Student Gifts, Prizes & Awards: Pre-Approval and Award Procedure
This pre-approval and reporting form must be used for the following. One form must be completed for each vendor to be used.

1. Any dollar amount of gift card to be given as a prize. Gift cards may only be purchased for prizes for ATU students.
2. Any dollar amount of cash prize (check from the University) and may only be awarded to non-ATU students with prior approval from the Controller's Office using this form.
3. Goods totaling \$75 or more in value. *Example: Gift basket made up of items totaling \$75 or more in value or a pair of earbuds valued at \$99.*

Prior to advertising for the event or prize opportunity you must complete the following steps.

1. Complete the Pre-Approval Form, sign, and obtain Vice President's signature. Review specific instructions below for gift cards and cash prizes.
2. Forward form and attach detail of the purchase such as an Amazon cart snippet or vendor quote to controller@atu.edu for review and approval by the Controller's Office.
3. Controller's Office returns approved form via email cc'ing purchasing@atu.edu.
4. Make purchase and advertise award opportunity. **Do not advertise the prize until you have received approval from the Controller's Office.** Securing the approval before the advertising will eliminate any risk of advertising for an award that may not be allowed to be offered. Include Controller approved gift/prize/award form with your pcard log if using pcard for purchase.
5. Upon award complete and return the Reporting Form to the Controller's Office within **5 business days** of award.

Important Information: IRS tax laws require the reporting of gifts/prizes/awards given to individuals. **Non-US citizens** may be subject to additional taxes. In some cases, 30% of the value of the prize must be withheld or paid before the prize can be claimed. Please contact the Controller's Office before awarding the prize if the recipient is a non-US citizen.

Gift Cards

Gift cards may be purchased **for prizes to ATU students only**, according to the following guidelines:

1. The total amount for any gift card cannot exceed \$100 and must be pre-approved.
2. The recipient of the gift card must personally pick up the card by presenting a student id, and completing the gift/prize/award form.
3. Notify the Controller's Office when a gift card has been awarded, by turning in the Gift/Prize/Award **Reporting** form within five business days. *Contact the Controller before awarding the card if the recipient is a non-US citizen. Gift cards must **not** be purchased with a University PCard, a requisition is required.

**If the above policy isn't followed the individual that purchased the gift card, on behalf of their department or organization, will be documented as the recipient of the gift card, and will be held responsible for any taxable income reported to the IRS.*

Prizes—Cash (in the form of a check from the university)

Cash can be awarded to winners of competitions sponsored by student organizations or departments. Prizes can only be awarded to ATU students **unless** prior approval is given for a non-student recipient.
