- **Chair** (Greg Michna)
 - Recently had a meeting with the Vice President for Academic Affairs and Associate Vice President of Academic Affairs
 - In that meeting they expressed concerns with some of the possible changes occurring to general education
 - These concerns will be considered when the changes go to Faculty Senate in February
 - Possibility of just going back to the program dictated by the state
 - Student perspective that changes should not be too dramatic
- Recently held a workshop with Christine Austin that was a success
- Possibility of having more CETL meetings on general education and/or a university wide discussion at the May faculty meeting on this issue
- Importance of having a faculty conversation
