

# LUNCH with a Leader

Medical Sciences

Dr. Burdine is director of the Division of Surgical Research at UAMS where she coordinates research projects between the clinical and basic science departments to facilitate the development of disease therapies and clinical devices. In addition, Dr. Burdine runs her own research lab at the AR Children's Research Institute where her research focuses on novel therapies for organ transplant rejection and pancreatic cancer.

**Wednesday, September 12th**  
**11:00 AM - 12:00 PM**  
Baz-Tech 204

## PRESENTER:

**Dr. Marie Schluterman Burdine,**  
**Assistant Professor, Department**  
**of Surgery, UAMS**

Lunch is provided on a first  
come, first serve basis.

**These round table discussions will  
offer students a chance to learn  
from the experience of seasoned  
professionals from a variety of  
different fields as well as an  
opportunity to engage in  
conversation  
about the  
University  
community  
as a whole.**
