

# KINESIOLOGY AND REHABILITATION SCIENCE

## MINORS FOR REHABILITATION SCIENCE

### Rehabilitation Science

The rehabilitation science minor is designed primarily for psychology and sociology majors who want to add an applied dimension to their degree and are interested in working in a human services setting after completing degree requirements. It may also be of interest to business majors interested in working in human resources, nursing majors, education majors, and other degree programs. The minor in rehabilitation science requires 18 hours of courses:

- RS 2003 Introduction to Rehabilitation Science
- RS 3133 Diversity and Inclusion in Human Service Settings
- RS 3204 Interviewing Skills
- \*RS Electives (8 hours)

*\*Students who choose to complete a minor in rehabilitation science should consult with a rehabilitation science faculty member to discuss course selection and how they want their RS minor to supplement their major.*
