HQIM INTERNALIZATION FOR EPPs

High-Quality Instructional Materials

Join ATU faculty instructors as we dive into HQIM, review adoption & implementation data statewide, and discuss how internalization practices in EPP's will benefit our future educators. This work directly connects to AR HQIM Competencies and State Review.

Session Outcomes:

- Understand the role of HQIM in student success
- Review statewide HQIM & Implementation Data
- Engage in an internalization practice
- Reflect on opportunities to embed practices into coursework
