and practices of organizational communication are examined from a critical and historical perspective. Issues related to the personal, relational, cultural, group, business, global, and ethical dimensions of everyday communication practices are analyzed. Includes lecture, discussion, research, and group projects.

Note: May not be taken for credit after the completion of SPH 4063.

SPH 5123: Rhetorical Criticism

This course will provide the principles of rhetorical theories as they have developed throughout history and apply them to the critical analysis of various communication events.

Note: May not be taken for credit after the completion of SPH 4123.

SPH 5153: Persuasive Theory & Audience Analysis

Survey of classical and social science theories of persuasion. Particular emphasis is given to analysis of persuasive strategies, preparation of persuasive appeals, ethics of persuasion, and audience analysis. A consideration of social movements and persuasive campaigns is also included.

SPH 6893: Independent Study

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University's graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.
Teach English Second Language Course Descriptions

**TESL 5023: Second Language Acquisition**

This course provides an introduction to the major theories of language acquisition and their applications to the instruction of ESL students.

Note: Required for the ESL Endorsement in Arkansas.

**TESL 5703: Teaching English as a Second Language**

This course is an introduction to the methodology in teaching listening, speaking, reading and writing English, as well as core content, to ESL students.

Note: Required for the ESL Endorsement in Arkansas.

**TESL 5713: ESL Assessment**

This course is an introduction to ESL assessment strategies and tools, the design and evaluation of classroom tests, and the design and use of alternative assessment strategies and tools.

Note: Required for the ESL Endorsement in Arkansas.

**TESL 5723: Teaching People of Other Cultures**

This course provides an introduction to issues in language and culture, including sociolinguistic variations due to age, sex, social class, and ethnicity.

Note: Required for the ESL Endorsement in Arkansas.

**TESL 6003: Linguistics for ESL Teachers**

Examination of phonology, syntax, and semantics in a variety of languages, including the study of language changes, as well as regional and social variations. This course will provide students with linguistic insights into language usage, writing, reading, spelling, and vocabulary.

**TESL 6013: Modern English Grammar and Usage**

**TESL 6023: Language and Society**

Examination of the interrelationship of language, culture, and non-verbal communication and the role each of these plays in shaping thoughts and attitudes. Students will also investigate the interactions among language, social institutions, cultural beliefs, and individual behavior and the language variations associated with geography, socio-economic class, age, and gender.

**TESL 6033: Oral and Written Communication**

Examination of content and methodology in teaching listening, speaking, and pronunciation to diverse groups of ESL students.

**TESL 6053: Tesol Assessment Strategies**

Examination of theory and practice in the design and evaluation of classroom tests and other assessment tools. Examination of the role of testing; survey of types of tests; criteria of tests; analysis of the tasks that require either listening, speaking, reading, writing, and the levels of communicative competence necessary to complete such tasks successfully; and evaluation of the appropriateness of various tests for ESL students.

**TESL 6063: Instructional Strategies in Content Areas**

Participants will learn strategies to help English language learners acquire the English language and content area objectives specified by the Arkansas core curriculum standards and the English language proficiency standards.

**TESL 6143: Reading for English Language Learners**

This course will examine major differences between first and second language learners of English who are developing reading skills as well as appropriate and effective activities to promote vocabulary development and reading skills for
learners whose second language is English.

**TESL 6863: TESOL Practicum**

Prerequisite: Completion of the 27 hours required for the MA degree or permission of the instructor.

TESL 6863 is an applied capstone course, designed for teachers to document their instruction of ESOL students, based on the 12 national ENL (English as a New Language) standards.

**TESL 6891, 6892, 6893, 6894: Independent Study**

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the University's graduate program.

**TESL 6991: Project or Thesis Research Continuation**

This course allows students additional time to research and compose their capstone project/portfolio.
Theatre Course Descriptions

**TH 5283: Children’s Theatre: Techniques and Practicum**

Offered: Summer

Prerequisite: Consent of instructor.

The philosophy of teaching acting to children, in theory and practice. The course is designed for drama majors, teachers, and others interested in child development. The semester equivalent of two hours of class lecture is combined with the semester equivalent of two hours of supervised laboratory experience in a children's theatre setting.

Note: May not be taken for credit after completion of SPH 4283 or equivalent.

**TH 5313: Theatre History III -- 1900 to 1960**

A study of European and American theatre during the first part of the twentieth century, including movements such as realism, symbolism, expressionism, epic theatre, and theatre of the absurd, and playwrights such as Ibsen, Chekhov, Strindberg, Maeterlinck, Shaw, Brecht, O'Neill, Williams, Lonesco, and Beckett.

Note: May not be taken for credit after completion of TH 4313 or equivalent.

**TH 5323: Theatre History IV -- 1960 to the Present**

A study of European and American theatre during the last four decades of the twentieth century, including movements such as postmodernism, political/didactic theatre, feminist theatre, neorealism, new comedy, and collective creation, and playwrights such as Mamet, Wilson, Stoppard, Shepard, Churchill, Henley, Simon, Rabe, Havel, and Fugard.

Note: May not be taken for credit after completion of TH 4323 or equivalent.

**TH 5983: Theatre Seminar**

Prerequisite: Twelve (12) hours in theatre or consent of instructor.

A directed seminar dealing with a selected topic in theatre studies.

Note: May be repeated for credit for different topics.

**TH 6893: Independent Study**

Open to graduate students who wish to pursue individual study or investigation of some facet of knowledge which complements the purpose of the University’s graduate program. Students will be required to plan their studies and prepare formal written reports of their findings.

Note: The selected topic may not constitute any duplication of study leading to the accomplishment of a thesis.
