

ARKANSAS TECH UNIVERSITY TOPIC APPROVAL SHEET FOR THESIS & APPLIED RESEARCH PROJECT

This form is to be accompanied by a one page typewritten description of the proposed research paper or applied research project (3 hours); including the problem, the value and the significance of the problem, and the method.

To the student: Submit a signed copy of this form to the Graduate College **before you begin work** on your research. Your advisor and the department head will not sign this form until they have read and approved the written proposal description. The Graduate College will send an electronic a copy of this form to you and the department head or graduate program director once it has been signed by the Graduate College Dean.

Student Name: _____ T Number: _____

Student Signature: _____
