## **ALL COURSES**

## INTERDISCIPLINARY STUDIES

## **IPBL 1993: Introduction to Diversity Studies**

Offered: Fall

This course introduces the topic of diversity from a local to a global perspective using an interdisciplinary approach. This course encourages self-exploration and prepares the learner to explore and experience diverse environments. Topics include race, class, gender, identity, and ethnicity.

## **IPBL 4893: Collaborative Solutions**

Offered: Spring

Prerequisites: upper division standing

This is a problem-solving course in which students from a variety of disciplines will be engaged in a high impact exercise of exploring a contemporary problem and proposing a solution. Each year the contemporary problem to be explored will change.

Note: This course is repeatable for duplicate credit if topic varies. \$45 course fee.
