| Total Hours | 14 |

¹See appropriate alternatives or substitutions in “[General Education Requirements](#)”.

²Students who have two years of high school algebra with a grade of “C” or better and a math ACT score of 22 or above may omit College Algebra and enroll directly in MATH 2223. If omitted, an additional 3 hours of electives will be required. Students considering graduate school are advised to use free elective hours to take MATH 2914.
