Doc Bryan Senate Room

The Vision of the Graduate College of Arkansas Tech University is to empower students through advanced degrees to meet the demands of a global society through intellectual inquiry, scholarly attainment, artistic endeavors and creative pursuits within and across disciplines.

The Mission of the Graduate College of Arkansas Tech University is to encourage a diversity of ideas in a climate of academic freedom and integrity. Advanced degrees are designed to complement and enhance undergraduate programs. The Graduate College strives as an advocate for graduate study. The Graduate College serves to nurture and preserve academic excellence by taking the lead in shaping policy and assisting faculty in guiding and mentoring graduate students in becoming accomplished and ethical scholars, researchers and practitioners in their discipline.
