

Student Name: _____ Date Submitted: _____ Entry #: _____

Course: _____ Term: _____ Site Host: _____

Location of Practicum (University & Functional Area): _____

Type your answers to the following questions as appropriate:

What have you done for this phase of the practicum?

What have you learned from this work? Include any highlights or low points. How does this phase of the practicum tie into any of the 10 ACPA/NASPA Professional Competencies?

Describe how your SAA coursework (including readings and assignments) and/or other work experiences have been beneficial to the work you did in this phase of the practicum.

What questions or observations do you have?

What do you have planned for the next phase of the practicum?

What, if anything, would you do differently if you could do the work over?
