

Employee News

Welcome New Human Resources Team Member

The Human Resources Office would like to welcome Carla Barkley!

Carla joined the staff this February as a Human Resources Assistant-Recruiter. She is responsible for the recruitment process of full-time non-classified and faculty employees.

Special Guest Speaker

Please help us welcome Lindsay Queen, from Saline Health System, as she talks about healthy eating. Her topic will be: "Living to be 100: How Eating the Mediterranean Way Can Improve Your Life and Your Health."

She will be on the Russellville campus February 25th in the W. O. Young Ballroom from 2:00 – 3:00 p.m. and at the Ozark campus March 5th in the Student Services Building from 2:00 p.m.-3:00 p.m.

2019 Camp Season

Human Resources needs to be notified as soon as possible about any upcoming camps/events, involving minors on campus, which are being held for the 2019 Camp Season.

It is ATU's policy that any individual working a camp/event (whether they are paid or not) will need a new background check, necessary HR paperwork (if getting paid), and the Arkansas Mandated Reporter training certificate **PRIOR** to beginning work of a camp.

Please send a list of anyone working a camp/event during 2019 to Michelle Bishop at mbishop1@atu.edu or hr@atu.edu.

A background check request will be required for all individuals working the camp/event.

If you have any questions regarding the 2019 camp season, you may reach out to Michelle Bishop in the Human Resources office.
