

Emerging Graduate Scholarship 2018:

About the Award: The award of \$1,000 will be given to (15) students, totaling \$15,000. These awards will be given in two (2) consecutive semesters in the amount of \$500 per semester (spring/summer or spring/fall), if he/she has a cumulative graduate GPA of 3.5 or better following the first semester of their graduate studies. This scholarship award will be posted to the selected recipients' student account. These scholarships are available due to the generosity of donors who made financial gifts through our ATU annual "Mosaic Scholarship" fundraiser organized by our Advancement Office.

Basic Criteria: These scholarships are focused on new, incoming (domestic or international) graduate students. Students must have applied and been admitted to an ATU graduate (degree or graduate certificate seeking program) prior to November 17, 2017. Recipients must begin their graduate studies during the 2018 spring or summer semester. To be eligible, students must have a minimum of a 3.0 cumulative undergraduate GPA at the time of their application and have financial need. Students receiving a full or partial graduate assistantship or classified as non-degree seeking (which includes licensure or endorsement only courses) will *not* be eligible for these scholarships.

Application Process: Submit a maximum one-page, typed writing sample that describes your need for this award and share your career goals. In addition, a resume and a completed [recommendation form](#) must be submitted for a complete application. The recommendation form can be completed by one of the following individuals: an advisor (academic/co-curricular), faculty member, or current supervisor (if employed). All application materials must be submitted electronically to gradcollege@atu.edu prior to 11:59PM (CST) on November 17, 2017. Awards will be announced the week of December 4, 2017.
