PORTS OF CALL

VOLOS, GREECE
A lively city of Neoclassical architecture with a restaurant-dotted waterfront on the Pagasitikos Gulf, Volos marks the halfway point between the Greek capital of Athens and the country’s second major city, Thessaloniki, but it warrants recognition of its own. The Archaeological Museum of Volos beckons with its vast collection of artifacts from the Bronze Age to the Hellenistic Period.

EPHESUS/KUSADASI, TURKEY
The port of Kusadasi, recently a fishing and farming village, is today a resort town offering lovely beaches and plenty of shops. Nearby, is the legendary ruined city of Ephesus, a veritable museum of Greek and Roman history with impeccably preserved relics from its ancient past. Here you’ll find the Library of Celsus, the incredible Terraced Houses, and the remains of the Temple of Artemis—one of the Seven Wonders of the Ancient World.

PATMOS, GREECE
Known as the “Jerusalem of the Aegean” since St. John arrived in A.D. 95; Patmos is an island of strong traditions and a rich history. Home to the 11th-century Monastery of St. John that was founded in his honor, the monastery is one of the richest and most influential in Greece. A tranquil Greek isle echoing with the sounds of over 300 churches’ bells, Patmos is also home to quaint towns and unspoiled beaches.

RHODES, GREECE
Rich in history and steeped in legend, the largest of the Dodecanese (or Twelve Islands) is located on the eastern edge of the Aegean Sea. Home to an ancient acropolis, white-washed towns and the medieval walled city known as Rhodes Town, the island’s stunning scenery is of equal splendor—dreamy beaches and an average of more than 300 days of sunshine each year.

IRAKLION (CRETE), GREECE
From the stately Church of Agios Titos and the ornate Venetian Loggia to the sturdy 16th-century Koule Fortress overlooking the sea, Crete’s capital city abounds with impressive monuments. In its historic core, centuries-old buildings and open-air cafes hem bustling squares where Venetian and Turkish fountains cast their lazy spray. Remnants of ancient civilizations are on display at the renowned Archeological Museum and Palace of Knossos—a true masterpiece of Minoan architecture.

SANTORINI, GREECE
Famed for its spectacular sunsets, the island’s distinctive crescent shape is the result of an enormous volcanic eruption thousands of years ago. Behold a panorama of indigo-domed churches and chalk-colored homes clinging to stony cliffs along the caldera, black sand beaches dotted with pebbles beside deep, azure waters, and breathtaking rock formations climbing from the volcanic floor—here is the epitome of Grecian beauty.

MYKONOS, GREECE
Amid the shimmering waters of the Mediterranean is the heart and soul of the Cyclades: Mykonos. Situated on an island of the same name, the town artfully balances glitz, glamour and classic Greek culture with its labyrinth of cobblestone streets and chalk-white houses beside classic blue-domed churches.

Shore excursions are not included. In each port of call you may select from a variety of optional shore excursions for an additional charge, some of which are referenced in the descriptions above.

Go Next will offer a unique collection of Oceania Cruises shore excursions; available for purchase approximately 4 months prior to departure.
