

Don't Be Copied

Protect Your Identity

- Don't share personal information, such as your social security number, phone number, address and date of birth.
- Immediately report lost driver's license, Tech I.D., credit/debit cards or social security card to Public Safety.
- Avoid phishing scams by being cautious of emails from unrecognized senders, watching out for pop-ups and avoiding the practice of clicking on links or downloading files from unknown senders.
- Check your online accounts and bank statements regularly.
