

Arkansas Tech University Department of Public Safety Presents

CIVILIAN RESPONSE TO ACTIVE SHOOTER EVENTS

WHEN: APRIL 19, 2023 FROM 6:00PM - 7:30PM

WHERE: DOC BRYAN LECTURE HALL

WHAT YOU WILL LEARN

- An evaluation of active threat events and their rise in the U.S.
- The science of how we respond to being in a high stress life or death situation.
- What NOT to do in an active threat situation.
- What TO do in an active threat situation.
- A review of case studies to apply lessons learned.

OPEN COURSE

This is an open class. Anyone from the community is welcome to attend. The training is being provided by the Department of Public Safety at ATU. Heath Whorton, the ATU Emergency Manager, will be delivering the presentation.
