

## Arkansas Tech University Concurrent Enrollment Program Information for Students and Parents 2022-2023

Arkansas Tech University offers the following general education concurrent courses. Contact your high school counselor to know which courses are offered through your high school. Applicants must meet admission requirements of a minimum subcomposite ACT score of 19 or equivalent test score in reading. English, math, and science classes require an additional minimum subcomposite ACT score of 19 or equivalent test score in the respective subject area. A 2.00 cumulative GPA and completion of the eighth grade at a public high school or accredited nonpublic secondary school are also required. Remediation courses are not available to concurrent students. Additional student eligibility requirements, concurrent online application, academic calendar, and concurrent student handbook may be found online at <https://www.atu.edu/concurrent/>. Please see your high school counselor for corresponding high school course numbers.
