

CETL Advisory Board
September 24, 2020

1. Approval of Minutes – Jones moved for approval. Thibodeaux seconded it.
2. Budget reviewed - Expenses still coming are Magna online seminars and Tech Talks (possible plenary speaker). Hanna noted possible expense is January professional development.
3. Update on current projects
 - a. CETL Badge Creation Team – Hanna provides report and says pilot program will be offered in spring 2021.
 - b. Proposal for Faculty Senate – not yet submitted for adding Ozark faculty member to the board. TBA
4. CETL Objectives – Approved.
5. Ideas for Programming – want to continue to offer options.
 - a. Fall 2020 – Google Docs; Blackboard Power Users (inline grading, turn it in, etc.,) Possibly do a Blackboard Power Users weekly session or create a WebEx Team for Blackboard users; Consider offering discipline specific development; Item analysis training (offered by Dan Warwick with discussion lead by Jordan Thibodeaux)
 - b. Spring 2021— promotion and tenure professional development; project based learning; service learning (Schwehm volunteered); diversity in your classroom (creating safe spaces for those discussions in our classrooms); psychology of learning (Thibodeaux and Leggett); Direction and future of higher education (who could speak to this?)

Next meeting is scheduled for October 29th, 8:30am.
