

Arkansas Tech University Testing Services

Check In

The following items are prohibited in the test lab and private examination rooms:

1. Cell phones, smartwatches, fitness bands/trackers and all devices with recording, Internet, or communication capabilities that are:
 - A. Not related to approved accommodations; or
 - B. Are approved prior to the exam by the instructor for the purposes of the exam; but are prohibited in the test lab and private examination rooms.
2. Lockers are provided for the secure storage of these and other personal items (including, but not limited to, hats, purses, backpacks, food, and/or drinks) during testing.
3. All electronic devices must be completely powered off prior to storing them.
4. Please use the restroom prior to beginning the exam.
5. Please have your photo ID ready. You will take your ID with you to the test lab or examination room.
6. If you are taking a standardized exam, please have your receipt ready.

These are designed to protect the student and to ensure the integrity of the examination process. This policy will be strictly enforced.
